FORWARD

1984 is the most difficult year for Hong Kong. Facing with uncertain development from the Sino-British talks at Peking, people in Hong Kong have been living under constant fear, uncertainty, instability, economic recession and dilemma to stay or leave. Following the preliminary agreement signed by the two Governments, Hong Kong People ahs been provided a better indication on how they should envision the future.

Hong Kong Jaycees are no exception, the down turn of the Economy has affected us in all directions. In 1984, we have encountered more difficulties than our predecessors. But we have overcome the hardship by grouping and utilizing our recourses contained in the Young Men and Women, i.e. energy, pioneer spirit, determination. Hence, we choose "Youth-Recourse of our Community" as the Convention Theme.

We are much honoured to have the Honorable D. Akers Jones O.B.E. JP. to officiate the Opening Ceremony and Mr. Joe Murphy the JCI World President to preside the Convention. On behalf of the Organising Committee, I would like to thank them for their patronage and presence.

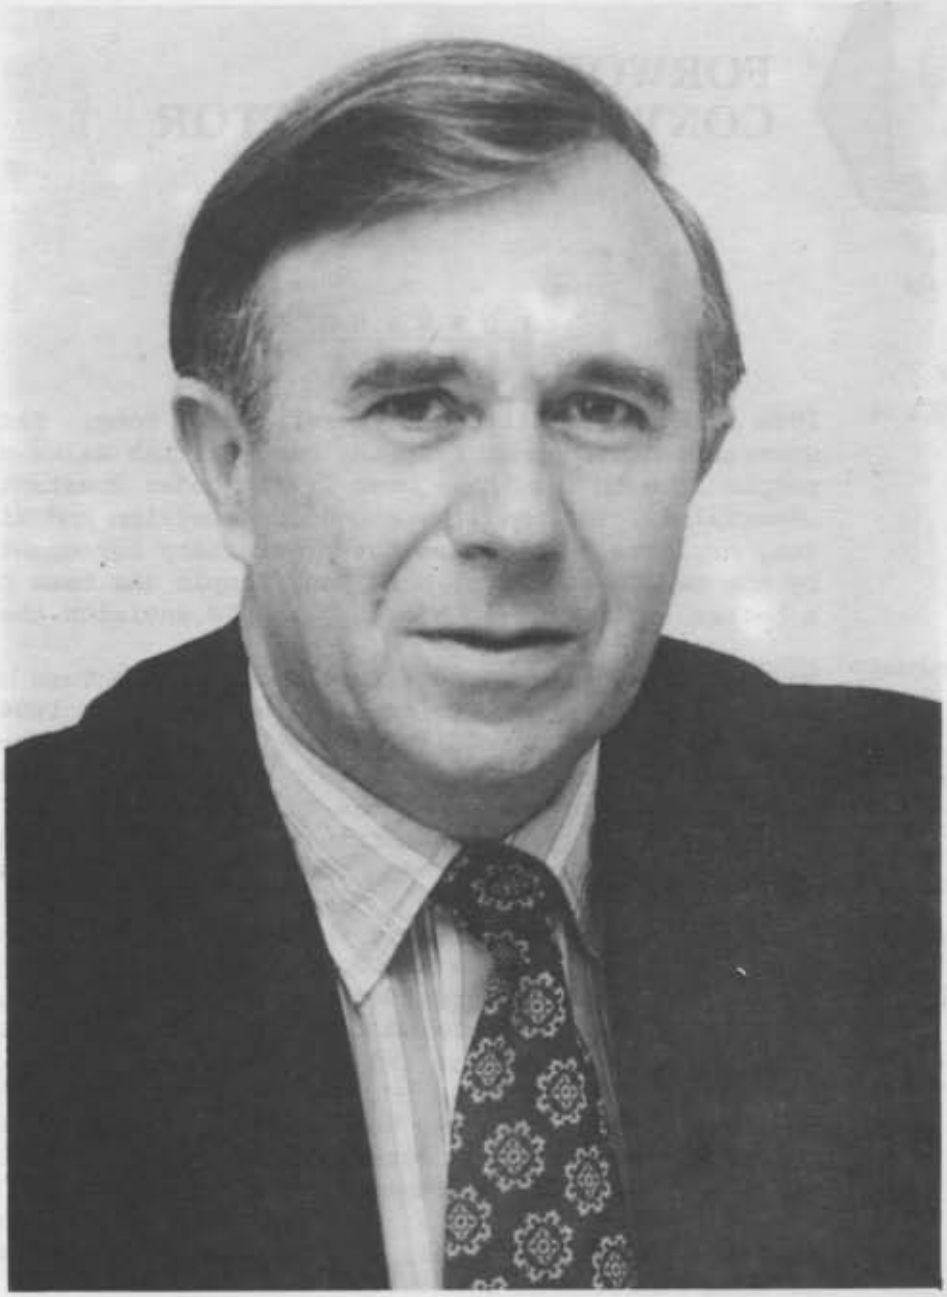

The Orgainizing Committee has tried with its best endeavour to make this Convention workable, and happy by having numerous meetings, taking all necessary steps to ensure the smooth operation of every event. By this Convention, we hope the spirit of Jaycee can truly be experienced by you and the goal of this function be achieved.

Wishing you all have an enjoyable, memorable National Convention.

MESSAGE FROM WORLD PRESIDENT JAYCEES INTERNATIONAL

Jaycees International

MESSAGE OF GREETING

"Training Tomorrow's Leaders Today" is one of our most important themes of this year as part of our identity as a worldwide leadership development organization, and on the occasion of your 19th National Convention, I would like to elaborate on this important concept:

Is leadership an inborn quality? To try to answer this question in a few short sentences is an extremely difficult position. Whether leaders are born or created has always been a matter of continuing debate.

The Jaycee philosophy has been guided by our belief that "development" is a process – to move from a hidden, inactive condition to an obvious and active condition. Everyone is capable of improving personal potential, thereby developing the latent leadership potential within each individual. "LEADERSHIP TRAINING" is the primary objective of Jaycees International.

That the world is going through a crisis, there is no doubt. However, the fundamental question that remains is, how do we go about resolving this crisis?

Before prescribing any solutions to the problem, it is imperative that we analyze and diagnose what the crisis is all about . . . there are economic crises . . . political crises . . . environmental crises . . . sociocultural crises. But more than any other . . . the most important crisis that faces humanity today is a "leadership crisis." As a worldwide leadership training organization, we believe that the best response to help resolve this crisis is through "Leadership Training."

