SENATOR KAREN YEUNG

We have to change.

It's not only talking about changing our mindsets, our way of doing things, but also the way we look at all situations.

We all are aware of the fast-changing world, and we used to forecast what's coming up next and then to adjust our plans accordingly. Since the pandemic, changes became non-traceable, and unpredictable. What we thought should be "a temporary change" turns out to be a new normal, or even new market demands raised drastically at one night.

We, JCI Hong Kong members, are no longer sitting there, looking forward to resuming to normal, we are in the battle of speed – how fast we manage ourselves to adopt the change and explore the new market. From the achievements that JCI Hong Kong members made so far, we showcased to the world that our capability is more than just adaptiveness. We are united, energetic, creative, sensitive to social needs, and more importantly we keep moving forward. When we can apply the same spirit to our businesses, to our families, and inspire more people to follow us, I am sure that Hong Kong will be a better place for all.

You may wonder, how many things can an individual do? Every little step counts, and here are the tips: take a challenge and go! Just enjoy your journey in JCI, you will find your buddies who walk alongside with you, you will have your mentors who inspire and guide you, and you can see the result and make improvements.

This year, JCI Hong Kong will host the JCI World Congress. This is definitely a once in a lifetime experience that allows us to utilize our capacity, and it's time to let Hong Kong shine again globally. I have full confidence in my fellow members, together we can share the pride and glory of being a change maker!

Like it or not, we are in the era of change. Behind the change, I see vitality, possibilities and hope. Just embrace the change as we always do, and enjoy the eye-opening journey in 2022. Let us take the lead and be the change!

Dearest Members of JCI Hong Kong,

I am tremendously excited to start this new journey with your National Organization, and what better occasion than your Inauguration Ceremony! JCI is making stands across the world, as we have continuously faced all types of challenges for two years and have come out on the other side not only standing, but thriving!

Thank you for giving me the opportunity to share some of our 2022 aims and values. Our primary goals for the coming year shall be to create valuable events and other actions that will raise the JCI brand awareness, to boost membership growth and retention, as well as launching and improving on new JCI products that will enhance the member experience while developing our financial sustainability.

Please allow me to elaborate on this year's annual theme "Leading is our Duty". At JCI, rather than having our members focus on what they want to get or receive in their societal and professional life, we want to uniquely focus on instilling responsibility, a sense of duty and purpose in them, so that they want to do what they should do for a better world. It is through this mentality that our global organization shall impart its values and knowledge to our members and to the entire world, establishing a new framework of human duties that ushers in a new era in human history.

As we slowly oversee the return on in-person events and develop our hybrid system capacities, I am looking forward to exchanging more ideas with JCI Hong Kong during the Asia Pacific National Presidents Meeting, as well as the Asia Pacific Area Conference, under the regional leadership of Executive Vice President Pheng Kouch.

Once again, enjoy this celebration and have it be the elevated standard for all your actions during the rest of this ensuing year! Together with our Board of Directors, I shall accompany you along the way, as Leading is our Duty!

This is how your slogan of 2022 "Be The Change" is so important on how all of us are adapting to change and leading by example, if all of us are just sitting and complaining of why and how the global pandemic has set us apart, impacted to our livelihood and economically around the world without any positive solutions, nothing could be better. In JCI, we are developing enterprising young leader for a changing world.

Please allow me to take this opportunity to emphasis that, in 2022 JCI, especially in Asia and the Pacific area, we are focusing on the 3 main goals, firstly for Brand Awareness through implementation of new JCI Corporate Identity, implementing of JCI RISE projects and JCI Creative Young Entrepreneurs program, secondly Membership Growth and Retention that we aim to reach 6.6% through effective retention and recruitment programs, connecting our members in JCI Virtual Community, active participating in international events and international collaboration projects, and encouraging everyone to join the JCI Global Leadership Masterclasses which will develop our members to be Global Entrepreneur, Global Networker, Global Communicator and Global Changemaker, lastly is focusing on the Financial Sustainability that would ensure National Organization like JCI Hong Kong will be running with surplus by end of the year and building the entrepreneurship mindset in our JCI National and Local Officers which is aligning with our global direction as Global Enterprising Young Leader.

Last but not least, congratulation again to you National President Karen Yeung and all of your Board of Directors and Appointees on your inauguration ceremony, as well as upcoming 2022 JCI World Congress in Hong Kong, Let's RISE our members with JCI, Rise in Hong Kong. Dear members of JCI Hong Kong,

It's my pleasure to convey my warm regards to you all,

Congratulations to the 2022 National President Karen Yeung and board members, who will continue to lead in 2022. As an experienced member of JCI, including an experienced in digital transformation in 2021 of JCI. I am extremely delighted for you to lead JCI Hong Kong in 2022.

With the rapid development of the world and the impact of the pandemic, change is taking place rapidly. Naturalist Charles Darwin said "It is not the strongest of the species that survives, nor the most intelligent; it is the one most adaptable to change." is still valid. Personally, I am very grateful for the slogan "Be the Change" in 2022, which calls for change at this time.

