(2) The Plan of Action

Please refer to the attachments as well as the relative section in the NOM Directory.

(3) Major Emphasis Theme (MET)

" Care For Youth, Develop Our Future Leaders " is chosen as the 1994 MET because we want to echo the Hong Kong Government's Youth Charter and also the Junior Chamber International's Sub-Theme " Future of Children " , as well as for continuity purposes.

The MET Project called "Youth: Meeting Tomorrow's Challenges" is being implemented with a view to evaluate the value judgement system in today's youth. Phase One and Two have been completed, in the form of a training camp and a survey respectively. Phase Three will be a press conference to announce the survey results and a symposium to discuss the implications.

The MET project has proceeded according to our plan and schedule but it is difficult to obtain sponsorship.

(4) External Relationship

We have maintained good relations with Government officials, the media and other organizations with similar purposes.

For instance, we were successful in inviting Attorney General, The Hon J F Mathews, to be the Guest of Honour (GOH) for our January Inaugural Ball. Similarly we succeeded in having Mr. Zhou Nan, Director of the Xin Hua News Agency Hong Kong Office, to be GOH at the National Convention.

Our projects were extensively covered by the media.In particular, the Fukuoka Children's Convention as well as our visit to the Hong Kong and Macau Office in Beijing were shown on TV and many newspapers.

We are working closely with the Federation of Youth on our Theme project. Our IPP acts as the advisor to AIESEC and we are discussing with UNICEF how to offer assistance.

Unfortunately we have not been able to set up a new Public Relations Committee due to resources constraints. However, we were kept informed and assistance is being provided by Synergie Communications, our public relations consultant.

(5) Leadership Development

Training was arranged throughout the 9 months' time and it took the formats of Prospective Member Training, Member Training, Executive Development Program, President's Academy and so on.

We also have the trainers' circle gathering, which trainers may come to share experience and test their training skills.

We continue to provide training to more and more external organizations like Manual Life, Macabe International, AIESEC and the like.

The trainers' profile and the training handbook are being updated. The new edition should be ready for distribution before our National Convention.

(6) Membership Retention and Extention

The number of members as at Sep, 17 is slightly over 1,300 which is a lot lower than our target of 1,450. We will continue the efforts and achieve as many inductions as possible before the Kobe Congress.

We have a total of 6 prospective member orientations this year but there have been a lot of difficulties in the membership area like, for example, it takes too long to assign the members to Chapters (after 4 or 5 months of first encounter).

(7) Chamber Office Administration

A Personal Computer was donated and received from Video Technology, which increased the processing capacity immediately.

However, there are a number of problems which are still outstanding. For example, the electric door lock, the communication machine and the tidiness in the Seminar Room.

(8) Finance

We had a fairly successful Inaugural Ball which generated about HK$130,000. Two corporate sponsors were solicated and they are Kodak (Far East) Ltd and Corporate Press. For the Ten Outstanding Young Persons Selection (TOYP), Manual Life became the sole sponsor. For the Major Emphasis Theme Project "Youth: Meeting Tomorrow's Challenges", the major sponsor is a merchant, Mr. Stephen Wong, with several other smaller contributors.

(9) International Affairs

It has been a very busy but successful year for us in the International area.
In January I attended the Inauguration Ceremony of the Japan Junior Chamber, followed by an unofficial visit to Hong Kong by JCI Vice President Senator Robert Go as well as an official visit by JCI President Senator Arnaud Godere in early February. Together with JCI Vice President Senator George Lung, I visited the Thailand Junior Chamber in mid March. JCI VP Robert paid us a formal visit in late March.

In May, there were over 110 delegates from Hong Kong attending the ASPAC Conference in Singapore. As usual, we held a successful Hong Kong Night in the ASPAC. We also made history for Hong Kong by having our representative, Irene Tsang, winning for the very first time the World Speaking Competition. We created another record by hosting the first ever training Seminar.' The Training Quartet ' at a JCI Conference.

Besides, we won a total of 10 awards in the Award ceremony and they are:

NOM Awards	Individual Development Program Award. Publication Award. Public Relations Award.
LOM Awards	VJC - Economic Affairs Award. PJC - Leadership Development Award. JTT - Co-operation Between 2 JCI LOMs Award. LRJC- Civic Involvement Program Award. OJC - Fund Raising Project Award.
Best of the Best	LRJC - Civic Involvement Program Award.
Individual Award	John Ma - Outstanding LOM President of Asia Pacific Area Award.

In late August, 15 delegates paid a visit to the All-China Youth Federation (ACYF) in Dalian and Beijing. After our meeting with the Hong Kong & Macau Office of the State Council, we were interviewed by the media which made extensive coverage both on television and in the newspapers. The seminar on " Tax Reform ", co-organized by the Chinese Youth Enterpriser's Association and ourselves, was also reported by many newspapers in Hong Kong as well as in Beijing.

In early September, 10 delegates from Hong Kong attended the Business Conference in Bali of Indonesia. We participated very actively in all the programs and we made a lot of suggestions regarding the International Business Network.

Actually between April and July, we also organized the selection of 8 outstanding children to attend the International Children Convention in Fukuoka of Japan. Again there were plenty of media coverage.

For the remainder of the year, we expect to have around 80 delegates going to the Kobe World Congress and we also look forward to receiving the delegates from ACYF upon their return visit in late November.

(10) Departments and Others

The Training & Development Committee (TDC) continues to play an important role in shaping the training environment and developing our leaders/trainers. With our growing experience and expertise, more and more external/commercial organizations come to us for training purposes. Jaycee S K Lai will succeed Senator Justin Lui to become the TDC Chairman 1994-95.

International Affairs Department is looking after all matters relating to the visit to /from ACYF.

Business Network Club is organizing regular functions for members who are interested in exploring business opportunities. They also played a very major role in our delegations to ACYF as well as the Bali Conference.

The Community Concern Group aims at improving the social awareness of members and preparing responses on major community issues. Several meetings were held accordingly.

We are in the process of changing our name to " Hong Kong Junior Chamber " and the work is almost completed, pending the submission of the audited accounts to the Registrar. To cope with the impacts on the whole organization and to get properly prepared, an Ad-hoc committee on Corporate Image chaired by Senator Ivy Tam, was formed to look into the matter and to make recommendations.

From this year, the NIPP will assume an additional role as the supervising officer of the TOYP Selection. The 1994 organizing committee, chaired by Senator Winnie Yeh, created very good response in terms of nominations. Two press conferences as well as frequent promotional speeches at professional/ social clubs were made. The results will be announced in October.

(11) Comments and Recommendations

First of all, I must say that I am really impressed by the dedication, the resourcefulness, and the contribution of so many outstanding Jaycee members in Hong Kong. In my capacity as the National President, I have the opportunities to participate and get to know members from all the Chapters. I witness, through your thoughtfulness and hard work, dreams have been converted into a form of reality which benefits our members individually as well as our community as a whole.

I am pleased that good ideas are either created (like hosting the first JCI training seminar) or revived (like the public speaking competition). I am pleased that we are placing greater and greater emphasis on continuity, both for the organization's leaders as well as the projects we undertake. The notion of longer term VISION is already in the mind of current and future leaders. I wish the well-received President's Academy, the breeding ground for new leaders, will be extended to benefit more members.

On the other hand, there are also some areas which require re-consideration or improvements. For instance, it seems we have too many functions especially those functions which are duplicating or in many ways overlapping. This situation exists between LOM and LOM as well as between NOM and LOM. It would be nice if the NOM/LOM Officers-elect could discuss as soon as possible to understand each other and try to ensure a minimum of duplication but rather a most effective use of our resources. Personally I believe in Quality rather than quantity; I would rather go back to the Basics and do it well.

The above point takes me to talk about another issue, which is, the expectation on mutual support between LOM/LOM and NOM/LOM. Obviously Jaycee members should support each other. However, I think that we should not limit our scope. Especially on fund-raising and attendance, we should try our best to obtain assistance from outside persons/organizations. This serves not only to obtain extra monetary support, but it also markets the Jaycees movement to those non-Jaycees you come across.

This year, I have seen many Chapters, as well as NOM having problems with their accounts or financial statements. It is hoped that we may institute a policy/system whereby both NOM/LOM Hon. Treasurers have to submit half-yearly financials by, say, July every year. Probably this may help to make Hon. Treasurers start working early.

In the recent mid-year evaluations I held with LOM presidents, we had very genuine and open exchange of ideas. We talked about things we have so far not touched or not known to each other. For better communication, I recommend these evaluations should be done preferably in late May or early June. Similar discussions should be held within the NOM teams too.

We have tried to undertake a large-scale theme project in the community area together with all the LOMs this year. It has been a great experience for me and all the trainers involved. On this issue, I tried to be as open and democratic as possible. I soon found out that the progress was too slow, too long and there were misunderstandings on the NOM's leadership. I believe that the NOM should inform the LOM Presidents/Boards about the ideas of MET. Also we may set aside an appropriate amount of funds for use with future MET projects; so as the progress will not be disturbed because we lack sponsorship. Obviously the MET project O.C. have to work within budget.

Lastly, taking this opportunity, I would like to thank all Hong Kong Jaycee Members, all Senators, all the Past National Presidents, all LOM Presidents and all the National Officers, for your support to me and to the Hong Kong Jaycee movement. Special thanks must go to Presidential Advisor Senator Daniel, NIPP Senator George, Victoria Jaycees President Rosalinda and all the Victorians who have made this Convention possible.

Thank you all so much !

Ronald Ho

(C) Junior Chamber International

I was elected the JCI Vice President for 1994 in Hong Kong World Congress. I have been assigned to Japan, ROC, Thailand, the Philippines, Pacific, Mongolia and Vietnam. During the year, I have been frequently out of town for the development of Jaycee in the capacity of JCI Vice President. Totally, I have

visited various countries for 78 days in 17 times for official visits, meetings, training seminars and/or conferences. In fact, another 7 visits have been scheduled in the next 4 months. In the past 8 months, I enjoyed very much my experience in JCI and treasure the unforgettable heavy but meaningful experience in the visits. I should take this opportunity to thank Senator Sonny Yu, Advisor to World President 1994, for giving me a lot of guidance and advice so as to make my term of office much more fruitful and valuable.

(D) Other Involvements

1. TOYP

This year, National President Ronald Ho started the arrangement of having the NIPP to be the supervising officer of the TOYP project. This assignment also let me have the opportunity to work with the fellow Jaycee members and share with them my Jaycee experience. The organizing committee this year under the leadership of Project Chairman Winnie Yeh Kung is a wonderful team. So far, they did a very good job and I enjoyed the experience in working with them.

2. AIESEC

This year, NIPP of Hong Kong Junior Chamber of Commerce was again invited as the advisor to AIESEC Hong Kong for the cooperation Partnership between AIESEC-HOKN and HKJCC. I have regular meetings with President and some Executive Committee members of AIESEC every 3 months.

This year, the Training Development Committee has put a lot of efforts in helping AIESEC in the training aspects. Many trainers were sent to give training to AIESEC members.

Business Network Club is still working on getting some employment opportunities for the exchange program of students from AIESEC International.

Since we have already officially signed the relationship as Cooperation Partner during Hong Kong World Congress, just like JCI and AIESEC International, our link should be maintained and even furthered from year to year.

(E) Conclusion

This is a very busy year for me but I enjoyed every day and month and valued all the new experience I got in Jaycee. I would like to give a special thanks to National President and the fellow Board members for their understanding and cooperation to me even though I have to be out of town frequently and sometimes excused from the Board meetings.

With the encouragement I got this year, I made up my mind to run for 1995 JCI Executive Vice President. i sincerely request the continual support from all members of HKJCC.

Also, I would like to thank NP Ronald Ho for his guildance of work.

APEX JUNIOR CHAMBER REPORT FROM NAEO RAYMOND YU

With the adoption of APEX Junior Chamber to be a provisional Chapter of our organization on February Board Meeting, I was appointed by National President Sanator Ronald Ho as the National Assigned Executive officer of this provisional chapter. The following are my observation and findings of this chapter over the past six months.

(A) Management

Under the leadership of Charter President Senator Justin Lui, the administration of this chapter was run very smoothly. There were regular EXCOM and Board meetings in each month to handle business of the organization. All of these meeting were held in an effective and smooth way with active participation from the board of directors. Overall attendance of directors were good in those meetings. Records of the Chapter were properly maintained. Projects were planned and implemented either through organizing committee or working group depending on the scale of the projects. Most of the projects were successfully held. Besides, the financial status of APEX was healthy.

