The Outstanding Young Persons of the world for 1995

TOYP

Junior Chamber International, in celebration of its 50th World Congress in Glasgow, Scotland is pleased to announce the opening of nominations for the 1995 TOYP program.

The TOYP program of Junior Chamber International serves to recognize ten individuals between the ages of 18 and 40 who exemplify in one of ten specific categories the best attributes of the world's young people.

Honorees selected in past years have represented the cultural, economic and personal progress of our times. Many of these young individuals have gone on to become well known for their achievements. Others, less famous, have nevertheless continued to serve mankind in a great variety of ways.

The ceremony dramatizes each winner's career in narrative form and provides a stage from which the honorees can challenge and inspire young people from around the world. One award is given in each category.
