Message

The Ten Outstanding Young Persons Selection has been a hallmark event in Hong Kong for over 30 years. The Selection gives due recognition to individuals who gain prominence in their professions and community services, and encourages more young people to follow suit.

Young people are the most valuable asset of our community. The competence, compassion and commitment of our young people are essential to building up a better future for Hong Kong. The Awardees set examples for young people in Hong Kong. I extend my warmest congratulations to all Awardees of 2005 on their achievements and success.

I would also like to commend the Junior Chamber International Hong Kong for organizing this meaningful event.

Guest of Honor

Young persons are the future leaders and pillars of society. Their commitment to the community is one of the major drives for Hong Kong's sustained economic development and advancing international status. Young people who have excelled in their respective careers and made significant contributions to society deserve to be specially acknowledged. The Ten Outstanding Young Persons Selection organized by the Junior Chamber International Hong Kong has achieved this purpose.

The Ten Outstanding Young Persons Selection is now in its 33rd year. Since it was first organized in 1970, the event has grown in prominence and is now widely recognized by the general public. During the past years, 249 outstanding young persons with exemplary performance in their professional endeavours and commitment to the community were selected. The awards symbolized the community's appreciation and recognition of their personal achievement as well as public services.

Though the awardees come from different sectors of society, one can easily see the common qualities they share. They are all people of high calibre who have capitalized on their rich and varied learning experiences, which are characteristic of those that our education system continually seeks to provide and enhance. They are distinguished by their passion and persistence in work as well as dedication to society. They all have noble goals and strive hard to accomplish them; and they all have lofty dreams and strive hard to realize them. It is their passion that brings them honour and their persistence that brings them respect. And it is their altruistic generosity that makes them shine.

I am most grateful to the Junior Chamber International Hong Kong for its incessant efforts in nurturing and recognizing our future leaders. With its support, I am confident that Hong Kong will continue to be a place where young persons' potentials are realized to the full.

Last but not least, I would like to extend my sincere congratulations to all the awardees. I trust that they would carry on their good work and contribute to enhancing the quality of our community and the progress of mankind.

National President
Junior Chamber International Hong Kong

There are many people who colour this world by their big achievements, their unselfish contribution, and their outstanding leadership. They provide us with a better environment, and inspire us to be better persons. There are also many unsung heroes who have taken their pains while creating positive changes for their communities, some have overcome their self-misfortune to inspire and contribute to the rest of the world, and some even intentionally kept quiet when spreading the good seeds at the background. The purpose of the Ten Outstanding Young Persons (TOYP) Award is to recognize those people who have done these good deeds at their young ages, and it is JCI Hong Kong's privilege to honor our ten awardees with us this evening for what they have contributed to our community, with their talent, heart, and care.

As the organizer of this widely watched annual event, JCI Hong Kong invites a selection consultant to painstakingly go through an objective and thorough screening process, before providing a shortlist of nominations for the judges to interview. Each year, we invite several renowned and honourable persons to form the judging panel to conduct the interview process before selecting not more than ten young persons, who will be awarded with the TOYP recognition. This year, we are very grateful to have Grant Thornton to be the Selection Consultant, and the respectable judging panel consisting Dr. Alice Lam, GBS, JP as the Chief Judge, and panel members Dr. K.S. Lo, GBS, JP, Professor Lawrence J. Lau, Dr. C.H. Leong, GBS, OBE, JP and Dr. Raymond K.F. Ch'ien, GBS, CBE, JP, who have contributed their invaluable time and effort to single out these outstanding young persons for us to be honored, and for many of us to look upon.

This year, for the second year in a row, we are lucky to have the sole sponsorship from the Bank of Communications Co., Ltd. Hong Kong Branch, who shares the same view with us of this selection's value to the community, and has made the whole selection come true. We are deeply touched by their bearing of social responsibility.

During the past eleven months, we have a committed organizing committee led by Chairlady Cecilia Cheung, who have taken all the steps to invite the Selection Consultant, the Judging Panel, the nominations, and the guests, to ensure we have a smooth, just and fair selection, and an enjoyable evening tonight.