(B) Membership

With the support from sponsor chapter PJC, the membershp of APEX had reached the minimum requirement of our organization since its formation. It continuously showed an increase in membership over the last few months. The target of membership by the end of this year would be likely to be achieved. Besides, these were well balance of fellowship activities to foster the relationship of members.

(C) Individual Development

It had launched more than ten training programs for the members. Most of the members with different experience received relevant trainings on personal development. The intensity of training program was outstanding and received high regard from the members. Also, a significant number of projects were held which maximized the opportunity for members in participating the project work so as to enhance individual skills.

(D) International Affairs

A foundation was laid in the Chapter to ensure the members understanding the international opportunity. Members were infomed on these international Conferences Congress and JCI news through seminar, and its publication " ". There were representatives from

this chapter in attending Singapore ASPAC Conference. Besides, it also visited Macau and established relationship with Pan Mac JC of Macau.

(E) Public Relationship

There was active participation and support from APEX Junior Chamber to both NOM and LOM activities. Inter Chapter relatiohnship was good and there were three Chapters organizing joint projects with APEX. A large scale CD project at the end of the year was planned and it was expected to create great public awareness of this chapter when it was launched.

(F) Recommendation

Having a mission to be the first Putonghua speaking chapter two years later in Hong Kong, APEX Junior Chamber did not only focus on the promotion of Jaceeism but also stared to provide Putonghua training for the members. The objectives of this Chapter were clear and in line with the purpose of our organization. Members were found to be very committed and demonstrated their enthusiasm with acitons. With a healthy growth of membership and finance, it was certain that if the chapter was affiliated, it would contribute for the betterment of our organization through creating positive change to the community and providing development opportunities for young people. Therefore, I have no hesitation in recommending the NOM Board in accepting the application APEX Junior Chamber as the 18th LOM of our organizaiton and recommed it to 29th National Convention for consideration.

In this year, my major responsibility is to supervise three major commissions including International Affairs, Publication and Membership. Serving the position as a NEVP, it really fives me great opportunity in involving deeply the organization work of the National Organization. On the other hand, it also creates tremendous learning opportunity for me. Furthermore, I also treasure very much the experience on manage the sudden incident and team work among the Board members, especially on those results we have achieved by the three NVP and three directors. I had to thank NVP Amy Leung, NVP Edward Tse, NVP Wu Siu Wing, IA Director Spencer Suen, PD Director Stanley Lin and Membership Director Florence Lam for their hardworking & devotion in this year. Their outstanding performance has made my work much easier. Also I need to thank IA Dept. Chairman and BNC Chairman who lead their teams to support all our work. Lastly, I had to extend my sincere thanks to NP Senator Ronald Ho for his delegation and leadership.

Report from National Executive Vice President Jennifer Cheng

I am blessed to have a team of dedicating national officers with whom we maanged to handle majority of planned objectives of the year.

Assigned Areas

I. **Major Emphasis Theme**

In concurrence with our commitment to "Charter for Youth" signed in 1993, the major emphasis theme chosen for the year 1994 is "Care for Youth, Develop Our Future Leaders". It was NOM's intention that the project idea shuld be the product of the brainstorm among the 17 LOMs then. With

much discussion and consideration, the consensus was that we are most concerned with the aspect of young people's value system today, their spending behaviour and perception of money.

It is with these objectives that a three-phase project was planned to look at these aspects:

- A Youth Training Camp target to inspire youth of age 14-16 on perceptionof money, and associated value system.

- A Survey on Youth's spending pattern, influencing factors, and pattern of finance behind the spending, at the age group of 15-19.

- A Symposium aiming to announce results of the Survey, and bring forward opinion on the same subject from various professionals or youth agencies with regards to the aspects of the survey.

Recommendation:

It is the first time Jaycee trainers engineer the training modules with minimum assistance from external organizations; as well as the opportunity to work with students of 14 to 16. The experience was dynamic, and beneficial, as judged by the positive feedback from the students. Whilst the impact was limited by the amount of students we can handle, Jaycees has further identified ourselves as a leadership development organization with a niche in training. Special recognition must be given to Project Advisor Senator Paul Chan who has rendered tremendous support throughout the period of organizating and providing support for trainers. Parellel to the efforts of our project advisor is the 19 Jaycee trainers who devoted substantial amount of time and preparation and they are: PNP Senator Eddy Wong, CJC President Sunway Ip, JC President Iris Chan, AJC President Senator Justin Lui, Senator Juliet Lam, Senator Sheline Chung, Senator Winnie Yeh, Senator Connie Chiu, JC SK Lai, JC Tony Chan, JC Wesley Chau, JC Simon Au, JC Kevin Wong, JC Anwer Islam, JC Emil Wong, JC Anthony Chan, JC Joe Tam, JC Vincent Tang and JC Rebecca To. Whilst there are many organizations who focus on youth related activities, we must think deep if we want to pursue "developing young leaders" as one of our medium or long term strategy. I also wish to commend on the good work and efforts from all the organizing committee and in particular our dedicating project chairman Angel Chung.

II. Training

The good efforts from the Training & Development Committe and the National Leadership Development Team: NVP C K Lee, Leadership Development Director Burton Lai and his team of officers have all worked together to provide a varied programme for trainers, Members and Prospective Members. I must commend the hardwork of JC Burton Lai, and all the project chairmen and committee members for this year's National Projects who all demonstrated high level of standards.

Marketing JC training for external organization and at international level, details please refer to the report from TDC Chairman Senator Justin Lui and NVP CK Lee. For the first time, HKJCC has held a training program "Coaching Quartet" at the Singapore ASPAC Conference with positive encouragement from attendance. A similar program is to be hosted by HKJCC at the Kobe Congree. Appreciation is noted here for AMT Senator Paul Chan, AMT Senator Justin Lui, AMT Senator S K Lai, CMT Senator Shelina Chung, CMT JC Tony Chan, and CMT NVP CK Lee.

The mid term and long term objectives of Training & Development Committee has progress according to plan. The Certification Scheme is expected to be announced in the last quarter of this year. The direction to decentralize training programs at LOM level and yet maintained a high standard is the challenge we have in front of us. We would look forward to LOMs' involvement and comment in finetuning this scheme before implementation.

Training Handbook is scheduled to be updated and reprinted before end of the year.

III. Public Relations

The objectives of the PR team this year focuses on external media liaison. Following the good ground work laid down by the 1993 national team headed by Senator Rosa Chan, we were able to continue some of the regular columns to dedicating Jaycee themes and announcements.

1. Press Supplements
   Following press supplements were obtained for the year:

Event	Newspaper
Inaugural Ball	Sing Tao 1/2 page,

	Commercial Daily, full page
Ten Outstanding Young Persons Selection	Commercial Daily, full page New Evening Post, full page + Four 1/4 page Sing Tao, full page
National Convention	Sing Tao, half page & pursuing additional free space for advertisements from other newspaper

2. Regular columns

Since February, a 1/2 page regular column at Sing Tao Daily titled Jaycee Pulse appear every other Saturday until the end of the year. Jaycee members were either invited for an interview or to write an article on the following themes:

Youth and Education
Youth and Money
Youth and Career
Youth and Society

Acknowledgments are given to PNP Senator Major Tang, PNP Senator Junia Ho, PNP Senator Larry Lau, PNP Senator Eddy Wong, NIPP & JCI VP Senator George Lung. NP Senator Ronald Ho, NVP CK Lee, NVP Amy Leung, NTD Angel Chung, AJC President Senator Justin Lui, Senator Paul Chan, Senator Caroline Keung, JC Anthony Chan, JC Wesley Chau, and JC Mike Chan for their unfailing support.

At the New Evening Post, a regular feature column started from NOM and BNC in July at alternate weeks. The feature column mainly focus on mangement theories practise in Jaycees, and features of community development projects hosted by LOMs.

3. Press Clipping

Service of press clipping started this April to collect publicity made at the press as records.

4. Electronic Media

Cable TV has expressed interest in featuring Jaycee activities but so far not many LOMs have pursued on this opportunity. NOM will invite Cable TV to feature upcoming national projects like National Convention and Symposium.

5. Public Relation Consultant

I would like to give special recognition to Synergie Communications, Ms Angela Ying, Past President of Victoria Jaycees for the voluntary consultancy, and invaluable guidance and support in particular during the

Beijing trip from HKJCC. Much of the success of the electronic and press media promotion have been made possible with Angela and the hardwork from NSG Kendy Yau, NVP Amy Leung, and PRO Albert Chan.

Aside from joint efforts with external organization on project base, maintaining our link with government should be further pursued as our long term objective of gaining recognition at government level.

IV. **Community Concern Group**

With the hardwork of Ad Hoc Committee Chairman Senator Monita Wong, 3 seminars have been held this year. Very interactive discussions and role plays have been adopted for all the seminars so far. In order to bring forward stronger message on civic awareness, LOMs may wish to consider providing further support and resources to this Committee. Great appreciation to all the work done from both the Chairman Senator Monita and her full team members.

V. **Bid Books at ASPAC**

I would like to give special recognition to NVP Diana Fung, NVP Amy Leung, NLDD Burton Lai, NRRD Regina Ng and NGLC Raymond Yu for their unfailing support in completing our mission in the two areas of awards:
- Public Relations
- Leadership Development Program

Acknowledgement

Last but not the least, I would like to express my sincere thanks to my beloved chapter Bauhinia Jaycees for their understanding and full support rendered during the year. My heartiest thanks also go to the continuous guidance from National President Senator Ronald Ho, the support and hardwork of National Directors Burton Lai, Angel Chung, and the PR Officers Eric Leung and Albert Chan, and to my buddy National Executive Vice President Henry U, National Vice Presidents CK Lee, William Pang and Diana Fung, Amy Leung, and NSG Kendy Yau who always came in time when rescue are required.

REPORT FROM NATIONAL VICE PRESIDENT - DIANA FUNG

1. Foreward

It has been a wonderful year to serve Hong Kong Junior Chamber of Commerce as the National Vice President in 1994. My major duties mainly act as the National Assigned Executive Officer to coordinate with the assigned LOMs in order to assist them on chapter development and enable the communications between LOMs and NOM are effective.

I was also assigned to compile the bidbook for Asia Pacific Singapore Conference in May.

I then have the pleasure to report to the General Assembly of the 29th National Convention as follows :

2. Assigned LOMs

A. Introduction

This year, I was assigned as the NAEO to Island Jaycees, Lion Rock Jaycees and North District Jaycees. I acted as an advisor, trainer and a supporter to the assigned LOMs. As an outsider of the LOMs, to create trust and mutual respect was primarily important. I attended their board meetings and membership followship gatherings to familiarise their culture and faces. In order to solve LOM individual problems, let board members know and perform their roles and to evalue performance regularly, meeting with LOM presidents were introduced.

NOM news and feedbacks from LOMs were gathered and relayed to respective parties during NOM Ex Comm meetings and LOM board meetings.

During these eight months, I have the following reports for my three assigned LOMs.

B. Island Jaycees

With the hardworking effort of President Nelson, board members have established team spirit and many of the LOM administration has been systematiced.

They have tried their best in organising regular MFGs so as to give their members a chance to meet and communicate. Membership extension area has also aggressively promoted. A major EA project "Taxation in China" was launched with satisfactory responses. Besides, the sixth sisterhood pact will also be signed during the upcoming Kobe World Congress.

With more chances for members to share and participate, higher motivation from board members, I am sure that Islanders will achieve better and grow prosper in 1995.

C. Lion Rock Jaycees

Major emphasis for Lion Rock Jaycees this year is to build a solid foundation of human assets for the development in the following years. They put their efforts on both membership extension and leadership development area. President Unico has very strong believe in training up officers as well as all members, therefore, morale among board members are relatively high throughout 1994 especially after receiving the Civil Involvement Award and Best of the Best Award in the ASPAC Singapore Conference.

The chapter has started to bloom because of their dedicated commitments of board members and steady improvement in membership retention. I have confident in seeing a stronger and healthier LRJC if continuous membership retention programme and thorough membership extension strategies can be introduced.

D. North District Jaycees

President Eric set out a well-balanced year plan with efficient and effective delegations. They have launched major projects in the 1st quarter of the year and maintained stable growth in membership. Experience board members contributed time and setting samples to members which in return finding satisfactory member participation. Members involvement not only shown good attendance at LOM functions but relatively high degree of support in NOM activities.

