TELEX MESSAGE

THE OUTSTANDINGNESS OF A YOUNG PERSON SHOULD NOT BE RATED ON THE WEALTH HE HAS ACCUMULATED, THE PUBLICITY HE HAS DRAWN OR THE CHARM OF HIS OUTWARD PERSONALITY.

THE OUTSTANDINGNESS OF A YOUNG PERSON SHOULD BE ACCOUNTED FOR ON HOW HARD YET SUCCESSFUL HE HAS STRUGGLED FROM SHEER MODESTY TO A STATUS COMMONLY ADORED BY HIS FELLOW CITIZENS, AND HOW MUCH MORE PROGRESS AND WELFARE HE HAS BROUGHT ABOUT TO HIS PROFESSION, HIS COMMUNITY AND MANKIND THROUGH PERSONAL SACRIFICE WHILE HE ATTAINS HIS PERSONAL ADVANCEMENT.

MUCH, IF NOT EXCESSIVE, HAS BEEN GIVEN TO PUBLICIZING THE BEAUTY AND THE WEALTH OF PEOPLE VIA ONE MEDIA OR THE OTHER, WE FEEL IT PROPER, ADMITTEDLY MAY BE A LITTLE LATE, TO DISCLOSE AND RECOGNIZE THE TRUE OUTSTANDINGESS OF THOSE YOUNG PERSONS WHO, SILENTLY HAVE BEEN MAKING OUR COMMUNITY A LITTLE BETTER AND ADVANCED DAY AFTER DAY, AND THUS THIS TEN OUTSTANDING YOUNG PERSONS SELECTION.

VIA THIS PROJECT WE HOPE THAT THE OUTSTANDINGNESS OF THE SELECTED AWARDEES WILL BECOME A NEW STANDARD OF PERSONAL ACHIEVEMENT WHICH THE YOUNG GENERATION IN HONGKONG WILL STRIVE TO ATTAIN. BY RECOGNIZING THESE YOUNG PERSONS WE HOPE TO ONCE MORE, RE-ITERATE TO THE YOUNG PEOPLE IN HONGKONG THE TRUE MEANING OF LIFE.

I CONGRATULATE THE OUTSTANDING YOUNG PERSONS WHO ARE TO RECEIVE THEIR WELL DESERVED RECOGNITION THIS EVENING, AND I THANK THOSE NOMINATORS WHO HAVE HELPED US IN DISCOVERING THE OUTSTANDINGNESS OF YOUTH IN HONG KONG

JOYCE TZANG – PRESIDENT, HONG KONG JAYCEETTES

MESSAGES

The Jaycees always maintain that the outstandingness of a person is not only how outstanding he makes himself to be, but how outstanding he helps making his community and/or his fellow citizens to be. The selection of Ten Outstanding Young Persons therefore is based on this basic criteria. Originated from the Outstanding Young Men Selection – a program adopted by Joycees in many countries all over the world, the TOYP Selection has now become a program to recognize also the achievement of female sex. For the women too, after a long period of struggle, have more than once proven their equality with men. We have reasons to believe that the success of Hong Kong has been the result of many people, male and female alike. We believe that these people in general, and the young ones in particular, must be recognized so that they could serve as an example for the youths in this city and thus encourage more young persons to venture for further outstandingness. We would like to therefore congratulate the awardees of this project, for their efforts, could this city turn great.

MESSAGE FROM THE PROJECT CHAIRMAN

It gives me great pleasure to extend my warmest welcome to you to this Award Presentation. May I invite you to join with me to witness this happy occasion and congratulate the Outstanding Young Persons who receive the TOYP Award tonight.

This Award Presentation marks the realization of several months endeavours in bringing this Selection to fruition. For this, we owe our sincerest gratitude to His Excellency The Governor, whose patronage has made this TOYP Award a distinguished honor. Our gratitude extends to the Honorable Judges, Selection Consultant and Sponsors, whose support and participation have made this project feasible; the publicity media for their assistance in promoting this Selection, and needless to say, credit goes to the nominators who have brought to our attention the extraordinary achievements of these candidates.

To my hard working committee who have sacrificed much time and effort in bringing this project to light, I wish to thank them heartily for their unfailing support and co-operation.

"Progress of the World lies in the hands of the Youth", we hope by establishing this Selection in Hong Kong, the young people will be guided to follow the precedence as set by these winning candidates to strive a step further for a better individual, a better world.

To conclude, I wish you all an enjoyable evening, as we share the spirit of these Outstanding Young Persons.

Yours in Jayceeism,

Catherine Yiu

AN INTRODUCTION OF THE HONG KONG JAYCEETTES

The idea of lady membership was started in 1967. The Jaycees then requested their wives and girl friends to form an auxiliary group to assist them in their projects. This lady group was then affiliated to the Victoria Junior Chamber, one of the local chapters of the Hong Kong Junior Chamber. In 1968, the Hong Kong Jayceettes went one step further and became auxiliary to the Hong Kong Junior Chamber – the National body.

In November 1969, the Hong Kong Jayceettes was officially recognized as an independent chapter of the Hong Kong Junior Chamber – being the 1st lady Jaycee chapter in Asia and the 2nd in the world of JCI.

****

Presently, Hong Kong Jayceettes have 44 members, varying from secretaries to nurses or teachers, social workers or housewives, office clerks or students. This great variety is brought about by the beautiful belief of Jaycees that membership with Junior Chamber should be opened to all people without discrimination as to sex, colour, race, religion or occupation. All people between the age of 18 and 40 and who have a keen interest in self-development and community work are welcome to be a Jaycee member.

*****

Jayceettes' activities are planned and co-ordinated, by their Board of Directors, which members are elected at the Annual General Meeting in December every year. Current Board Members are:
