ABOUT JCI PHILIPPINES

Junior Chamber International Philippines

Asia's First and Premier Jaycee National Organization

Junior Chamber International-Philippines, formerly known as the Philippine Jaycees, is registered under the Laws of the Republic of the Philippines, is an affiliate of Junior Chamber International, a worldwide leadership development and community service organization. Its mission is to contribute to the advancement of the global community by providing opportunities for young people to develop leadership skills, social responsibility and fellowship necessary to create positive change.

Over 6,000 young adults, between the ages of 18 to 40 from 230 local organizations (LOMs) or chapters, throughout the Philippine archipelago comprise the membership of the Junior Chamber of the Philippines. Its National Headquarters is located at Philippine Jaycees Building, 14 Don Alejandro Roces Avenue in Quezon City. The three-storey building houses a Secretariat of seven (7) personnel who provides membership and development services to local chapters and organization members. Chief Administrative Officer is the Executive Director who reports directly to the National Secretary-General.

The Jaycees operates on the premise that the development of individual character and personality will result in better communities and eventually, a more peaceful world. The organization may be described as a University of Leaders-the students are its members, the curriculum is leadership development and its campus, the world.

Beginnings of JCI-Philippines

ARTEMIO L. VERGEL DE DIOS
Recognized founder of the Jaycee Movement in the Philippines

UNITED STATES JUNIOR CHAMBER OF COMMERCE

Robert H. Richard's Letter
Artemio L. Vergel de Dios
dated September 12, 1947

The Philippine Jaycees is the first nationally organized leadership development organization established in Asia. Two circumstances paved the way for the Jaycee's transplantation in Asia through the Philippines: Its historical ties with the United States, and the restlessness of its young professionals to help the country recover from the ravages wrought by the Pacific War. This involvement earnestly began with the curiosity of World War II veteran, the venerable Artemio L. Vergel de Dios, who read about the United States Junior Chamber of Commerce and wrote the United States Jaycees to inquire how a similar group could be established in the Philippines.

Junior Chamber International-Philippines
Worldwide Federation of Young Leaders and Entrepreneurs

History of JCI-Philippines

By September 12, 1947, Vergel de Dios got the cue from Robert H. Richards, Executive Secretary for External Affairs of the United States Jaycees, who referred him to Bertram J. Talbot, a former Jaycee from St. Paul, Minnesota, who was then the Traffic Manager of Northwestern Airlines in Manila. As advised, the meeting was arranged on September 25, 1947 and initial plans were drawn for an organizational meeting. On December 20, 1947, sixteen young men formed the Manila Jaycees.

Having granted the charter for the national Jaycee organization in the Philippines, the intrepid Manila Jaycees fanned out into the provinces to organize chapters. By the end of 1948, the number of chapters organized had reached twelve. The first Philippine Jaycee National Convention was held at the Manila Hotel from February 11-13, 1949.

That same month, sixteen Filipino Jaycees attended the 4th JCI World Congress in Brussels, Belgium. The rather large delegation impressed the Jaycees from the different countries that they voted to hold the 5th JCI World Congress in Manila on March 1 to 8, 1950. The rise of Jayceeism in the Philippines and in Asia paralleled the organization's phenomenal growth the world over. It is for this reason that Jayceeism in the Philippines is destined to be an unbroken continuum... in the service of humanity for all time.

Manila Jaycees Jose N. Mayuga and Gregorio M. Feliciano receive the JCI Charter Membership Certificate No. 25 on behalf of the Philippine Jaycees on March 27, 1948 from JCI World President Taylor S. Cole.

Chief Filipino Jaycee delegate Ramon V. del Rosario presents a Philippine souvenir to U.S. President Harry S Truman, during their "Sell the Philippines" Tour in the United States in 1949. The 15-man delegation visited more than 30 cities in the U.S.

The first JCI World Congress held in Asian soil was spearheaded by the Philippine Jaycees with more than 250 delegates attending. It was held from March 1 to 8, 1950 and hailed as the most successful JCI World Congress ever hosted at that time. Ramon V. del Rosario was elected as the first Asian JCI World President.

FLAGSHIP PROJECTS OF THE JCI Philippines

"TOYM" THE OUTSTANDING YOUNG MEN OF THE PHILIPPINES AWARDS

Since 1959, the Philippine Jaycees has been recognizing exemplary achievements of young Filipinos, aged 18 to 40, in their respective fields of endeavor through the TOYM Award. Honorees are selected based on their service to the community, professional excellence & leadership, including moral rectitude, innovation, and pioneering spirit. The TOYM project is aimed at providing inspiration to the people, especially the youth, to strive for excellence in their own activities and fields of endeavor. Today, the TOYM has become synonymous with excellence and is the most coveted award for young Filipino achievers.

"TOPP" THE OUTSTANDING POLICEMEN OF THE PHILIPPINES AWARDS

This award aims to give recognition to exceptional and outstanding achievement of the policemen of the Philippines. Adopted by the Philippine Jaycees since 1967, the award became the policemen's most sought-after trophy, as it aims to motivate them to perform their duties and responsibilities to the fullest. The TOPP Award has been divided into 2 categories, Non-Commissioned Officers (from PO1 to SPO4) and Commissioned Officers (from Inspector to Superintendent) to even the playing field among the nominees.

"VOPD" VOICE OF PHILIPPINE DEMOCRACY ORATORICAL CONTEST

This project was first conceived by the Philippine Jaycees in 1951 to be an annual oratorical contest open to any regular third or fourth year high school student in any public or government-recognized private high school in the Philippines. Its main purpose was to encourage the nation's youth to think about and talk about being a Filipino. The VOPD oratorical tilt serves as a valuable factor in instilling and inculcating to the youth the ideals of being Filipino, and democracy as a way of life.

