CHIEF SECRETARY

MESSAGE FROM PATRON AND GUEST OF HONOUR

I am delighted to lend my support to the 1984 Ten Outstanding Young Persons Selection Project organized by the Hong Kong Junior Chamber of Commerce. This public spirited project seeks to give recognition to young Hong Kong people who have shown outstanding achievement in the spheres in which they live and work and who set an example for others to follow.

I congratulate those who have been selected for awards this year. In a talented community such as Hong Kong's, with its long tradition of public service, this is an honour not easily achieved. The recipients will be joining the Ten Outstanding Young Persons Association - a distinguished group of people who have received awards in the past and who, through the community projects which they now undertake, make a special contribution to the society which has provided them with the opportunity to exploit their talents to the full.

Finally, I should like to pay tribute to the Junior Chamber for the role they play in the life of this city and community and to wish them every success in their future endeavours.

MESSAGE FROM THE NATIONAL PRESIDENT HONG KONG JAYCEES

I have much pleasure in sending my warmest felicitations to the Awardees of the 1984 Ten Outstanding Young Persons Selection.

During the past years, exceptionally brilliant young persons who stood out in the community, especially for their dedicated services to their fellow citizens as well as for their own achievements were duly recongnised. The recognition has not only prompted their untiring efforts in making Hong Kong a better place to live in, but also stimulated inspiring examples to other young people in surmounting obstacles to accept challenge in their way to personal achievement. Thus, I am more than confident that the Awardees in the TOYP Selection this year will continue their fine performance and become prominent leaders of tomorrow.

Taking this opportunity, may I thank Sir Philip Haddon-Cave, the Chief Secretary, for so kindly honouring the Awardees at the Award Banquet, the distinguished Panel of Judges and the Selection Consultant who have gone through a lot to make the Award one of the very high prestige.

It is an honour of which they can be proud. Their determination, devotion and unselfishness in contributing towards the betterment of our community is why they are here today.

My appreciation also goes to the Hong Kong Junior Chamber of Commerce for their sterling effort in organising such a meaningful project. Without their support, the outstanding achievement of the awardees would not be recongnised by the public at large. It is a successful job well done!

MESSAGE FROM THE CHAIRMAN THE OUSTANDING YOUNG PERSONS' ASSOCIATION

We in TOYPA are all delighted that the 1984 Ten Outstanding Young Persons Selection has produced another ten awardees this year, The relentless efforts of the Hong Kong Junior Chamber of Commerce in the organisation of this now well known event and the time and support of the judges, selection consultants and sponsors are to be commended. The awardees are to be congratulated.

The TOYP award is a measure of success. Apart from personal efforts, the right social conditions is also an important factor in achieving success. What are the ingredients in our society that are conducive to producing successful people?

We probed this question by compiling and publishing our book related to the future of Hong Kong : "Candid Opinion – What makes Hong Kong tick?" We have been encouraged by the good response from all quarters to this book, and our members are happy to see that the basic elements of what we regard as necessary for Hong Kong's success were given due consideration and have been enshrined in the Draft Agreement on the future of Hong Kong.

TOYPA is the association of past TOYP awardees, formed in 1977 to collectively mobilise the efforts of our members in undertaking worthwhile projects for the good of the community. We feel the best way to repay the recognition awarded to us by society is to through our own efforts contribute more towards society.

We hope all of the 1984 awardees will join TOYPA and share with us the efforts and satisfaction of continuing to serve the community through our collective efforts, and contribute towards the stability and prosperity of Hong Kong in a positive way.

FUNG TIM CHEE, RICKY 馮添枝

Mr. Fung was deprived of the benefit of higher studies or any kind of professional training as his father, the bread winner of the family, died when he was six years old. But through his perseverance, drive and hard work, he was able to rise through the ranks of Polygram Records from being a sound technician to his present position of general manager. As an innovator in the field of Music, he had popularized songs with music written by local composers. He worked closely with artists like Sam Hui and the Wynners in blending Chinese traditional music and Western music with contemporary popular music, thus creating a new trend which led to the present boom in the local music as well as recording industry. Aside from being a successful and influential record executive and record producer, he is also a composer for over 50 popular songs some of which were given awards in their own right.

Other than his work in the field of music,he has also helped with the community projects like the Fight Crime Campaign, Anti-Drug Campaign, Against Child Abuse song contest, Promotion of District Board Election and Voter Registration Campaign etc.

