It gives me great honour to have the opportunity to welcome you all to attend the JCI Hong Kong Congress in 1993 hosted by the Peninsula Jaycees. In Hong Kong, we are excited and busy in preparing and promoting the Hong Kong Congress in order to give you the best hospitality. This year, Peninsula Jaycees has come to her 23rd birthday, we have successfully recruited almost 100 prospective members to train as the working force for the Congress.

Peninsula Jaycees has been actively involved in both local community services and internal individual training and development programmes. We have received a lot of recognitions in many of the area conferences and congress. During last year's Helsinki World Congress, we have been again awarded the Most Outstanding LOM of the World since the same award has been granted in 1986.

Hong Kong is a nice place to visit, an ideal stop for shoppers, a place of most variety to eat, and it will also be a memorable destination for Congress. So please don't hesitate, mark your diary and bring along your other Jaycees to Hong Kong on 20th – 27th November, 1993.