JCI is also constantly evolving and working with the new tagline from 2022, "Developing Leaders for Changing the World". Leading is our duty, especially as individuals, communities, organizations, countries and the world. For that purpose, JCI's young leaders are ready to lead post-pandemic recovery around the world.

Also I would like to thank the 2021 National President Winnie Yeung, Board members, Local Presidents and all the members who have successfully leading the JCI Hong Kong during the global pandemic crises. All leaders who have successfully fulfilled their role as active young citizens in times of change, and who have taken the lead in change, rather than waiting for change.

I hope you all will Be The Change, and wish you every success in your campaign to Develop Leaders for Changing the World in 2022, Also full of success to host the JCI World Congress in Hong Kong in 2022.

As an assigned Vice President of JCI Hong Kong, I look forward to working with you all.

Message from

Senate Chairman of JCI Hong Kong

SENATOR WINNIE YEUNG

More than 50 years ago, the JCI Senate was established to recognize the outstanding achievements and service of JCI members worldwide. JCI Senators display determination and leadership and are encouraged to stay connected and provide support throughout the entirety of their lives.

The pandemic has shaken the nature of our life to its core. JC members have been staying positive and quickly adapted to the "new normal". It truly demonstrates the value of JCI in which young people are empowered to create positive change. And it has become more important than ever before to believe that we are all in this together and that we support each other.

I look forward to working with our Senators to concert our efforts in the cause of the well being and the brotherhood of all members. By embracing new ideas, collaboration and diversity, we are empowered to address the most critical challenges of our time with passion and courage.

Please stay healthy and let us Be the Change together in 2022!

Message from

Chairman of JCI Hong Kong Alumni Club

SENATOR DAISY LUI

On behalf of JCI Hong Kong Alumni Club, I hereby convey our sincere congratulations to the National Board of JCI Hong Kong and all local Chapters for the successful inauguration during the 2022 JCI HK Inauguration Ceremony especially under the haze of Omicron.

「緣是友情♥續 Fun 享樂廿五載」is the slogan of Alumni Club this year to echo our "Silver Jubilee" so as to sustain our mission – "Enjoy our JC Senior Members' Life 吃、喝、玩、樂 ".

