▶ Message from
National President

It is my honor to welcome you to the 38th National Convention.

Since 1950, Hong Kong Junior Chamber has contributed to the community by providing opportunities to develop young leaders in Hong Kong. Together with other Junior Chambers worldwide affiliated with Junior Chamber International, we strive to create positive change and contribute to the advancement of the global community.

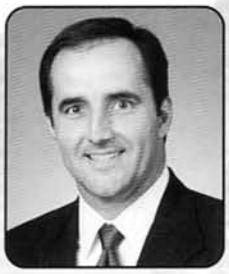

2003 is indeed an eventful year! We had an excellent start in the Inaugural Ceremony and achieved the highest amount of fund raised ever. But then, situation changed so much in so quick a manner – first the war in Iraq and then SARS, then on to July 1 demonstration and resignation of ministers – that we were not able to implement what we planned. But Leaders in JC responded in times of change and brought about changes positively.

SARS has brought us crisis; but also opportunities. The "You and I Bring Hong Kong Back" Campaign is an unprecedented efforts of National Board and Affiliated Chapters joining hands to contribute to the community. This good work should continue and become another flagship project after the Ten Outstanding Young Persons Selection.

September is when most elections for next year's administration take place. It is when new leadership show their determination to continue the good work of their predecessors. In many instances, what leaders do are criticized by others, albeit out of good intention. There is indeed no way to please everyone. But my advice is "Always do what is right and honorable!"

Members of Hong Kong Junior Chamber, let us be positive and continue doing good and build a better JC for tomorrow! Your participation and your participation alone would make all the difference! Please continue to "Enjoy JC! Enjoy Life!" while "Live by the Creed"!

Alice Liu
National President
Hong Kong Junior Chamber

▶ Message from President of Junior Chamber International

My best wishes to you on the occasion of the 38th National Convention of Hong Kong Junior Chamber this September. You have a very bright future as a JCI national organization.

I appreciate the efforts of all those who made this convention possible and would like to recognize, in particular, Peninsula Junior Chamber and Convention Director Senator Emily Au Yeung. I know that this will be a valuable and meaningful opportunity for all participants. During this convention, I encourage you to reflect on the dreams we each have for JCI and to take actions that will make our organization even more attractive and relevant to the young leaders and entrepreneurs of today. The best ideas for the future of JCI can come from any Member, regardless of your experience, rank or position in our organization.

I am confident that the Members of Hong Kong Junior Chamber will play an important role in taking JCI higher and further than ever before. I believe in this because I believe in you and in the strength of your hearts and your minds. I believe in the commitment that each one of you brings to the work that you are doing not only for JCI but also for yourselves, your community and your country.

My best wishes to the Members of Hong Kong Junior Chamber as we go forward through the challenging but promising days ahead. Let us work together as partners in 2003 to show Hong Kong and the world that we are an organization mighty in its youth and powerful in its purpose.

▶ Message from

Executive Vice President of Junior Chamber International

First of all, as an Executive Vice President of JCI, I sincerely congratulate you on your 38th National Convention. This year also, Hong Kong JC contributes and dedicates its heart to JCI. As always, Hong Kong JC plays a leading role in the JC movement.

This year's theme "Enhancing Corporate Governance, Reinforcing Business Ethics" truly reflects the current problems of the business world. It is JC who should discuss the current issues and present the idea and proposals. As a result, I am truly expecting that National Convention will guide us the ways which we should follow.

2003 was an especially difficult year. However, we should be very proud and confident that we have overcome the difficulties. Iraq War, SARS, everywhere you looked at, there was problem. But as members of the largest young entrepreneurs organization, JCI members fought back and won.

It is time to celebrate. I hope every member would enjoy the National Convention.

Henry Oh
Executive Vice President
Junior Chamber International

▶ Message from Vice President of Junior Chamber International

First of all, let me congratulate on your 38th National Convention with a grateful heart.

As we all knew, Hong Kong JC has been taking tremendous position in JC world from its establishment as one of leading NOMs. And your positive and creative effects also have influenced lots of factors based on JCs.

In this manner, I believe, as an assigned JCI VP, the 38th National Convention of Hong Kong Junior Chamber will be another successful convention in its history. Especially, when I think about the relationship with community and government, the theme of the convention, "Enhancing Corporate Governance, Reinforcing Business Ethics", is so much timely subject indeed.

