MESSAGE FROM NATIONAL PRESIDENT JUNIOR CHAMBER OF THAILAND

It is with great pleasure that I, on behalf of the Junior Chamber of Thailand, welcome you all to the 1990 JCI ASIA PACIFIC SENATORS CONFERENCE. It is our great honour to have this opportunity to be your host and we promise to do our best.

It has been two years since we received this great honour from you, the Junior Chamber International, to host the conference for the Asia-Pacific region. And now, the time has come, after two years of hard work by the organising committee, who, despite all difficulties and obstacles, is determined to make this international conference as perfect and successful as possible.

I believe that all Senators have been looking forward to this day, the day when we all get together to exchange our views and experiences. Although the Junior Chamber of Thailand has once received this honour to be your host, the conference in those days was attended by only 700 fellow Jaycees. But this time, as many as over 4,000 Jaycees join the conference, indicating the rapid growth of the junior Chamber International, especially in the Asia-Pacific region.

Even though the Junior Chamber is an association that has trained and produced numerous capable young people of the world, there are still a large number of young people who have never gotten the opportunity to know us and become our members, To me, to organise the conference in various countries is a great idea to promote our organization.

I would like to extend my sincere gratitude to all senetors who have given us this great honour to be the host of this conference. It will help promote our organization among young people of Thailand, who, in the near future, will receive the invaluable experience we are enjoying now.

Finally, I hope that this conference will ereate the friendship that last and remind you of Thailand forever.
