Honorary Life President

Junior Chamber International Hong Kong

It is once again a happy role of the Junior Chamber in Hong Kong to sponsor the selection of the Ten Outstanding Young Persons which they do every year, as done also in many other places in the world as a longstanding tradition.

So, this year's Committee also expects that they will be given the opportunity to acclaim the young achievers who have been carefully selected for Hong Kong-wide approval.

It is with the Committee that I join with pleasure to applaud their success and to wish them even greater achievements in the years to come.

A. de O. Sales
Honorary Life President
Junior Chamber International Hong Kong

Message from

Chief Judge

Being a member of the Selection Panel of the Ten Outstanding Young Persons' Award is emotionally and intellectually uplifting.

This year's winners hail from varied backgrounds and excel in very different fields of endeavour. However, it is their common traits that touch.

Every winner cares about others and has in his or her own way, made the lives of others in Hong Kong and abroad, better.

Every winner has the moral courage to do the right thing and can rise to great challenges.

Every winner has the virtue of humility, his or her outstanding personal achievements notwithstanding.

These are the young people that make Hong Kong, Asia's World City indeed.

I congratulate the Junior Chamber for carrying on the fine tradition of TOYP Awards and I thank my fellow Judging Panel members for making the judging process so much fun and rewarding.

Dr. Chu graduated from University of Hong Kong with Bachelor of Dental Surgery (Honours) at HKU, and after further studies Master of Science in Conservative Dentistry (Distinction) at the Eastman Dental Institute, University of London, Doctor of Philosophy of University of Hong Kong, and many overseas and local professional fellowships. He has published two textbooks and more than 50 scientific articles in international academic journals. In 2006, Dr. Chu published an article with Professor John Chai of the Northwestern University showing edentulism is a significant risk factor leading to malnutrition among geriatric patients. Their research paper won the Best Article Award of the International Journal of Prosthodontics.

In addition to teaching and research, Dr. Chu is actively involved in community service and is especially concerned with dental problems experienced by medically compromised patients (such as those with diabetes) and geriatric patients. To serve these special-needs groups, he facilitated the establishment of Hong Kong's first Diabetes Centre Dental Clinic at Tung Wah Eastern Hospital in 2002, and the Geriatric Dental Clinic at Kwong Wah Hospital two years later. Furthermore, in 2006, Dr. Chu helped establish the 'Implant Project for Elderly Patients' and conducts fundraising activities for the project, which provides free implant treatment for edentulous patients who are at risk of malnutrition because of impaired chewing and biting.

Dr. Ko Wing Yin, Albert

Dr. Albert Ko is an engineer specialized in artificial intelligence and applied robotics. His research interest includes artificial immune systems (AIS), modular robots, and intelligent search and rescue systems.

Dr. Ko believes the joy of robotics studies should not be a sole privilege for those who mastered difficult mathematics and science concepts; instead, robotics should be recognized as a tool for generating students' interest in these difficult subjects. Following this belief, Dr. Ko, with the assistance of his fellow researchers, established FIRST Laboratory (Free Instructional Robotics

Science & Technology Laboratory), a small scale volunteer-based non-profit organization that offers 100% free robotics courses to school teachers and students. The founding principle of FIRST Laboratory is to prepare creative and scientific young minds to facilitate the society's ongoing needs for innovative leaders by providing inspiring robotics courses to students in supplement to the formal school education.

Dr. Ko is also an experienced humanitarian relief worker, he was the first Hong Kong engineer recruited by Medecins Sans Frontieres (MSF). Since then, he spent more than a year, in total, to serve in different missions around the world. For instance, while he was a PhD student at HKU, he spent all of his annual leaves for two consecutive years to assist the emergency interventions in Sigli, Indonesia during 2004 Tsunami, and in Bahg, Pakistan during the 2005 Kashmir earthquake. Dr. Ko also served as a board member/engineering advisor in MSF Hong Kong, and is keen in promoting volunteerism to the younger generations in his society. He is currently a mentor of the HKU Space Mentorship Program, an advisor of Nan Hai Volunteer Association in China, and a co-organizer of an emergency engineering course with the Hong Kong Institution of Engineers. In 2006, Dr. Ko single-handily raised more than HK$200,000 for an international NGO by cycling alone across the Qinghai-Tibet plateau.

姚佩玲是一位嚴重腦部痙攣人士，因此影響身體及四肢自控能力，說話也不清晰，生活起居亦需別人協助；自飽受別人的奇異目光，對人生很悲觀，常怨天尤人，否自己的生存價值！直至接觸到基督教之後，自始佩玲改對人生看法。

有幸進入了香港痙攣協會，接受教育、治療和電腦訓練用口以一吸一吹的方法來操作電腦。在９２年佩玲獲得傑出傷殘人士獎，得到很大的鼓勵，相信努力定會成功在２０００年出版了個人的散文集－「輪椅上的小鳥」內容以佩玲的經歷來鼓勵人們去積極面對困境、珍惜命。這十多年來佩玲積極參予義工服務，至近期創立了聯福利會，通過探訪去鼓勵有需要的人。