These days, transparency is one of main topics with the progress of civil rights. Every citizen would like to know what's going on in its community, particularly in the fields of economy, politics, administration and environment. Therefore clean leaders, such as enterprises and governors etc, are respected more than anything else. For all of these affirmative changes, like you think, we need to settle down "TRUST" on the foundation of our thought. And I think, the word of trust would be the basis, at the same time, and the ultimate goal of the movement.

I believe that what you going to do exactly correspond to JCI Creed and Mission which are we believe and say. And I also believe that the move what you are taking will be one of positive changes in Jayceeism.

I hope that Hong Kong Junior Chamber will have another prosperous convention again in 2003. Like your seniors have done before, it helps a lot to the community, the nation, and the world peace and development.

▶ Message from
Honorary Life President

"Enhancing Corporate Governance, Reinforcing Business Ethics" is a timely theme and well chosen for sure. Without its practice, Hong Kong can hardly expect enduring progress.

Its long background, starting off with its splendid harbour, giving rise to its early pre-eminence as a commercial leader of the region, through the years of industrial development, and now as a world-ranking enterprising business and financial centre, Hong Kong is open to all seeking to share in the prosperity of East Asia and the emerging Delta of the Pearl River.

The Hong Kong Junior Chamber has always acted with youthful enthusiasm in any activity for the betterment of Hong Kong and its people. The JCs will do so again unfailingly, now and in years ahead.

▶ Message from Senate Chairman

It is my great pleasure to send my warmest greetings to the National officers and members of Hong Kong Junior Chamber on the occasion of the 38th National Convention.

JCI Senatorship confers "Life Membership" in Junior Chamber International. It provides a unique means for recognizing the outstanding achievements of members and former members.

Convention Ball is definitely an excellent occasion to conduct the presentation of Senatorship. I have much pleasure to inform you that several new stars will be born in this National Convention. So, don't miss the chance to greet our new Senators in the Convention Ball.

Taking this opportunity, I would like to encourage fellow Senators, officers and general members to join hands for the betterment of our organization, as entrepreneurs for positive change.

Enjoy JC, Enjoy Life!

▶ Message from Chairman of Board of Trustees

On behalf of the Board of Trustees, I send our best wishes to each and every delegate to this National Convention, which the Peninsula Junior Chamber has so diligently, and I am sure also brilliantly, organized for us.

The National Convention is a big event of each year during which we review our performance as well as set directions of our organization for the year following. I hope delegates coming to this Convention can all benefit from the process of evaluation and from the seminars and business session. At this same event, Delegates will also make their wise decision to choose our leaders for the coming year.

2003 has been a difficult and eventful year for the world, the region and Hong Kong. The Hong Kong JCs are inevitably affected. However, under the capable leadership of National President Alice and her Board, we not only managed to overcome the difficulties, but also managed to start lay a good foundation for the coming years. It is gratifying to see now the good signs of recovery, which the JCs will also benefit.

Recognizing the needs under such difficult time, the Trustees has approved total subsidies of some $380,000 towards the running of NOM and LOM projects and activities. The figure is the highest in the history of the Trust Funds since inception in 1965.

Once again, I congratulate the leadership both at the NOM and the LOM level for their achievements during 2003. I also send out best wishes to the incoming National Board, which will be chosen to lead the organization in the coming year.

Chairman 2002-2004
Board of Trustees

▶ Message from Chairman of Long Range Planning Committee

It is a pleasure to send my warmest greetings to National President Alice, NOM and LOM officers, and all delegates on the occasion of the 38th National Convention of Hong Kong Junior Chamber.

The Convention serves many meaningful purposes. It provides a forum for the review of the effectiveness of our work in 2003, the exchange of views on the development of the organization, and the election of new leadership. In particular, I like to encourage all delegates to actively participate in the Business Session during which we shall formulate long-term objectives for the organization.

Another highlight of the Convention is its theme and the associated seminars. This year's theme "Enhancing Corporate Governance, Reinforcing Business Ethics" is in line with the promotion of entrepreneurship by the organization. High level of corporate governance and business ethics is essential in ensuring that our business (commercial or otherwise) is conducted honestly and fairly.