Young people play an extremely important role in the development process of our societies at local, national and international levels. The declaration of 1985 as the International Youth Year is indicative of this growing role of young people globally, and it is necessary for young people themselves to be aware of their expanding role, as individuals as well as collectively.

By exposing young people to the needs and requirements of their respective communities, we will help them develop a growing sensitivity towards those needs and requirements, and their own role in meeting those needs. Once young people realize their role and responsibility and build up enough awareness of the necessary changes, they must actually be provided the tools and platform for effecting those changes.

Training is that tool and the Jaycee organization is the platform. That is the fundamental objective of this organization – to provide training in various aspects of social development so that young people, who are tha leaders of tomorrow, can actually lead their own communities, nations and the world towards positive change.

In this regard, our Major Emphasis Theme – North-South Cooperation – is a very good way of improving our ability to become leaders. Allow me to stress once again that we are speaking of cooperation and not only dialogue . . . i.e., action versus talk.

Many NOMs are deeply involved in our Major Emphasis Theme program, and I would like to see all our national organizations become much more active because there is no way to promote a better understanding among nations without better cooperation and better knowledge of the sociopolitical, economic and cultural realities of other countries, regardless of the difficulties to be overcome. We Jaycees are working for a worldwide and lasting peace. This aim will never be achieved if our members are not convinced that we all are interdependent on this small planet called Earth!

My best wishes to all members of Hong Kong Junior Chamber of Commerce, and I hope these few words will give you substance on which to think and act.

Yours in Jaycees,

Joe Murphy

MESSAGE FROM HON. LIFE PRESIDENT HONG KONG JAYCEES

A. de O. Sales & Co., Ltd.

Message

The strength of a community lies in the qualify of its own citizens. It will be a happy, thriving and respected place if they care for its well-being; if they stand together to make it worthy of themselves and their dear ones; and if they are willing to be involved in community betterment.

The resources of a community may be many. But the guarantee of its sustained progress is still its youth. How well motivated and how conscious of their civic responsibilities the young people are will set the course for the future. And, if they are properly trained as Jaycees are expected to be, and are also wholly committed to the common good, their community life will be enriched and purposeful.

My congratulations to the President, the National Board and all Members on a year of distinction and achievement.

How time really files! The 19th National Convention is just round the corner, and it will yet be another hustle-bustle for all devoted Jaycees to come together for the purposes of reviewing and retrospecting the efforts done in the past months and of setting new objectives in the year to come.

Needless to say, your total participation is of utmost importance as it contributes to the success of the entire Convention programme. As you all know well, the National Convention provides opportunities to evaluate past performances, exchangefrank and constructive ideas, renew old friendship and to upkeep the image of a healthy Jaycee organization. With genuine participation and unfailing dedication from all delegates, it is hopeful that much much more ambitious goals and higher targets will be attained in the following twelve months.

"YOUTH - RESOURCES OF OUR COMMUNITY" has been chosen for this year's Convention and this truly corresponds to all the community projects carried out by all the fifteen local chapters of the Hong Kong Jaycees.

Taking this opportunity, may I extend my heartfelt appreciation to the hosting chapter, the Victoria Jaycees, for their hard work in making the 19th National Convention of the Hong Kong Junior Chamber of Commerce a truly successful and rewarding event.

On Behalf of Japan Jaycees, I wish to extend my hearty and sincere congratulations on the occasion of the 19th National Convention of the Hong Kong Jaycees.

The world is faced with many difficulties and crisis which require nations to resolve in concert to support and cooperate with each other. MESSAGE FROM NATIONAL PRESIDENT
JAYCEES MALAYSIA

Greetings to all members of Hong Kong Jaycees from Jaycees Malaysia.

I would like to extend our heartiest congratulations to you on the occasion of your 19th National Convention which will be held from 12-14 October, 1984. Although we will not be there physically, our thoughts will be with you as you deliberate on issues relevant to Hong Kong Jaycees and Jaycees International.

Being in the 'same family' of NOMs in Area B we feel a certain closeness to Hong Kong Jaycees especially when we have sister-chapters in your NOM. No doubt the relationship will grow even stronger with the implementation of the Area B Cooperation Agreement signed at the JCI Kuala Lumpur Conference. Under the capable leadership of your National President, Jc John Chan as the 1985 APDC Chairman, there is a great future in the development of our NOMs in Area B.

The theme for your Convention, 'Youth - Resources of Our Community' is very apt as it ties in with the IYY, United Nation's International Year of the Youth in 1985 and with our concept of the Jaycees movement as a youth organization for leadership development. Congratulations on selecting such a fine theme.

I wish your National Convention every success and all the best for another memorable year in 1985.

Yours in Jaycees,

Vice President

It is with great pleasure I am sending this message of greeting to all the delegates on the occasion of your National Convention.

The National Convention serves a most useful and important purpose. Not only does it bring together members who are genuinely concerned with the significant work of the Jaycees. But it is also the outstanding occasion when the last 12 months are seriously reviewed and the performances are evaluated.

This will then build the platform for planning the year ahead. As we develop these plans, it is essential that we build on our strengths and try to improve our weaknesses. The results will be a more dynamic and even stronger Jaycee organization.

In closing my special thanks goes to National President John Chan and his Board of Directors for a fruitful cooperation and for a hardworking and successful year in favour of the Jaycees.

With my best personal regards and wishes.

1984 is the most difficult year for Hong Kong. Facing with uncertain development from the Sino-British talks at Peking, people in Hong Kong have been living under constant fear, uncertainty, instability, economic recession and dilemma to stay or leave. Following the preliminary agreement signed by the two Governments, Hong Kong People ahs been provided a better indication on how they should envision the future.

Hong Kong Jaycees are no exception, the down turn of the Economy has affected us in all directions. In 1984, we have encountered more difficulties than our predecessors. But we have overcome the hardship by grouping and utilizing our recourses contained in the Young Men and Women, i.e. energy, pioneer spirit, determination. Hence, we choose "Youth-Recourse of our Community" as the Convention Theme.

We are much honoured to have the Honorable D. Akers Jones O.B.E. JP. to officiate the Opening Ceremony and Mr. Joe Murphy the JCI World President to preside the Convention. On behalf of the Organising Committee, I would like to thank them for their patronage and presence.