FLAGSHIP PROJECTS OF THE JCI™ Philippines

"JAYCEE WEEK" JCI-PHILIPPINES WEEK CELEBRATION

Since 1974, the Philippine Jaycees have celebrated a week-long series of activities nationwide, which is geared towards creating positive public awareness of Jaycee projects. Endorsed by at least four Philippine Presidential Proclamations, the Jaycee week encourages local Jaycee chapters to commemorate the "Jaycee Week" on the third week of April to create publicity for the JC movement.

"ALAY LAKAD" WALK FOR A CAUSE PROJECT

This national government project, spearheaded by the Department of Social Welfare and Development, was first conceived by the Philippine Jaycees in 1971. It encourages all citizens to participate in the "walk for a cause" project. Four of the country's biggest civic organizations, namely: the Kiwanis Club, Lions Club, Rotary Club and the Philippine Jaycees, participate in this annual event. Funds are raised through the donations from the private and government sectors, as well as from the participants during the walk. The funds raised will be used for the out-of-school youth programs and other projects which will benefit the less-privileged.

"YLEA" YOUTH LEADERSHIP EXCELLENCE AWARDS

A pet project of the Philippine Jaycees since 1985, it aims to give due recognition to deserving public and private elementary and high school graduating students and to inspire them towards greater achievements in life. With the help of generous sponsors, ten thousand (10,000) medals and certificates are given annually to the top ten (10) outstanding graduating students from all over the country. This project enjoys the strong endorsement of the Philippine Government's Department of Education since 1985.

NEWSBYTES FROM THE ARCHIPELAGO

QUEZON CITY "CAPITOL" JAYCEES CONDUCT GIFT-GIVING TO SCHOOL

The Quezon City "Capitol" Jaycees held its "Touch a Hand, Make a Friend" project, a joint undertaking with the Paref Northfield School for Boys in Libis, Quezon City last December 12, 2003. The Jaycees shared food and donated books, as well as other educational materials, to the students of the school.

TABACO JAYCEES ORGANIZE ENVIRONMENTAL PROJECT

The Tabaco Jaycees plant one hundred (100) fruit-bearing trees at the Mariroc Watershed in Mariroc, Tabaco City last June 26, 2004, as part of their "Kahoy, Tubig at Buhay" Project, which has been an annual chapter undertaking since 1994. This reforestation project is endorsed and supported by the Tabaco Water District, as well as the City Government of Tabaco, Albay.

WESTERN VISAYAS JAYCEES HOLD 2ND REGIONAL COUNCIL MEET

The Western Visayas Jaycees held its 2nd Regional Council Meeting last June 6, 2004 at the Pana-ad Stadium in Bacolod City, which was attended by LOM Presidents from Iloilo "Ilang-Ilang" JCs, Barotac Nuevo "Tamasak" JC, Metro Bacolod JCs, Bacolod JCs, Sagay "Sigay" JCs, Cadiz "Whales" JCs, Kabankalan "Bankal" JCs, and Kabankalan "Molasses" JCs.

JCI World President Fernando Sanchez-Arias Visits Manila

JCI-Philippines Hosts JCI World President's Two-day Visit to Asia's First Jaycee Organization

The JCI-Philippines delegation, led by NP Jose B. Jimenez III, welcomes JCI World President, JCI Sen. Fernando Sanchez-Arias (left) at the Ninoy Aquino International Airport, as he arrived last July 21, 2004 for a two-day visit and a series of speaking engagements.

The 59th JCI World President, Fernando Sanchez-Arias, paid a visit to JCI-Philippines last July 21 to 23, 2004. During his two-day stay in the country, he was accorded with generous Filipino hospitality and full honors on all the activities he attended. Upon his arrival at the Ninoy Aquino International Airport at about 2:00 p.m., a press conference was held at the Airport VIP Lounge. During his first night, he attended the re-chartering program of the Muntinlupa Jaycees at Max's Restaurant in Muntinlupa City, Metro Manila. On his second day, he visited the JCI-Philippines National Headquarters and had a breakfast with members of the JCI Philippines National Board, National Officers and Past National Presidents of the Philippine Jaycees Senate as well as Officers or representative of the Graft Free Philippines, Philippine Junior Jaycees and Philippine Jaycee Senate Foundation and simultaneously a Memorandum of Agreement (MOA) signing was done for the Declaration of Principles and Advocacy to adopt the beliefs and principles based on the JCI Creed as guide for the respective institution/organizations for this year and future. He also called for a brief dialogue with JCI-Philippines Staff – a first for a JCI President. He was also given the chance to have courtesy call with Quezon City Mayor Feliciano R. Belmonte, Jr., the 1976 JCI World President, at the Quezon City Hall after which he has a TV interview with Channel 7 "Unang Hirit Program" was held at the Office of the National President Jose B. Jimenez III. Before lunchtime, he proceeded for a courtesy call with His Excellency Jose Clavijo, *Counselor Charge D' Affaires* at the Venezuelan Embassy in Makati City, after which he proceeded to the Manila Bulletin Offices in Intramuros, Manila for a courtesy call with Manila Bulletin Chairman Don Emilio Yap. At lunch time he met with JCI Philippines Past National Presidents with the presence of 1997 JCI World President Crispin C. Dy, Jr., which was hosted by 1998 NP Joseph Victor G. Ejercito the incumbent mayor of San Juan, Metro Manila at the Kamayan Restaurant in Mandaluyong City after which he took time to relax by going to a mall during his free time. At night, he attended the dinner and dialogue with LOM Presidents at the Barrio Fiesta Restaurant, at EDSA Mandaluyong City. Before he left for Tokyo, the JCI World President expressed his gratitude to the Philippine NOM for a gracious visit.