I trust that all delegates will enjoy every bit of this Convention and take as much as possible from this valuable occasion.

Last but not least, I would like to salute to the members who have dedicated their efforts to create positive changes to the community, the organization and themselves.

▶ Message from President of Hosting Chapter

On behalf of Peninsula Junior Chamber, I would like to welcome you to the 38th National Convention of Hong Kong Junior Chamber.

Thanks for giving the opportunity to Peninsula Junior Chamber for hosting the 38th National Convention. This is our third time to host a National Convention since 1992.

National Convention is an important event for us to review what have been done through the year, to share our experience and plan for the future. New leaders will be elected while achievements will be recognized.

The Convention theme is "Enhancing Corporate Governance, Reinforcing Business Ethics" to give us more knowledge about Corporate Governance in the world and also to strengthen HKJC Chapter Governance.

As the President of hosting chapter Peninsula Junior Chamber, I would like to thank for the full support from the National Board and all local Chapters. My sincere thanks also go to the Convention Organization Committee, Past Presidents, Advisors and all members for their commitment and dedication. A special big "thank you" goes to the Convention Director Senator Emily Au Yeung for her hard work in making this convention a success.

Wish you all an enjoyable time in the wonderful and unforgettable Convention and every success in your life.

Sandy Yeung
President
Peninsula Junior Chamber

▶ Message from Convention Director

I wish to heartily welcome the 38th National Convention delegates and our guest of honor, The Hon. Frederick Ma, JP, Secretary for Financial Services and the Treasury.

2003 has been an extraordinary year for Hong Kong. The sudden outbreak of SARS triggered a further plunge in the already adverse economy and shaken our confidence. However, businesses and individuals alike, with their usual perseverance and resilience, rose to the challenge. Improvements began to emerge before long.

While corporate governance and business ethics have caused concerns worldwide, Hong Kong can pride itself on the generally high standard of companies. The Peninsula Junior Chamber, who has been extremely privileged and honored to be given the opportunity to host a National Convention after 11 years, wishes to contribute to this end by enhancing awareness and adherence among fellow members.

When planning the Convention, we challenged ourselves by making this year an exceptional one. We are very pleased to have achieved some breakthrough.

There are things we do differently from the past. Our strategy was to kick off earlier in the year with events to stimulate interest, such as the pre-Convention theme talks, sustain interest throughout, for example, by using the honeybee mascot, and then focus collectively at the Convention. Response to our initiatives was tremendous as can be witnessed by the large number of registrations despite SARS.

We hope you will enjoy other highlights in our initiatives. Before the Convention, members from local chapters participated in the Presentation Contest to put our Convention Theme into practice. You will find out about the winners in the Final during the Convention. As a first and to echo "Enjoy JC Enjoy Life", we have also produced an interesting video teaser. You will also experience a magical atmosphere in the Opening Ceremony. Delegates can enjoy drum music, dine and relax at the "Welcoming Reception cum Past Presidents Night" sponsored by PJC Past Presidents to pay tribute to all Past Presidents of all local Chapters. Delegates can experience other Convention Programs at the Regal Airport Hotel Hong Kong, away from the hustle and bustle of the city.

All these could not have been accomplished without the support of many people to whom I am indebted. I would like to thank members of the Organizing Committee whom I spent countless hours working together with. President Sandy, Past Presidents and Senators of Peninsula Junior Chamber, whose wisdom is invaluable, deserve my sincere thanks. My heartfelt gratitude also goes to the National Board and the 18 local Chapters. Particularly, I wish to thank NP Senator Alice Liu, NGLC Senator Annie Lo, NSG Senator Vincent Chung, and PNP Senator Eddy Wong for their unfailing support. Last but not least, a big "thank you" goes to our co-organizers, Hong Kong Institute of Directors, and sponsors for their generosity.

I hope you will make the most of the coming 2-1/2 days. Participate actively and feel the difference! Wishing you a very pleasant, enjoyable and memorable experience in the 38th National Convention.

Convention Mascot

The bee is chosen to represent the industriousness, resourcefulness and enthusiasm of our members. In the same spirit as bees work hard to make honey and beehives for their community, we at JC also hope to work together for the common good of our society.

Neither the 21st century nor the computer age has changed one of the most fundamental critical success factors of a business relationship - mutual trust. Many view this element in business as important as meticulously written contract documents, if not more. Trust is built upon uncompromising and unfailing business ethics, morals and principles.

We are living in a technology driven environment in which human touch is diminishing. Business transactions on the internet can be done without the parties being known to each other in person. Some people might think they can cut corners and hide behind the mask of computer graphics and icons. Others might think this probably is the way to go in order to survive the economic hardship.

It is in such testing circumstances we live in that ethics remain a cornerstone of any business relationship and should therefore be advocated and reinforced.

It is time we listen to seniors in our community how they have upheld business ethics. It is time we learn from them how to appreciate and put such virtues and values into practice.

Therefore, this year, our Convention theme is "Enhancing Corporate Governance, Reinforcing Business Ethics". Through the theme seminar, we would like to enhance the awareness of the public on the importance of corporate governance and business ethics. We hope the seminar will help young executives or future leaders to chart the right direction in their future endeavors and increase their competitive edge. We have invited The Hong Kong Institute of Directors to be our co-organizer for the Theme Seminar while their Chairman, Mr. Moses Cheng, OBE, JP has kindly accepted to be our Theme Advisor.

Convention Theme & Logo

Integrity is concerned with honesty towards other and being morally upright. By having personal integrity, individuals win the trust of others, likewise, businesses that uphold a hign degree of commercial integrity are considered good business partners. In fact, honesty and trustworthiness have always been fundamental values on which societies are founded. They are also used as yardsticks by which moral standards are measured. In ancient times, men and women of their words reassured others of their pledge and trust by slapping the other's palms. This act, though simple, symbolized noble values.

The world has certainly progressed tremendously since those days. However, the belief in honesty and trustworthiness unfortunately seems to be on the wane. In fact, in an era when communication through massive use of technology is preferred to personal contact and speech, many argue it is no longer realistic to "give others my word for it".

No doubt, from a business perspective, e-commerce is a passageway that can lead to goldmines. In pursuing the route, one should not lose sight of honesty and trustworthiness. On the contrary, special attention should be paid to keep them in focus.

In view of this, we have adopted "Enhancing Corporate Governance, Reinforcing Business Ethics" as the theme of this year's convention. A series of seminars will be held to strengthen and promote actively this belief.

As an easy means to convey our message, we have designed a logo for the occasion. With these hands, orange in color and representing the sun, justice and brightness, we will create our future and found business kingdoms. Like our ancestors, we slap palms to pledge mutual trust, an essential ingredient for business success. The cleverly designed "e" used on each palm depicts the importance of e-commerce on one hand. On the other hand, its eye-shaped contour reminds us of the need to broaden our horizon and envision the future.

We believe, to be successful, enterprises should have clear direction in whatever they do, be it the design of a logo or management issues. So, let us all use these hands to push this meaningful activity and belief forward!

自古以來，人們交往，皆以「誠」、「信」為待人處事的道德標準，古有擊掌立誓，以示誠信。反映了一諾千金的高尚情操。然而，社會日益進步，誠信之道卻日益衰頹，尤其是電腦盛行的世代，人與人之間的聯繫，多以網絡為渠道，「人言為信」更是脫離現實。可是，從商業發展的角度看，電子商貿是一條金光大道，要取信於人，「誠」、「信」的觀念必須倍加重視。有見及此，本會積極提倡商業道德，並舉行連串活動，加強這方面的訊息。我們設計以上的一個徽號，以配合這些活動。手掌代表創造未來，建立企業王國。兩掌取象於擊掌為盟，為要顯示成功的商貿，在於誠信的基礎。橙色代表陽光、代表正義及光明。掌中紋理，是一個「e」字的變體。凸顯現代 e-commerce 的重要性。這個「e」字變體又像眼睛，包含了放眼世界，展望未來的意思。我們相信，作為一個成功的機構，由形象以至企管方面都需有正確的方向，因此，讓我們從這對手掌開始，推動如此意義深長的活動吧！

The Program of JCI Asia Conference in 1951

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It opened also its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

5,000 Books Donated By HK Jaycees To New Children Library

The Hon. R. R. Todd, Secretary for Chinese Affairs, opening the Children's Library at the War Memorial Welfare Centre yesterday, condemned the presence in Hongkong of dangerous literature intended "to arouse class hatred and instil the Communist ideology in the minds of [illegible] of tender years."