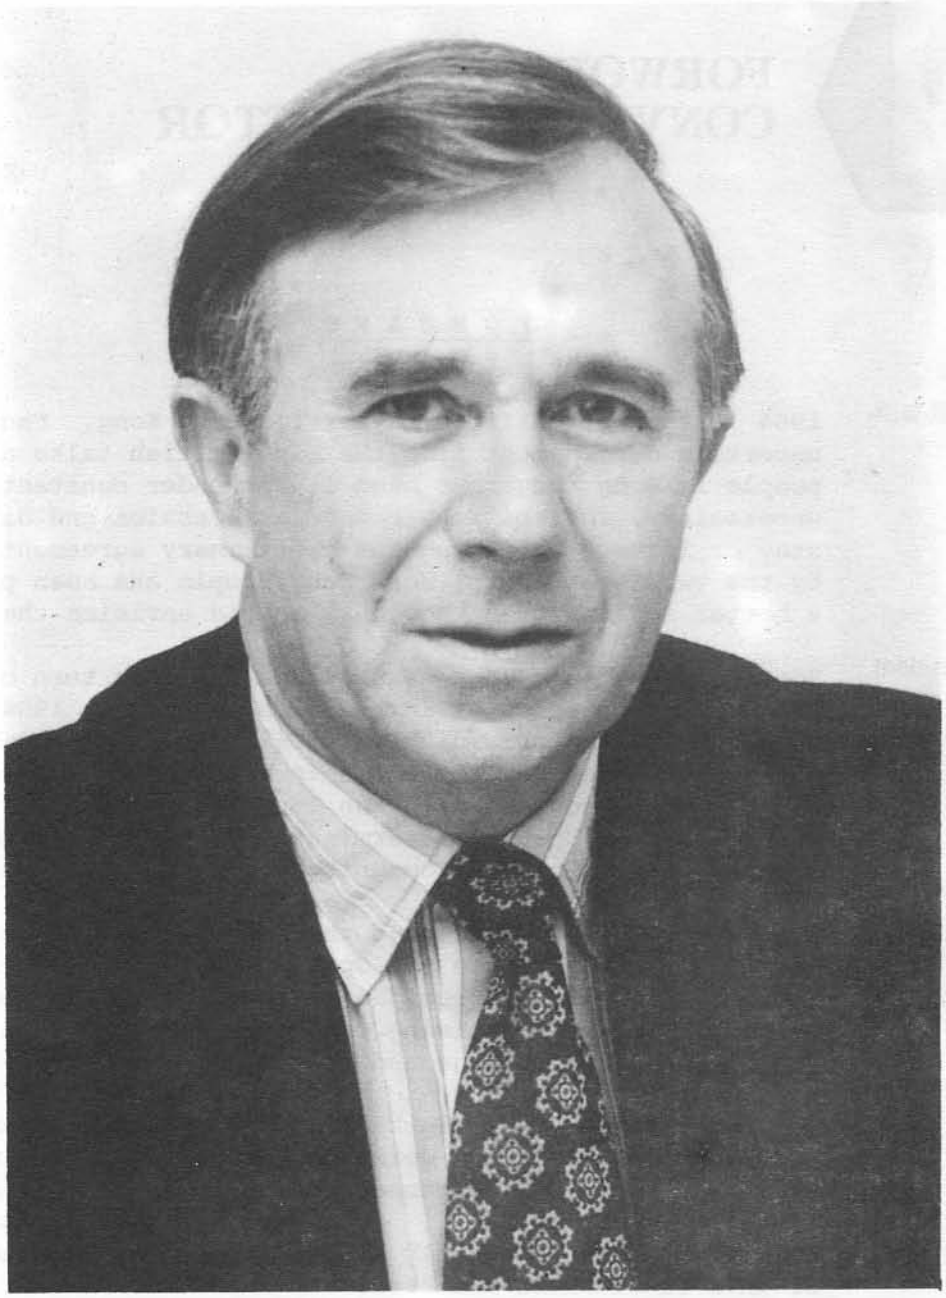

The Orgainizing Committee has tried with its best endeavour to make this Convention workable, and happy by having numerous meetings, taking all necessary steps to ensure the smooth operation of every event. By this Convention, we hope the spirit of Jaycee can truly be experienced by you and the goal of this function be achieved.

Wishing you all have an enjoyable, memorable National Convention.

MESSAGE FROM WORLD PRESIDENT JAYCEES INTERNATIONAL

Jaycees International

MESSAGE OF GREETING

"Training Tomorrow's Leaders Today" is one of our most important themes of this year as part of our identity as a worldwide leadership development organization, and on the occasion of your 19th National Convention, I would like to elaborate on this important concept:

Is leadership an inborn quality? To try to answer this question in a few short sentences is an extremely difficult position. Whether leaders are born or created has always been a matter of continuing debate.

The Jaycee philosophy has been guided by our belief that "development" is a process — to move from a hidden, inactive condition to an obvious and active condition. Everyone is capable of improving personal potential, thereby developing the latent leadership potential within each individual. "LEADERSHIP TRAINING" is the primary objective of Jaycees International.

That the world is going through a crisis, there is no doubt. However, the fundamental question that remains is, how do we go about resolving this crisis?

Before prescribing any solutions to the problem, it is imperative that we analyze and diagnose what the crisis is all about . . . there are economic crises . . . political crises . . . environmental crises . . . sociocultural crises. But more than any other . . . the most important crisis that faces humanity today is a "leadership crisis." As a worldwide leadership training organization, we believe that the best response to help resolve this crisis is through "Leadership Training."

Young people play an extremely important role in the development process of our societies at local, national and international levels. The declaration of 1985 as the International Youth Year is indicative of this growing role of young people globally, and it is necessary for young people themselves to be aware of their expanding role, as individuals as well as collectively.

By exposing young people to the needs and requirements of their respective communities, we will help them develop a growing sensitivity towards those needs and requirements, and their own role in meeting those needs. Once young people realize their role and responsibility and build up enough awareness of the necessary changes, they must actually be provided the tools and platform for effecting those changes.

Training is that tool and the Jaycee organization is the platform. That is the fundamental objective of this organization — to provide training in various aspects of social development so that young people, who are tha leaders of tomorrow, can actually lead their own communities, nations and the world towards positive change.

In this regard, our Major Emphasis Theme — North-South Cooperation — is a very good way of improving our ability to become leaders. Allow me to stress once again that we are speaking of cooperation and not only dialogue . . . i.e., action versus talk.

Many NOMs are deeply involved in our Major Emphasis Theme program, and I would like to see all our national organizations become much more active because there is no way to promote a better understanding among nations without better cooperation and better knowledge of the sociopolitical, economic and cultural realities of other countries, regardless of the difficulties to be overcome. We Jaycees are working for a worldwide and lasting peace. This aim will never be achieved if our members are not convinced that we all are interdependent on this small planet called Earth!