North District will be a stable and outstanding LOM if extra efforts put on membership extension and public relations. Since North District was the first LOM to invite public relations consultant, they should have larger coverage on external publicity. Besides, a comprehensive caretaker system was set up to look after all PMs which can allow more capacity to fit in.

Under the capable leadership of President Eric and his well-trained board members, I have no doubt in witnessing their significant achievements in this year.

E. Conclusion

Being an NAEO this year, it gives me a wider view of Jaycees path and also enriches my knowledge on another level of Jaycees life. Having worked with the three presidents, they taught me in all aspects of the art of handling people and accepting people. Lastly, my best wishes to the incoming board of directors for the year 1995.

3. Acknowledgement

Taking this opportunity, I wish to thank National President Senator Ronald for inviting me as a member of Executive Committee in 1994. I must express my heartfelt regrets for not being performed as expected for the role of NAEO as I have to take leaves during my office of services. However, my special appreciations have to be given to Senator Ronald, NSG Kenndy and NVP Amy for their encouragement and assistance during my absence.

Also, I have to extend my heartiest gratitude to my assigned LOM Presidents and their board members, namely President Nelson, President Unico and President Eric for their full support and warm reception throughout the year.

Last but not the least, I would like to thank my mother chapter - Peninsula Jaycees for their unfailing support, and all Hong Kong Jaycees for giving chance to serve as a NVP in 1994.

REPORT FROM NATIONAL VICE PRESIDENT C.K. LEE

Foreword

This year is perhaps one of the most challenging and rewarding in my Jaycee life. As the National Vice President , I have been able to work with many outstanding and dedicated Jaycees in different areas serving our beloved organization.

As the National Assigned Executive Officer, I have had the privilege to be associated with three different Chapters, namely the Hong Kong Jayceettes, Tai Ping Shan Jaycees and Queensway Jaycees. As the ex-officio member of the Training & Development Committee, I were given the good opportunity to contribute my knowledge and experience in the meaningful initiatives in help train members of the Jaycee Family in Hong Kong.

I am honoured and pleased to submit my report to the General Assembly of the 29th National Convention.

1. Assigned LOMs

Hong Kong Jayceettes

Leading one of the most outstanding chapters of Jaycees in Hong Kong is certainly a very demanding task yet President Anita has successfully accomplished by spending a great deal of time and effort together with the advice and support from the past presidents and senior members. Large scale projects such as the 'Youth Community Services Ambassadors Exchange Program', the CD Project 'Dignity, Integrity and Pledge for a Better Future' and the 'Effective Lady Manager' Seminar were smoothly run and achieved their objectives. There is a high spirit of unity and morale among the Jayceettes and it has shown throughout the year in the organization and implementation of projects.

The chapter is financially strong as a result of securing the corporate patron, sponsors of various projects and the fund raised by the successful 'Silver Fantasia Gala 25th Anniversary Ball'. Downturn of membership growth, however, is an issue the chapter has faced and positive measures including the setting up of the Jayceettes Alumni among others were being pursued.

Tai Ping Shan Jaycees

Captitalizing on the team solidarity built last year, Tai Ping Shan Jaycees has grown from strength to strength under the dynamic and capable leadership of President Wendy and her dedicated team of board members. A good number of almost forty new members were recruited and many quality projects organized.

Projects such as the '94 Investment Strategy Seminar', the 'Asia Pacific Jaycees Karaoke Contest' and the 'Image Today Creating the Tomorrow Seminar' have attracted good responses and comments. The chapter has also stepped up her international involvements. The Immediate Past President has taken up the chair of the On-to-Singapore ASPAC Hong Kong Delegation and members being the skeleton organizing committee members. There were also visits to her Friendship Chapter in Malaysia and sister chapters in Taiwan and Japan. As most of the projects were self-financed, the financial situation of the Chapter is sound.

Queensway Jaycees

Facing the sudden departure of her migrating Vice President and the inactive Hon. Secretary since early the year, President Iris has tackled the challenge of leading the chapter by her faith and competence along with the support of senior members of the chapter. Most Board Members are relatively inexperienced but they have demonstrated good leadership potential and shown enthusiasm for new ideas in project organization. Projects like 'Interchapter Cookery Contest', 'Back to the Nature' Visit to the Organic Farm and 'Stand Up for Election' Seminar are some of the good examples. However, team cohesiveness leaves room for enhancement for even better results to achieve.

On the international aspect, the chapter has begun to look into the potential twinning with Okinawa Jaycees of Japan which is a positive echo of the interests of her members. Considering the success of the fund-raising 'Cats Musical' and '10th Anniversary Ball' and budgetary control of projects, the financial status is sound.

2. Training & Development Committee

Under the very capable leadership of the TDC Chairman Senator Justin Lui, the Committee has been running very smoothly and efficiently with the enthusiastic support of the team of devoted Committee Members Senator Paul Chan, Senator Shelina Chung, JC Tony Chan and last but not at all the least JC S. K. Lai who

took over the chairmanship from Senator Justin who resigned due to other Jaycee commitments with effect from September 1, 1994.

The Committee has successfully fulfilled its role in being the communication bridge between the Certified Jaycee Trainers and LOMs regarding the training invitations and recommendations as well as providing advice to and sharing experiences with organizing committees of both LOM and NOM Training Programs including the quarterly Executive Development Programs cum Joint Directors Meeting, the Presidents Academy, the Members and Prospective Members Training and Orientations.

The standardization and certification of Jaycee training programs has also been in progress and it is expected that the standardized coach manuals and the drafted proposal of certification is to be ready for the consideration of the NOM Board before the end of the year.

There were regular Trainers Circle Gathering every three to four months during the year taking the format of Formal Gathering with external speakers on training topics or visit to the external training establishments. On the later format, I have coordinated with Senator Shelina Chung in organizing a visit for the Trainers and NOM and LOM Officers to the Training Centre of Hong Kong Telecom on May 7, 1994.

3. Training Involvement

NOM Training

I spoke on 'Goal Setting' at the NOM Prospective Members Training hosted by HK Jayceettes in the YMCA on August 13, 1994.

Working closely with NEVP Jennifer Cheng, the editorial revision of the 'Training Handbook' first published in 1991 has been in progress and should be made available before the end of October, 1994.

LOM Training

I was the speaker of the Ocean Jaycees August Monthly Meeting and spoke on 'Executive Selection' on August 19, 1994 in the YMCA.

As one of the two speakers of the City Jaycees '95 Board Candidates Training School, I shared on the topic 'Beginning From Your Heart' on August 22, 1994.

On September 4, 1994, I spoke along with two other speakers in the Peninsula Jaycees '95 Board Candidates Training School in the AIA Agency Office. My topic is on 'Jaycees & Other Voluntary Associations and Motivation Among Board Members'.

World Congress

HKJC will host the first ever training session in the upcoming World Congress in Kobe, Japan. I shall be one of the four coaches of the session named 'Coaching Quartet' on November 16, 1994.

AISEC

The Hong Kong Branch of AISEC and HKJC has formed a cooperative working partnership for quite some time and I was one of the speakers who took part in the their International Traineeship Marketing Tour and delivered a training session on 'Team Building' on August 5, 1994 in the HK University of Science & Technology.

4. Acknowledgement

Time flies but all the good encounters and fine personalities met last.

I have to first thank National President Senator Ronald Ho for inviting me to be part of the National Team of 1994. I hope I have delivered what I promised.

My sincere gratitude also goes to my Supervising Officer NEVP Jennifer Cheng whose empowerment and trust has energized me in exercising my ablility to contribute to this lovely organization; to all my colleagues of the National Board for their support and encouragement particularly to NVP Edward Tse who has backed me up charmingly as NAEO during my absense from Hong Kong on business trips.

It has been a privledge for me to have working closely with the three Presidents of my assigned chapters. I wish to salute President Anita Kwan of Hong Kong Jayceettes for her full devotion and sheer hard work that make a JC Leader tick; to President Wendy Pang of Tai Ping Shan Jaycees for her dynamic leadership and cohesive team power; to President Iris Chan for her impressive strength when the going is tough.

The Past TDC Chairman Senator Justin Lui and his successor JC S. K. Lai has enlightened me in designing and conducting training activities for Jaycees. The enthusiasm and devotion of all TDC Members also deserves special recognition. I would like to take this opportunity to thank them all in pushing the training efforts and quality to new heights in 1994.

My heartfelt thanks is due to members of Kowloon Jaycees for their understanding and support when there are role conflicts and time constraints between the two hats of National Vice President and Immediate Past President I wear.

Last by not at all the least, my best wishes to the incoming National Board for a fruitful and successful year to lead in 1995.

C. K. Lee
National Vice President

REPORT TO THE GENERAL ASSEMBLY OF THE 29TH NATIONAL CONVENTION FROM NATIONAL VICE PRESIDENT AMY LEUNG

1. FORWARD

It is in deed my great honour to serve Hong Kong Junior Chamber of Commerce as National Vice President in 1994. As entailed in the Policy Manual, my major responsibility is to be a National Assigned Executive Officer and to work with National Executive Vice President in co-ordinating the activities of International Affairs Departmentand any assignment delegated by the National President.

I have much pleasure to report to the General Assembly of the 29th National Convention with the following :

2. ASSIGNED LOMS

2.1 Introduction

Being the National Assigned Executive Officer (NAEO) assigned to East Kowloon Jaycees, Dragon Jaycees and Ocean Jaycees, I have the responsibility to be the bridge between NOM and LOMs. I served as a coach, a counsellor. To enable me to understand them better so as to deliver my responsibility better, I attended their Board Meetings, Fellowship Gathering and most of their projects/activities. I relay messages such as Inaugural Ball, ASPAC, WP/JCI VP Visits, MET, South China Flooding Charity Fund Raising Call, Bali Business Conference, National Convention and Kobe Congress. On the other hand, I pass feedbacks and recommendations from LOMs to NOM. I support the LOM Presidents to the best of my ability, share my exeprience and give my advice.

Listed below are my observations of my assigned LOMs :

2.2 East kowloon Jaycees

Senior members' and past president' support and advice are important elements to help the chapter's development. Board members are hard working and willing to try new ideas. This can be reflected in their variety of fellowship gathering as well as project idea. New members and prospective members are of high calibre and their potentials are totally non-neglectable.

East Kowloon Jaycees' unfailing effort spent in supporting National projects are witnessed by their hosting of PMT and Vanguard Leader. Past presidents Sen. Paul Chan, Patrus Yung and Burton Lai extended their assistance to the chapter and NOM by acting as project adviser, project chairman and NOM director respectively. This, in fact, is a very good role model to all jaycees to learn and to serve.

2.3 Dragon Jaycees

A group of enthusiastic young man who also move so fast. Efficiency and effectiveness are their symbol and yet brotherhood is the main essence to members' relationship. Past presidents and senior members are very influential in mobilizing brothers in participating in Jaycees activities.

Since many members are having their professions started, Dragon Jaycees strive for quality rather than quantity which is, in fact, an appropriate strategy to take care of both Jaycees and ownself.

Though not a 'brother', I feel so homely in joining every Dragon's activities.

2.4 Ocean Jaycees

'To strive a balance between projects and fellowship' can best be used to describe Ocean Jaycees. All projects and activities are so colourful both in name and in fact. This spirit outshine the community in the upcoming CD project to make cake with mentally retarded children.

Their relationship with sister chapter is moving in a right and positive direction. Activities organized are well enjoyed by all members, which is a true but silent proof of "Brotherhood of Man Transcend the Sovereignty of Nations"

Members are very open in their feeling towards the chapter development. Casual discussions and articles in their official publications reflect members' concerns, their care and willingness to

2.5 Conclusion

The three LOMs are on the track to make achievement in all aspects despite the relatively young board members. They move along their year plan smoothly and satisfactorily. Presidents are able to listen, to coach, to lead and to perform. There will be no problem to transition to future administration.

It widen my view and is a good tool to enable me to look at things at different angles. Experience will not groom with I myself walking down the road alone. A lot of people are by my side. I wish to extend my gratitude to all national officers, IA Department Chairman Timothy Ip and also presidents of my assigned LOMs who give me the opportunity to learn and serve. All events happened in 1994 will be the valuable sculpture in my mind.

1. Assigned LOMs:

1.1. Kowloon Jaycees (KJC):

In this year, Kowloon Jaycees did a good job on International Affair and Youth Development aggressively and expected there would be a fruitful training to member on mentioned area. President Amy Chan made a great challenge in fulfilling her duties and lead members stepping forward.