5

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

History of Hong Kong Junior Chamber

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Commuttee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

History of Hong Kong Junior Chamber

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

"A Better World Tomorrow Through Jaycee Training Today"-Theme of 1966 JCI Conference in Hong Kong.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

History of Hong Kong Junior Chamber

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

March in of Chief Delegates at Seoul Conference, 1976.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

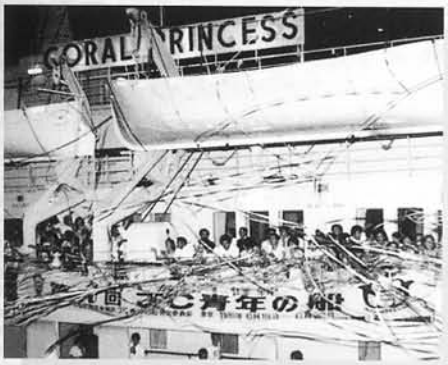

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

History of Hong Kong Junior Chamber

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at1:30 a.m. due to typhoon.

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

History of Hong Kong Junior Chamber

The Opening Ceremony of the New Chamber Office on Sep 13, 1990.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

Flashback 1990's - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

History of Hong Kong Junior Chamber

Flashback 2000's - Now and the Future

In celebrating the 50th Anniversary, Hong Kong Junior Chamber renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory.

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

"Right Decisions Program" targets for secondary students in enhancing their judgement

Hong Kong Junior Chamber participated in "上環繽紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Person Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