My best wishes to all members of Hong Kong Junior Chamber of Commerce, and I hope these few words will give you substance on which to think and act.

Yours in Jaycees,

Joe Murphy

Let me extend all the best towards the success of the forthcoming National Convention of Hongkong Junior Chamber on October 12 - 14, 1984 under the banner, "Youth--Resources of our Community."

Trusting that the membership will work together not only to successfully administer to the activities of the convention let me express the hope that each one also takes the opportunity to make a personal contribution of ideas, commitment, and a concrete plan of action on to how to make our youth responsive and resolved to build a bright future.

I am confident that your gathering should enable people to make practical use of their experience and skills Jaycee life has afforded us to in ensuring that we are psychological-ly, mentally, and emotionally prepared to face the future with fortitude.

MESSAGE FROM HON. LIFE PRESIDENT HONG KONG JAYCEES

Message

The strength of a community lies in the qualify of its own citizens. It will be a happy, thriving and respected place if they care for its well-being; if they stand together to make it worthy of themselves and their dear ones; and if they are willing to be involved in community betterment.

The resources of a community may be many. But the guarantee of its sustained progress is still its youth. How well motivated and how conscious of their civic responsibilities the young people are will set the course for the future. And, if they are properly trained as Jaycees are expected to be, and are also wholly committed to the common good, their community life will be enriched and purposeful.

My congratulations to the President, the National Board and all Members on a year of distinction and achievement.

MESSAGE FROM NATIONAL PRESIDENT
JAYCEES MALAYSIA

Greetings to all members of Hong Kong Jaycees from Jaycees Malaysia.

I would like to extend our heartiest congratulations to you on the occasion of your 19th National Convention which will be held from 12-14 October, 1984. Although we will not be there physically, our thoughts will be with you as you deliberate on issues relevant to Hong Kong Jaycees and Jaycees International.

Being in the 'same family' of NOMs in Area B we feel a certain closeness to Hong Kong Jaycees especially when we have sister-chapters in your NOM. No doubt the relationship will grow even stronger with the implementation of the Area B Cooperation Agreement signed at the JCI Kuala Lumpur Conference. Under the capable leadership of your National President, Jc John Chan as the 1985 APDC Chairman, there is a great future in the development of our NOMs in Area B.

The theme for your Convention, 'Youth - Resources of Our Community' is very apt as it ties in with the IYY, United Nation's International Year of the Youth in 1985 and with our concept of the Jaycees movement as a youth organization for leadership development. Congratulations on selecting such a fine theme.

I wish your National Convention every success and all the best for another memorable year in 1985.

MESSAGE FROM VICE PRESIDENT JAYCEES INTERNATIONAL

Jaycees International

"Jimmy" K. Tanaka
Vice President

It is with great pleasure I am sending this message of greeting to all the delegates on the occasion of your National Convention.

The National Convention serves a most useful and important purpose. Not only does it bring together members who are genuinely concerned with the significant work of the Jaycees. But it is also the outstanding occasion when the last 12 months are seriously reviewed and the performances are evaluated.

This will then build the platform for planning the year ahead. As we develop these plans, it is essential that we build on our strengths and try to improve our weaknesses. The results will be a more dynamic and even stronger Jaycee organization.

In closing my special thanks goes to National President John Chan and his Board of Directors for a fruitful cooperation and for a hardworking and successful year in favour of the Jaycees.

With my best personal regards and wishes.