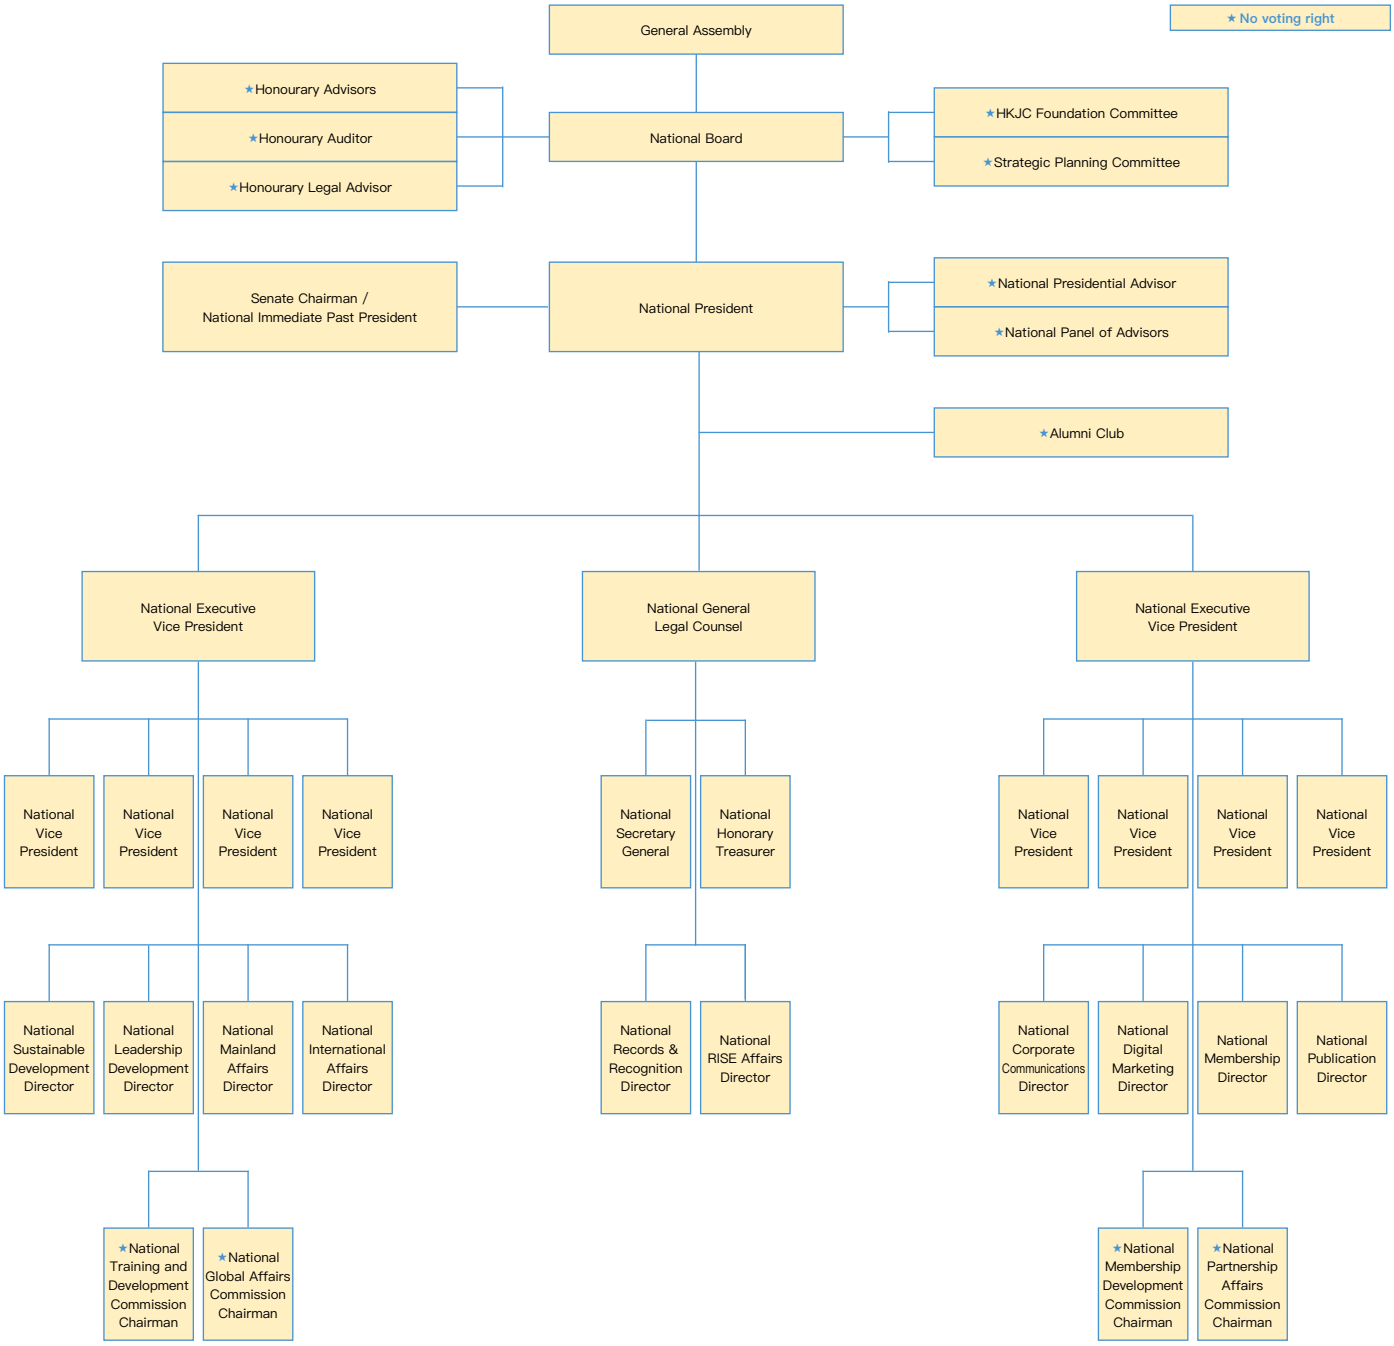

"Be the Change" is the slogan and mission of 2022 National Board, adapting the change is one of the key competences of young leaders. In fact, it also applies to over 730 senior members who we are also young at heart and willing to try new things. For instance, non-mainstream sports will be brought up to our members like floor curling, which members will get to experience the modified version of Olympic sport of curling with one major difference – no need of ice.

Other than enjoyment of our senior members' life, Alumni Club also provides a platform for the graduated JC members to participate in various activities which they can make good use of their rich experience and social resources to support and stimulate the personal growth of young JC members. As the World Congress 2022 will be hosted in Hong Kong, we would definitely provide full support in this important project.

As the Alumni Club Chairman this year, taking this opportunity, may I wish National President Senator Karen and her board of directors a successful and remarkable year in leading us to pursue the JCI sustainable development goals and continue to "Be the Change" for a healthy and better future.

SENATOR DAISY LUI
2022 JCI Hong Kong Alumni Club Chairman

JCI VICTORIA

"Together V grow" is our theme in 2022. I wish to see members develop and grow by joining us. "If you want to go fast, go alone. If you want to go far, go together". One person can go fast for sure, however if you want to go far to play a big game, we play Together.

We are going to find someone walking at our speed and walk together. Create a path together, and help each other in times of stress. Be the yin to their yang. Be the right to their left. We grow together side by side. The synergy that comes from working well with someone else creates something greater than the individual.

We are Victorian We fight we grow we Create

JCI ISLAND

It is my greatest honor to become the 2022 President of JCI Island.

"Make a MO–tion" is the slogan of JCI Island in 2022. MOtivation, Members Opportunities and Island MOment — These are the three MO–tions we would like to achieve in 2022.