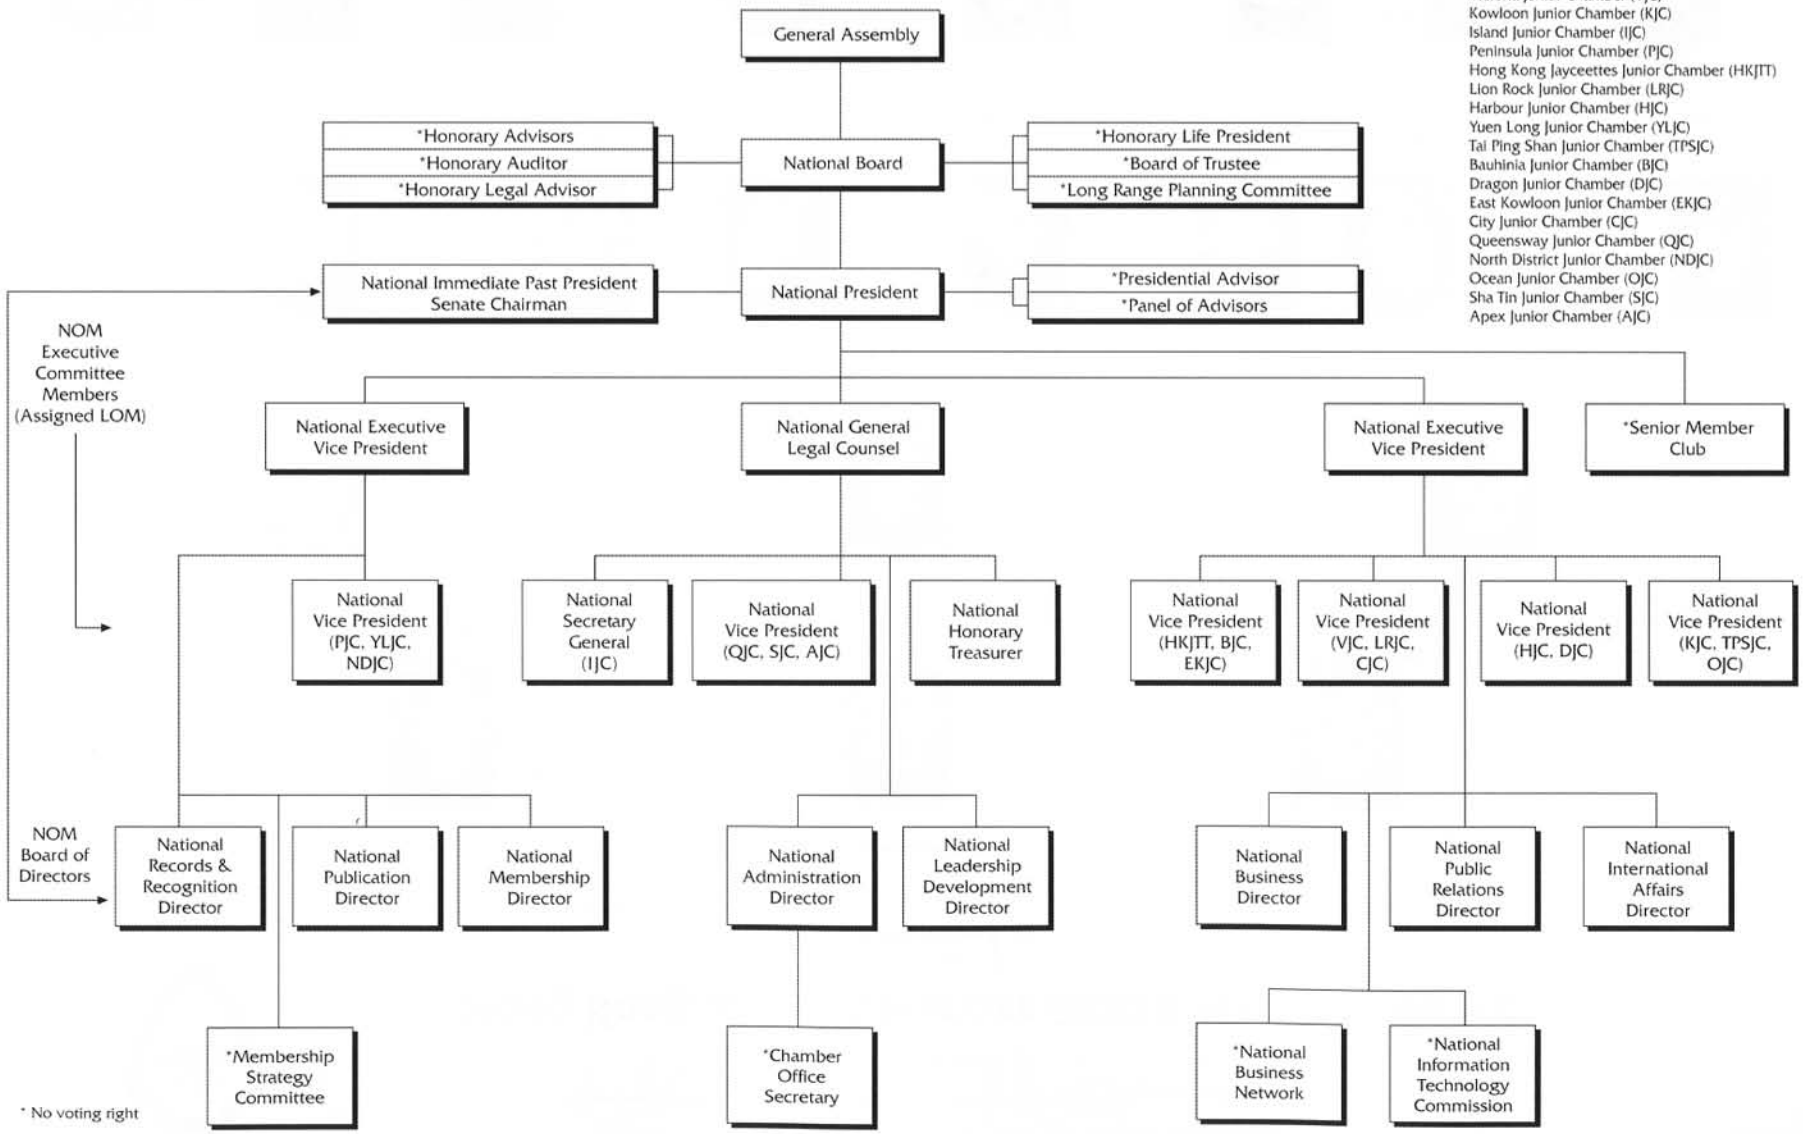

First time online interview with JCI President Karyn Bisdee was broadcasted to the world during her visit to Hong Kong.