Most of board members are sincere and devoted in order to boot up their Jaycee career and show a good example to members. Good liaison between other LOMs are made and organized with Dragon and East Kowloon Jaycees in February and later with Victoria and Shatin Jaycees in August this year.

With dedicates commitment of members, KJC has organized the outstanding I.A. project "The International Junior Soccer Tournament in Kobe". A team of fifteen local soccer players and four chaperons had participated with very memorable time with foreign Jaycees Chapter.

My compliments to the Kowloon Members, keep on your works, enjoy your meaningful JC life!

1.2. Peninsula Jaycees (PJC):

I would like to use THREE WORDINGS to describe the commitment of President Cariann and her board of directors. These are: "ENERGETIC" "SERIOUSNESS" and "PRESTIGIOUS".

Word "ENERGETIC" means the dedicating of times, heartfelt jobs done by subordinates of PJC with faithful leaders of board of directors.

"Seriousness" means the handling of projects and Prospective Members not aims on quantity but quality.

"Prestigious" could means the achievement of PJC over years since starting her history in Hong Kong. Lots of distinguish projects have been launched with outstanding performance, the end beneficiary not only for member training but as social servicing.

Last not the least, I truly believe that President Cariann Yu and her board of directors deserve unforgettable credits for their hardwork this year.

1.3. Harbour Jaycees (HJC):

President Bertha has done a great job on various projects which made a lots of benefits to members not only in leadership training. But also as a first hand to put up Hong Kong Junior Chamber of Commerce onto higher position in JCI cause of the very steady public speaking contest in Asia Pacific Conference, Singapore, Jaycee Irene Tsang. She won the 1st prize among participants and will represent Hong Kong to stand for another higher public speaking contest in coming Kobe World Congress.

I would like to summarise the progress of the 3 chapters as follows:

a) Victoria JC

The mother chapter of our National President has a very successful and fruitful year. Apart from putting extra effort in ensuring a very memorable 1994

National Convention, the "Grand Parents' Day" Project has been attracting more and more awareness and participation. They also hosted the NOM project 'Asia Pacific Children Convention' and have great involvement in the M.E.T. project. Very strong in CD and EA area and has good connection with oversea sister chapters.
The chapter is in good standing.

Regular MFGs are held in hositable and fraternal manner, prospective members can comfortably get involved. They have the 15th anniversary celebration held on 2nd Oct 94. Hosted successful C.D. profect for elderly people and big involvement in M.E.T. organising committees.
The chapter is in good standing.

c) Shatin Jaycees

With strong backing from Shatin District Office and Rural Committees, the Shatin Jaycees devoted themselves in organising their activities and projects in Shatin. A well received CD project on the elderly held in Shatin with good participation. Took part in Shatin Dragon Boat Race and hosted many of their MFGs in Shatin. Membership number is still only over 30 but planning to expand. Tremendous involvement in M.E.T. project and great participation in National Convention judging from the size of the Chapter. Although not very strong in Parliamentary Procedure and Leadership Training, members are all very positive and discussions during board meetings' are always objective and thorough.
The chapter is in good standing.

3) As Coordinator to Business Network Club

The continual good work of Hong Kong Jaycees Business Network Club is being repeatedly recognised by JCI as one of the leading JC Business Network Organisation. Various types of activities and functions were organised and arranged for the benefit of its members. It has regular monthly gatherings hosting Talks and Seminars related to their main theme and also provides opportunities for members to promote their own business. Joint functions with LOMs have also been successful in promotion of BNC to general members. Members are mostly mature and are normally senior members of their own chapters. Meetings and functions are held in casual but effective and efficient manner. With the BNC established and developing its unique Business identity, it is imminent that HKJC should genuinely consider a clear direction and role of the Business Network Club for its members to follow and achieve.

4) As coordinator to the JCI Muttainai Movement

The international enviornmental improvement competition was organised by Japan JC and promoted by JCI. Unfortunately there was not a strong responce from local members and only 8 entries were received and were submitted to Japan JC.

5) As coordinator to TVB 'World Cup Quiz'

HKJC was invited by HKTVB to participate in the 'Enjoy yourself tonight World Cup Quiz' held on 3rd June 94. I was assigned to liase with TVB and at the same time recruit members to take part in the competition. We won the quiz and was awarded a video handcam which is now being kept in the JC office for the use of general members. HKJC also received live coverage on Television which is excellent in promoting our image.

6) Acting NAEO

This year I was paired with NVP C K Lee to assist each other. In occassions which NVP C K Lee is unavailable, I would attend Board Meetings and Monthly Gatherings of his assigned chapters.

To ensure my role as NVP can be satisfactorily fulfiled, I have also attended most 94 P-gatherings so as to meet the leader of each chapter to exchange opinion casually and informally. I also participate in assigned chapters project management and organisation to advise and share my experience and to be closer to general members.

This concluded my report.

2.4. Two Extra-Ordinary General Meetings were held:

2.4.1. On January 15, 1994: to handle for the following issues:

3. THE 29TH NATIONAL CONVENTION:

3.1. The 29th National Convention is hosted by Victoria Jaycees with JC Kandy Chan as the Convention Director. As usual, it is a three-day and two-night programme as scheduled from October 21 to 23, 1994. The theme of the Convention is "Hong Kong * China * 21" with the sub-theme as 'Challenges * Opportunities * Shared Vision'. The Guest of Honour is Mr. Zhou Nan, Director of Xinhua News Agency, Hong Kong Office.

3.2. Despite the constraint form both tangible and intangible, the organizing committee members has indeed demonstrated their full determination, enthusiasm, dedication in feasible the success of the project, as well as their organizational power with dynamic. No doubt, the 29th National Convention is being forecasting as one of the most enjoyable event for the family of Hong Kong Junior Chamber of Commerce, under the successful chairmanship of Convention Director Kandy Chan and their closely advice as rendered by their mother Chapter President Rosalinda Hong. Without their unfailing efforts, the organizing committee will miss something so as to demonstrate the team works of Victoria Jaycees.

3.3. Besides, without the care and concern from LOM Presidents and NOM Officers, such an event will be turned into another storey as in terms of financial issue.

4. OTHERS:

4.1. Joint Secretaries' Meetings were held on February 6 and May 1, 1994 for all LOM Secretaries to meet and to discuss the duties as a Jaycees Secretary:

- to report of their planned acidities; &
- to promote co-ordination amongst LOMs/NOM matters; &
- to brief on the administration works of their LOMs; &
- to share with respective experience.

4.2. Administration: to work closely with my direct supervisor National General Counsel Raymond for rendering my personal assistance to our National Administration Director Yung Fai and National Records and Recognition Director Regina upon their requests as it deemed fit.

5. RECOMMENDATION:

5.1. National Administration Director should be under the supervision of National Secretary General, if possible.

5.2. The paid staff of Chamber Office should be responsible for the minutes recording of every Board Meeting whereas the National Secretary General could concentrate on the various administration works of our organization.

5.3. To let both the Hon. Treasurer and the Secretary General to responsible for supervising one assigned LOM would generate their dedication and involvement in the capacity of an Ex-Committee Members should they feel comfortable.

6. CONCLUSION:

1994 is a hardship year for me to take up such a sudden task in NOM level but I have really benefitted from the valuable experience as learned from my fellow colleague, in particular the valuable guidance as rendered to me by my direct supervisor General Legal Counsel Raymond, National President Senator Ronald and National Presidential Advisor & Past National President Senator Daniel. With their positive encouragement and invaluable advice throughout the year, Kendy may then maintain a full attendance record to the Executive Committee Meeting, Board Meeting and other necessary meetings.

So much and so, my heartfelt gratitude must be also expressed to my fellow colleague in the Board and my mother LOM - Island Jaycees, who have demonstrated their supports to me throughout the years till .....!

Once again, here comes with my sincere and heartfelt thanks to all of you! Let's work hard with devotion sometime, somewhere, somehow .....!

Yours in Jayceeism,

JC Kendy YAU

Overview -- Scope of Responsibilities

- Supervised and co-ordinated with Major Emphasis Theme (MET) Project
- Assisted with public relations work of national project
  -- TOYP '94
  -- UNICEF's ORT Declaration
  -- News clippings

MET Introduction

Topic/Theme -- "The Youth -- Meeting Tomorrow's Challenges"

- Held brainstorming sessions with LOMs and all shared common concern on youth's value system
- Echoed to the spirit of Youth Charter that HKJCC was a signing party

Objectives

- To understand youth value system and spending behaviour
- To inspire the youth to think of positive concepts of value system
- To arouse public awareness on youth value system and spending behaviour

Activities

- Survey on youth consumption pattern and means of financing (May -- September)
- Training camp on youth value system and money management (July 30- 31 at Wu Ka Sha Youth Village)
- Symposium on survey findings and youth value system (October 30 at HK Cultural Centre)

MET Activity -- Survey

Targets: youths aged between 15 to 19

Objectives: To find out how the youths finance their consumption

Survey contents/Format

-- Discussion with youth-related organisations such as the Federation of Youth Groups
-- Telephone interviews by random sampling and separate face-to-face interviews with special groups

Telephone Interview Questions on

1) the youth's consumption pattern
2) motivating factors for youth's consumption
3) source of financing their consumption

Supplementary interviews with special groups, namely

1) fan clubs
2) juvenile delinquents
3) outstanding students

To enrich the survey report, these results will be put in the appendix of the report as supplementary information and as cross references against those derived from the survey on average youths that was conducted by the Hongkong University.

Interview to be Conducted

Hongkong University conducted the telephone interviews and collected responses from 500 target youths

The organising committee conducted face-to-face interviews with special groups

Publicity Opportunity

Press conference to announce the survey findings on October 31 preceding the public symposium, the last activity of the project. Being the first of its kind on youth's spending pattern in the territory, the press conference will be able to draw strong media interest.

Community Contribution

The survey results will provide useful references for youth workers such as teachers, social workers, workers at youth agencies, etc.

Benefits to HKJCC

1) Discussion of the survey statement (focus) with youth organisations has enhanced HKJCC's relationship with them.

2) Conducting such a meaningful but yet the first survey of its kind will help raise HKJCC's community participation's image through media coverage.

3) Both learning and publicity opportunities are offered.

MET Activity -- Training Camp (July 30-31 at Wu Kai Sha Youth Village)

Targets

- Form 3 - Form 4 students

Objective

To inspire the youths to think of proper value system through interactive participation in the training camp's programmes

Program outline after consultations with various youth organisations

1) Module 1 -- Keynote speech on "value"
2) Module 2 -- Warm up exercise and group sharing sessions
3) Module 3 -- Money -- Value judgement exercises
4) Module 4 -- Pursuit of Money
5) Module 5 -- Money management exercises
6) Module 6 -- Conclusion and evaluation (drama by participants in group)

JC's Participation

- 22 certified JC trainers as the camp's coaches
- Helpers from various LOMs
- Take up vacancies as campers

Benefits to HKJCC

- Trainers and organising committee members gained valuable training and organising experiences in holding JC's ever-first training camp exclusively for the teenagers

- Relationship with youth organisations has been enhanced.

Factors to Consider to Repeat the Training Camp

- HKJCC has put in a lot of manpower resources in planning and running the camp, which is inproportionately higher than that of previous projects organised by HKJCC in terms of the number of targets served. Disciplining the students is more difficult than expected. (Argument: HKJCC has relatively limited experiences in running training camp exclusively for the teenagers.)

- The project that is aimed for youth development is very meaningful and offers a good opportunity for HKJCC to make community involvement.

- Most of the coaches felt their experiences in designing the modules and conducting the training were challenging and rewarding as it is the first time for them to get involved in a training camp for students. HKJCC's training capability was thus enhanced through this project.

- JC members also learnt through participation as helpers in the camp.

- Most of the participating students responded positively to the value of the training offered. Over 80% of them indicated in their evaluation forms that their attitude towards money and the broader values in life have changed with different extent. A similar percentage of participants said that they would recommend this training course to friends and school mates.

In conclusion, the organising committee recommends the HKJCC to consider running similar training camp in the future.