Motivation – Many young people stay in their comfort zone and do not realize their potential to become a leader. As the leader of JCI Island, I would devote my best effort to motivate our members to give a try — to speak up, to learn or even to lead.

Members opportunities – Some young people want to change, but they do not have a chance. I would be a good listener to understand the needs of every member and offer membership opportunities for their development.

Island Moment – It is essential for our members to enjoy their moments with JCI Island. I would unite our members together so that JCI Island will become our second family.

With JCI Hong Kong's theme "Be the Change" in 2022, we, JCI Island, will collaborate closely with JCI Hong Kong to deepen our shared vision and mission. I truly believe that under the leadership of National President Senator Karen Yeung, it will be another fruitful and gratifying year across the JCI community in Hong Kong.

JCI PENINSULA

本人謹代表半島青年商會祝賀國際青年商會香港總會就職典禮圓滿成功！

今年本會響應總會口號 「Be the Change」， 鼓勵青年人勇敢突破自己，創造更多無限可能。每個人對「改變」都抱有不同的看法，變化可以是正面亦可以是負面；但國際青年商會香港總會正正希望表達出給時下年輕人，只要抱著正面的態度去看待「改變」，主動去令自己對每件事情都「Be the Change」，最終不論什麼結果都會令事情有進展，最重要的是要主導自己對「改變」的看法並踏出第一步。

因此，本會亦於今年訂下目標，旨在透過多元化的新工作計劃培育更多未來的青年領袖，引導他們尋找突破口，推翻他們為自己設下的固有框架，裝備自己成為更好的積極公民，為社會帶來更多「改變」，同時更能透過自己的蛻變過程去影響身邊的人，生命影響生命，給予更多人機會去為社會出一分力。我們期待 2022 年，大家一同「發揮無限潛能，突破無盡可能」！一起擁抱改變！

Positive change is an essential cornerstone to the JCI and all the members. "Be The Change " is JCIHK 2022 theme and goal. I am immensely honoured to be entrusted with the presidential roles as JCI Lion Rock enters its 51th year since its establishment in 1971. I am humbled by the task before me as a leader for the affiliated Chapter. These are challenging times under the pandemic, we have to change to adopt the New–Normal.

As a JCI member, we are in a mission and vision to educate and cultivate more young active citizens, to contribute service to humanity.

JCI places high importance on the values of inclusivity and equality and encourages members to do the same. Sustainable Development Goals (SDGs) are prerequisites to a sustainable practice environment, one that is free of discrimination with no barrier to equal opportunities.

Unity is the Key to a Strong organization like JCIHK. In times of change, we must stand united, continue to facilitate impactful projects and meaningful activities to address social issues, gather more young individuals for the common goals, and strengthen unity of the organization.

The challenges of the impact arising from the fast–paced globalization, innovation and technology–based changes around the world have created a ripple to our life. 「承袖解鎖」 Unlock your potential is JCI Lion Rock 2022 theme and goal, provide development opportunities to members to experience in an evolving practice environment.

Message from President JCI YUEN LONG

元朗青年商會自一九七七年創立，至今已踏入第四十五個年頭。本着「服務社會，訓練自己」的青商精神，我們提供發展機會及平台，讓會友透過做工作計劃去實習，提升個人能力及增長見識，並培養積極正面的思想。

疫情之下的香港依然面臨着考驗，經濟、民生也受到沉重的打擊。雖然我們隔著口罩，但並無礙我們溝通的心，前進的步伐，但我們深信解決辦法總比問題多，以香港人靈活多變的思維，百折不撓的精神，在新常態的生活中，定必能夠想出新點子轉危為機，越過難關，盡快走出疫情的陰霾。

國際青年商會是一個培訓領袖的青年組織，青年商會的國際網絡歷史悠久，培育出不少國家領袖，商業英才，在世界各地根深蒂固，會友們可以透過參與世界各地的大型會議及訓練課程，提升自己的領袖才能及擴闊國際視野。 參與拜訪其他國家的姊妹會，擴展自己的國際性人際網絡。本會一直本着這個信念陪伴青年人尋找自我價值。

本年度的口號是「格外投入、創造價值」，本人深信當你願意投入額外的精神和心機，青商的四大發展一定會令你有意想不到的收穫， 你可以加深認識自己，找到志同道合的朋友、合作的機會及增長自己的國際視野。 「格外」一詞，有另一個寓意就是 「think out of the box」，本人希望會友可以善用青年商會這個平台，大膽創新地尋找框架以外方法，作更多新嘗試。