"MY LEGACY IS THAT OF CONTINUITY"

Below is an excerpt of a speech rendered by JCI World President Fernando Sanchez-Arias during a dialogue with LOM Presidents at Barrio Fiesta Restaurant on July 22, 2004:

If we want to GROW, we need to start providing continuity to the best practices, projects and programs begun the previous year. We are a "one-year-to-lead" organization but we cannot afford to be a "one-year-to-manage" organization. Management must be the strongest side of our chapters, national organizations and JCI itself. And we, the JCI Board of Directors, elected and appointed officers, national presidents, local presidents, individual members and JCI staff officers will work together as one team to effectively achieve high-level results. When I came here to seek your support and vote, I envisioned a new history, a history of the future… based on our successful achievements… We cannot do that if we are not a team; it does not matter where you are coming from… because at the end of 2004, we will be judged not by our intentions, but by our results.

FROM THE 30'S DESK

by JC Maria Rosario C. de Leon

Greetings, Fellow Jaycees! Here I am again to report the latest updates which have transpired in the merry month of July, as well as giving you the most important announcements under my Office. As of to date, we are in the most hectic period in our Jaycee calendar because of the major events which transpired, like the visit of our JCI World President Fernando Sanchez-Arias, as well as our up-and-coming Area Conferences, our National Convention and the forthcoming National Elections among others. As scheduled, we once again gathered for our 3rd National Board Meeting... this time Davao City on July 24, 2004 at the Waterfront Insular Hotel.

NP John and yours truly left for the United States last July 7 to attend the JCI-UN Summit which was held from July 8 to 11, 2004 at the UN Headquarters in New York City. Representatives from all the NOMs, including JCI Board of Directors, headed by JCI World President Fernando Sanchez-Arias converged to assess and review the developments on the Millennium Development Goals (MDGs) as taken up by both JCI and UN representatives last year.

JCI World President Fernando Sanchez-Arias visited the Philippines from July 21 to 23, 2004. It was a very fruitful visit as he was able to meet two (2) of our past JCI World Presidents, Quezon City Mayor Feliciano "Sonny" R. Belmonte, Jr. and Crispin C. Dy, Jr., as well as hobnob with Don Emilio A. Yap, Sr. of the Manila Bulletin Publishing Corporation and Venezuelan *Charge de Affaires* to the Philippines, Hon. Jose Clavijo. More importantly, he was able to meet and talk with the Jaycees from Metro Manila and inspire them to work even harder towards JCI's growth and adopt to JCI's Global Corporate Branding Scheme.

The TOYM Launching was successfully held last July 6, 2004, at the Gabaldon Room, Club Filipino, Greenhills, San Juan Metro Manila whereby Philippine Jaycees NB Members, TOYM Foundation Officers, TOYM Awardees, the Gerry Roxas Foundation as well as representatives of the different sponsors for this year's TOYM search attended the affair. This year's TOYM Search is now open for nomination, LOMs that will submit their nominee/s will be credited five (5) points per nominee maximum of ten (10) points in the JCPEA. Nominations Forms are available at the JCIP National Secretariat at No. 14 Don A. Roces Ave., Quezon City.

TOPP Launching is tentatively scheduled on July 19, 2004 at Camp Crame right after the 7:00 am flag raising ceremony. A MOA signing will be done between the Philippine Jaycees led NP, NSG and by this year's TOPP National Chairman Roberto A. Rivera of the Q.C. Celebrity Jaycees with the PNP top officers led by Dir. Gen. Hermogenes Ebdane, Jr.

The 3rd Area Council Meeting of the Metro Area Jaycees was held on July 17, 2004, at 1:00 pm at the Plaza Grill and Restaurant, MacArthur Highway in Marilao, Bulacan. Also, Area Five will be having their 3rd Area Council Meeting and Regional Council Meeting at the Naawan Beach Resort in Iligan City on July 31, 2004. An E-Awards seminar will be conducted with NRRC Chair Rosemarie E. Murillo as speaker.

The 17th JCI Academy was held in Nagoya, Japan from July 11 to 18, 2004 which was attended by our very own National Senior Executive Vice-President Manuel A. Yao, Jr. as our NOM's official delegate for this year's academy, in preparation for his bid for the National Presidency in 2005.

The *Philippine Leader Newsletter* is a monthly news organ produced by the National Committee on Publications under the auspices of the Office of the National Secretary-General of the Philippine Jaycees, Incorporated, with offices at the Junior Chamber of the Philippines (JCP) Headquarters, 14 Don Alejandro Roces Avenue, Quezon City. Any comments, contributions, and suggestions may be sent through JCP Headquarters at telephone numbers (632) 373-79-07, (632) 373-79-08, and (632) 373-79-09, or may be emailed at *norri@philjaycees.com* or may be faxed through facsimile number (632) 374-2495. The *Philippine Leader Newsletter* is produced monthly and is distributed for free to all Philippine Jaycee National Officers and Chapters in good standing, as well as to the JCI World Headquarters at 15645 Olive Boulevard, Chesterfield, MO 63017 U.S.A. Straight from the Horse's Mouth

CONTINUITY... A KEY TO GROWTH

by JCI Sen. Reginald T. Yu

JCI President Fernando Sanchez was right: We may be a "One-Year-to-Lead" Organization, but we should not be a "One-Year-to-Manage" Organization. From a vantage point of my fourteen years in being a JCI member, I note the seeming lack of continuity in the projects which our NOM and LOMs are undertaking. While it is true that a lot of short-range projects are necessary to put an administration's stamp on its term and add glory to its accomplishments, more can be said of truly deserving long-range projects. What is needed is a "year-in, year-out" project that would immediately identify itself as Jaycee project, like the TOYM or the TOPP Awards. If our National Organization, for example, could also take up the trouble to dig up its files through the years, they will find a treasure trove of projects long forgotten and abandoned through indifference, which could be revived and re-fashioned to suit the present. Our voices raised for government reforms and meaningful economic politics, for instance, have been fully put across in columns and ads from the 1950s until the 1970s – this is the type of high-impact, community-relevant activity that I now see sorely lacking in many of today's Jaycee agendas. I believe this is needed more today to help, not only our government, but also ourselves, as an organization. It is a key to attracting more "new blood" and old members back to active service.