Representing JCI Hong Kong, I want to thank all the people and organizations that I have mentioned above, to their contribution, their diligence, and their thoughtfulness.

Congratulations to the ten outstanding young persons who are selected the Ten Outstanding Young Persons 2005 awardees! I wish them all well, and am looking forward to their inspirations at their continuing effort to creat a better world.

Project Chairperson

With a long history, Ten Outstanding Young Persons Selection is a highly respected community project in Hong Kong initiated and organized by Junior Chamber International Hong Kong since 1970. It has become a significant annual event to Junior Chamber International Hong Kong. We believed the Selection is to give formal recognitions to young people both for their professional endeavours and for their contributions to the community.

This year we have drawn a very good response from the nomination by our wide range of public promotion channels. Additionally, a meaningful project, "TOYP: Enrich our Life with Health", was held on the Community Service Day on November 8 2005 which further enhances our services to the society. The ten new awardees along with over 1,000 students sent out an important health message to the public.

This year's Selection was a successful one with great supports of numerous individuals and organizations. We are very honoured to have the Honourable Rafael Hui, GBS, JP, Chief Secretary of Administration as the Honorary Patron; Professor The Honourable Arthur K. C. Li as the Honorary Advisor. Gratitude should also be extended to the Sole Sponsor Bank of Communications Co., Ltd. Hong Kong Branch for their continual sponsorship for two consecutive years. All these have contributed to maintaining the high standard of the annual selection.

I must also thank Professor The Honourable Arthur K. C. Li, GBS, JP for being the Guest of Honour at the Awards Presentation Ceremony. The support by senior government officials to this Selection is an assurance and formal recognition of the 10 deserving awardees for their achievements in their own professional endeavours and commitments to the community.

The Organizing Committee has been formed early this year, comprises of members from different chapters who join forces to serve the community and the organization. Our missions are to execute the administration and to organize a good project, provide a platform for the public to participate into the nomination, and to provide good services to the panel of judges. During the past 11 months, we have achieved our goals successfully by our full team of dedicated members who volunteered our leisure time to work hard to make it happen. Their full devotion, cooperation and determination to contribute their time and effort for the Selection, all which have generated a very good team spirit and making a positive feedbacks within Junior Chamber International Hong Kong and the community at large. My warm appreciation goes to all devoted organizing committee members and also to the Supervising Officer Frank Pak and Project Advisor James Tsui for their advice.

許志安先生
Mr. HUI Chi On, Andy

成功座右銘：今天是明天的第一天！

Andy Hui, born in the year 1967, raised in the public housing estate in Wong Tai Sin with a family packed with parents and a total of 9 elder brothers and sisters. He was one of the million baby boomers born in the sixties who struggled his way out from poverty. He persists and he believes and he finally makes it upstream against all odds and tides.

His fate made a turning point in the year 1986 when he snatched the first runners-up in the renowned "New Talent Singing Competition" in the age of 19. During his last 20 years singing career, he released over 50 solo Cantonese and Mandarin albums and staged his solo concerts in Hong Kong Coliseum 6 times in the last 10 years. He also won numerous music awards in China, Hong Kong and Taiwan and among all, he was crowned the most popular Male Singer in Hong Kong in the 2001 TVB music award show which marked one of his highlights in his singing career.

Being a popular singer, Andy always wishes to make the best use of his popularity to contribute to the society that he pours his heart out to all sorts of social activities to benefit the community.

When he was a child, he grew up in public housing estates where triad society prevailed. He witnessed crimes and drug traflicking in his neighbourhood that ignited a flame inside his heart that someday he will become a police to combat those crimes. After he became a singer, it did not stop him from doing something about crime control. He became the ambassador of crime combat for a few years and at the same time; he believes that society shall also devote resources for those criminals to readapt themselves to the society. During one visit to a cell, he got a demo from a prisoner and he promised that he would release that song in his own album to advocate the society to accept them with our open arms. He also devote his time and energy to help fighting for equal opportunity among those deprived sectors of the society, be it religious, racial or sexual discriminations, he believes that we are all under the same roof and we own our own rights that no one can take away from us.