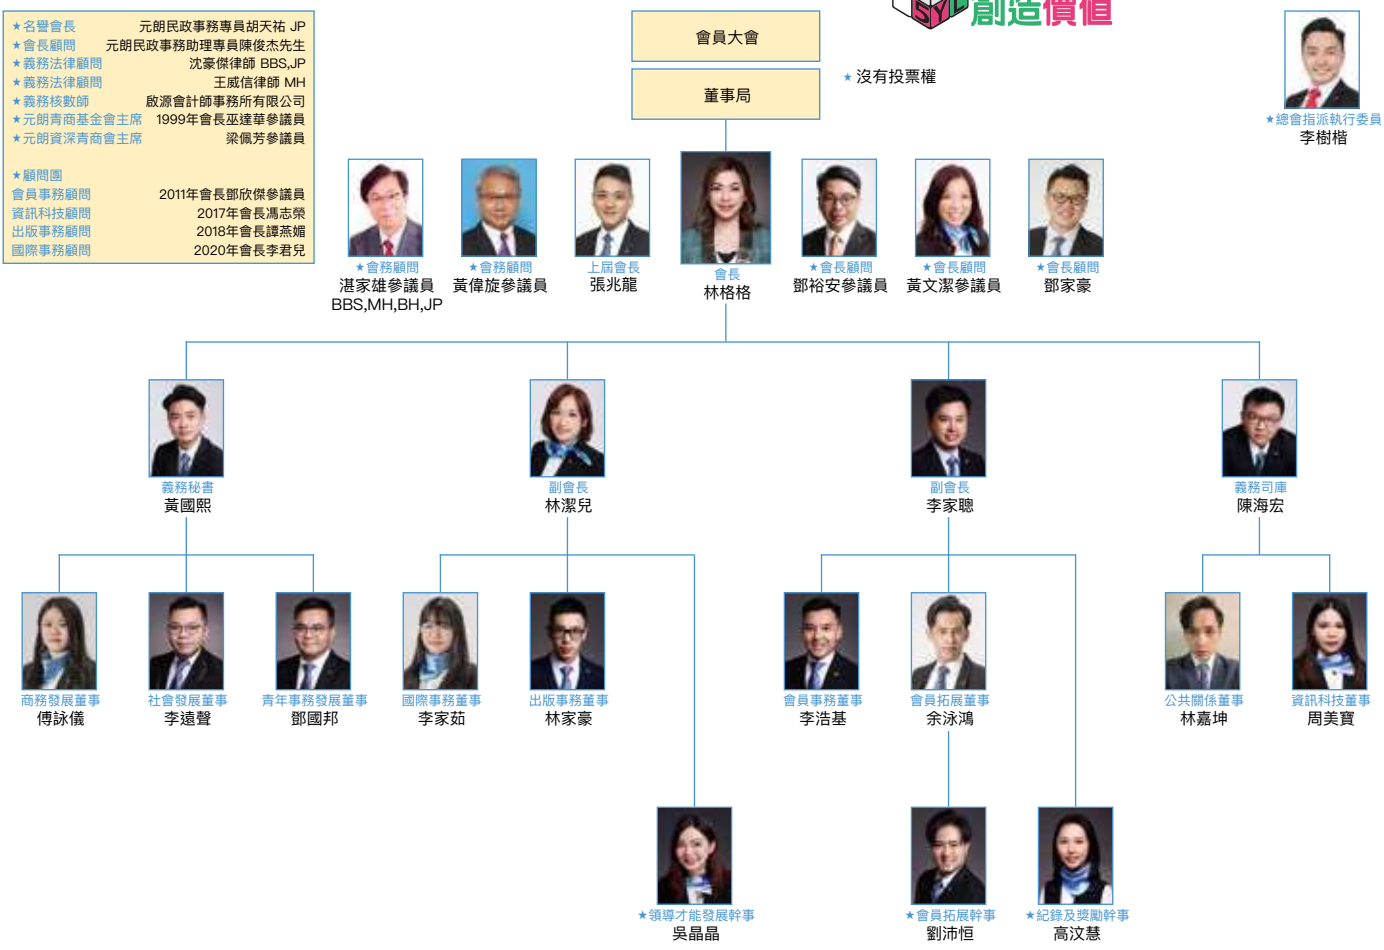

在疫情下，本會舉辦活動更見艱難，本會本着「辦法總比困難多」的精神，機會從來都要靠自己發掘和爭取，價值從來都是自己賦予意義，成長的道路都是靠自己一步一步去探索。本人深信當你願意格外投入工作計劃，青年商會一定能帶給你意想不到的收穫。

本人能獲選為元朗青年商會會長一職，全賴一眾會友的支持和信任，本人抱着「格外投入、創造價值」的信念，帶領本會繼續前進，提升本會於社區積極正面的影響力，促進會務發展，共創美好將來。

2022 年會是精彩與務實共存的一年！社會開始習慣新常態，在逐漸適應的同時，大家努力尋求突破，化危為機，去尋找成功之路。本會今年的信念為「此刻解鎖 Better Me! Unlock!」，我深信追求一個更好的自己，令自己進步去解鎖，是要透過嘗試不同事物，從而獲得經歷才能更加認識自己，突破自我，在「解鎖」前添上「此刻」兩字是要提醒著我們現在作出行動的重要性，期待會員在熟悉的範疇做到令自己驕傲，不擅長的地方也要勇於嘗試！

精彩 – 是因為我們會作出很多新嘗試，包括推出兩個全新環保旗艦工作計劃：
1. 《藥「勿」胡亂棄》– 進行藥餘回收令社會關注棄藥對環境甚至食物鏈的禍害
2. 《綠點》– 推廣環保商戶，令綠色消費普及化

