Message from National President

It is my great privilege to serve the Hong Kong Junior Chamber as the 2001 National President in the new millennium.

Since its inception in 1950, under the capable leadership of our Past Presidents and dedicated efforts of our members, Hong Kong Junior Chamber has been involved in a wide range of projects and activities, providing members with numerous opportunities to serve the community, while at the same time helping our community to groom its future leaders. It is the mission of our National Board in extending this accomplishment, not only among individual, but also to the community and throughout the world.

In this era of the new millennium, the challenges we are facing are numerous. Our world is changing rapidly with emergence of new format of economy, rapid evolution in technology and advancement in the means of our communication. Our daily works are becoming much more and more demanding. Everything around us is moving at "cyber speed".

In this revolutionary era, we believe that "entrepreneurship" is one of the key elements to the success in this commercial world and such element is equally important in Jaycees world. We require vision, flexibility, creativity and willingness to serve in order to cope with the challenges we are facing. Hence, "Entrepreneurship for Positive Change" is chosen as the theme for 2001.

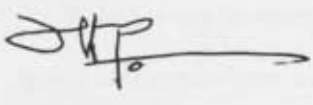

In the year 2001, our first mission is to better equip our members with leadership and management capabilities through entrepreneurship development. National Board and local chapters are encouraged to train up our members as an Entrepreneur / Top Executive through Entrepreneurship Program.

Our second mission is to enhance our organizational management effectiveness and efficiency through entrepreneurship. Some of our commissions are to be merged to reduce the "weight" of our organization. Better utilization of Information Technology as an effective communication tools is one of our tools in accomplishing our mission. Special highlights will also go to the restructuring our current management format and its effectiveness so as to create a positive change.

Our third mission is to achieve a realistic membership growth. We always advocate that members are our most valuable assets and backbone of our organization. However, with the gradual decline in membership figure, we should put more resolute effort in our membership extension and retention. While innovative recruitment campaign will be implemented, we would also target in nurturing the personal growth and development of our members with "CARE and SUPPORT". Local chapters are also encouraged to make more efforts in retaining our senior members and soliciting their assistance in mentoring new members.

"Entrepreneurship for Positive Change" coupled with our professional image, a well-managed system and our outstanding projects, we trust that our corporate image as a leading International Leadership Training Organization would be upheld and further enhanced.

Last but not the least, as your National President in the new millennium, I am determined to create a Positive Change to our organization. Let's create the synergistic impact in 2001 and lay another milestone for Hong Kong Junior Chamber.

Michelle Tang
National President

Message from President of Junior Chamber International

As Junior Chamber International President for the year 2001, it is my pleasure to send my greetings to National President Michelle Tang and the members of Hong Kong Junior Chamber, China on the occasion of the Inauguration Ceremony.

A new millennium has truly dawned. Our organization is needed more than ever, because still so many men, women and children hope for a better tomorrow, a better world, a world of understanding and peace.

This year, 2001, will be very important for Junior Chamber, as we will introduce important initiatives to shape our direction and actions in the new millennium.

Junior Chamber International is an organization that helps each individual member make his or her dreams come true.

Junior Chamber's global membership embraces over half-a-million members and JCI Senators in more than 120 countries and territories. They are cutting-edge young business people who bring passion and creativity to problem solving and to the art of work. They are bold, imaginative, and are breaking barriers, which gives them the ultimate edge over the competition.

Thanks to their entrepreneurial spirit, Junior Chamber members are opportunity creators, trailblazers and pioneers in business and in life; they radically redefine what is doable and how it can be done.

Jaycees are investors, venture capitalists, entrepreneurs, professionals in diverse fields. They see entrepreneurial action as a creative outlet, a powerful means of creating change to make the world a better place. They are visionaries, risk-takers and mavericks; they transform great dreams into reality. With power, grace, determination and action, they are reaching new limits, continually striving to do more and be more in their businesses, their communities, and in the lives they help change.

This year with your help, JCI will continue growing and consolidating its image as a strong and dynamic NGO that helps young men and women around the globe develop and use their entrepreneurial spirit to better themselves and contribute to an everlasting world peace.

This year I also want to challenge you to find 10 members, candidates, Senators, Associate Members, friends or persons interested in the best organization for young men and women - JCI - and add their e-mail addresses to the JCI website <www.juniorchamber.org>. More and more people will then have the chance to learn about the rich opportunities JCI offers. Let us all work together this year to achieve the vision of our founder!

Wishing you a very memorable event!

Georges A. Bouverat
President
Junior Chamber International

Message from Executive Vice President of Junior Chamber International

First of all, let me congratulate President Michelle Tang and the members of Hong Kong Junior Chamber, China, on the occasion of its Inauguration Ceremony. I am convinced that it will be a great event.

As your assigned Executive Vice President, it is my strong desire to support you in every single aspect in your Junior Chamber career throughout this year. I am excited about this year 2001 and about learning that we, altogether, would make this year a truly successful year. I am sure you will join me in this endeavor and look forward to your commitment.

Our Area B team in Junior Chamber International, together with President Georges Bouverat, will form a very strong team to ensure that every need from individual members, LOMs and NOMs will be met so as to further encourage them to step ahead in creating a best-ever Junior Chamber organization. It is not just because of our sense of duty, but because we know that through our joint efforts, we can create a much larger force, thereby making a big difference in our beloved organization.