MET Activity -- Kick-off Ceremony

Date/time: July 30
Venue: the Hong Kong Cultural Centre
VIP: Ms Susie Ho, the Principal Assistant Secretary for Home Affairs as officiating guest

Difficulties

- Heavy rains have ruined the program and logistical arrangements of the ceremony
  -- Thematic flip chart movement for students to turn colored papers on hand to form "Youth Value Camp Go Go" was cancelled
  -- Guest and media reception was messed up
  -- Affected students' turnout: 95 students only

Benefits to HKJCC

- HKJCC's profile has been raised through media coverage. Nine media attended

Lessons Learnt

- To book a room indoor as the contingency

MET's Press Conference and Symposium

Date: October 30 (Sunday)
Venue: Hong Kong Cultural Centre
Targets: Press, general public, youth workers and JC members

Format:

- Press conference
  -- JC to announce survey findings and round up the whole project
  -- Selected campers and JC trainer to share their experiences about the training camp
- Symposium
  -- Youth-related workers to form panelists to talk on youth value system
  -- Campers and youth workers be invited as attendees and media to cover

MET's Promotion

1) **External**

Media activities -- press releases, media interviews and feature stories were organised to promote the project to the general public. Over 23 clips were generated.

Also, project posters and training camp application forms were sent to all secondary schools, youth-related associations, youth groups and the public areas.

2) **Internal**

JC members were informed of the project developments through write-ups in Harbour Light and circulars to members.

Difficulties Encountered

- Lack of JC members who are familiar with journalistic writing skills or have good media knowledge. Media work was thus mostly borne by the NTD Director. Media coverage, particularly by electronic media would have been more extensive if NTD Director's workload was lessened.

Sponsorship

In addition to HKJCC's funding, a total of HK$80,000 was raised covering the expenses incurred for the whole project.

Overall Benefits of MET '94 for HKJCC

- Provided valuable learning opportunities for JC members
  -- certified trainers as coaches
  -- JC members as project organising committee members and helpers

UNICEF

1) **Luncheon for Visiting Senior Officer**

A luncheon was organised for national board members and LOM officers to meet with the visiting Deputy Executive Director (External Relations) and local staff of UNICEF. The meeting was meant for a get-together between HKJCC and UNICEF, following the co-signing of ORT Declaration last year.

Project ideas to further the objectives of the Declaration would be explored and worked out by the national board members of the next term of office.

2) **Charity Sale**

UNICEF Hong Kong invited HKJCC to participate in a charity sale of chocolate on August 6-7. Circulars were sent to LOMs inviting their participation and requesting them to register their interest directly with UNICEF.

(It seems that JC is relatively layback in community participation.)

3) **Media Conference on ORT -- August 30-September 3 at Dhaka**

Letter of apology was sent to UNICEF declining their invitation as the dates clash with national board's annual visit to Beijing.

Public Relations Work

1) **Monitoring HKJCC's News Clippings**

2) **TOYP**
   -- Assisted with media invitation to the second TOYP's 94 press conference
   -- Conducted an interview with TOYP '94 sponsor and placed the write-up in Harbour Light

8. Conclusion

1994 was another fruitful year for HKJCC in the area of training. Through the tremendous joint efforts made by Training & Development Committee (TDC), all LOMs and National Leadership Development Team (NLDT), NEVP Jennifer and NVP C K Lee, we have consolidated our long term training mission :

Firstly, to provide standardized and quality programs for general members.

Secondly, to adopt dynamic approaches towards training which encourages both active participations of trainees and creative coaching of trainers.

Thirdly, to realize our belief that training not merely a transfer of skills and knowledge, but also, a cultural socialization where JC culture is internalized among our members. In short, we aim at "creating a friendly climate and dynamic environment where members wiill realize the "essence" of JC life; and they will be psychologically prepared to live on a fruitful Jaycees career." That is the rationale behind "JC Protocol & Fellowship", "Executive Development Programs" and "1994 President's Academy" and etc.

Supervising fourteen different training programs was absolutely not a easy task. Through the support of all team members, we have experienced a very demanding yet memorable year. It was really a very fruitful year for me and my team members !

9. Acknowledgement

The Chapter's members had a very hectic schedule during the first quarter of the year attending the many activities from other LOMs :

a) Joint Projects with other LOMs

A joint project with 4 chapters, namely Victoria, Peninsula, North District and Island Jaycees was organised on 15th May 1994 at Fanling. Members had a funtime at the Day Camp/Picnic/Games with the attendance of 100 members.

b) LOM Presidents' Gatherings

The Chapter was represented by the President at every monthly gatherings.

c) Inauguration Ceremonies

Attendance at other LOMs' Inauguration Ceremonies were well represented and Presidential/Congratulatory messages were extended to all LOMs concerned.

d) Guest Speaker

I was the Guest Speaker at the Kowloon Jaycees' Fellowship gathering on 1st May 1994.

ACKNOWLEDGEMENT

As the 1994 President of Island Jaycees, I would say that it is the most challenging role for a Jaycee. All positions in the Board have allowed for a variety of leadership training and has created more opportunities for others to improve further. We work as members of the management team and we hope that our bold step will eventually result in a stronger membership and a stronger Island Jaycees. Of course, we learnt to handle setbacks and adopted flexibility when things were not on our side. Nevertheless, this is one year that my Board of Directors and I would strive the best for the Chapter.

I would like to extend my sincere thanks and appreciation to all Board members for their dedication and co-operation in carrying out their respective responsibilities. I am grateful to all past presidents, advisors, senior and associate members for their kind words, advice and guidance which have helped the Board and I in discharging our duties. My sincere thanks to all Project Chairmen for their untiring effort and support.

On behalf of the Board, I also would like to thank the National Board and NAEO Diana Fung for their kind assistance and advice.

Lastly, my heartfelt thanks to my family, sponsors, colleagues and all members who have helped me in one way or another to make my year as the 1994 President of Island Jaycees an eventful and unforgettable Jaycee career.

NELSON FUNG
PRESIDENT 1994
ISLAND JAYCEES

（廿一）總結

本人自去週年大會獲選為會長一職，於去年底聯同董事局成員訂定全年工作計劃及活動。欣逢今年是本會廿五週年銀禧會慶及第一次主辦「亞細亞旅遊振興觀光會議」，實是多姿多采及珍貴的一年。

今年工作主題「廿五載攜手半島銀禧同慶賀，公益齊參與青商領域發展多」。

各組別及董事局成員均各司其職。會員擴展組主力於招募及照顧準會友，一月份主辦總會青商知識講座，今年招募方面成績突出，共舉辦十八次接見新朋友，人數約200人，而其中「今日青商、明日領袖」講座出席人數更超過百人。並舉辦「小組委員訓練班」提供訓練予準會友。聯誼事務組負責會內聯誼、月會及茶聚統籌，更舉辦「新春行大運」、「94齊學齊玩羽毛球」及「翩翩起舞迎銀禧」等。會員關係組負責與總會及分會間之聯絡，並舉辦「半島銀禧慶新春」，為本會籌募行政經費。與維多利亞、港島、北區合辦的「四會活力大比拼」，另分會際比賽「青商羽毛球精英賽」亦是分會間聯誼的好機會。

社會發展組的「老？唔老！」，希望透過各項活動，展現長者充滿活力及積極參與社會的一面，從而市民大眾更進一步關懷及接納長者。青年教育組的「青少年健康漫畫顯才華」更針對時弊，推動健康的漫畫創作。經濟事務組的「特許經營透視」，進一步探討這新興生意需知及運作利弊。領袖才能組的「挑戰九五會長」及「樂在青商話禮誼」針對會內訓練，「挑戰自我、勇闖激流」則為多元化的連串訓練，並推廣至大眾參與。公共關係組的「攜手同步心連心」將關心推己及人，為一群弱智兒童帶來歡樂，「龍舟邀請賽」亦有賴各健兒的努力及參與，發揮高度團隊精神。出版方面已順利出了四期「快箭」，將會方訊息推介各方。國際事務組籌辦本會「赴星加坡亞洲大會」，及統籌出席澳門青商十週年會慶、台中青商三十五週年會慶，及於本會廿五週年期間接待海外姊妹分會。行政事務組除一般行政事宜，更統籌「職員就職典禮」及「週年大會」，紀錄及獎勵組則負責紀錄獎勵及競投冊事宜。「濃情匯聚賀銀禧」及「亞細亞旅遊振興觀光會議」更是今年度二大盛事。

本人在此要特別多謝會長顧問黃志榮參議員、會務顧問吳良友參議員、前任會長馬家莊給予本人的提點、指導及支持。另外多謝總會會長何耀雄參議員，指派執行委員彭文龍及總會各要員對本會的支持。另外各前會長、各分會及各方友好對本會廿五週年「濃情匯聚賀銀禧」餐舞會的支持，更是銘感於心。

此外各組別顧問對各組別訂定目標及方針提供不少寶貴經驗，令董事局成員獲益不淺。組別顧問包括前會長雷少紅參議員、前會長陳海雲參議員、前會長胡鏡明參議員、前會長袁滿忠參議員、前會長吳梓堅參議員、前會長周家廣、前會長陳少賢、前會長莫羨儀參議員、前會長馮郁秀、及資深參議員許宗賢及趙少雄。此外會長助理方慧儀協助本人不少工作。而擔當大型活動的主席包括：馬家莊（廿五週年活動）、陳雲清（廿五週年餐舞會）、呂華（亞細亞旅遊振興觀光會議）、歐陽美雲（老？唔老！）、麥永康（特許經營透視）、黎家聲（青少年健康漫畫顯才華）及何少珍、鍾美芳（挑戰自我、勇闖激流）等人，本人更致以衷心謝意。

本人再次多謝各執行董事：吳樹基、林家輝、陳展霞、林錦鴻、黃英、龐智雯、周嘉麗，因你們的策劃，管理及帶領，令會務順利運作，及培育新的會友，延續青商精神。更是多謝各董事：陳琍珣、郭振邦、孫翠翠、張潔瑩、蔡紫霞、潘洪泉、甘耀成、陳澤欣、黃少貞、梁國衡、趙婉兒、李佩華，全賴有你們的積極努力，緊守崗位，推動大大小小各項活動，令半島有豐盛的一年。

最後本人再次多謝各前會長、組別顧問、組別主委、小組主席及各委員，資深會友及各會友。會務的推動，全賴你們的支持及參與。作為第廿五屆會長，深深感受半島青商深厚基業得來不易，半島各會友互勵互勉，團結一致，繼續發揮「訓練自己、服務社會」青商精神，飛越銀禧，奔向更美好的將來！！

A grand 25th Anniversary celebration was held in our annual Fund Raising event namely "Silver Fantasia Gala" on July 2 at the Conrad Hotel. There was nearly 400 members and guests participating over HK$140,000 has been raised through the advertisement and raffles sales. We were very happy to have achieved a record income in the history of our past fund raising projects.

With the support from many of our dedicated Past Presidents (including those reside overseas) and devoted members, we have secured over HK$80,000 for our 1994 project and administrative funds.

(5) PROJECTS AND ACTIVITIES

5.1 **Administrative Area**

5.1.2 **Membership Involvement**

a) A survey of members' need was compiled at end of 1993 with fair response. Detailed survey results are kept by respective areas for strategic and project planning.

b) Special efforts were put to invite senior members to get involved in projects and we succeed in having an average of 70% of members involvement in board position, MFG chairmen, project advisors and/or project committees.

d) "The More, The Better" and "Jayceettes Next Door" incentive programmes were promoted and pursued regularly at various MFGs. Favorable feedback from members were received.

e) Project Bible was compiled under the effort of Hon. Secretary for project teams' reference and application.

5.2 **Communications Area**

5.2.1 **International Affairs**

a) Relationships with our sister chapters were well kept by paying visits to their Anniversary and Annual General Meeting of Kaohsiung Jaycees in July and Sept, by exchanging experience during the Singapore Conference and Hong Kong World Congress. With the success of last years IA project,

a joint program namely "Youth Community Services Ambassadors Exchange Program HK/Japan" was organized by our Chapter and Yokohama Jaycees. Not only the young Ambassadors have an opportunity for cultural exchange, we are able to foster friendship with our sister chapter and exchange Jaycees experience. For Manila Jaycees and Dhonburi Jaycees, we exchange greetings and publication regularly to enhance friendship.

b) As the Permanent Secretariat of the Asia Pacific Lady LOMs Council (APLLC), we had successfully assisted the Seoul Women Jaycees of Korea to chair this year's APLLC meeting. 10 Council members (out of 13) attended. The meeting was smooth and fruitful. Besides, we had also liaised with and assisted the Newsletter Editor Tainan Jaycees in compiling the 1994 APLLC newsletter.

c) This year, our members continue to participate actively in the Conference and Congress. A delegation of 16 Jayceettes attended the Singapore ASPAC Conference. 10 Jayceettes had already registered to attend the Kobe World Congress.