National Comelec Holds its First Meeting for the NOM Elections

JCI-Philippines prepares for up-and-coming National Elections in September

NOM COMELEC Officials, led by COMELEC Chairman, Atty. Joseph Martin R. Castillo, met last June 26, 2004 to fix the qualified voters' list in time for the September Elections.

The National Commission on Elections held its first meeting last June 26, 2004 at the JCI-Philippines National Headquarters in Quezon City. Present during the meeting were Commissioners for Area III, Atty. Cicero V. Malate, and two (2) newly-appointed National Commissioners, in the persons of Atty. Jeffrey John L. Zarate of the Manila Jaycees (for Area II) and Atty. Manuel C. Gordon of the Cebu Jaycees (for Area IV). Atty. Enrico O. Castillo, Commissioner for Area I, was unable to attend. Also present during the meeting were National Secretary-General Maria Rosario C. de Leon, National Vice-President for Metro South Region, Rosalind T. Ngo and COMELEC Secretary Wilson S. Ines. The main business matters taken up in their agenda involved determining the chapters in good standing, who paid their dues on or before the March 30, 2004 deadline, as presented in the report of the National Treasurer and those chapters which submitted their Voters' Registeration Forms (VRF) on or before the May 31, 2004 deadline. These are the two (2) requirements provided in the JCI-Philippines Constitution and By-laws and the 2003 National Election Code, to have a chapter qualify as legitimate voters. The simultaneous elections will be held during the Area Conferences to be held this coming September 3 to 5, 2004. Other important topics taken up in their agenda include the COMELEC budget, policies and rules on how to improve the conduct of the coming elections.

IN THE NEWS...

JCI-Philippines Launches "The Conference Hall Wall"

The Order of the Blue Shield, being chaired by Immediate Past National President Michael Alan Z. Ranillo, is still being pursued, despite a lukewarm reception by a number of Jaycees who claim that the Php20,000.00 sponsorship was deemed too costly for an ordinary donor-Jaycee.

In recognition of the sensibilities of the general membership, JCI-Philippines decided to adopt an alternate scheme on honoring donors in the JCI-Philippines Headquarters for a much smaller donation. For a contribution of ONE THOUSAND PESOS (Php1,000.00), the donor-Jaycee will have the privilege of immortalizing his or her name in the edifice just below the regular "Order of the Blue Shield" Donors' Hall.

To further encourage more Jaycees to part with their cash, **One (1) point shall be credited to the LOM's JCPEA on an unlimited basis**. However, donations will be open to both individual and corporate sponsors, whether as private or government entities. Payments made by donors shall be duly issued Official Receipts by the National Secretariat.

JCI CORNER

THE 2004 JCI-UN SUMMIT: TRANSFORMING SOCIETY

At the UN Headquarters, JCI Past President Rector, Summit Chairman Uda, UN Foundation Senior Advisor Sorensen, JCI President Sanchez-Arias, and Interim SG Kodama.

JCI officers, national and local officers and members from all over the world gathered in New York for the 2004 JCI-UN Leadership Summit on July 8. Chaired by Takashi Uda, Representative to UN (New York) and UNICEF, from Japan, this Summit served to report to UN officials on the results achieved so far by JCI to advance the Millennium Development Goals (MDGs), a set of measurable, time-bound goals and targets adopted by world leaders at the UN Millennium Summit in September 2000. Sorensen pointed out that the MDGs were challenging but achievable and that the JCI-UN partnership is important because JCI members, as young and active entrepreneurs and professionals, have the power to improve their communities. "You are a peaceful army that has the power to transform society," she said. Considering the need for transparent leadership, she said JCI members will make good political leaders, the kind of leaders the world needs.

17TH JCI ACADEMY: TRAINING GLOBAL NETWORKERS FOR WORLD HARMONY

Delegates representing close to 80 national organizations worldwide arrived in Nagoya, Japan, on July 11, 2004, for the 17th JCI Academy. Headed by Ron Chiba, Chairman of the 2004 Academy Team, had organized an impressive training program to help participants build mutual understanding and strong friendships, discover and develop their own abilities, and become aware of the importance of their mission as "Global Networkers" to serve and lead society toward universal harmony.

54th JCI PHILIPPINES

national convention

boracay island, aklan

As we commit to bring you the best, BORACAY is yours for the 2004 NATIONAL CONVENTION, THE ILOILO JAYCEES is proud to bring you to BORACAY to be the venue of the 2004 JCI-PHILIPPINES NATIONAL CONVENTION.

We cordially invite you to be a part of this one grand and exciting event.

FROM ILOILO TO CATICLAN *via* LAND TRAVEL

A regular trip from Iloilo to Caticlan, the jump-off point to Boracay takes approximately 5 to 7 hours via land travel. Air-conditioned buses departs from Iloilo at regular schedules, among them are Ceres Liner & GM Liner buses. Mini-vans plying the same route are also aplenty. Car rental services are also available at extra cost.

FROM MANILA OR CEBU FLIGHTS TO KALIBO OR CATICLAN AIRPORTS

There are direct flights from Manila and Cebu to Kalibo or Caticlan Airports. From Kalibo, board the air-conditioned bus that will take you to Caticlan Harbor where an outrigger will take you to Boracay. Some companies also offer chartered jet trips going to these destinations, but this service doesn't come cheap when you're on a budget.

FROM MANILA TO CATICLAN *via* SEA TRAVEL

MBRS Shipping Lines departs Manila North Harbor Pier 8 every Monday, Wednesday and Friday every 5:00 p.m. Estimated arrival time in Caticlan is from 6:00 to 8:00 a.m. Bigger shipping companies, such as WG&A and Negros Navigation offer trips from Manila to Dumaguit, a 30-minute drive away from Kalibo. Private cars and buses can board the RORO vessels leaving Batangas daily at 8:00 a.m. to Calapan, Mindoro. You can then drive your own car going to Roxas, Mindoro where another RORO vessel departs at 2:00 p.m. for Caticlan.