透過籌備整年不同的工作計劃，令會員能夠接觸到多方面的發展機會，了解自己之後再突破，加上欣逢今年是太平山的 45 周年，我們會舉行豐富的慶祝活動，凝聚會友同時向大家展現太平山的基因。

務實 – 太平山已累積了 45 年的歷史，我們承傳前輩們的經驗，不斷加以學習與實踐，努力裝備和做好自己，繼而一步一步地把定下的各項目標實現，展現一個團結、活力、具有前瞻性的太平山！

我們會糅合以往靈活多元的太平山，不斷 unlock 自己，成就一個又一個的 Better Me ！

JCI DRAGON

I would like to represent all Dragon members to extend our congratulations to National President Senator Karen Yeung and her fellow board of directors.

“Lead to Win” is the theme of JCI Dragon in 2022.

We wish that everyone who believes in themselves to know that “I” can be the leader to achieve any goals.

If all of us have this belief, the community in Hong Kong must be full of passion and energy.

Coincidentally, it also echoes to the theme of JCIHK "Be the change". The world would not change itself to meet your will, only you could change yourself, and put it in action; you will reach your goals. I am also here to invite you all to "be the change"

Hence, Dragon members would continuously do our best to bring quality projects and trainings in order to develop our community better. And also develop our members to be future leaders.

Moreover, JCI Dragon would also endeavour to support JCIHK to achieve its goals in 2022. Under the direction given by National President Senator Karen Yeung and the joint force of all of us, we are sure we can “Lead to Win” together in 2022.

JCI EAST KOWLOON

I am Christine Ho. On behalf of JCI East Kowloon, I would like to express my heartiest congratulations to 2022 National Board of Directors and all local chapters on this momentous occasion of 2022 JCI Hong Kong Inauguration Ceremony.

To echo the National Board's theme of 'Be The Change', JCI East Kowloon will continue to support and collaborate closely with the National Board to encourage more young active citizens as future leaders to serve our community.

Our Chapter Slogan in 2022 is 'Endless Possibilities. Begin with You'. We will walk through the process of development step-by-step together with our member to explore and transform the current us into a new us in year 2022.

The word "Brotherhood' in our JC Creed has deeply branded in my heart. Looking back at the days of our childhood, the dear classmates in our primary and secondary schools ended up becoming our close friends, good business partners or even our better half. All these are built on keen Brotherhood.

Brotherhood can also be found amongst our other local Chapter's, through our overseas Sister Chapters, and Chapters worldwide. These are enormous resources that help building the solid foundation of ourselves, and enrich our life.

I wish the 2022 National Board and all local chapters a fruitful year ahead.

JCI QUEENSWAY

JCI Queensway was established in 1984. Over the past 37 years, We have been actively involved in various projects with the aim of serving the community as well as providing training to its members. Our members from all walks of life have engaged and committed to creating sustainable positive impact in the community, serving and rewarding the community.

Our 2022 Slogan is "GROW TO GATHER, GLOW TOGETHER". JCI Queensway has always been a place full of possibilities. We are all here to serve the community while empowering ourselves to be the future leaders of society. We are ready to achieve and grow extraordinary results.

We will continue to focus on our flagship project in the Business Affairs area. A highlight will be launching an EBA awardee's club to maintain partnership with awardees. Also, we provide training "Queensway Academy: Grow and Glow series" to our members to empower them with different skills such as know yourself, project management, and leadership skills etc.

I believe everyone has a huge potential if they are willing to learn and CHANGE. Opportunities are given to people who are willing to try. If you keep moving forward, you can definitely grow and glow. We believe that here is a solid training platform for individuals to display their leadership skills, while we also play hard to provide our members with our extensive support and opportunities. Let's learn to be a future leader together!

Taking this opportunity, I would like to wish JCIHK a successful Inauguration. Also, with the leadership of National President Senator Karen Yeung, we are ready to GROW TO GATHER, GLOW TOGETHER and BE THE CHANGE.

Message from President — JCI TSUEN WAN

Year 2022 is full of challenges and opportunities. It is my honor to work with National President Senator Karen Yeung and her board in this year and on behalf of JCI Tsuen Wan, I would like to congratulate the National Board on this special day of JCI Hong Kong Inauguration Ceremony.

The theme of JCI Tsuen Wan this year is **Igniting Growth**. In the past two years, the world suffered from COVID. In Hong Kong, we have to prepare for the post COVID era. Year 2022 is a critical year for JCI Hong Kong. It is not just because we will host the World Conference, but also because we have to recover from the pandemics.

As the President of JCI Tsuen Wan, I will lead my team and fully support the National Board and hope that we could **Be the Change** and ignite the growth of JCI Hong Kong together!

JCI LANTAU

On behalf of Junior Chamber International Lantau, it is my great honor to congratulate National President Senator Karen Yeung, the National Board of Directors and all local chapter Presidents on this moment.