In the future, Andy set a goal for himself. He particularly shows interest in the welfare to the elderly. During his whole life, he chose to live with his parents and he believes that it is our obligation to take care of the elderly since they have contributed to our society and it is time that we do something to them. He wishes to set up a home for the elderly in his funding and he will keep educating the mass that one should never forget what those seniors have contributed to our world that we have now benefited from their efforts and love.

1967年在香港出生的許志安是土生土長的香港青年。他與香港同步成長，共同渡過六、七十年代的艱辛日子，與八十年代經濟起飛的歲月。

許志安來自一個草根家庭，父母都是勞動階層。在十兄弟姊妹中，他排行最小。公共屋村是他的成長福地。他的成功歷程是最典型的香港人成功典範。八十年代，香港娛樂事業日漸蓬勃，就在這個黃金時代，許志安幸運地贏得一九八六年「第五屆新秀歌唱大賽」亞軍，正式展開他的星途。

由新秀比賽至今入行二十年，許志安推出唱片超過五十張。曾在紅館舉行個人演唱會六次。2001年更獲得TVB十大金曲最受歡迎男歌手，將其演藝事業推至高峰。作為一個流行歌手，許志安一直希望透過運用他的影響力，投身不同的社會服務，回饋香港社會。

童年在黃大仙屋村渡過的許志安，曾目睹不少罪案發生。黑社會經常在村內橫行霸道，影響民生。見義勇為的他，小時候更曾立下志願當警察維持治安。後來成為了歌手，許志安多年來多次擔任滅罪之星，參與不同形式的滅罪活動。他一方面支持宣揚推廣滅罪，同時亦非常關心一個罪犯如何從新投入社會，令他們可以自力更生。2003－04年他被委任為更生大使，協助懲教署推廣「更生」宣傳活動，呼籲社會大眾接納及支持更生人士。除此之外，許志安對平等機會尤其關心，連續數年成為平等機會大使，希望社會各階層人士摒除偏見，關懷弱勢人士。

在未來的日子，許志安希望可付出更多的時間與精神參與社會服務。他覺察到香港人口日漸老化，長者安老服務應是社會急切所需。

可能長年與八十多歲並需以輪椅代步的父親同住關係，許志安真切感受到長者需要的關懷，及明白到長者身體慢慢退化及至失去活動能力的感受。他覺得長者在年青時為社會付出的努力是應該給予肯定及回饋的。對於一些無依無靠的獨居長者更是他的關心對象。他希望可集合社會各界人士的力量建設安老院，讓老人家們可安享晚年！

Mr. KU Kui Kei, Leo

成功座右銘：只要相信　夢想可以成真

Mr. Leo Ku participated the showbiz by joining the TVB Training Class in 1991 where he worked hard at all given tasks. He is now a famous singer, actor and comic writer.

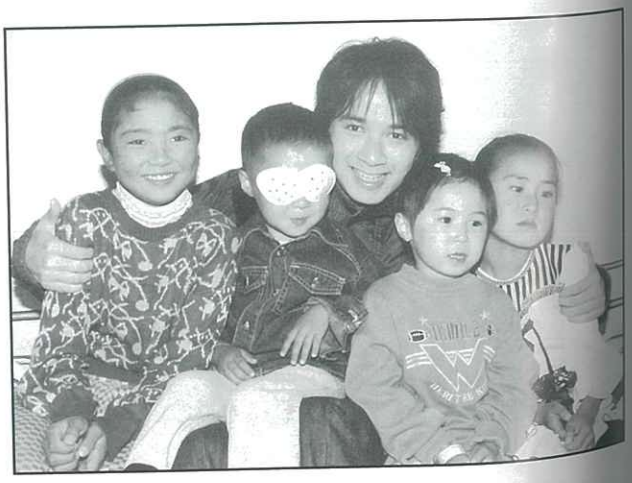

He encountered his first big hurdle in 1995 when, unable to pursue a promising singing career else where due to contractual obligations to TVB, he found himself shunted aside. Good sense prevailed however, and with his characteristic determination and a strong belief in himself, he gritted his teeth and sat out this painful period. After all, his talent in music becomes indisputable, as evidenced by the numerous albums he had put out plus the Music Awards - which number over one hundred - he had won locally and overseas.