BORACAY

NATCON 2004

From the Natcon Chairman

It's always been the dream of the Iloilo Jaycees Inc. to once again host the annual gathering of the most illustrious and dynamic young leaders of the country. At that time, it was so surprising to see that our presentation captivated the hearts of the majority and awarded the hosting of the JCI-Philippines National Convention 2004 to the Iloilo Jaycees Inc. during the 54th National Convention in October 2002 at Naga City. Iloilo Jaycees Inc. had successfully hosted various conventions in past years and, this year, with great pride and enthusiasm, it will host this momentous gathering. There have been a lot of criticism and mysticism leveled at the Iloilo Jaycees' hosting the JCI-Philippines National Convention in Boracay, but as an organization composed of dignified men and women committed and will do whatever it takes to deliver its promise, we stand firm and, with perseverance, continue preparing for this gathering (not minding the criticisms of an unsatisfied few). After all, it is the greater majority that will benefit and enjoy this one-of-a kind, spectacular endeavor in the history of JCI-Philippines. As your National Convention Director, I am pleased to announce that the Iloilo Jaycees Inc. is very much ready after two long years of preparation! Come and register now! The world-renowned resort of powdery white sand and clear water, plus the world-class facilities and amenities... Boracay Island, awaits you to share with us the Boracay beat, as we all chant and shout... "Theme: Brotherhood, Entrepreneurship, Leadership and Service....ito ang Jaycee Beat, SABAY SABAY!"