As a director of the Composers and Authors Society of HK (CASH), Mr Fung has contributed much in protecting the interests and rights of composers and songwriters against encroachment.

馮先生幼年喪父，家境困難，未能獲得進修專上學業或專業訓練的機會，但由於他堅强勤奮，爲實現理想而努力不懈，終能由一名音響技術員，經過不斷奮鬥，而成爲寶麗金唱片公司總經理。

早於七十年代初期，馮先生認識到香港歌曲需要有它本身形像，大力提倡運用本地語言的歌詞，更將中國傳統音樂和西方古典音樂、流行音樂揉合，爲本港現在極之蓬勃的音樂事業和唱片業奠下基礎。

作爲一位唱片監製人員外，馮先生亦曾作有五十多首流行曲，給他帶來多項榮譽及獎項。同時，他亦經常帶領他的機構協助推行各類社會計劃，如反罪惡運動、反吸毒運動、防止虐待兒童歌唱比賽、宣傳區議會運動等。

此外，馮先生在香港作曲家及作詞人協會的工作更爲香港樹立一個值得推崇的維護創作利益的地位。

LAM HAW SHUN, DENNIS 林孝信

With a Master of Business Administration degree and acumen, Mr. Lam has progressed from the position of management trainee to various important positions in different financial institutions. At present, he is the Managing Director of a multi-national enterprise engaged in various types of financial and banking business. In all the financial institutions he worked for, his contributions have benefitted not only his own company, but also the financial services industry as a whole. It is worth mentioning that while he was with a local finance company in 1976, he came up with the Negotiable Certificate of Deposit which was quite an innovation in those days. The new measure was, to some extent, conducive to the subsequent deposit growth which in turn helped the company gain a licensed bank status in 1982.

While he was with a securities company in 1980, night bullion dealing for the company's clientel and other bullion dealers of Hong Kong was introduced. As a result, many other international bullion trading institutions in Hong Kong followed suit. Mr Lam also helped to effect raising funds in the Eurodollar Capital Market in London.

But the most notable achievement is his role in the development of the Hong Kong Forex Club, an organization comprisisng professional bankers engaged in foreign exchange and money market dealing in Hong Kong. The Club has grown from a membership of 70 when he took over the presidency in 1977 to the present 700. In recognition of his achievement, Mr. Lam was invited by the HK Forex Club to be an honorary member.

His most recent appointment by the goverment as a member of the Deposit-taking Companies Advisory Committee is yet another recognition of his capability and contribution made in this field.

林孝信先生有一個工商管理碩士學位及敏銳的遠見，他現爲一間美資跨國銀行總經理。他先後任職多間有規模的財務機構，所作的貢獻不但有利於他所屬機構，更爲香港整個金融事業帶來良好影响。於一九七六年，當林先生服務於一財務公司時，他推行“可兌換存款証”的業務，在當時是一項創新的做法。而該業務亦對日後該財務公司能夠取得銀行地位，幫助不少。

在一九八零年，林先生首創香港夜間黃金買賣，使本港可以與世界上其他金融中心全日保持聯繫，消除時差帶來的限制。林先生亦曾成功地爲他的公司在倫敦的歐洲美元資金市場集資。對於香港的財務機構是一項創舉。

林先生最爲人稱道的成就是他對香港外滙同業聯會的貢獻。初期該會只有七十多名會員，在林先生任會長期間，他努力推行會務，現在已擴展至七百會員。令外滙同業聯會成爲一個有代表性及影响力的團體。

最近林先生被委任爲存款公司咨詢委員會成員。這亦足以証明他在這方面的才能及建樹。

TSANG WAI YIN 曾慧燕

Miss Tsang resembles the hero in Cervantes' 'Don Quixote' who strives in times of adversity. In her early years, she had to struggle hard to complete her secondary education in China. She was granted permission to leave China and arrived in Hong Kong in January 1979. After working as a worker in an electronics factory for ten months, she got her first job in the Press, first serving as a proof reader and then a reporter as from August 1980. Within a year, she had made herself felt by publishing a book entitled 'The Braindrain' which gives a true and animated account of talented people who left the country in past years. She has now become a reporter-laureate by virtue of her integrity, a high sense of responsibility and righteousness. On that score, she was awarded by the Newspaper Society of Hong Kong '1983 Best Journalist', 'Best General Reporter of the year' and "Best Feature Writer'. That the three awards won by the same journalist in one year was unprecedented and no woman reporter had ever been honoured with 'The Best Journalist'.