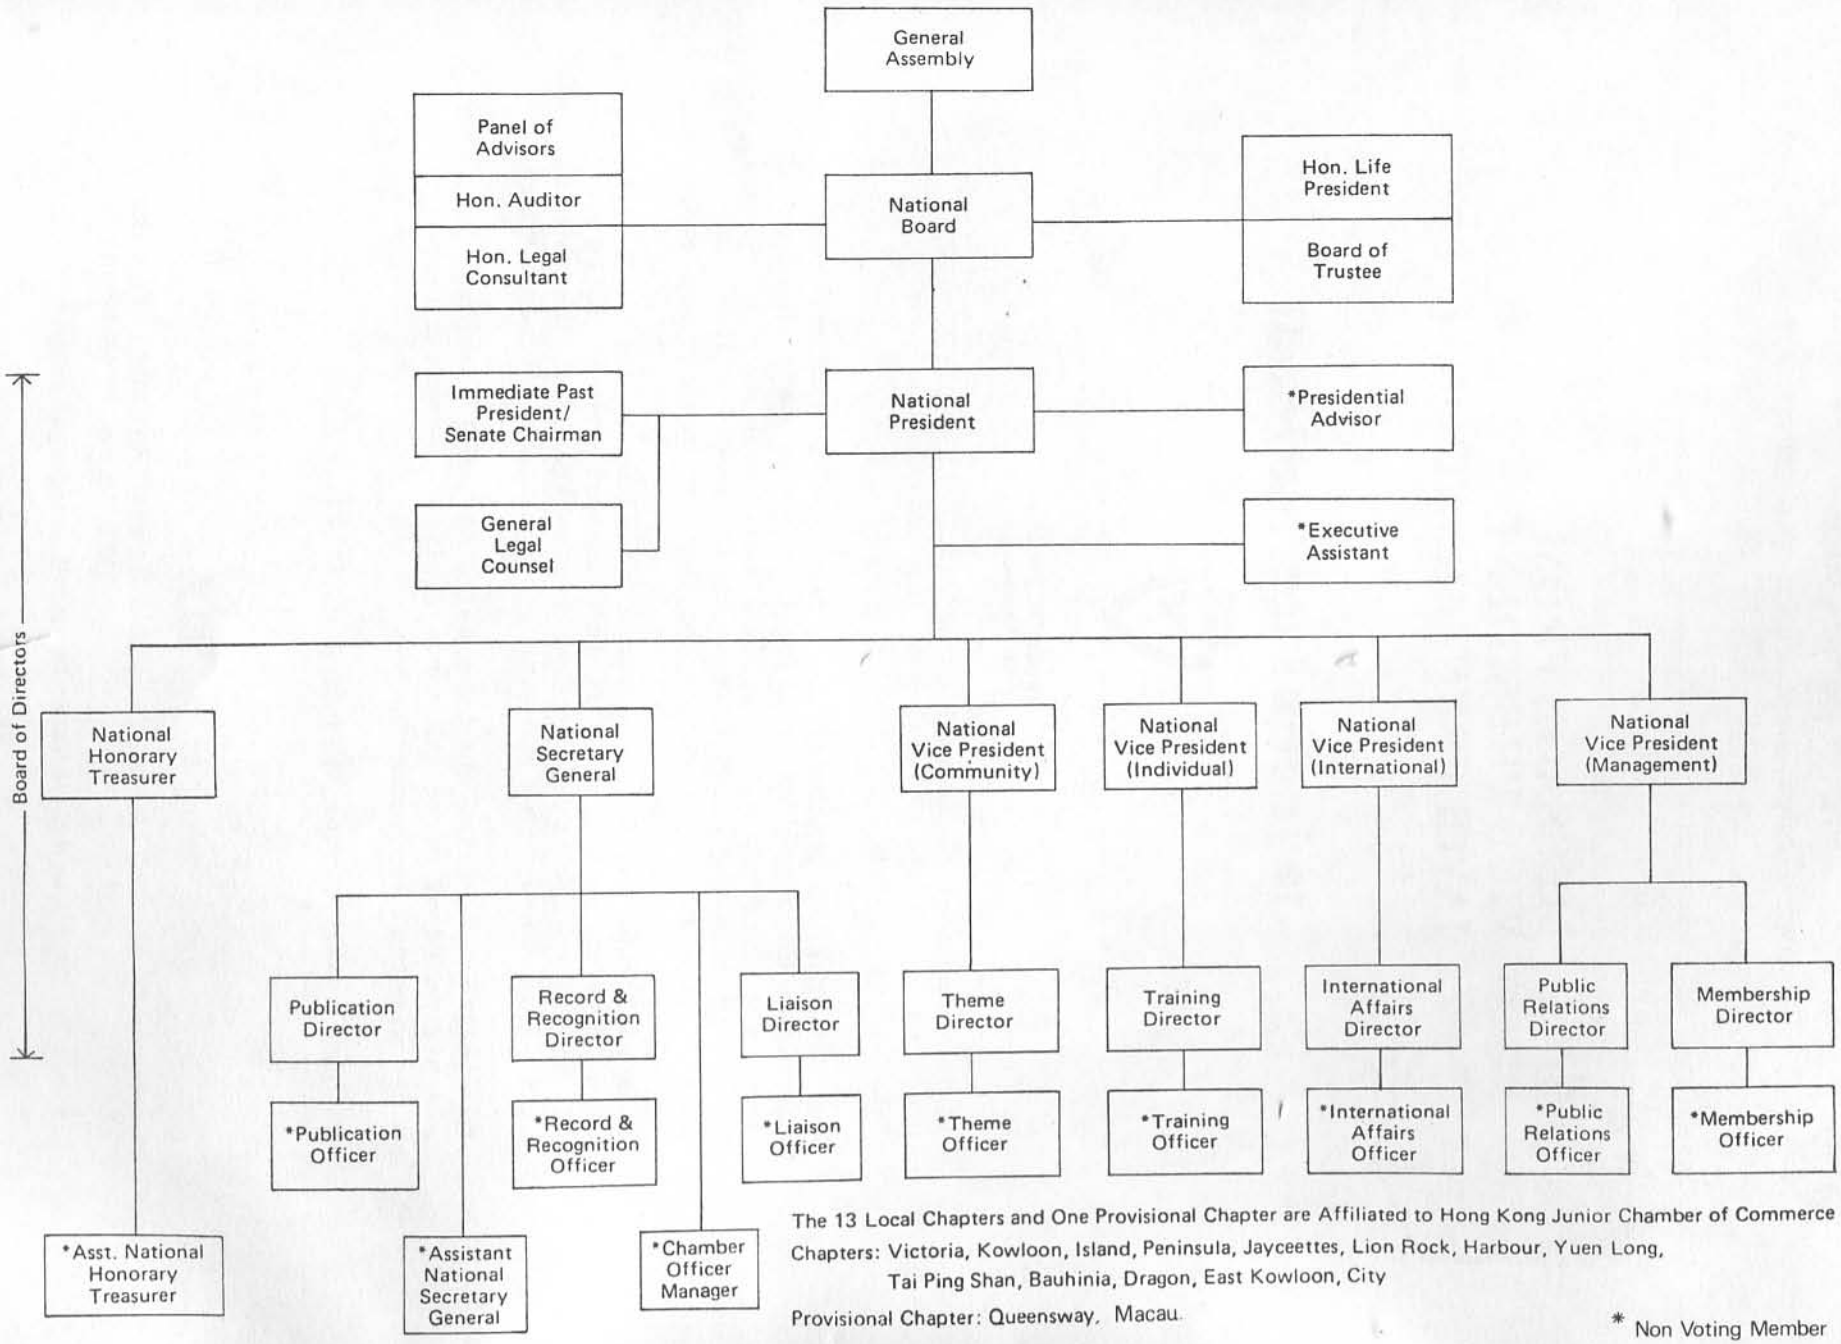

K. Tanaka

2. Membership dues are charged by the NOM quarterly based on the latest membership declaration made by the LOMs at the Quarterly Board Meetings.

4. The NOM also obtain sponsorship for its many projects this year, either individually or on a package deal basis for NOM projects and activities.

This duplicate by courtesy of RANK XEROX

5. Overall, the NOM has been enjoying a very sound financial position and I expect that there will be a small surplus to be carried forward to next year.

V. THE FOUR AREAS OF OPPORTUNITIES

A. Individual Area

Special emphasis was put in this area that the NOM organized a number of training programs and projects for all Jaycee members. The Training projects completed are:

1. LOM Presidents' Forum
2. LOM Officers; Training School
3. Training for Trainers Course (TROT)
4. LIA Camp 84
5. Inter-Chapter Jaycee Quiz
6. Parliamentary Procedure in a Lively Way

The Local Trainers Circle was reformed consisted of those TROT Graduates who are still interested to provide service and assistance to the NOM. All training aids, such as video tapes, sound tapes, manuals were updated and be available to the LOMs for their own training programs.

All LOMs are also encouraged to launch their own individual development projects designed especially for the needs of their members. Trainers from the Local Trainers Circle are recommended to assist either in designing programs or as instructors for training programs.

B. International Area

LOMs are encouraged to establish sisterhood and/or friendship pacts with other countries. This year, three LOMs will sign or have signed Sisterhood Pacts with overseas LOMs are:

Island Jaycees with Bukit Metrajam Jaycees of Malaysia
Lion Rock Jaycees with Pusan Jaycees of Korea
Harbour Jaycees with Kaohsiung Jaycees of ROC

Hong Kong had a total of 42 delegates attending the JCI ASPAC Kuala Lumpur Conference in May. During the Conference, members of the Hong Kong Jaycees participated in the ILSO Meeting and APLLC Meeting. A Hong Kong Night party was held and it was attended by over thousand delegates.