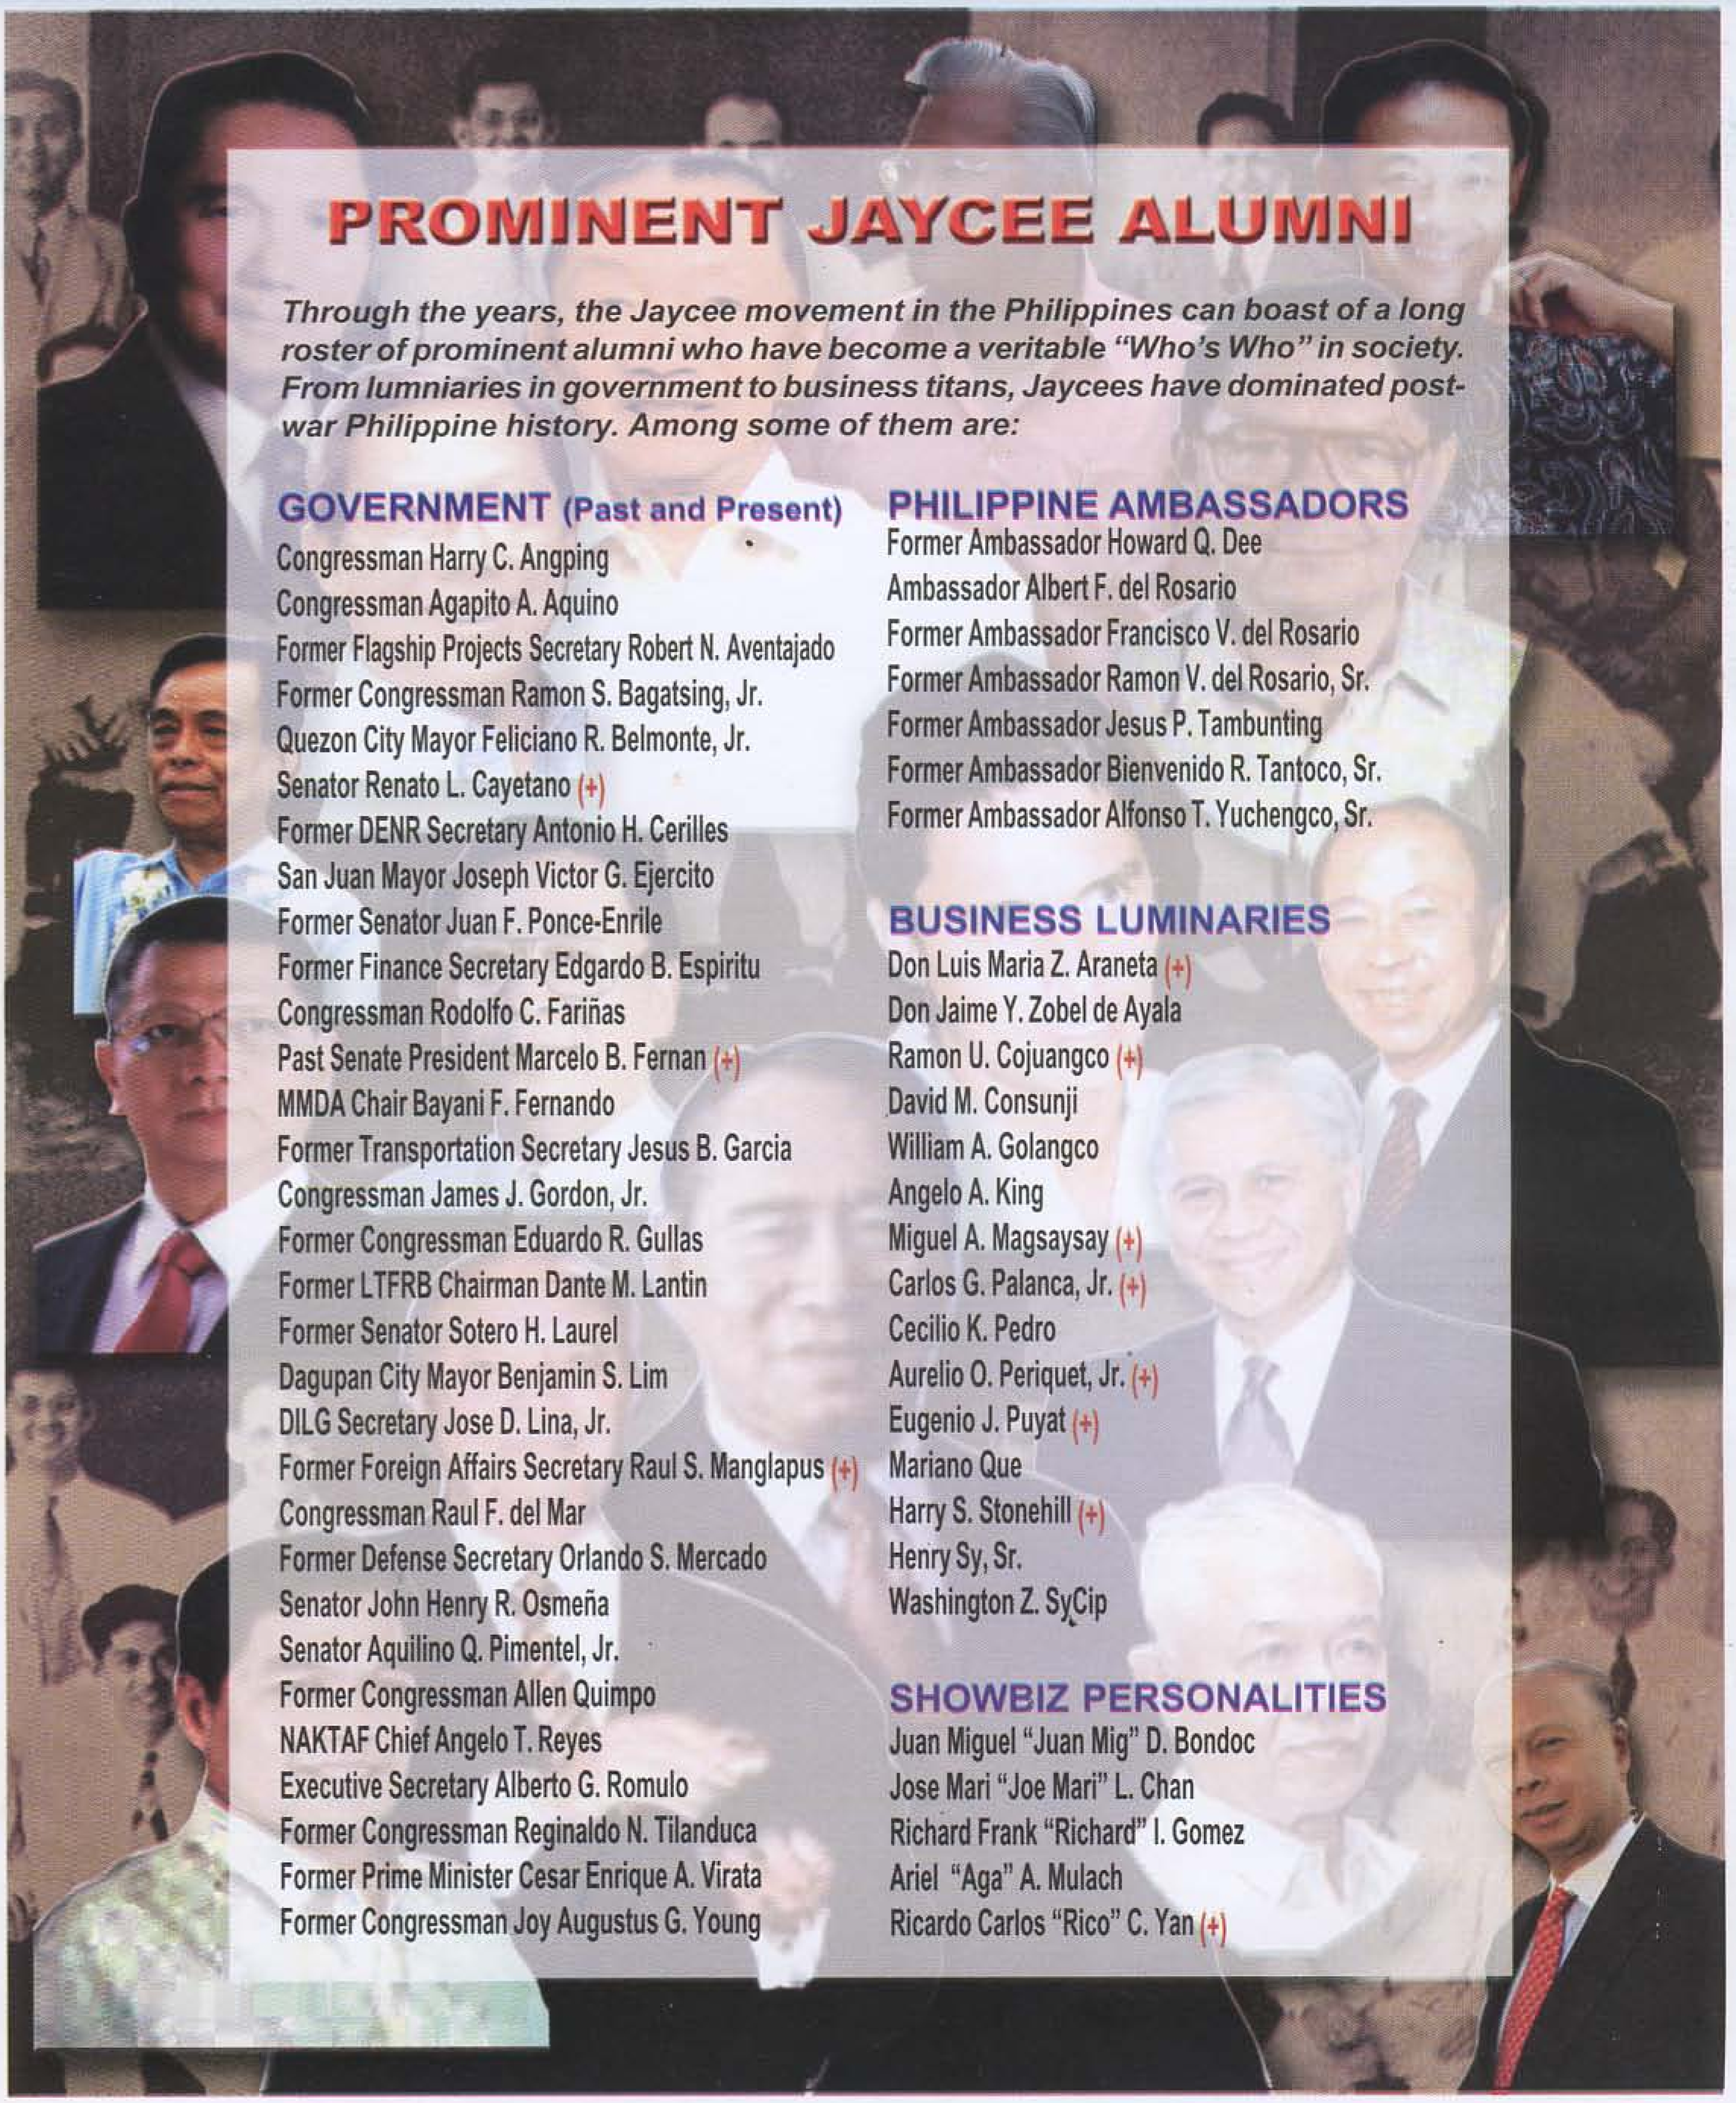

JC FULBERT C. WOO
2004 National Convention Director

ABOUT THE JAYCEES

Junior Chamber International-Philippines
Worldwide Federation of Young Leaders and Entrepreneurs

MESSAGE

Warmest greetings from Junior Chamber International (JCI) Philippines!

The publication of this Corporate Brochure is a strategic image-enhancing posture that will complement our corporate image and branding. This is attuned to our JCI theme: "Entrepreneurship In Action", as well as to our Global Brand thrust of the JCI. This is an attempt to put into capsule – the Jaycees in a nutshell. We therefore urge the 7,000 strong Jaycees nationwide to avail of the many opportunities that arise out of the Jaycee-related programs and projects, as we encourage and open our membership to the future leaders of this rich and beautiful land of ours. The enterprising spirit is definitely pivotal and primordial in boosting our national productivity via revitalized circular flow of income through the dynamic interaction and interfacing of Jaycees and non-Jaycees alike. May this landmark undertaking be an avenue to "blast off toward a new world of opportunities!" May it reach the rightful hands that would propel the Jaycees to greater heights, in the service of humanity. *SALAMAT AT MABUHAY!*

JCI Sen. **JOSE B. JIMENEZ III**
2004 National President
JCI Philippines

JCI Sen. **REGINALD T. YU**
2004 National Publications Chairman

ABOUT THE JAYCEES

What is Jaycees? (Junior Chamber)

The Junior Chamber (or "Jaycees") is a unique organization. It is a leadership development organization, which is geared towards the advancement of the local and global community by providing the opportunity for young people to develop the leadership skills, social responsibility, entrepreneurship and fellowship necessary to create positive change.

Despite its name, the organization has no official ties with any Chamber of Commerce, but it may work closely with Chambers of Commerce in some communities. There are clear distinctions between a Jaycee local chapter and organizations, such as Kiwanis, Lions, Rotary and the like. A Jaycee chapter, for instance, does not have occupational classifications as a determination for membership. This means that there can be no question of a man's eligibility, regardless of how he makes his living. Young men ranging in status from president of corporations to up-and-coming executives and trainees, or even clerks and messengers, work side-by-side in the Jaycees. Leadership training is as much a goal of Jaycees as community service.