5.2.2 **Public Relations**

a) Jayceettes image was highly promoted through our external projects in different channels at schools, local media, various corporations and associations.

b) Relationship with local chapters are steady and members are encouraged to support National and other chapters' activities.

c) Special anniversary souvenir items were designed and available for member's collection.

d) A press supplement was published in Ming Pao on July 2 to commemorate our 25th Anniversary celebration.

5.2.3 **Publications**

Our official publication "SnapShot" remains to be issued on a monthly basis. To commemorate our Silver Jubilee Celebration, this year, we have specially published May Bumper Issue on the topic of "Changing For the Better". A survey to the public, special articles and interviews with leading females were conducted around the topic of "Progression of women in the past 25 years."

All publications were under close supervision to ensure its layout and content were substantial and enlightening. These were also distributed to fellow Jaycees in Congress and Conference.

5.3 Community Area

5.3.1 Community Development

a) In response to NOM' Major Emphasis Theme, "Care for Youth, Develop our Future Leader", the CD Project "Dignity, Integrity and Pledge for a Better Future" was organized to build up proper ethical concepts for the youth so that they could display the quality of honesty and awareness of their moral obligations towards their family, their employer and society at large. It was successfully held in various phases and favourable feedback was received from the public.

b) In view of its good project nature, the "Jayceettes Ambassador Courtesy Visits" which bring love and care to the under-privileged had been carried out for 6 consecutive years. This year, we had visited Cheshire Home and Po Leung Kuk. One more visit is planned at end of this year to Kowloon Home for the Aged Blind.

5.3.2 Economic Affairs

A Business Tour is planned to organize with Business Network Club in Oct/Nov.

5.3.3 Youth Activities

The "Youth Community Services Ambassadors Exchange Program HK/Japan" was jointly organized with the IA area. We hope this program not only would arouse youth's concern on voluntary and social works, the ultimate theme of our organization "Care for Youth, Develop our Future Leader" would also be promoted.

5.4 Membership Development Area

5.4.1 Leadership Development

a) LOM Officers Training School

A group of speakers comprised three Past Presidents Valerie Cheung, Juliet Lam and Winnie Yeh and Senator Elaine Cheung were invited to share with our Board members their valuable experience in December 1993. A review session was held in April to offer an opportunity for our 1994 Board of Directors to exchange their experience and to voice out their concerns for smooth operation of LOM administration.

b) The Prominent Project "Effective Lady Manager" seminar was successfully held for the fifth consecutive year on May 7 with an attendance of over 100 participants. Again, it had attracted excellent response for membership drive.

c) On August 6, we had successfully hosted the 3rd NOM Prospective Members Training (PMT) with over 80 participants from all walks of life.

d) A LOM Officers Training School for 1995 Board is scheduled to be held in December.

5.4.2 **Membership Extension**

a) Upto August Board Meeting, 20 PMs have been inducted, however there was a slight drop from 169 members to 153 in comparing with the beginning of the year. The reasons for the dropping out were due to age limit of some senior members; some failed to fulfil the obligation of settling annual subscription fee despite repeated reminders; and others are for emigration, furthering studies and work relocation to overseas.

b) The Membership Extension area worked very hard to train up new bloods who proved to be very enthusiastic and dependable. Uptill now, eight Prospective Members (PM) projects were completed.

c) Concerning membership retention, we have invited the senior members to take part in various projects. Through their valuable experience, the events were carried out with satisfactory results.

d) It was also discussed and endorsed at the LRPC meeting that Jayceettes Alumni will be formed to capture the dedicated members who are over JC age for fellowship and future resources.

5.4.3 **Membership Training**

a) For prospective members training, three Orientation and Pre-induction Seminars were launched in March, May and August. One more will be held in November to provide basic knowledge of being a Jaycee member.

b) Through the projects organized in various areas, we had offered ample training opportunities to newly inducted members which they found most challenging and beneficial. For existing members, Jayceettes have been very active in attending NOM's training programs such as the Executive Dynamic Program (EDP) and seminars originated by Training and Development Committee.

The event was full of joy and cheers and received lot of compliments. A souvenir program had been carefully prepared to recap the fantastic performance of the Hong Kong Jayceettes in the past 25 years.

I was invited to join the Hong Kong NGO Working Group on Fourth World Conference on Women Beijing 1995. The Committee will last till Sept, 1995.

(11) CONCLUSION AND ACKNOWLEDGEMENT

My presidency over the past nine months brings much excitement to me. No doubt, to lead this outstanding chapter is definitely not an easy task, yet I found this job most challenging and give me great satisfaction and personal advancement.

Under our slogan "Grow with Commitment, Consolidate for Excellence",my dear Board of Directors have performed very well to discharge their tasks although some of them might be green in the beginning of the year. Now, Jayceettes maintains as a quality team with confidence for empowerment and advancement.

While we grow on our strength, we also rely on unfailing support from various parties concerned. First of all, I wish to express my most sincere thanks to Mrs. Rita Fan CBE, JP for her kind consent as the Hon. Patron and give us abundant support. The valuable advice and guidance of our intelligent predecessors are important. My heartfelt gratitude goes to Presidential Advisor Senator Connia for her encouragement and unfailing support. I would like to thank Hon. Life President Senator Jennifer Yu for her great concern and generous donation to our beloved chapter, all Past Presidents and Panel of Advisors for their enthusiasm and active involvement in NOM/LOM activities. Special thanks goes to Past President Senator Margaret who is so helpful and supportive to the various project committee teams and myself. I would also like to express my appreciation to all Project Chairmen and Organizing Committee Members for those substantial projects, and a group of my intimate friends developed in the Jaycees.

Special thanks also goes to our NAEO C.K. Lee for his support and sincerity extended to us during the year.

On behalf of Hong Kong Jayceettes, I would also thank our corporate patron Transco Development (Holdings) Co. Ltd and other sponsors for their generosity in cash and gifts contributions.

In closing, I must thank my working partners, especially all the Ex-com members for their commitment, understanding, positive attitude and co-operation. Last but not the least, I sincerely wish the incoming President and her Board of Directors a brilliant 1995 "Silver Past, Golden Future".

十、 結語

至目前止，年初訂立的各項工作計劃，大部份都如期推出及圓滿舉行。而今年度本會之社會發展服務會作計劃遠去年為多，更積極參加善終服務比賽「登山足」籌款活動，及首次將兒童繪畫比賽得獎作品印製成聖誕咭，義賣，為兒童癌病基金籌款，為社會備中，相信能按別餘下的工作計劃。亦積極籌成出貢獻。而各組訂下之目標一一完成。本人自擔任會長以來，都得到理監事局成員的鼎力支持及充份合作，使會務得以順利推行。尤以三位督導副會長都能有效發揮其領導技巧，以及他們對會務作出的貢獻，本人實在銘感於心，無言感激。此外對於各理事局成員的工作表現及其態度，深表讚賞！

藉此本人要多謝各會長顧問、法制顧問及多位前會長予以本人的鼎力支持及提供寶貴意見。此外，對於三位監事經常出席各項活動及會議給予理事局成員及工作小組指導及寶貴意見，深表謝意。

最後要多謝總會指派執行委員總會副會長彭文龍對本人的指導及支持，本會主席及成員王的幸勤努力、及予以協助的義務法律顧問梁吉顯、義務核數師劍榮及有關人仕致謝意！

(1) 秘書處

義務秘書黃恩華

專責協助會長及本會一切行政事務、董事局及執行董事局會議，安排就職典禮及週年大會。並處理會員事務及會員通訊資料、紀錄及獎勵方面的安排。

在會員事務方面，由梁佩珠董事專責聯絡安排接見見習會員及正式會員申請會見董事局及宣誓事宜。梁佩珠董事有超水準的表現，在照顧會友方面盡心盡力，責任感強，實功不可沒。

在文書紀錄方面，由於增設了行政秘書一職，胡瑞嫦會友於處理檔案，整理會議紀錄等，均有出色的表現，而參與其他工作計劃亦非常投入。

在紀錄及獎勵方面，由梅淑薇董事及葉伯勝幹事負責收集各工作計劃出席紀錄，籌委成員之整體工作表現的評分表等，令上半年度紀錄及獎勵頒獎禮能順利完成。

今年度由義務秘書黃恩華帶領下，各組成績理想，於內部管理及溝通均發揮得淋漓盡致。

(b) 副會長潘鑑泉

EAST KOWLOON JAYCEES

PRESIDENT'S REPORT

I. SUMMARY

1. We experienced good and hard times during the past 8 months. In view of the shared goals and objectives and the year planner at the beginning of the year, I would like to say that we are successful in achieving a balanced financial position, recruiting and inducting members over our expectation, arousing social concern and interest to the problem of Single Parent Family and leading our members for individual training.

2. In addition, a move had successfully been made to participate in the local community in Kowloon East District. Good relationships had been built with the Legislative Councillors and media in these few months. This undoubtedly builds up a preliminary Chapter image to the public and makes a positive difference from others.

3. A number of gatherings had been organized to develop and maintain fellowship amongst the members. However, we do need improvement in frequent written communication amongst the Directors and members. We also need to secure a large scale fund raising project which can ensure stable financial position over years.

III. GOALS AND LONG RANGE PLANS

1. 1994 GOALS

During the Officers Training School held. The Directors and Officers had discussed

the year plan of 1994. The year planner was adopted at the 1st Board Meeting and distributed to the participating members at the Inaugauraion Ceremony. Including the participation in the JCI ASPAC and World Congress, we planned 37 events for our members. The following goals and objectives were also shared by the Directors :

1.1 To ensure the members and prospective members visualize and appreciate the leadership growth opportunities EKJC provides by giving concrete training course details, project work plan and career path.

1.2 To provide gathering opportunities to members to meet and discuss with each other, in respect of personal growth, community concerns and issues of the Chapter.

1.3 To actively participate in the Local areas in order to promote the Chapter's image centrally.

1.4 To maintain balanced financial position. To raise adequate fund for the Chapter through projects like Investment Game and social dance course.

1.5 To develop a training program in the form of leadership/ management training package which is unique to East Kowloon Jaycees and be able to be adopted by outside professionals or organization.

1.6 To provide adequate and frequent communication between the Board and members.

1.7 To selectively support NOM projects through recommending the NOM projects to our members.

1.8 To achieve a net membership growth of 12%.

The year plan had been amended and implemented throughout the 8 months to accommodate the timing and resources available. There were no material changes from the original year plan.

2. LONG RANGE PLANNING

2.1 In order to improve long term development of the Chapter, the standing Long Range Planning Committee continued. The Chairman holds the term of office for 2 years until Dec 1995 while other members hold their offices for 1 year. The Committee is responsible for managing the Long Term Objective Fund and the Convention 88 Fund of the Chapter and submitting strategic proposals to the Board of Directors in respect of :

2.1.1 Financial Strength
2.1.2 External Relations

2.1.3 Internal Relations
2.1.4 Members' Training
2.1.5 Community Involvement
2.1.6 International Involvement.

2.2 The Committee held meeting every 2 months since May, 1994. The strategic proposals were discussed and finalized. The Chairman will present the consolidated strategy covering all the abovenamed areas at the Annual General Meeting of the Chapter to be held in October 94.

III. CURRENT STATUS OF THE CHAPTER

1. TO LET OUR MEMBERS VISUALIZE LEADERSHIP GROWTH OPPORTUNITIES

1.1 Opportunities for individual development had been introduced to our members by both the Leadership Development Director Fok Hoi Ming and Derek Lam, the Leadership Development Officer Wong Gee Fore and the Economic and Public Affairs Director Lulu Yui by organizing seminars for the Chapter and the NOM. They also led our members to participate in the training courses organized by other Chapters.

1.2 3 traditional leadership development courses and 2 skill training programs including the social dance course were planned for 1994.

1.3 A survey of the members' training need was conducted in April 94 by the Leadership Development Director Fok Hoi Ming. Though only 11 members responded, there were great deviations about the needs of these members.

1.4 A Leadership Development seminar on " 石破蘭而出 " was held on July 17, 1994 at the Culture Center. The seminar was conducted by Mr. Ronald Fung. 82 JC members and their friends attended the meeting.

1.5 Another Leadership Development seminar on "Born to Win" will be held by Nov 1994 and it will cover the psychological behavior of human being.