The NOM organized a Welcoming Reception for the 14th Jaycee Youth Voyage delegates. A total of ten Hong Kong youths participated in this voyage. Five are non-Jaycee members and five are Jaycee members.

Panel of Advisor and Past National Vice President, Senator Jennifer Yu, was appointed as the Chairlady of the Awards Judging Committee at the 1984 JCI ASPAC Kuala Lumpur Conference.

This duplicate by courtesy of RANK XEROX

A close relationship has been maintained with other NOMs, especially those in Area B, by means of exchange of correspondences, meetings and the NOM is represented in major functions of neighbouring NOMs. During my last twelve months as your National President (immediately after the election), I have paid goodwill visits to Jaycees in ROC, Japan, Denmark, Sweden, Philippines, Malaysia, Thailand and Singapore.

C. Community Area

1. Major Emphasis Theme: YOUTH -- RESOURCES OF OUR COMMUNITY

1985 was designated by United Nations as the International Year of Youth. Being a young people's organization, we have to take the initiative in promote this IYY and therefore, YOUTH was chosen as the major emphasis theme for Hong Kong Jaycees this year.

All the LOMs were encouraged to implement at least one project on this theme. Up to time of writing, a total of 14 theme projects have been organized and most of them were carried out during the Jaycee Week.

This theme has again been chosen as the theme for the 19th National Convention. There is a seminar focusing on this issue and prominent speakers will be invited.

2. Other Community Development & Youth Activities

The Ten Outstnading Young Persons Selection (TOYP) will again be organized by the NOM this year. This is the 12th year we have organized such project. From the increasing response we have year after year, this project gets greater and better impact in the community.

One very distinct difference this year on those community projects organized by the LOMs is the heavy involvement with the Government. At least seven LOMs had organized community projects jointly with the District Boards and/or other governmental departments. This is vital in lifting the image of Jaycees in the light that despite self development, we shall not forget our duties as responsibile citizens in the community.

D. Management Area

1. Membership Extension

a. Membership Target

At the beginning of the year, this NOM had set a membership target of 1,100 by the Montreal Congress.

This duplicate by courtesy of RANK XEROX

b. LOM Extension

It is the specific goal of the NOM this year to extend two new LOMs by the National Convention. I am happy to report that two LOMs have been formed early this year and were affiliated with the NOM as Provisional Chapters. It is hoped they can be formally affiliated with the Hong Kong Junior Chamber of Commerce as the 14th and 15th LOMs at this National Convnetion.

The new LOM formed in Hong Kong is called Queensway Jaycees. Most of her members came from the membership drive campagin we had last year during the Jaycee Week.

The second new LOM was formed in Macau. This is the first Jaycee chapter in Macau. It had been the plan and wish of this NOM more than ten years ago to set up a LOM there. However, not much work and progress was made. Last year, through the assistance of our Hon. Life President, Mr. A de O Sales and few senior Jaycees, were introduced to a group of young people in Macau. Then with the help from the Past NPs, Sonny Yu, Edmond Pang and Major Tang together with the JCI APDC Councillor Andrew Wong and his Development Officers, the Macau Jaycees was finally formed in March and was chartered on September 15.

c. Membership Extension

A membership exhibition as part of the Jaycee Week was held between July 21 to 17 at the Public Walkway of the New World Centre Arcade. In addition, tube-cards in promoting the Jaycee image and name were placed in the MTR trains. I wish to record our thanks to Senator Peter Christofis of Pearl & Dean Ltd. for his assistance.

The standard membership promotion pamphlet was updated and reprinted. A membership videa tape presentation was made this year and be available to all LOMs for loan in addition to the audio-visual slide presentation we have had for years.

d. Orientation

We have regular membership orientations for those who are interested to join Jaycees. All the prospective members are allocated to the LOMs from time to time and the NOM ME Director together with his officer will closely follow-up on the progress of these new members.

2. Public Relations

a. Publications

The NOM as well as all the LOMs issue regular publications/ newsletter in order to keep their members abreast of all

National Newsletter is purely for local circulation whilst Harbour Lights are intended to cover all local Jaycees as well as community leaders, government officials, sponsors, celebrities, overseas Jaycees including JCI Officers and NOM Presidents.

b. External Public Relations

The tradition of paying a courtesy visit to Government House and the Government Secretariat on New Year Day by all National Officers and Chapter Presidents was followed. Special efforts are being made by the NOM and all LOMs to liaise closely with government officials and community leaders either by couresty visits or by organizing joint projects with them. Two press supplements in leading Chinese and English newspapers during Jaycee Week tremendously in boosting the image and publicity of Jaycees.

c. Internal Public Relations

Internal P.R. projects have been organized to boost the fellowship between all Jaycees and these are:

3. Records & Recognition

a. The Senators Screening Committee is chaired by NIPP Kitty Leung to screen applications for JCI Senatorship from LOMs.

b. Every year, the NOM gives two different types of awards:

1. The NOM awards aim at encouraging LOMs and individuals to further certain programs which are considered more important to the development of the LOMs.

2. The Presidential Awards of Excellence focus on the performance of individual Jaycee/Jayceettes during the year.

c. The Presidential Incentive Program is formulated with a view to give recognition to more achievers in various aspects of Jaycee activities

d. In order to keep a complete and update record of all activities for record and reference, a project record form was designed and LOMs are required to submit this form to the NOM R & R Director upon completion of a project. A Bid-Book Seminar on how to complie a bid book was organized on June 30 for all LOM R & R Directors and other interested Jaycees. The Jaycee Library was set up and all details would be circulated to all LOM Officers on the title list and the conditions and regulations of using the Library. A NOM Awards Manual for 1984 together with Presidential Incentive Program were published and distributed to all LOMs. JCI Conference and Congress Manuals together were also duplicated and distributed to LOMs.

X. CONSLUSION

The history of the Hong Kong Jaycees has from time to time encountered uphill obstacles. Nevertheless, with dedicated efforts and whole-hearted zeal from members at NOM and LOMs, these obstacles would ultimately be surmounted. Members have inherited the many fine qualities and achievement of our predecessors and are able to adopt a positive and constructive attitude to solve the problesm of the Organization, thereby making it a stronger one for the benefit of our members and our community.

