Message from The Hon. C Y Leung, GBS, JP

I extend my warmest congratulations to the Victoria Junior Chamber (VJC) on the occasion of its 59th Anniversary.

Each and every year over the past 6 decades, JVC launches for the benefit of the society at large various community development projects and for its members leadership training programs. In this notable period in the history of the Country and of Hong Kong , we witnessed tremendous changes and also experienced the ebb and flow of Hong Kong's economy.

Against the background of overall economic growth, many in Hong Kong still struggle with poverty and basic livelihood issues. There will be no shortage of meaningful community projects that appeal to the good hearts and bright minds of members of the Victoria Junior Chamber.

On behalf of the beneficiaries of the community projects, I thank all the members of Victoria Junior Chamber.

Message from President

It has been my honor to serve as your President in 2009. May I take this opportunity to share with you the journey we have traveled together over the past year.

Recalling the accomplishment I wished to gain when my term of office commenced, I hope I have not let you down in trying my best towards the aimed goals. We have nurtured and trained "proud" Victorian, or more truly, "prouder" Victorian for roads ahead.

The innoBrand project series has reached its height this year. Again, we have attained large audience and high media exposure for this flagship project.

Our newly launched "Driving Changes" 菁年 • 環境 • 零距離 project which had partner organizations from the PRC, Taiwan, Macau, and Korea, has thrilled the 150 youth participants with heightened green sense in the green tour. Our endeavor is not limited to fostering betterment for the youth community, but also the building of a green Earth.

The 20th Grandparents Day has achieved profound impact in view that efforts were stepped up to enhancing closer relationship among the three generations of grandparent, son/daughter and grandson/granddaughter.

For 59 years, Victoria Junior Chamber has provided excellent opportunities for young people in Hong Kong to develop their leadership skills, social responsibilities, entrepreneurship and international vision to become "Active Citizens" in both the local and global environment. This foundation cannot be built up without the support of our predecessors and beloved Victorians. To my dear Victorians, mentors, friends and associates, given your support and encouragement to me in my reigning year, I would continue being a devoted Victorian in whatever post or capacity. BE A PROUD VICTORIAN!

I must extend my utmost appreciation to Chairperson Clara Tsang, our pretty Honorary Secretary, and each member of the Organizing Committee, as well as the helpers for their great efforts in making this Anniversary eventful and fantastic!

My heartfelt thanks also go to President Elect Boy Leung for her unfailing support, my different Advisors for their guidance, and the Past Presidents for helping me to overcome the hurdles. Last but not the least, to all the distinguished guests tonight, your presence has made this event meaningful. Thank You Very Much!

Winnie Chan
2009 President

Message from Honorary Life President

Victoria Junior Chamber is known as a practical group of young men and women with bright innovation ideas and the determination to maintain good old traditions. This has been clearly demonstrated from the new projects you have launched this year such as the Asian Youth Forum in Zhaoqing; and your decision to continuously carry out those meaningful and worthwhile projects, like InnoBrand and Grand Parents Day. It is no doubt that the original spirit and the objective of Jayceeism, "LEADERSHIP TRAINING THROUGH COMMUNITY SERVICE" has been maintained by each of the members. And through them, our organization has transformed to be the Worldwide Federation of Young Leaders and Entrepreneurs. I am indeed very proud to be one of the Past Presidents of this Chapter and the honor to be your Honorary Life President.

I wish to congratulate President Winnie for her excellent leadership and her devoted Board of Directors for a wonderful year. Let's continue our good work and be A PROUD VICTORIAN.

Message from Junior Chamber International Japan, Osaka President

It is of great significance that the Victoria Junior Chamber marked its 59th anniversary this year, and I would like to offer our felicitations with the all members of JCI Osaka.

In addition to this, I would like to show much respect for all of the members of the Victoria Junior Chamber, especially their alumni, who have devoted themselves to the growth and prosperity of their chapter for many years.

Furthermore, as twin chapter, JCI Osaka takes pride in the fact that the Victoria Junior Chamber has been played a main role in the area of JCI activities in Hong Kong over a period of time.