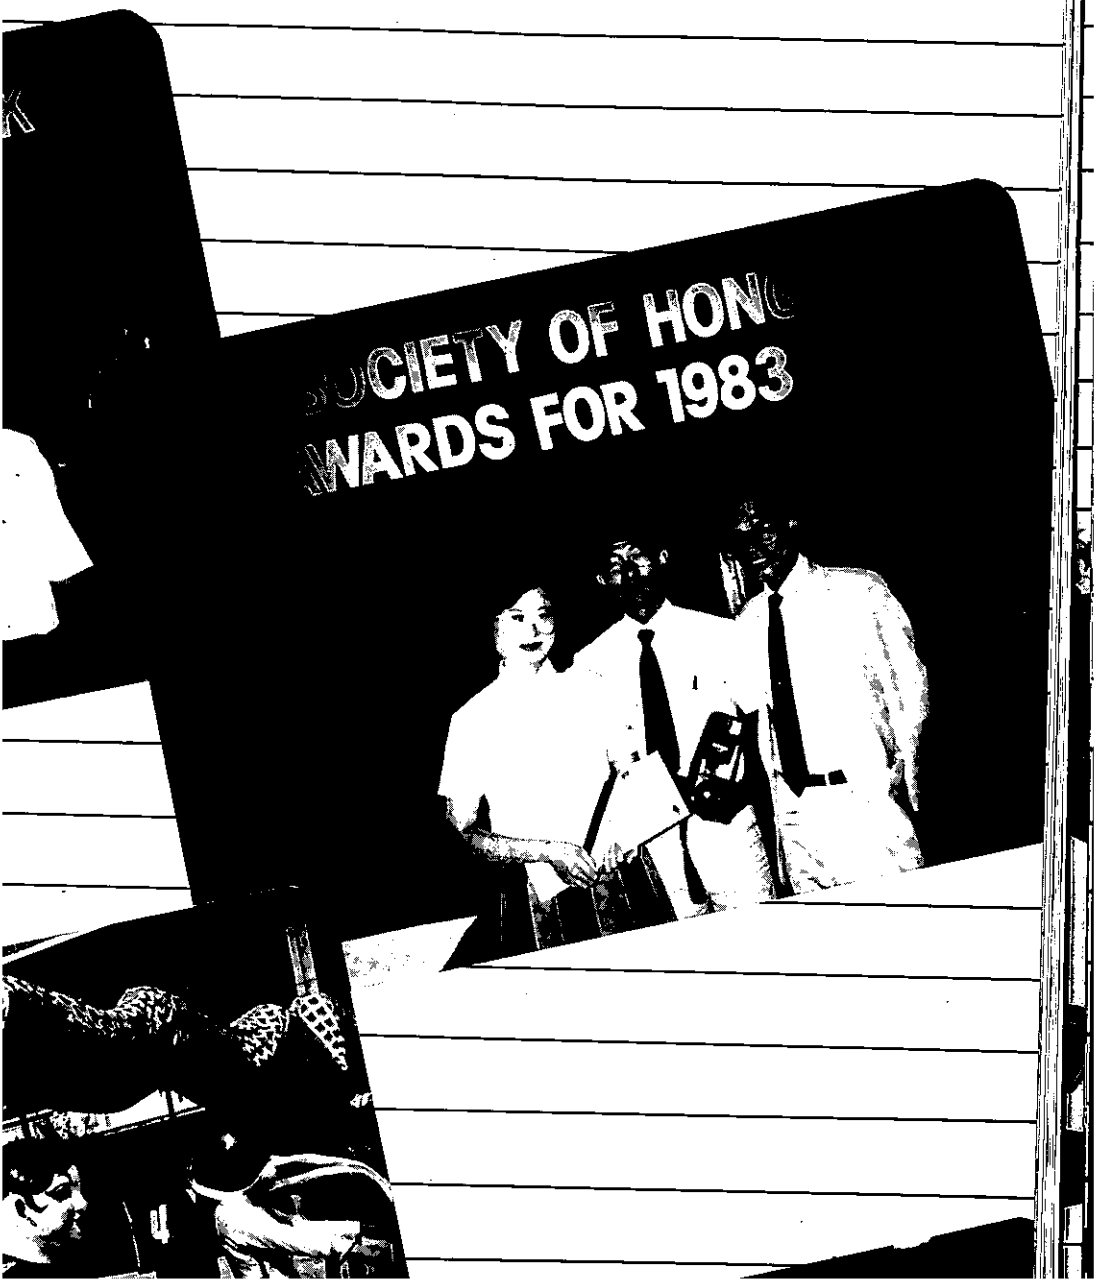

Her courage was put to test while she was reporting on several events. With her firm belief in freedom of press, she lived through the extreme pressure exerted on her and made trueful reports in all those cases.

Her success in her reporting has been well noted in Hong Kong and China. To Miss Tsang, being a reporter is not just a means to eke out a living but it poses a challenge. Driven by a strong sense of justice and self-consciousness, her performance is exemplary and deserves all the credits due to her.

像'唐吉訶德'一樣，曾慧燕小姐是一位在逆境中奮鬥求存而達理想的人物。她的童年在艱苦中渡過。在多次鬥爭浪潮困擾中，她斷斷續續地完成中學。一九七九年一月，曾小姐從中國大陸到來香港。在一間電子廠任女工十個月之後，她投入報界工作，開始時作爲一位校對員，由一九八零年八月起轉爲記者。不到一年即著有"外流人材列傳"一書，爲穩定數以十萬計的中國移民的徬徨心情及令社會人士對彼等有更正確認識作出貢獻。在香港報業公會主辦的一九八三年最佳新聞從業員比賽中，曾小姐囊括"當年最佳記者"、"最佳特寫作者"、"最佳一般新聞寫作"三個獎項，打破了歷屆得獎的紀錄。誠實、正義感，及責任感是她取得這些傑出成就的因素。

在多宗新聞報導及特寫中，曾小姐充份表現出難得的勇氣，不向壓力屈服，以誠實敢言的報導維護新聞自由。

曾小姐的成就受到香港及中國方面所認同。對於她來說，記者工作不僅是一門職業，更是一項挑戰。在高度的正義感及責任感的驅使下，她的表現實足作爲榜樣。

INFORMATION ON TOYP SELECTION

1. **Purpose**
The TOYP Project seeks to give communal regnition to young people of Hong Kong, whose dedication to their profession or life undertaking has resulted in exceptional achievement, in the form of significant contributions to the progress or welfare of the community at large, and to the advancement of their respective fields of endeavour.

The TOYP Project aims at attracting public attention and giving proper recognition to the outstanding achievements of the winning nominees, thereby serving as inspirational examples and incentive to the young people of Hong Kong to forge ahead to greater heights of achievement in the spirit of selfless dedication for the further development of the community.

2. **History**
The history of the Ten Outstanding Young Persons Selection dated far back in 1938, when it was first organised by American Jaycees and won wide-spread support from the community. Many of the recruits become eminent people later in their career.
To name some of them, the late President John Kennedy was selected at the age of 29 in 1964, when he as the Senator of Massachusetts. The former President Richard Nixon was selected in 1947 at the age of 34, when he was the Senator of California, being recognised for his outstanding contribution in Foreign Aids programmes.

3. **Introduction to Hong Kong**
The Ten Outstanding Young Persons Selection was first introduced to Hong Kong by the Hong Kong Junior Chamber of Commerce in 1970, jointly organised by the Kowloon Jaycees and Hong Kong Jayceettes. In this project, H.E. the Governor was the Patron. On the whole, it was very well received by the public. The current selection organised by the Hong Kong Junior Chamber of Commerce is in its twelfth year of operation.

4. **Nomination and Selection**
Nomination to the Selection is open to individuals between the age 21 to 40, who have resided in Hong Kong for 5 years or over.

The major criteria and consideration in the selection of the TOYP awardees is the candidate's personal achievement, the background in which the achievement has been made and the candidate's contribution to the community.

Any individuals, clubs, organizations, associations, institutions and companies may propose young men and women who satisfy these basic criteria of the TOYP Award.

Nomination forms can be submitted according to the candidate's particular field under one of the following four groups:

(1) Commerce & Industry
(2) Civil & Social Service
(3) Professionals
(4) Entertainment, Sports, Art & the like.

The Selection Consultants will conduct a preliminary screening of the nomination forms received, to see that the candidates have conformed with the requirements, to verify the data submitted by the candidates, and will then discuss the merits of each and every candidacy and screen the entries down to a short list.

The short-listed candidates will be interviewed by the Panel of Judges based on whose decision the successful candidates will be selected.

Awardees of the TOYP Selection are entitled to membership of the Outstanding Young Persons' Association, which currently has 74 members with Mr. Howard Young as chairman.

The Ten Outstanding Young Persons Selection Organising Committee of the Hong Kong Junior Chamber of Commerce is the governing body of this Project.