Efforts have been made to achieve the many targets set at the beginning of the year. It is indeed a joy to see them accomplished. With attempts made to complete these objectives, there would certainly be strengths and weaknesses in the endeavours. It is only through unity of strength and perseverance in overcoming weaknesses that we could have a strong organization.

I am very proud that the various local chapeters have all manifested a very eager and forward attitude in their projects. With concerted efforts, we are able to uphold our Jaycee spirit both to the public and to our Jaycees overseas.

Whereas to the accomplishment in 1984, a big credit should go to my fellow National Officers who have offered trememdous constructiveness in this respect. My thanks should also go to various local chapter Presidents for their whole-hearted support and co-operation. My heartfelt thanks should be extended to a number of senior Jaycees such as our Hon. Life President, Mr. A de O Sales, Past National President and my Advisor, Sonny Yu, the members of the NOM Panel of Advisors, Major Tang, Andrew Wong, Jennifer Yu and Ng Leung Yau for their unfailing support and geninue assistance.

In my election campaign phamlet last year, I had emphasized two key words: HARMONY and SERVICE. During my term of office, I have worked harmoniously with my fellow Jaycee members. All these pleasant experiences have helped me lived a fuller life. Enriched personal culture has made me become a better Jaycee and a better being. Even though my term of office will end in about two months, please rest assured that you can count on my full support for many years to come.

Kowloon Jaycees have been fully utilized under the capable leadership of President George Cheng and the Board of Directors in bringing the chapter another successful year.

(2) Hong Kong Jayceettes

The activities of the Jayceettes for this year are well balanced in all areas of opportunity. Particular emphasis was made on the CD/YA area with a large scale project in support of the Major Emphasis Theme for 1984. Smooth internal operation is ensured by the Jayceettes by maintaining an efficient administrative system. Senior members of the chapter are always available to render assistance and for consultation. With President Maureen Chu Lo and her board capably leading the members who are charged with the enthusiasm and commitment in doing an excellent job in all activities, the Jayceettes have, as expected, emerged again as a chapter with outstanding performance.

(3) East Kowloon Jaycees

Still relatively a young chapter, the East Kowloon Jaycees do not have the long accumulated experience and knowledge which are available to those well established chapters. However, such handicap did not pose as a discouragement to the hard working board members. Despite of the crisis earlier this year when there was a 30% decrease in membership, the chapter has been able to execute the year plan satisfactorily, particularly in launching a large scale CD project and a successful fund raising project. Much credit is owed to President William Cheung and his board; as well as guidance from Charter President Senator C.K. Tang and IPP David Lee.

To conclude, I wish to express my appreciation to those who rendered me support and assistance throughout the year.

個人領導才能方面

自從本會於一九八二年八月廿八日至廿九日舉行港島青年商會及海逸青年商會合辦個人進取之激勵研討會 PERSONAL GROWTH DYNAMIC WORKSHOP 以來，本會一直在尋找一個更新及更有意義之個人領導才能工作計劃，但直至現在還未能找到一個比上述之個人進取之激勵研討會更好的工作計劃。

This duplicate by courtesy of RANK XEROX

本會也曾想過再次舉辦一次 PERSONAL GROWTH DYNAMIC WORKSHOP 拔土重來，但考慮到總會已於去年以 PERSONAL GROWTH DYNAMIC PROGRAM 之名義舉辦了一次，本會再舉辦已無新鮮感可言，因此本會本年度沒有個人領導才能訓練之計劃。

國際事務

每年三月廿九日都是台灣三重市姊妹會成立週年紀念日，本人於一九八三年出席其慶典，認識了韓國釜山港都青年商會當屆會長李來烈，並於台北商討於六月份結盟事宜。可惜因種種原因，前任會長及其他會友均於六月不能成行，因此重責便落在本人身上。今年本人因身體不適，不能到賀三重市姊妹會之週年紀念儀式，猶幸釜山港都青年商會會長林且燮不辭勞苦，遠道從台灣來港商討結盟事宜，終於本年六月廿八日由李人帶領數位會友前往釜山，完成了結盟儀式之第一部份，該儀式之第二部份將會在十二月在香港舉行。結盟當天，我們三重市姊妹會會長林孝光青商率領十二

在會友到釜山過境，更以介紹人身份簽署見証，實屬難能可貴。更難得的是李會泰國姊妹會 PRAKANONG JAYCEES 更派出三位代表到釜山參予結盟及祝賀，成員之中包括有泰國青年商會前任總會會長 CHANTANA TANIPAIREE, PRAKANONG JAYCEE 前會長等。當天更談到由我們介紹泰國姊妹會與韓國姊妹與/或台北姊妹會結盟事宜哩。

又適逢韓會第十四屆國際青商參議員在釜山舉行，本人因利乘便，乃率領衆人前往參加，喜見余振宇參議員及吳友參議員在座，他鄉遇故知，分外親切。事後泰國姊妹會成員更到香港訪問，除卻李會熱情招呼外，更得總會會長陳榮灝參議員，余振宇參議員及陳憲參議員等出席，增光不少。

本月八月份，欣逢泰國姊妹會週年餐舞會，台北三重市姊妹會週年大會，於是乎分兩路，由本人帶領數會友出席台北之重市姊妹會於八月廿六日舉行之會員週年大會，由馬永新副會長帶領數會友出席泰國姊妹會之週年餐舞會。

澳洲西對於青商，永森副會長曾為親身參與青商活動，貢獻良多，因此他提議本會與西澳青商結盟。經過我們物色及通過，已委任曾副會長為西澳洲青商分會之青年商會大使，負責與西澳洲青商分會商議及通過其代表將於本年十二月到港商討結盟事項吧。

泰國及都在明年五月正式成立。本會在缺少國際事務科董事之情況下有此驕人成績，可喜可賀。

泰國本會於今年一月八日贊助沙田區公益金而舉行，參加人數為五人，各人均行軍

全程十二公里，共籌得善款二千零四十八元正。

本會於去年購買電視機乙部予交通安全會作為「交通安全會流動巴士」上展電影室放映交通安全錄影帶之用，移交儀式於今年一月九日舉行，由本會前任會長何歸華送出，由本人代表交通安全會接收。

青年事務方面

(一) 龍舟競渡：本會於今年六月四日端午節派出24人參加男子中龍比賽及18人參加女子鳳艇比賽，雖然未能勝出，但精神可嘉。

(二) 青商之船：本會於今年六月廿三日出席日本青商之船之歡迎晚會及廿四日之歡送午宴。

(三) 仲夏夜懷舊舞會：本會於八月四日在和富中心舉行。

(四) 跆拳道拳手選拔賽：本會贊助之青跆戰隊跆拳道拳手選拔賽，已於本年八月八日在九龍麥花臣室內運動場舉行。

會議

本會之月會每逢第一個星期五在華都酒店頂樓舉行。

會長心聲

一口氣的寫不了八個多月來的工作及活動，這一切一切都是由血汗，時間，金錢而累積而成，但這一切不是代表成功，而是一個開始，一個成功的開始，以後我們還有很多活動要進行，我們必須凝聚全體會友的心智力量，秉承銳而不捨的精神，繼續接受考驗訓練。

A. Individual

Leadership Development

"Le Camp de D. J."---a training wild camp in scouting co-organized with Jayceettes on August 4th & 5th. We had about 90 participants attended the camp. The weather was not as good as expected, but we all agreed that each and every participant gained an unforgettable experience on that event.