感謝主，是次有幸獲香港十大傑出青年獎，這獎項是屬一直在身旁鼓勵著佩玲的人士和機構，當中包括：提名玲參加是次選舉的香港痙攣協會行政總裁方先生，佩玲要感謝恩聯福利會、回聲谷傷健福音協會撰寫推薦信，然不少得一直以來無微不至地疼愛佩玲的家人、朋友和師並所有愛她的親友，尤其是已離世的叔叔。更要感謝辦機構及評審團，讓更多社會人士知道，縱使嚴重傷殘士亦可貢獻社會。佩玲自小受惠於香港痙攣協會，從學訓練至今成為輔助就業的學員，協會給予她自由空間，她有機會操練寫作技巧，從而發揮所長來透過文字來鼓他人，也證實復康機構對社會的重要性。願一切榮耀給主。

Introduction of Junior Chamber International

Junior Chamber International (JCI) is a worldwide federation of young leaders and entrepreneurs. We have 200,000 active JCI members and millions of JCI alumni participating in projects, meetings, learning programs and events. JCI thrives in more than 6,000 chapters located in more than 100 nations and territories throughout the world.

JCI members (18 to 40) are professionals and entrepreneurs who have joined a local JCI chapter. We meet, learn and grow. We create positive change. We train to become better leaders. We organize projects in the areas of Individual, Community, International and Business Development.

Building local, national and international networks, we draw on the experience of JCI alumni who have succeeded in various facets of life and who provide assistance when required. Representing countless occupations and skills, we are creative, bold leaders who are developing new skills, laying new foundations, and establishing new friendships and networks.

We believe in the advancement of the global community and the creation of positive change by improving ourselves and the world around us. We meet at local, national, and international events to exchange ideas and share best practices. We also learn from dynamic speakers and trainers at interesting and interative seminars and presentations. We are growing personally and professionally because we are learning by doing, actively organizing projects and activities that benefit our communities and ourselves.

Introduction of Junior Chamber International Hong Kong

With around 1,400 members from all walks of life in Hong Kong, Junior Chamber International Hong Kong (Formerly known as "Hong Kong Junior Chamber") 國際青年商會香港總會 is a charitable organization dedicated to developing leadership potentials among young people. Junior Chamber International Hong Kong represents a network of highly-motivated and forward-looking young people between the age of 18 and 40 who come together to under a common mission: "to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, entrepreneurship and fellowship necessary to create positive change".

History

The Junior Chamber (JC) movement was introduced to Hong Kong in 1949. After one year's germination and preparation, it was inaugurated on May 6, 1950 and became a National Organization Member of Junior Chamber International.

Theme

Each year, the JCIHK adopts a theme addressing the society's needs and development. Members organize projects and activities that echo such theme. The 2007 theme is "Be Better".

Membership

JCIHK now has around 1,400 members from 19 local chapters. All chapters are incorporated and affiliated to the JCIHK. The chapters distinguish themselves through two main aspects: gender (Male / Female) and official language (English / Chinese) used. 19 chapters were named according to features of Hong Kong while the activities and members transpire the geographic boundary. They include: Victoria, Kowloon, Island, Peninsula, Hong Kong Jayceettes, Lion Rock, Harbour, Yuen Long, Tai Ping Shan, Bauhinia, Dragon, East Kowloon, City, Queensway, North District, Ocean, Sha Tin, Apex and City Lady.

Four Areas of Opportunity

Introduction of The Outstanding Young Persons' Association

The Outstanding Young Persons' Association, TOYPA in short, was formed in 1977. The Association is made up of awardees of the Ten Outstanding Young Persons Selection. Membership of TOYPA exceeds two hundred.

The Ten Outstanding Young Persons Selection, introduced to Hong Kong in 1970, is a major project of the Junior Chamber International Hong Kong. Each year, the award is open to nominations by the public. After the process of carefully vetting candidates' data by an appointed auditor/law firm, the candidates are presented to a Judging Panel consisting of renowned leaders in the government, business, industries, education and various professions. Merits are given to the candidates' exceptional achievements in their respective fields as well as their contributions of personal time and efforts in serving the community.

The Outstanding Young Persons' Association not only gives proper recognition to the achievements of the recipients, but also carries with it certain responsibilities. All those selected are expected to make further contributions to the community of Hong Kong and to serve as inspirational examples to other young people. It is with this spirit that recipients of the award work together to serve the community.

The aims of TOYPA are :

1. To sponsor and organize projects for the well-being of Hong Kong.
2. To propose recommendations to the Government or relevant authorities on matters pertaining to the welfare of Hong Kong.
3. To assist in the annual selection of the Ten Outstanding Young Persons.

TOYPA membership covers diverse industries and professions including a number of active members in decisive arenas, serving on the Executive Council, Legislative Council, District Councils, Advisory Committees, Drafting Committee for the Basic Law of HKSAR, and National Peoples' Congress of the PRC and Hong Kong Affairs Advisors etc.

Since its inception, TOYPA has organized and sponsored numerous community service projects. All financial resources have been generated from funds raised over the years. In all projects organized, co-organized or sponsored by TOYPA, members take an active role with commitment and dedication.