In these years, Leo has participated in numerous charities, lending his name and more importantly, devoting time and effort to worthy causes, many of which have moved him deeply to show genuine care and concern to those lives he subsequently touched. His involvement has thus thrown the spotlight onto these pockets of the underprivileged amongst us, raising their profile, unraveling their misfortune and capturing much-needed charity funds for them.

With his commitment to charities like Sheen Hok Charitable Foundation, World Vision, Unicef, Orbis, or projects like "The Fight Against Aids", "The Fight Against Drugs", Leo is intertwining Hong Kong with the international community, waving our flag on the world stage and bathing Hong Kong in a strong, caring and positive light. Other than that, Leo has set up "Ku Kui Kei Children Medical Fund" with his own cartoon character – Kubi, to participate in fund raising for children's medical need.

Mr. Leo Ku is the best role-model for youngsters of any age, his lifestyle is exemplary and true. He is every inch a responsible citizen, striving to make our society, and the world for that matter, a better place. In the process, he is setting a most high, but achievable, standard for young people to emulate.

Mr. SO Wa Wai

成功座右銘：無懼艱與辛，並可創佳績！

Because of a high fever, he got cerebral palsy when he was very young which affects his linguistic ability and coordination. Despite his disability, he didn't give up, instead he set his life goal at the age of fourteen, that is to get a gold in the Paralympic Games and break the world record. Through a year's rigorous training, he came first in the 4x100m race in the 1996 Atlanta Paralympics with a new world record. This achievement which came so early didn't make him proud of himself, but instead urged him to be more hardworking in his training which made him break the world record several times on his individual events. In the 2000 Paralympics, he won three gold medals, the 100, 200 and 400m race. In the 2004 Paralympics, he won the 200m race. He is still the record holder of the 100 and 200m. His achievement not only makes Hong Kong glorious and promotes sports here, but also enables the disabled in Hong Kong to gain more social recognition and proves that they are not useless – in order to meet their goals and contribute to the society, they are eager to spend more time and effort than able persons.

自小因發高燒引致腦部痙攣，令手腳不協調及說話不清楚的蘇樺偉，不但沒有放棄自己，而且還早在14歲那年選定人生的目標，就是奪取奧運田徑金牌及破世界紀錄。經過一年的嚴格訓練，他終於在1996年亞特蘭大奧運會以破世績的時間奪得 4x100 米的奧運接力金牌。早來的成就並沒有令他驕傲，反而激勵他更努力練習，在單項比賽中屢破世績、他在2000年奧運會中個人包辦100、200和400米三面金牌。在 2004 年奧運會中奪取 200 米金牌，至今，他仍是 100 和 200 米的紀錄保持者。他的成就不但為港爭光及推動香港的體育、而且還能為傷殘人仕爭取社會的認同，證明傷殘人仕是傷而不廢，為了達到目標和貢獻社會，他們不怕付出比人更多的努力的時間。

Introduction of Junior Chamber International

Junior Chamber International (JCI) is a worldwide federation of young leaders and entrepreneurs. We are 200,000 active JCI members and millions of JCI alumni participating in projects, meetings, learning programs and events. JCI thrives in more than 6,000 chapters located in more than 100 nations and territories througout the world.

JCI members (18 to 40) are professionals and entrepreneurs who have joined a local JCI chapter. We meet, learn and grow. We create positive change. We train to become better leaders. We organize projects in the areas of Business, Individual, Community, and International Development.