We are at the threshold of the New Millennium, that calls for our voice and action to prevail. Junior Chamber is the organization where every achievement is possible. Through Junior Chamber, our members become future leaders. Now is the time for these hundreds of thousands of young future leaders to come forward, to actively pursue the virtue of the organization and to bring the fresh and new spirits into the organization.

As your Executive Vice President this coming year, I eagerly look forward to working with all of you this year. Please remember we are one big family under the JC roof!

Wen Teik Lew
Executive Vice President
Junior Chamber International

Message from Vice President of Junior Chamber International

It gives me great pleasure and honor to send my warmest greetings to the National Officers and members of Hong Kong Junior Chamber on the occasion of your Inauguration Ceremony.

This year's theme "Entrepreneurship for Positive Change" comes in very timely and fitting. As we enter into the new millennium, we take on new challenges. This would give us the opportunity to become more creative, to innovate and discover better ways to achieve the goals and visions we set for our organization.

On this special occasion, I would like to take this opportunity to encourage each of you to take full advantage of this year's program and strive for a greater organization and stronger individuals.

To incoming National President Michelle Tang, I wish you the very best and have a wonderful year. To outgoing National President Spencer Li, congratulations for a job well done.

Please accept my best wishes, and rest assured that you have my full support as the Vice President assigned to your NOM.

Wishing one and all a great year ahead!

Michele Fernando Raule
Vice President
Junior Chamber International

Message from Hon. Life President

In Junior Chamber International and affiliated Chambers throughout the world, it is the practice to change guard each year. The annual elections for a succeeding administration enable young members everywhere to hold positions of responsibility and gain valuable experience as they work hard and take on new community projects. This is always done in Hong Kong too.

I congratulate the new President, her Officers and Members of the Board of Directors and wish them every success in all they do. With the same sentiments I greet all local Chapters (LOMS).

Let us also recall the achievements of the last administrations, both local and national, when they inspired their members successfully to work together for greater progress.

A. de O. Sales
Hon. Life President

Message from Chairman of Senate Board

Inaugural Ball is the most solemn event each year to all Jaycees. All NOM & LOM officers will bear their assigned responsibilities to serve our beloved organization. Without your continuous commitment, our organization cannot have glorious 50th years of history.

Being a member of Hong Kong Junior Chamber, I am always proud of our dedicated senators since senatorship is the highest honor that can be bestowed on a member or past member of our organization, and confers "lifetime membership" in Junior Chamber International (JCI). It is a unique way to pay tribute to an individual for his/her dedication and outstanding service on a local, national, or international level.

One of main task of Hong Kong Jaycee Senate is to link up fellow senators for the further development of our organization in different aspects. Good and high quality senate gathering will be held quarterly to promote our Jaycee images to the public and also our young members. Their experience and contacts are the most invaluable asset for us.

Moreover, I will actively promote senatorship to local chapters. Granting senatorship to individual members will recognize their contribution and motivate them to make positive change to the community.

I am full of confidence of NOM & LOM board of directors in year 2001. They can make their dream come true. To all National Officers, Chapter Presidents and their members, I wish them all a very rewarding year. In 2001, under the leadership of National President Michelle, Hong Kong Junior Chamber will set to achieve another successful year.

Senate Board

Message from Chairman of Board of Trustees

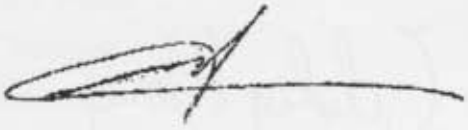

On behalf of the 1999-2001 Board of Trustees, I am pleased to send my best wishes to the 2001 Presidents and Board Members of both our National Body and her 18 Chapters.

These some 200 young men and women who are swearing in their respective offices to-night have been chosen to lead our organization in 2001. We have high hopes for your successes both at the NOM and LOM levels.

The HKJC Trust Funds were established to provide financial support to the Jaycees in Hong Kong. With total assets of close to $15 million, we help subsidize both NOM and LOMs projects in serving the community in the course of our pursuit for the Jaycee ideals.

To National President Michelle Tang and her Board Members, we wish you a most successful year in 2001, taking the Jaycee Movement in Hong Kong to greater heights.

To Inauguration Ball Chairman Duncan Tai and his Committee, a big thank you for making this evening a successful one.

Ng Leung Yau
Chairman
Board of Trustees

Message from Chairman of Long Range Planning Committe

The term of office in Junior Chamber starts from 1st January to 31st December of the same year. Every year we have different group of leaders to service this organization. This is how we provide training opportunities to young people to excel themselves in managing people and organization. Throughout the year, they will experience the sweats and tears. In return, they will have a journey of fulfillment or disappointment depending on the amount of efforts they put and how much luck they have. I am sure that all these leaders will treasure very much of being JC Officers in this year.

Taking this opportunity, I would like to send my heartiest congratulations to all the NOM and LOM officers for their commitment to service the organization this year. We need you to explore more opportunities for our members. Your dedication and hard work will definitely be of value to the long-term development of the organization. On behalf of the LRPC, I wish you all a successful and meaningful 2001.

Wish you all the best!

Hong Kong Junior Chamber History