1.6 An Economics and Public Affairs seminar on "Investment of property in China" will be held on Sept 24, 1994 at the Convention Center. The speakers include Mr. Lau Siu Kwan, Mr.Chung Pui Lam and a representative from the Consumer Council. We expected to have 100 participants to attend this seminar.

1.7 Members were also encouraged to take the premier NOM Training Courses. Vice President Elisa Lau and Immediate Past President Burton Lai were sponsored partly for the attendance of the JCI Prime Course in Hong Kong. They graduated successfully.

1.8 In addition to the involvement as organizing committee members, some senior members and past presidents were invited by the project organizing chairmen as the

advisors of the projects in Community, Public Relations, Membership Extension and Leadership Development areas.

1.9 A Prospective Member's Handbook was completed in Mar 94 by the Membership Extension Directors Rose Mao and her organizing committee. It highlights all the rights and obligations of the prospective member and the criteria for being inducted as the full member. Moreover, the JC Career Path is also introduced to the prospective members for guidance.

2. TO PROVIDE OPPORTUNITIES TO MEMBERS TO MEET AND DISCUSS FOR CONCERN

2.1 Formal and informal gatherings had been organized monthly by the Vice President Elisa Lau, the Public Relations Director Anthony Cheng and the Public Relations Director Jacqueline Kar. These provided opportunities to our members to meet and discuss social/ personal concerns.

2.2 The gatherings included :

Date	Gathering
Jan 21	Inauguration Ceremony with the talk on Retirement Scheme by the Legislative Councillor the Hon. Mr. Li Wah Ming, JP
Feb 19	New Year Bonanza held jointly with Kowloon Jaycees and Dragon Jaycees

2.3 Members were also encouraged to participate in the JCI Asia Pacific Conference held in Singapore and the JCI World Congress to be held in Kobe, Japan.

Past President Senator Paul Chan, Community Development Director Aileen Ng, Ways and Means Director Alison Lam and myself attended the ASPAC during May 23-30, 1994. We had attended the welcome reception organized by the Sister Chapter

Mandarin Jaycees of Singapore. Several meetings were organized with the President Leow of Mandarin Jaycees, his Board members and Past Presidents to discuss the opportunities for cooperation and communication at the international level.

Moreover, we met the International Affairs Director T T Lee of the Friendship Pact Chapter Junior Chamber Ipoh of Malaysia. The desire and approach to organize joint social project in terms of research and community comparisons were discussed and shared.

It was basically agreed that international fellowship is best built on frequent meetings and discussions in person. Members of the three Chapters should be encouraged to attend at least the ASPAC each year. A proposal to organize presentation on common or unique community concerns in the three countries was recommended to the 2 Chapters.

2.4 Informal visits were also made by me to the Mandarin Jaycees of Singapore and Junior Chamber Ipoh of Malaysia in March 1994. I met the Presidents, Board Members and Past Presidents of both Chapters. I also attended the Board Meeting of the Mandarin Jaycees. The year plans and the administrative affairs of the Chapters were discussed. Their members' handbook, newsletter, Board minutes and souvenir programs were brought for circulation and reading in the Board Meeting in April.

3. TO PARTICIPATE ACTIVELY IN LOCAL AREAS TO BUILD UP CHAPTER'S IMAGE

3.1 Adopting the strategy previously recommended by the Long Range Planning Committee in 1992 and 1993, the Vice President Anita Tam and the Community Development Director Aileen Ng started to lead our members to participate in the local community in the Kowloon East District and Tsuen Wan District this year. In addition, the Public Relations Director Anthony Cheng had initiated contact with another spectrum of the community - the College Students.

3.2 "Care for the Single Parent Family"

The Hon. Li Wah Ming, Legislative Councillor and Kwun Tong District Board Member, was contacted in January to discuss about the social concern in the Kowloon East District. Many topics were discussed and evaluated with consideration to the existing services provided by other social services centers. After the detailed analysis and evaluation by the organizing committee with the Chairman of the Concern Group on Single Parents and the C&Y Services section of the Christian Family Service Center , the Community Development Project "Care for Single Parent Families" was organized by the Community Development Commission. It was successfully presented to the whole Hong Kong community in August 1994.

3.3 With active participation by the Hon. Mr. Li Wah Ming and Hon. Mrs. Chow Liang Shuk Yee, the Legislative Councilors, reporters, Cable TV and over 150 single family

members and JC members, the concern over the needs, requirements and solutions for the Single Parent Families were aroused to the general public of over a million.

3.4 "Visit to the Society of Homes for Handicapped - Bradbury Siu Hong Home

Social concern had also been expressed to the Tsuen Wan District. A visit was paid to the Homes for Handicapped - Bradbury Siu Hong Home on April 17, 1994. 38 members, their friends and the family of NAEO Amy had attended this function. This visit was followed by a BBQ gathering for the participants.

3.5 Visit to another spectrum of the Community - The College Students

The Public Relations Director Anthony Cheng had preliminary contacts with the Business Investment Society of the Shue Yan College by participating in its Inauguration Ceremony on Mar 1. Information of the NOM and our Chapter was briefly introduced to the Executive Committee members.

4.. TO MAINTAIN BALANCED FINANCIAL POSITION

4.1 The membership fee was increased from $720 to $770 at the Extraordinary General Meeting held on Feb 4, 1992. It was increased mainly due to the increase in the membership due of $40 per member payable to the NOM.

4.2 As at Sept 2, 1994, total full membership fee of $48,170 and prospective membership fee $3,300 had been received for 1994.

4.3 In addition to the project sponsors, the Chapter had also received a donation of US$1,000 from the ARCO Chemical Company for the administration expenses.

4.4 All the projects, except for the Secretarial functions like publication and the general meetings, comply with the policy that they should be self-financing. Project funds are raised from sponsors in form of money, advertisement and participating fees. The major sponsors included the Hong Kong Junior Chamber of Commerce No. 1 Trust Fund, Sing Tao Daily News and Ricacorp Properties Ltd.

4.5 All projects completed to-date were basically self-balanced. Some projects did retain small surplus while some of them had small deficit.

4.6 After a lengthy brainstorming process in April, several large scale fund raising ideas were selected for detail study. A project called "City Orienteering" was developed. However, due to the technical concern in securing participating sponsors, this idea was finally dropped in July. Other alternatives were then re-considered. Due to the expected administration lead time by Government and the utility organizations, the preparatory work would continue until the 4th quarter of the year.

In order to secure better financial position, smaller scale fund raising projects, like

Bowling Day, would be held instead in the coming months.

4.7 A cash flow of $10,000 will be received in form of a loan lent to the shareholder of the JCI World Congress 1993, free of charge and interest, for return of the initial investment. The loan application letter had been sent to the Congress Director. However, no response was received yet.

4.7 In order to facilitate better and faster banking operation, a new current account with the Hong Kong and Shanghai Banking Corporation is being opened.

5. TO DEVELOP AN UNIQUE LEADERSHIP/ MANAGEMENT TRAINING PACKAGE

5.1 At the beginning of the year, it was considered to develop the EPA project "The Investment Game" into a recurring event of the Chapter. Idea of re-designing the game structure and format to fit the training and education purposes for outside organizations had been discussed. However, due to the lack of continuous and adequate technical support, the idea was dropped in March.

5.2 Continuous contact with the college students is in progress for their participative cooperation and commitment for developing a creative and feasible training package.

6. TO PROVIDE ADEQUATE AND FREQUENT COMMUNICATIONS

6.1 The Baby-sitting system for communication between members and the Board of Directors continued. About 5 members were assigned to each Director and Officer. The activities attended and to be attended by the members were sometimes reported by each director at the Board Meeting.

6.2 With the consultation from the Membership Extension Director Rose Mao, a communication list divided into groups according to the Director and Officer were being prepared and regularly distributed by the Leadership Development Director Fok Hoi Ming.

6.3 The official publication "CHANNEL" had not been published in this year due to some printing arrangement problems. As far as this problem is solved in Sept, we expect to have 2 issues of this publication.

6.4 Meanwhile, a smaller publication "Satellite" will be issued to supplement the Channel.

7. SELECTIVELY PARTICIPATE IN THE NOM PROJECTS

7.1 With the advocation from the Immediate Past President/ National Leadership Development Director Burton Lai, some of our members were actively participating

especially in the NOM Training Courses.

7.2 The Chapter hosted the NOM Vanguard Leaders Training Course on Jul 2-3, 1994 at the University of Science and Technology. This training course was over-enrolled due to excellent course structure, active promotions and economic participation fee.

7.3 Our members were active and participative in the premier NOM Training Projects. Past President Senator Paul Chan was one of the coach of the First Executive Development Program held on Feb 6, the 1994 President' s Academy on Aug 20-21and the Training Quartet in the JCI ASPAC in Singapore.

Moreover, Past President Senator Petrus Yung was the Project Chairman of the JCI Prime Course held on Mar 11.

The Immediate Past President Burton Lai was the Project Chairman of the 1994 Presidents' Academy held on Aug 20-21.

7.4 About 8 members had attended the NOM Mind Mapping Course which was held immediately after the JCI Prime Course in March.

7.5 About 13 members were led by our Leadership Development Director to participate in the NOM Effective Communication Training Course hosted by Harbour JC in June.

7.6 The following members and prospective members also participated as the organizing committee members of the NOM Training Course :

Alan Au	Sub-Com Chairman of the JCI Prime Course
Elisa Chan	Relationships Director of the 1994 President's Academy
Fok Hoi Ming	OC of the JCI Prime Course, Chief Operating Officer of the 1994 President's Academy

8. <u>TO ACHIEVE NET MEMBERSHIP GROWTH OF 12%</u>

8.1 An Orientation Camp was held on Mar 26-27, 1994. 9 Prospective members had attended. Another 20 members and guests attended the fellowship gathering following the orientation session.

8.2 An Orientation Seminar was also held on Sept 1, 1994 at the JC Office. 8 Prospective members and guests together with 8 Directors and Officer attended the orientation.

NAEO Amy Leung and Vice President Elisa Lau were the speakers on the "4 Areas of Opportunity" and the "Structure of the Chapter" respectively.

8.2 12 Prospective members were inducted as full member upto Sept 2, 1994. They are Peter Chiu, Shirley Li, Eddie Ma, Metthew Wong, Carol Leung, Michelle Choy, Miranda Sze, Mabel Lam, John Carmo, Jacqueline Ho, Vivian Lee and Alice Chung.

8.3 Ex-member Lam Lai Ping, Anthony Kong and Alan Yuen had re-joined the Chapter. After careful consideration on the Articles of Association, the Directors welcomed them as full members and waived the induction requirements as they had before.

8.4 The membership strength as compared with the status at Jan 1, was as follows :

	Aug 5, 1994	Jan 1, 1994
Hon Life Member	1	1
Associate Member	8	7
Full Member	68	72
	77	80
Prospective Member	24	24
	101	104

8.3 Recognition of the achievements and contributions of the members would enhance their loyalty to the Chapter. 會務概況：

(1) 自接任會長後，與各理事會成員齊心協力，於年初已經推出幾個工作計劃，使新會友及準會友有機會能儘早參與學習，這樣對維繫會員方面有莫大裨益，因此，一些較大型工作計劃便能在年中相繼順行進行。

(3) 另外值得一提的是各項工作計劃本身均能依照原來的財政預算做到收支平衡；各小組積極去尋求外界的贊助，並努力去節流，使會方無需資助它們，因而舒緩了會方數年以來的財政困難，這實在令人鼓舞。

(4) 至於本會財務方面，除收回投資給世界大會的二萬元本金外，亦得到很多前會長、永遠名譽會長余振宇參議員、總會指派執行委員胡兆榮副會長及很多前會長和名譽會員等的捐助，使本會財務運作上更加順利。

(5) 國際事務方面，今年與日本福岡、台灣風城及韓國仁川之間的聯繫，再次有顯著的進步，其間更主辦了一個攝影比賽的工作計劃，唯一是與菲律賓馬拉邦較少接觸，因對方今年不及往年的積極與我們聯絡。

總結：

我有幸擔當了今年的會長，使我感受到大家擁護和支持的美滿。

我想各位城市會友都要衷心讚美你們今年對城市所付出的熱誠與努力，使它尤如天上閃耀的星星那麼光輝和燦爛，更希望踏出了(團結一致齊參與，自強不息創明天)更進一步。

我有時自覺力不從心，幸好身邊有位富於青商經驗的會長顧問陳守真參議員不時提點，亦有總會指派執行委員胡兆榮總會副會長及永遠名譽會長余振宇在會務及行政上給予本人指導及鼓勵。當然少不得的是三位副會長，秘書長及財務長盡心協助處理會務，更希望藉此機會多謝我的青商老師沈田參議員。

得到大家的鼓勵和協助，使今年的會務獲得美好的成績，我實在衷心向各位致以萬二分的謝意。

會長

10. I would like to thank my fellow board of directors for without the efforts of these fine young persons, Queensway just would not be.

