Guest of Honor

I would like to offer my warmest congratulations to the 42nd Junior Chamber International Hong Kong National Convention.

Throughout the past 57 years, JCIHK has nurtured generations of young and energetic business professionals and community leaders, who have not only achieved great success in their own professions, but have also made valuable contributions to the well-being and development of our society. I am particularly impressed by the fact that 15 members of JCIHK have been honoured as the Outstanding Young Persons of the World since 1985.

The theme of this year's National Convention is "Be Better". This has rightly reflected the aspirations out community for a better living environment and better quality of life. As the secretary for Development, I am committed to expediting the infrastructural developments of Hong Kong, so as to create a better future for Hong Kong. Your support and participation are instrumental in the attainment of this mission. Let us work together to develop Hong Kong into a more thriving and beautiful world city.

National President of Junior Chamber International Hong Kong

It is my great pleasure to welcome all of you to the 42nd National Convention of Junior Chamber International Hong Kong.

National Convention is the most important event for Junior Chamber members as we hold our annual general meeting, accept the reports of the national board of directors, elect the national officers of the following year, discuss the management and the future of the Chamber, and members celebrate their achievement at this occasion.

"Be Better" is the theme for Junior Chamber International (JCI) and Junior Chamber International Hong Kong (JCIHK) in 2007. "Lead to Learn, Learn to Lead" is our slogan in Hong Kong this year; we strive to bring opportunities to our members to develop to become future leaders.

I am very pleased to report that with the collective effort paid by all of our members, we have made progress in each area of our four opportunities.

Individual – Overall membership had increased by almost 10% since January 2007. Apart from organizing a series of training programmes for members and for our trainers, we had also hosted some new JCI Signature programmes bringing latest thoughts and techniques to our members. Training Institute grows significantly this year, thanks to our coaches' active participation and the good cooperation between JCIHK and outsider private companies and organizations like Junior Police Call and the People's Government of Nanhai.

Community – Celebrating the 10th anniversary of the establishment of the Hong Kong Special Administrative Region Government, we had organized a 9-day charter train 「十載風雲家國情、中華青年專列行」 trip to and from Beijing with over 900 participants from all the partnering organizations. Our flagship project "Ten Outstanding Young Persons Selection" celebrates her 35th anniversary this year.

International – A big delegation from Hong Kong attended the JCI Asia Pacific Conference in Chung-li, Taiwan. Members always enjoy the international opportunity when they co-organize projects with overseas members, exchange ideas and nurture friendship transcending the sovereignty of nations. Members also participated in many other specific international progrommes like the JCI - United Nation Leadership Summit.

Business – We had continued to organize the Best Business Awards, JCIHK CEO Forum, and visit to mainland China and the local successful companies. National Business Network had arranged JCIHK's annual visit to All China Youth Federation and the related government departments in Beijing, and held many networking functions with many business associations with distinguished speakers.

I would like to take this opportunity to thank our guest of honour, Secretary for Development, Mrs Carrie Lam Cheng Yuet-ngor, JP, and all the distinguished guests and members for their support to JCIHK. My heartfelt thank also goes to East Kowloon Junior Chamber for hosting this national convention for all of the members in Hong Kong, in particular Convention Director Fanny Chan and President Perlman Lau.

I wish you all a wonderful 42nd National Convention!

Vice President of Junior Chamber International

Dear National President Clement Woo, Senators, members of JCI Hong Kong and distinguished guests,

On behalf of JCI Vice President Area B, I congratulate the great success achieved by JCI Hong Kong over the past years. It is really a pleasure for me to greet this National Convention of JCI Hong Kong today and send my best wishes for this wonderful time that members can meet, learn and grow together again.

This year, JCI Hong Kong did their best to finish their plans and accomplish their goals. During the ASPAC in Taiwan this year, JCI Hong Kong has been the outstanding NOM. The works by JCI Hong Kong and her 18 chapters (Victoria, Kowloon, Island, Peninsula, Hong Kong Jayceettes, Lion Rock, Harbour, Yuen Long, Tai Ping Shan, Bauhinia, Dragon, East Kowloon, City, Queensway, North District, Ocean, Sha Tin, Apex) working and sharing together impress me a lot, I can feel your passion and see the confidence inside the members' mind of JCI Hong Kong wherever I was in Hong Kong, Taiwan, New York or Beijing because I constantly got good messages from all of you. I am so proud to be able to work with you good fellows.

At the beginning of this year, I encouraged you to start a new chapter and focus on making the young leaders stronger as your goals. You guys did that well. That is why I always say "Human efforts can achieve anything 事在人為". Through this precious experience I really understand more the theme of JCI Hong Kong - "Lead to Learn, Learn to Lead". Following the spirit of JCI, you have arranged many programs and provided the opportunity to your young people to develop their leadership skills, sense of social responsibility, entrepreneurship and fellowship necessary to create positive change". It is really great.

Finally, as a JCI officer, I would like to take this opportunity to express my deepest appreciation to National President Clement, all chapters' presidents and all of you from the bottom of my heart. And while congratulating your achievement again, I would like to recall our slogan "Be Better" and I pledge to stand by you always.

It is time for the National Convention to take place again as it does each year with much success.

It is an important occasion for all 18 LOMs, their Officers and Members.

This Convention enables all young persons, who are hardworking members of their respective organizations, and who also take part in national projects, to review the progress that they have achieved together, and so better to lay plans for the incoming year.

I send them my best wishes and hope that the Convention will be attended by a large number of friends and relatives.

Chairman of Hong Kong Junior Chamber Foundation

Time flies and it comes to another National Convention again. When we attend the National Convention, what type of attitudes should we have? Do we really know why we should be here and what we really want to get back from the National Convention? Throughout the years, I always have that kind of queries in mind when I met our member in this important annual event.

No matter why you are here and what you are looking for from this National Convention, first of all, we should learn to appreciate the hard work of the Organizing Committee. It is not an easy task to make Convention a success. The COC has to put a lot of efforts to organize, to promote and to implement all the details in order to make all members feel satisfied and gain valuable experience. I believe the hosting chapter, East Kowloon Junior Chamber, should try their best to do it. Secondly, it is you to duly attend all the events of the National Convention because different events will have different objectives for you to learn. Throughout the convention, you should have the opportunity to know how and what have been achieved in JC movement in Hong Kong in 2007. During the Caucus Session, Open Forum and JCIHK Forum, it is your chance to voice out your opinions and share your view to make JC a better organization to join. All of these require your active participation and involvement.

From the HKJC Foundation perspective, we have tried our best to render financial support and guidance to all LOMs and NOM throughout the years in order to help achieve nourishing more leaders in this organization. The success of our dreams depends very much on the initiatives of our members. We are the catalyst to burn your enthusiasm, but your drive for success and personal improvement is crucial. In the National Convention, it is the chance to exchange your experience with each other and help everybody grow. I do hope every one of you will gain a lot from this Convention.

Last but not the least, I do hope all the candidates for 2008 NOM officers will have a great success in their election. All of you together with NP Clement will be our future leaders in this organization. We need to breed great leaders to lead.

May you all have a great 42nd National Convention!

Junior Chamber International Hong Kong

I am pleased to send my warmest greetings to all the members of Junior Chamber International Hong Kong on the occasion of the 42nd National Convention which provide us excellent platform to meet, to discuss our organization's issue, to elect new officers, to share fun, dreams and worries. It is also good chance for senior and new members to meet each other and chat on their Jaycee experience.

Under the leadership of President Clement Woo and his Board of Directors, I am glad to see that our members had gone through another successful years. This would not have been possible without the support of all the LOM Presidents and their members.

Time has come for the consolidation of one year's hard work. I can see that all the LOM and NOM officers have tried their very best to achieve the targets that they have set at the beginning of the year. No matter how much they have achieved, the valuable experience and everlasting friendship should be treasured.

Hope all of you will enjoy this wonderful Convention. Make it an inspiring process to gather momentum for further growth in 2008.

It's great to have the National Convention under the direction of Convention Director JC Fanny Chan and all Deputy Convention Directors. Convention Director

Welcome to the 42nd National Convention of JCI Hong Kong!

It's my great honor to be the Convention Director, which is an excellent opportunity and tremendous challenge to me. I have deeply experienced "Lead to Learn, Learn to Lead" and "Service to humanity is the best work of life" during these toughest six months of my lifetime; this period of time is also the most significant and memorable episode of my JC life.

In line with the JCI theme, our Convention has adopted "Be Better" as the theme. I hope all our members can be better leaders, better trainers, better ourselves, can have better JC life, better families, better community…all come into "Better Work-Life balance" – the sub-theme of the Convention. Work-Life Balance is defined as meaningful daily achievement and enjoyment in each of our four life quadrants: work, family, friends and self.

We are also delighted to host this National Convention at the time when our mother chapter East Kowloon Junior Chamber is celebrating its 10,000 days of empowerment and the HKSAR is celebrating the 10th anniversary of its establishment. By introducing Success Dynamics (Convention Version) and "Be Better – Amazing Journey for Families", we are aiming to create a special convention experience for all of you.

I would like to thank my Convention Organizing Committee, which comprises of nine Deputy Convention Directors plus the members of all the sub committees as well as their advisors. I treasure the process of working and growing together, the spirit and momentum we have created and the friendships we have developed. Without their great commitments, industriousness, relentless efforts and tremendous contributions, my dream of the Convention wouldn't come true!

I would like to express my heartfelt appreciation to my three "P"s, President Perlman, Advisors Senator Paul Chan and Senator Petrus Yung for their encouragement and guidance throughout the process. Endless advices and patience from my two Supervising Officers, NGLC Senator Felix Cheng and NSG Senator Scarlett Wong, deserve my immense gratitude. Sincere thanks also goes to NP Senator Clement Woo, PNP Senator Louise Chan, our Charter President Senator CK Tang, the National Board and all Chapters for all their supports, and also to all distinguished guests, speakers and sponsors.

Last but not least, I wish all of you an enjoyable and good experience in the coming three Big Days!

It's more than a convention! It's an experience for your life time.

Fanny Chan

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It opened also its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Todd Opens Library

5,000 Books Donated By HK Jaycees To New Children Library

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

History of Junior Chamber International Hong Kong

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Commuttee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

History of Junior Chamber International Hong Kong

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

"A Better World Tomorrow Through Jaycee Training Today"- Theme of 1966 JCI Conference in Hong Kong.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

History of Junior Chamber International Hong Kong

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at 1:30 a.m. due to typhoon.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

History of Junior Chamber International Hong Kong

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

Flashback 1990's - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

Flashback 2000's - Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program', 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong Back', etc.

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

Hong Kong Junior Chamber participated in "上環繽紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

First time online interview with JCI President Karyn Bisdee was broadcasted to the world during her visit to Hong Kong.

In 2005, JCIHK celebrated her 55th Anniversary and was awarded the "Most Outstanding National Organization Award" in Vienna Congress.