From teenager to now, I have always taken different opportunities to serve as a volunteer from various organizations to benefit our community. With the support of our passionate members, it is my honor to serve as the President of JCI Lantau in 2022.

"Do Well. Do Good" is the theme of 2022. For each of us, "Do Well" means enriching personal quality and skillset. For JCI Lantau as a whole, "Do Well" further means having continuous membership growth, strong bonding among members, as well as enhanced branding and reputation. "Do Good" is to improve society through different projects. It is also consistent with JCI Mission: "To provide development opportunities that empower young people to create positive change." We want to create more opportunities and possibilities for the chapter.

This year, we will launch a flagship project – the Sustainable Lantau. It is not only about community development but also related to leadership development and business affairs. By implementing a series of events like field trips, workshops and competitions, we hope that we will bring more young talents to join our chapter, and inspire their personal growth.

I hereby sincerely wish the National Board of JCI Hong Kong and every Chapter a fruitful year under the leadership of National President Senator Karen Yeung. Let's "Do Well Do Good" and "Be the Change".

Message from

Vote of Thanks from Inauguration Ceremony Chairman

SENATOR WONG WAI TO

It is my great honor and pleasure to be appointed as the Chairman of the 2022 JCI Hong Kong Inauguration Ceremony which is the kick-start event of JCI Hong Kong.

Without any doubt, due to the pandemic, this is a very challenging year for everyone, due to the pandemic, we have to turn from a physical ceremony in a Xiqu Centre Grand Theatre to an online ceremony.

Taking this opportunity, I would like to express my most sincere gratitude and appreciation to my amazing team composed of 25 Organizing Committee Members led by 7 excellent Deputy Chairmen for their continuous effort and hard work throughout these three months. It was my greatest honor to have worked with such an energetic and creative team. They have certainly devoted more than 100% of their effort and time to make this event memorable enough, especially when the time we needed to make instant decision from physical to online event. This exactly to echo and exemplify the essence of 2022 slogan, "Be the Change".

My sincere gratitude also extends to the 3 important people behind the scene- Project Advisor Past National President Senator Zenith Lin, Supervising Officers National General Legal Counsel Senator Kenneth Yu and National Honorary Treasurer Olivia Cheung. Thank you for your great support over this challenging period, it is truly my pleasure to work with you all.