With some reflection, it is 20 years away since our two chapters established a JCI twin in 1989. May I remind you that what happened of the year, 1989? In Japan, it was the year of passing away of Emperor Hirohito. Worldwide, it was the year of beginning of the pullout of Soviet troops from the war-torn country Afghanistan. It was the year of the Tiananmen Square incident. It was the year of the collapse of the Berlin Wall. And it was the year of the US-Soviet Summit at Malta. During the past couple of decades, the world has varied widely. Additionally Asian status has enhanced its international influence, and now properly reflects international trends. On the domestic side, we believe with confidence that Victoria Junior Chamber has brought so many great events to successful conclusions up to now.

In the meantime, Victoria Junior Chamber and JCI Osaka have been not only completed collaboratively many programs but strengthened the bond each othereven tighter. Some people say it takes twenty years to make an ovenight success in general. As for us, during this period it became very obvious over the years that our good twinning relationship strengthens the friendly ties than ever. Friendship, the older it grows, the stronger it is.

One again, on behalf of JCI Osaka, I would like to express my hreartiest congratulations to all of you. Unfortunately, previous commitments prevents us from accepting your kind invitation to the Victoria Junior Chamber's 59th Anniversary Banquet Dinner on December 12th, 2009. We wish you every success for the evening.

As you aware, the JCI 2010 World Congress will be held in Osaka on November next year. In relation to this, as host chapter we have been investing time and effort in preparation for this with every ounce of our being.

JCI Osaka would very much like to welcome all Victoria Junior Chamber friends with our hospitality in Osaka next year.

Best wishes for the continuing prosperity of histiric Victoria Junior Chamber and all of your members' happinesses and growth.

In JCI friendship and sincerely yours,

For six decades, Victoria Jaycees have given great opportunities to young men and women in advancing their careers and leadership skills, and helping them to serve the community with eminent results.

It gives me great pleasure to send this greeting message to all the attendees, members, guests and friends on the joyous occasion of the Chapter's 59th Birthday Celebration.

Although I was not one of the founding members back then in 1950, I believe the last 24 years of involvements in Victoria must have enabled me to see a lot of positive changes and should be a good representation of the historical evolvements of the VJC as we know today.

As always, there are so many challenges we have conquered yet there will probably be more to come. That is part of our Jaycee training and part of our personal life developments.

I would like to congratulate President Winnie Chan and the 2009 Board Members for their efforts, achievements and devotion.

I would also like to take this opportunity to welcome President Elect Boy Leung and her 2010 Board Members who will shoulder the challenging task of celebrating Victoria's 60th Anniversary.

請你食避風塘炒蟹

正宗風味保存至今

想當年，避風塘美食大受歡迎，其中喜記在避風塘船上炒蟹闖出名堂，更創出名菜「正宗避風塘炒辣蟹」，不單止深受港人喜愛，連海外遊客到香港亦要專程來品嘗，可謂遠近馳名。及後，喜記辣蟹創辦人喜叔於是在一九八一年改在謝斐道擺街檔，一九九七年更在謝斐道開設第一間「喜記」，開業後迅即成爲明星飯堂，同時風靡日本、韓國等東南亞等國家吸引眾多食客，店外經常大排長龍，場面壯觀。

選料上乘

喜記的招牌菜「正宗避風塘炒辣蟹」能風靡多年，全因它嚴選食材，例如選用兩斤以上的越南肥大肉蟹，蒜蓉用豆豉釀製一天，特別惹味，採用的辣椒來自非洲，品質上乘。炮製時先將肉蟹下鍋油炸，再加入大量蒜蓉、辣椒，爆香透才上枱，入口辣椒辣嘴不辣喉，蟹肉夠肥，蒜香味濃郁，令人一試難忘，而辣蟹以外，喜記尚有多款地道美食，包括椒鹽瀨尿蝦、上湯水浸大蜆、豉椒炒青口等，爲配合今個秋冬，推出多款創新药膳菜式，例如山藥蒸肉片、杞子豬潤浸枸杞、鮮人參泡時蔬、窩燒遼參等，驅寒暖胃，唔食辣的朋友一樣唱得口。