ABOUT THE JAYCEES

What Makes a Jaycee Unique?

THE BOLDNESS OF YOUTH

The Jaycees, as it has an age requirement from eighteen (18) to forty (40) years for regular membership, stamps it as different. The reason so many Junior Chambers embark on controversial projects, one which other organizations tend to pass by, is because the Jaycees would rather "rock the boat" than "miss the boat."

ACTION IS THE BY-WORD

The typical Jaycee approach to community problems is usually more action oriented than that of other civic organizations. Many of the civic clubs have gained the reputation of being luncheon groups. Projects are naturally conducted. Usually, however, they do not compare in quantity and scope with the undertakings of Jaycee chapters.

DEVELOPMENT OF THE SELF

The Jaycees gives to its members an opportunity to undertake projects of a worthwhile nature in their own communities and, at the same time, to develop qualities within themselves that will make them better individuals. All members of the Junior Chamber, from the World President to the newest member, go through a process that is helping them become better persons.

DIVERSITY OF MEMBERSHIP

One of the Jaycees' strengths is the staggering diversity of its membership. The Jaycees bring together over 120 nations and territories and allow them to work together, foster understanding and tolerance, think globally and expand their world views.

JCI

ABOUT THE JAYCEES

Junior Chamber International-Philippines
Worldwide Federation of Young Leaders and Entrepreneurs

Jaycees (Junior Chamber)

Goals and Ideals

In broader terms, Junior Chamber is aimed at developing the individual abilities and stimulating the joint efforts of young persons for the purpose of improving the economic, social and spiritual well-being of mankind by:

1. Developing an awareness and acceptance of the responsibilities of citizenship.
2. Individual participation in internal training programs to develop leadership potentials.
3. Active participation in planning and executing programs for the development of the individual and the community.
4. Promotion of economic development.
5. Furtherance of understanding, goodwill, and cooperation among all people.

JUNIOR CHAMBER HISTORY

The Origins of Junior Chamber

Henry "Hy" Giessenbier wanted to develop the business skills and the reputation of young men; he started a dance club. In 1914, the Herculaneum Dance Club merged with six other socially-minded groups to form the Federation of Dance Clubs; Hy was elected president. In this capacity, he led a meeting of the Federation on October 13, 1915, at the Mission Inn in St. Louis, Missouri. It was at this gathering that 32 young men agreed to form the Young Men's Progressive Civic Association (YMPCA), developing their skills as leaders by tackling difficult civic problems. Today we recognize October 13 as "Mission Day" for chapters and observe the occasion with membership drives and special meetings.

In 1916, the YMPCA changed its name to Junior Citizens at the request of Clarence H. "Daddy" Howard, a St. Louis industrialist and early benefactor of the Junior Chamber organization. The Junior Citizens affiliated with the St. Louis Chamber of Commerce in 1918. Following the first World War, a plan to form a national coalition of young men's groups was widely circulated. The "St. Louis Plan" resulted in a gathering of 29 organizations from around the country in January of 1920. In June of 1920, when the first Annual Meeting was held, Hy was elected president. In the 1930s, the organization grew to nearly 700 chapters. Despite the hostilities in other countries, the true spirit of the Junior Chamber prevailed. The organization was established in other countries in 1944 during a meeting in Mexico City, Mexico. The first World Congress was held in Panama on February 26, 1946 and elected Raul Garcia Vidal of Mexico as its first World President.

From modest beginnings in St. Louis, Junior Chamber now reaches nearly every free nation in the world, and has assisted millions of children, families, and communities in need. Junior Chamber members continue to benefit from the organization's many development training programs and enjoy exceptional opportunities to establish important social and business contacts worldwide.

Junior Chamber International

TRULY, A WORLDWIDE FEDERATION OF LEADERS AND ENTREPRENEURS

Junior Chamber International is the third largest service organization in the world --- representing nearly half-a-million members between the ages of 18 to 40 in more than 125 countries. A truly diverse organization of young people, JCI is made up primarily of professionals and business people who are active in 9,000 communities around the world. Counting almost 30 years of activity in the United States prior to going international, Junior Chamber has served communities for more than 80 years, and more than 11 million members have gone through our ranks. Of these, over 500,000 are senior members who mentor younger members and offer assistance and advice when needed.

FOUR AREAS OF OPPORTUNITY

There are many excellent reasons for being a Jaycee. Through work in the Jaycees, a member not only renders service to the community, but he helps himself. As an active member of Junior Chamber, he can become involved in important projects and assume responsibilities which will help make him a more efficient and confident person. He will be able to improve his speaking ability and learn better, while meeting and working with people. All these are what Jaycees commonly refer to as "leadership training."

The FOUR (4) Areas of Opportunity. *The Junior Chamber of the Philippines evolves around four areas of opportunity. These areas offer numerous activities for members to acquire or refine their leadership skills and provide multiple channels for communities to benefit from the Junior Chamber experience.*

Individual Opportunities

Being a member of the Jaycees challenges the creativity and persistence of the individual, a challenge that offers development to the Jaycee who accepts it. The challenge may take on various forms: a project, a seminar, an award, a Jaycee who may be a business partner or even a competitor. Meeting these challenges head on will surely develop the personality of the individual. As long as the Jaycee persists in overcoming the challenges the chamber throws along his path, his chances to excel increase. In the Jaycees, excellence is quintessential to leadership. The opportunities for individual development in the chamber are endless. The reward is leadership. You set the price.

Community Opportunities

Being an organization with a socio-civic orientation, participation in community affairs is paramount to Junior Chamber and its members. The chapter represents a viable link to several communities. This, in turn, opens up more opportunities for the Jaycee since he will gain better access to the business sector, to universities, to the professions, to industries, and to welfare organizations. Some members of the organization who had thought of remarkable community projects are now recognized leaders of their communities because of the goodwill generated by their projects. As the Jaycee immerses himself with basic community problems, he not only develops individual skills but directly particpates in nation building, contributes to public welfare and effects better environment for future generations.

Junior Chamber International-Philippines
Worldwide Federation of Young Leaders and Entrepreneurs

FOUR AREAS OF OPPORTUNITY

Jaycee activities also afford an excellent opportunity to meet other young men and women and expand one's circle of friends. A Jaycee chapter's social events can add a great deal of zest to one's life and one's family. Having a very limited range of contacts is common among young people, but the organizations such as the Jaycees can quickly eliminate this problem. The friendships one forms as a young man and very likely in Junior Chamber, will be the same ones he will keep for a lifetime. Active participation in the Jaycees can, furthermore, stamp him as a young person with that extra drive which is so important in the modern world. While working on one's chapter activities, he will probably meet important business, civic, and social leaders who would have otherwise remained mere names in newspapers. Last, but not in the least unimportant, is the fact that Jaycee work is FUN. Few things are as satisfying as the comradeship of live-wire young men and women working together to improve themselves and their communities.

International Opportunities

The Junior Chamber offers leadership in international levels. There are Jaycees all over the world. The Jaycee can enhance his leadership training through correspondence with Jaycees from other countries. There are various projects the Jaycee can implement to promote international goodwill, brotherhood, and understanding. In an increasingly interdependent world, the Jaycee mission to foster international collaboration and promote peace becomes even more important. Members can avail themselves of numerous opportunities to look beyond national borders and form friendships, partnerships and business contacts with people of different cultures. Area Conferences and World Congresses form a large part of this opportunity to meet people from different countries.

Business Opportunities

The Junior Chamber presents boundless occasions to develop business contacts and opportunities through the organization. Generally comprising of businessmen and professionals representing a wide spectrum of interests and industries, the Jaycees naturally presents the individual with a great scope of professional expertise in their chosen fields of endeavor. Through the Jaycees, business contacts and agreements could be forged. The Jaycees have also been involved in various corporate partnership agreements that have provided the necessary private sector funding for a variety of Jaycee programs. Lastly, the member can be exposed to a wide spectrum of industries that he may come across during the implementation of its projects.