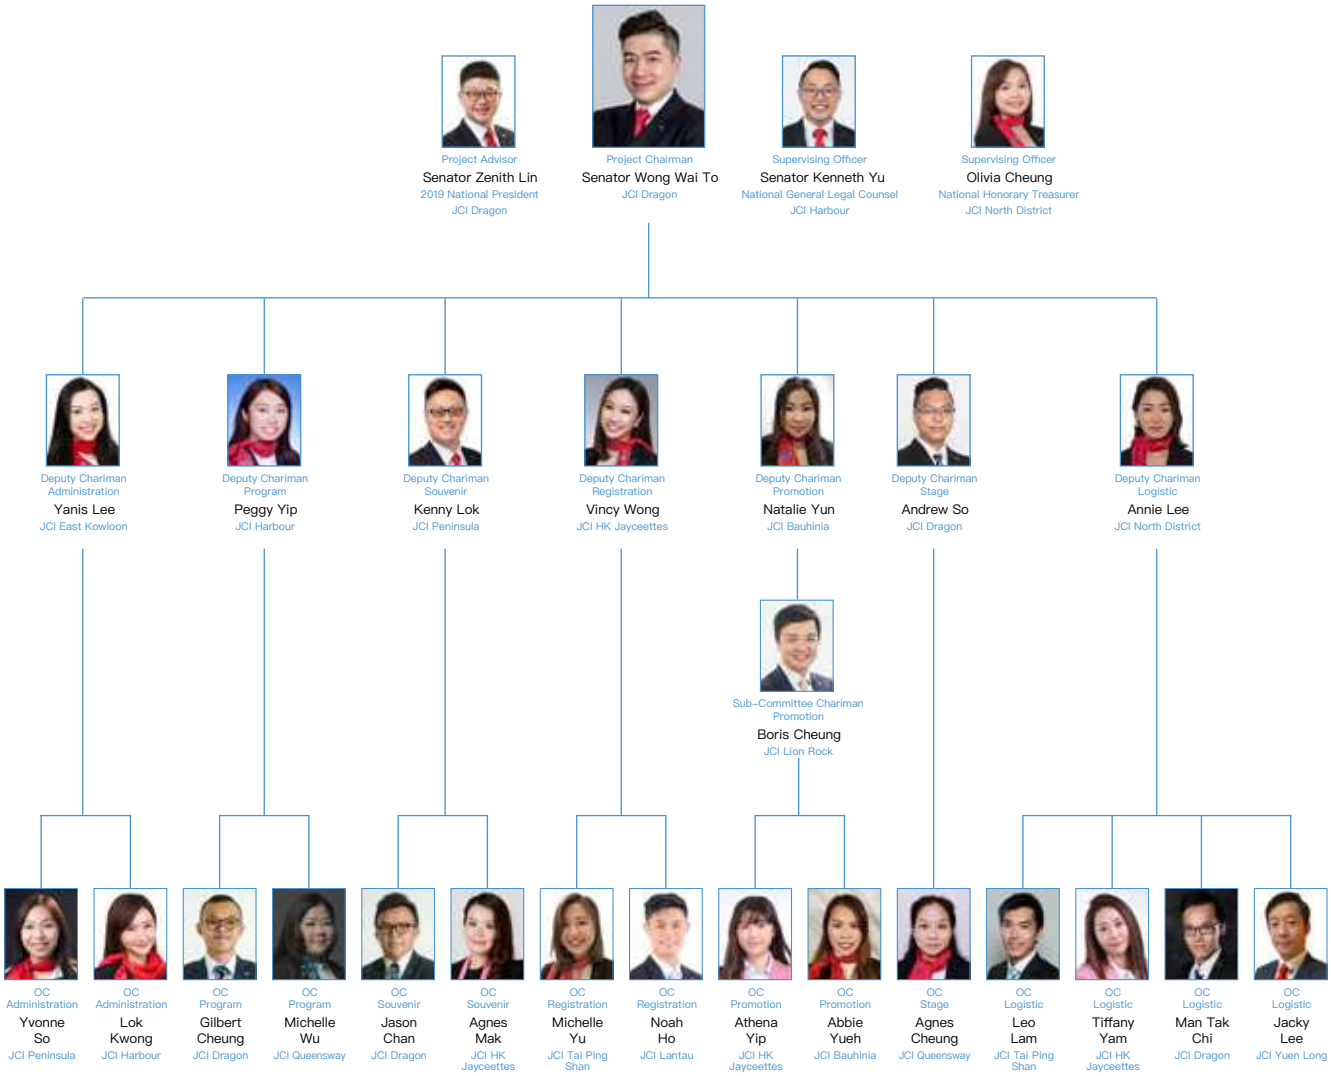

Thank you National President Senator Karen Yeung for your invitation and trust on me to take up this important role. My appreciation also goes to all Local Chapters. Thank you for nominating your outstanding members to be part our Organizing Committee and your support on this significant event.

Most of all, I would like to thank each and every single one of YOU who accepted our invitation to celebrate this important moment with us tonight.

Let's take a move and Be the Change for the year of 2022!

JCI 2022 CURRENT FACTS

ABOUT JCI

We are a membership-based international youth leadership organization of 200,000 young people aged 18 to 40 in 5,000 communities and more than 100 countries around the world. Each JCI Member shares the belief that in order to create lasting positive changes, we must improve ourselves and the world around us. We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

2022 PRESIDENT
Argenis Angulo

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 100 years ago from a constructive approach to civic problems. Founded in 1915 in St. Louis., Missouri, USA by Henry Giessenbier Jr. , the movement was spread out, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

JCI CORPORATE SLOGAN

The slogan for 2022 is "Leading is Our Duty," meaning JCI members are asked to take ownership of their responsibilities and recognize the ways that they must improve themselves, their local and national JCI organizations and society at large.

Our primary goals are to create valuable events and other actions that will raise JCI's brand awareness; to boost membership growth and retention; and to launch and improve on new JCI products that will enhance the member experience and drive new revenue streams via four key initiatives: RISE, Global Leadership Masterclass, JCI CYE, and JCI TOYP. A new platform, JCI Virtual Community (JVC), has been launched to build an ecosystem for past, present, and future members to globally connect, learn and grow.

HEADQUARTERS

The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, U.S.A. since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield, St. Louis, Missouri, U.S.A., where the first local organization was founded in 1918. A professional staff of 20 full-time employees currently provide services to JCI members. The Secretary General is Kevin Hin.

JCI OPPORTUNITIES

JCI can be called an organization of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each area. As the members work on these projects, they encounter opportunities for total development.

INTERNATIONAL CO-OPERATION

JCI is a Non-Governmental Organization (NGO) with active participation in the United Nations (UN) system in the context, JCI has relations with the Office of the UN Secretary General (Secretariat) and a Consultative Status with the Economic and Social Council (ECOSCO). Furthermore, JCI has cooperation agreements with the UN Global Compact; the United Nations Educational, Scientific and Cultural Organization (UNESCO); the United Nations Conference on Trade and Development (UNCTAD); the Pan American Health Organization; the Conference of Non-Governmental Organizations (CONGO); the NGO Committee on UNICEF; the International Chamber of Commerce (ICC); World Chambers Federation; the Council of Europe; AIESEC International; and Goal4Africa.

物業...是最穩陣的投資

2003年沙士之後，本港經濟經歷多番風浪，包括2008年金融海嘯、2011年歐債危機、2015年內地經濟放緩股市波動，唯獨樓市仍然企穩。

用物業致富 用層樓替你打工

多年來，無數同學成功捕捉樓市高低位未有樓的成功上車，已買樓的一間變幾間用物業賺取被動收入，輕鬆達到財務自由。

專業導師團隊 課程實戰全面