I would like to thank Presidential Advisor Senator Ivy whom so patiently lent me her ears and shoulders, and to help smooth out those frustrations which have gone sometimes unbearable.

I would like to thank Presidential Candidate Jeff whom took up more than his fair share of responsibilities, and I would express my admiration for his unqualified love for Queensway and JC.

I would like to thank IPP Amy whom never fails to analyse situations and things and helped turn my views to become positive again.

I would like to thank Queensway's NAEO C K whom bridges effectively our chapter with NOM.

I would like to thank my fellow Chapter Presidents for their support and encouragement throughout.

Lastly, I wish whole-heartedly President Elect Jeff and his incoming Board of Directors ALL THE BEST for 1995.

（九）結語

總轉瞬間，計劃必須繼續堅守崗位，更上一層樓。

感謝各會員和有關人士，過去一年來對本會的支持與協助。

經驗，挑戰，接受，考驗，成長，甜酸苦辣，點點滴滴，都是寶貴的學習過程。

時運不濟，人事難料，但是，得失成敗，不必計較，盡力而為，問心無愧，即是最大的安慰。

尚待改進，更要努力，以赴，以報各位的期望。

15. Up & coming gathering :

2 more dinner gatherings scheduled in Nov/Dec. For the Nov. gathering, we have invited Mr. William Leung, District Governor of Lions Club, H.K. to be our guest. The Dec. gathering will be our Annual General meeting.

IV. Administration

1. The annual membership fee had been raised to HK$350 ($300 since 2 years ago) in view of rising administration expenses caused by inflation.

2. As of 1 Sept., there was a cash balance of HK$ in the bank's account. The overall financial position of the club is healthy.

3. A China Liaison committee was set up early this year for purpose of strengthening our business networking activities with the business communities in China. Chu Kap Ning was appointed chairman of this committee, supported by PR officer Alex Ng.

4. Two issues of the BNC letters were published up to date. 1 more issue is scheduled on/before Dec.

5. There had been press releases on several newspapers initiated by BNC, introducing BNC's activities. This gave the club more publicity.

V. Remarks

1. We had organised this year's activities with a view to increase the business exchanges and contacts between members themselves and to create more contacts between members and business communities outside.

2. We have had more fellowships/dinners than that in previous years, and we have made "business promotion sessions" as part of the regular programme in our gatherings. These sessions were well-responded and regarded as a very informative and entertaining way of business communication.

3. There had been a few projects co-organised by BNC and different LOMs, i.e. joint fellowship & Zhuhai Tour (BNC/North District), Business Seminar (BNC/Bauhina). This served a number of purposes: building BNC-LOM rapport, effective use of JC's manpower/resources, internal business networking, etc.

4. We had reached out more business organisations locally and outside. For instance, through our China liaison committee, we have opened direct communication lines with Young Entrepreneurs' Associations in Guangzhou and other parts of China.

5. The effort to building Business network clubs are being pursued in other Asian countries. JCI-VP Robert Go had played an instrumental role. Since BNC in HK was seen as an established & fast-growing unit within the organisation, we had been asked to "export" our experience to other NOMs. BNC - HK are proud to take the lead to help building up an "area business network" and to command influence in the international level.

6. This year, BNC had received very good support from NOM and LOMs at large. Many of our projects have carried the blessings of NP & members of the National Board. I am also very delighted to see my Board of Directors working as a team to promote the affairs of the club. Personally, I feel honoured to be the Chairman of the Club for the current year and am pleased to offer myself to serve BNC in some other capacity next year. There are plenty of rooms for BNC to assert its role in the JC organisation and to expand its scope of activities.

Finally, may I wish BNC "business as usual" in the long long years to come.

Introduction

It is great pleasure for me to submit this report to the General Assembly at the 29th National Convention of the Hong Kong Junior Chamber of Commerce. I would like to thank the present Chairman, Jaycee S.K. Lai for presenting this report on my behalf.

NLDD Burton Lai	Ex-officio

Training and Development Objectives in 1994

The paper "Laying the Foundation for Positive Changes" (1992) that outlines the mission, strategies and objectives of the Hong Kong Junior Chamber of Commerce in training and development has been the blue print of the work of the Committee since 1993. The training and development objectives in 1994 are as follows.

(a) to standardize regular courses in 1993 and new programmes in 1994;
(b) to devise and implement the certification scheme;
(c) to provide more training to trainers;
(d) to create and maintain the training database;
(e) to strengthen relationship with outside training organizations;
(f) to market Jaycee training programmes and trainers to outside organizations; and
(g) to organize a local PRIME.

TDC's Activities in 1994

1. Program Standardization

A program standardization team, headed by Senator Paul Chan and comprising members Senator Connie Chiu, Jaycee Anthony Chan and Jaycee Wesley Chau, is now in the process of standardizing the 1993 regular training programmes. It is expected that the full set of standardized coach manuals will be ready by October.

- Prospective Member Orientation

- Prospective Member Training
  - Social Skills
  - Goal Setting
  - Time Management

1.2 Training for Members

- Project Management
- Communication Skills
- Chairmanship
- Jaycee Protocol
- Public Relations
- Public Speaking
- Leadership

1.3 Training for Officers

- Leadership Dynamic Programs (LDPs)
  - LDP I
  - LDP II
  - LDP III
  - LDP IV

- President's Academy

2. *Program Certification*

The Committee is now deliberating on the procedure of certifying training programmes undertaken by LOMs. It is expected that the proposal submitted by our Program Certification sub-committee Chairman Jaycee S.K. Lai will be forwarded to NOM officers and LOM presidents for comments after its adoption by the Committee in September. When implemented, this will enable individual LOMs to organize their own "standardized" training programmes developed by the Committee.

3. *Trainers' Circle Activities*

Chaired by Senator Shelina Chung who is supported by sub-committee member Jaycee Rebecca To, the Trainers' Circle sub-committee has been organizing two kinds of activities - trainers' circle gathering and trainers' workshop - aimed at fellowship, experience sharing and skill enhancement purposes.

3.1 Trainers' Circle Gatherings

Five gatherings are planned for 1994 with three of them already held so far. The first gathering was held on the 4th January with Senator Paul Kalinauckas

sharing with us on "The Magic of Coaching". The second gathering was a visit made to the training centre of Hongkong Telecom on the 7th May during which the two organizations exchanged information on the training provided to their members/staff. The third gathering was launched on the 20th July with Mr Tommy Au of ManuLife speaking on "The Secrets of Simulation Games". All these three gatherings were well attended with 35, 20 and 31 attendees respectively.

While the fourth gathering is scheduled on the 22nd October as part of the programme of the National Convention, the fifth one is planned in December.

3.2 Trainers' Workshops

New coaches could improve their coaching quality (both contents and skills) with the assistance of video shot and comments collected during the trainers' workshops, new activities that were started this year. The first two workshops were held on the 28th March and the 19th May respectively, benefitting new Certified Member Trainers (CMTs) Jaycees Kenneth Ho, Joseph Ho, Wesley Chau and Bertha Young. The third workshop will be held on the 30th August with CMTs Anwer Islam and Rebecca To participating. The last one is scheduled in November. There will be four such workshops in 1994.

4. *Trainers' Survey, Statistics and Profile*

The survey aimed at obtaining updated information and the coaching interest of our local coaches was completed in May with a response rate of about 50 percent. Survey results were consolidated and distributed to NOM officers and LOM presidents in July for their reference.

Information collected will also be input to the new trainers' database that facilitates the Committee to update the Trainers' Profile and compile coaching statistics which, in turn, enables Hong Kong Junior Chamber of Commerce to optimize the utilization of the coaching resources. The updated Trainers' Profile is expected by October.

5. *Program Co-ordination*

Members of the Committee were assigned co-ordinator roles in respect of different programmes. They were -

Senator Shelina Chung	Prospective Member Orientation & Training Programmes
Senator Paul Chan	Member Training Programmes
Jaycee S.K. Lai	Officer Training (- Executive Development) Programmes
Jaycee Tony Chan	All Other Programmes

The co-ordinator concerned served as a liaison officer between the Committee and the supervising National Director of the training programmes. In the case of Prospective Member Orientation and Training Programmes, the co-ordinator also co-ordinated with the trainers so as to ensure programme quality. The co-ordinator also attended training programmes and submitted reports to the Committee for review purposes.

6. *Marketing and Linkage with Outside Organizations*

It is the plan of the Committee to market training courses to the outside world. Not only will this enhance the image of the Hong Kong Junior Chamber of Commerce in the area of leadership development, such activities will also provide ample opportunities for our local coaches to practise what they have learnt and therefore enable them to further their training skills and experience.

6.1 Coaching Opportunities in Conference and Congress

Hong Kong Junior Chamber of Commerce hosted the Coaching Quartet, an experience sharing session, during the ASPAC Conference. The four coaches Jaycee S.K. Lai, Senator Paul Chan, Senator Justin Lui and Senator Shelina Chung took part in respective topics of "The Coaching Formula", "A Motivational Coach", "The Art of Story Telling" and "One Minute Sharing". The programme was well received with an attendance of 75.

A similar program will be held in the Kobe Congress with NVP C.K. Lee, Senator Shelina Chung, Senator Justin Lui and Jaycee S.K. Lai consented to participate.

6.2 Training for Outside Organizations

Until the time of writing this report, the Committe has organized four training programmes for outside organizations.

(a) JCI VP Senator George Lung, Senator Paul Chan and Senator Connie Chiu shared with the AIESEC(HK) members on "Effective Persuasion", "A Leader in a Voluntary Organization" and "Speak in Public, No Panic" respectively in their Officer Training Camp held on the 26-27th February.

(b) Senator Paul Chan and Senator Justin Lui shared on "Personal Development" during ManuLife's Senior Agent Academy held on the 24-26th March.

(c) Senator Winnie Yeh and Senator Petrus Yung coached on "Mindmapping" during the AIESEC(HK)'s North Asia Leadership Development Camp held on the 2nd April.

(d) NVP C.K. Lee and Jaycee Anthony Chan shared with AIESEC(HK) on "Team Building" and "Time Management" on the 5,7th August.

As for the remaining months of 1994, the Committee will organize training programmes for McCabe International Limited on the 17th September, AIESEC(HKU) on the 26th October and AIA later this year. Liasion with other commercial organizations on organizing training programmes for them is underway.

6.3 Building Linkage with Outside Training Organizations

NVP C.K. Lee is exploring suitable outside training organizations for the Committee to build relationship with them. Activities such as courtesy visits and experience sharing sessions will be organized to benefit our coaches. The visit to Hongkong Telecom in April is the result of such efforts.

7. Local PRIME

The local PRIME successfully organized under NLDD Burton Lai's administration on the 11-13th March added new bloods to the pool of coaches of the Hong Kong Junior Chamber of Commerce. The strengthening coaching force will play an important and vital role in the leadership development area of the Organization.

In Retrospect

1994 proves to be very fruitful for the Committee as the Committee manages to complete all of its planned activities. A lot of experience have been gained from the standardization process and the exposure to the JCI training arena. This will enable the Committee to further develop. Besides, through attending the NOM Joint Board meetings, the Executive Dynamic Programmes and the Trainers' Circle Gatherings, the Committee is able to collect views from NOM officers, LOM presidents, training officers and trainers regarding the way forward of training in the Hong Kong Junior Chamber of Commerce. These views will form a valuable basis for the work of the Committee in future.

Moreover, the post-course survey conducted in each training programme also provides the Committee with invaluable information on the appropriateness of the course and the competence of the coaches. These information will be useful in the Committee's review of training programmes and the provision of training for trainers.

Acknowledgement

The work of the Committee could not run so smoothly without the total involvement of the Committee members. I would therefore like to extend my heartfelt thanks to these dedicated and hardworking buddies, without whom the Committee would not have gained a respectable status in the Hong Kong Junior Chamber of Commerce.

I would also like to thank NEVP Jaycee Jennifer Cheng, NP Senator Ronald Ho and JCI VP Senator George Lung for their encouragement, guidance and support.