Building local, national and international networks, we draw on the experience of JCI alumni who have succeeded in various facets of life and who provide assistance when required. Representing countless occupations and skills, we are creative, bold leaders who are developing new skills, laying new foundations, and establishing new friendships and networks.

We believe in the advancement of the global community and the creation of positive change by improving ourselves and the world around us. We meet at local, national, and international events to exchange ideas and share best practices. We also learn from dynamic speakers and trainers at interesting and interative seminars and presentations. We are growing personally and professionally because we are learning by doing, actively organizing projects and activities that benefit our communities and ourselves.

Introduction of Junior Chamber International Hong Kong

With more than 1,200 members from all walks of life in Hong Kong, Junior Chamber International Hong Kong (Formerly known as "Hong Kong Junior Chamber") 國際青年商會香港總會 is a charitable organization dedicated to developing leadership potentials among young people. Junior Chamber International Hong Kong represents a network of highly-motivated and forward-looking young people between the age of 18 and 40 who come together to under a common mission: "to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, entrepreneurship and fellowship necessary to create positive change".

History

The Junior Chamber (JC) movement was introduced to Hong Kong in 1949. After one year's germination and preparation, it was inaugurated on May 6, 1950 and became a National Organisation Member of Junior Chamber International.

Theme

Each year, the JCIHK adopts a theme addressing the society's needs and development. Members organize projects and activities that echo such theme. The 2005 theme is "Entrepreneurs in Action".

Membership

JCIHK now has around 1,200 members from 18 local chapters. All chapters are incorporated and affiliated to the JCIHK. The chapters distinguish themselves through two main aspects: gender (Male / Female) and official language (English / Chinese) used. 18 chapters was named according to features of Hong Kong while the activties and members transpire the geographic boundary. They include: Victoria, Kowloon, Island, Peninsula, Hong Kong Jayceettes, Lion Rock, Harbour, Yuen Long, Tai Ping Shan, Bauhinia, Dragon, East Kowloon, City, Queensway, North District, Ocean, Shatin and Apex.

Four Areas of Opportunity

The concept promotes the adoption of a balanced program of activites in areas of Individual, Community, International and Business Opportunity. Members can develop their calibre in the interested areas and extend their horizon through participating in non-familiar aspects.

Introduction of The Outstanding Young Persons' Association

The Outstanding Young Persons' Association, TOYPA in short, was formed in 1977. The Association is made up of awardees of the Ten Outstanding Young Persons Selection. Membership of TOYPA exceeds two hundred.

The Ten Outstanding Young Persons Selection, introduced to Hong Kong in 1970, is a major project of the Junior Chamber International Hong Kong. Each year, the award is open to nominations by the public. After the process of carefully vetting candidates' data by an appointed auditor/law firm, the candidates are presented to a Judging Panel consisting of renowned leaders in the government, business, industries, education and various professions. Merits are given to the candidates' exceptional achievements in their respective fields as well as their contributions of personal time and efforts in serving the community.

The Outstanding Young Persons' Association not only gives proper recognition to the achievements of the recipients, but also carries with it certain responsibilities. All those selected are expected to make further contributions to the community of Hong Kong and to serve as inspirational examples to other young people. It is with this spirit that recipients of the award work together to serve the community.

The aims of TOYPA are :

1. To sponsor and organize projects for the well-being of Hong Kong.
2. To propose recommendations to the Government or relevant authorities on matters pertaining to the welfare of Hong Kong.
3. To assist in the annual selection of the Ten Outstanding Young Persons.

TOYPA membership covers diverse industries and professions including a number of active members in decisive arenas, serving on the Executive Council, Legislative Council, District Councils, Advisory Committees, Drafting Committee for the Basic Law of HKSAR, and National Peoples' Congress of the PRC and Hong Kong Affairs Advisors etc.

Since its inception, TOYPA has organized and sponsored numerous community service projects. All financial resources have been generated from funds raised over the years. In all projects organised, co-organized or sponsored by TOYPA, members take an active role with commitment and dedication.