"L I A at Sea"---a training program on board of a Chinese junk having fun of steering practice. It is scheduled to be held on September 8th & 9th with expected participants of '60.

Membership Extention

It is our major emphasis this year for extension, so we have put lots of efforts to recruit and retain our members. Some of our members left us for further study oversea. Also it is normal that some members tied up with business involvement and lost interest in Jaycees activities. However, the new recruits are encouraging and we do have lots of potential prospective members who will surely turn out to be our full members very soon.

B. Management/International

Public Relation

The public relation of Dragon Jaycees is very good through out the year. Moreover, the expected surplus in the Charter Night on September 15 would no doubt further boost up the favourable balance on the account.

D. COMMUNICATION

In a bid to keep members regularly informed of projects and activities in our chapter, other chapters and the NOM, the first issue of our newsletter, Guia News, was produced in August. It is planned that the second issue will be published before end of the year.

3. PROJECTS & ACTIVITIES

A. COMMUNITY

Education Fund - It was a fund contributed jointly by a few senior members of our Chapter as well as the Presidents of Hong Kong Jaycees for the purpose of helping schools in Macau in installing educational and sport equipment and materials. Up to now such equipment and materials valued at about $18,000 have been donated to 5 schools in Macau. In management of this fund, a Board of Trust has been formed.

Information on Medical Facilities in Macau - With a view to provide members of public in Macau with information on various types of medical facilities available, it is planned that a booklet be published and distributed free of charge for the benefit of the community. Information from different sources will soon be collected and hopefully this booklet can be completed before end of this year.

B. MEMBERSHIP EXTENSION

At the time of our First General Meeting on March 24, 1984, there were 32 charter members. As a result of the two orientations held this year, more than 20 prospective members are now with us. It is expected that by the time of our Charter Night on September 15, 1984, about 15 more will be inducted as full members of Macau Jaycees.

C. MEMBERSHIP TRAINING

As a new chapter, we have put our emphasis in various training courses, thus helping our members gain a better understanding of the Jaycee movement. Apart from the orientations, we have organised an Officers Training Course in March and a LOM Management Fundamentals Course in June. Speakers in both courses were senior members of Hong Kong Jaycees, namely, Senators Sonny Yu, Edmond Pang and Andrew Wong.

D. INTERNATIONAL AFFAIRS

A talk on International Affairs was given by Senator Andrew Wong during the Monthly Meeting in July. In August, Senator Ng Leung Yau spoke about the Conference and Congress. Both occasions were well attended by our members.

Two of our Board members, VP Paul Chui and ME Director Agnes Fok, represented the Chapter in attending the JCI Kuala Lumpur Conference in May. They were received by the world President on a specially arranged occasion.

Jaycees International

CURRENT FACTS

NAME: Jaycees International (JCI) is a worldwide association of young people between the ages of 18 and 40, which welcomes all nationalities, races and religions.

MEMBERSHIP: Close to 500,000 in nearly 13,000 communities throughout 75 member nations.

PURPOSES: The purposes of the Jaycees, as outlined in the JCI Constitution, are to "contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change."

HISTORY: The organization was founded in St. Louis, Missouri, U.S.A., by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944, representatives from eight nations met in Mexico City and the world organization – Jaycees International (JCI) – was founded.

1984 PRESIDENT: Joe Murphy, of Ballina, Ireland.

HEADQUARTERS: The Jaycees International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. A staff of 33 provides trilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is the Secretary General, Richard Heywood.

THEME: Each year, Jaycees International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program members can select from a number of specific projects that are most relevant to the needs of their respective communities.

The theme program adopted again for 1984 is NORTH-SOUTH COOPERATION. It is somewhat unique for an organization like Jaycees International to become so involved in such an enormous issue, but, as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world balance and, ultimately, world peace.

AREAS OF OPPORTUNITY: This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership: individual, management, community and international opportunities.

RIGHTS OF THE CHILD: JCI recognizes and supports the United Nations Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. In 1984 and subsequent years, national and local Jaycee organizations will conduct permanent and continuing programs to assist with providing for the basic needs of children as set out in the Declaration.

OFFICIAL PUBLICATION: JCI WORLD, printed quarterly in English, French, Japanese, Spanish, Chinese and Korean, with a worldwide circulation of nearly 500,000.

ANNUAL MEETING: The XXXIX JCI World Congress will be held in Montreal, Canada, from November 4 - 10, 1984.

Hong Kong Jaycees History

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then an Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when in Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950, a sponsors meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A Brief Introduction of Hong Kong Jaycees

In 1950, Hong Kong was recovering from the last World War. There was an urgent need for local community leaders to enhance its economical and social development. But how to train up young men who aspired to become community leaders? Casting their eyes abroad, a group of young men found the Jaycees international — an organization of young people for leadership training. Thus, in 1950, with the help of the Philippine Jaycees, Hong Kong Jaycees came into being and was officially affiliated to JCI in 1951.

Immediately after its formation, Hong Kong Jaycees showed its strength and enthusiasm by hosting the 1951 JCI Regional Conference for Asia — the first of a string of JCI Regional Conferences held in this dynamo of a city.

In the decade that followed, Hong Kong Jaycees gradually and steadily came into international limelight. In 1952, the first JCI Vice President from Hong Kong (J.S. Lee) was elected. In 1956, another Hong Kong Jaycee, A. de O. Sales, was elected JCI World President. 1962 was a hallmark in Hong Kong Jaycee history because we hosted the 17th JCI World Congress in that year.

In the course of the next few years, more and more young people were benefited by the Jaycee organization which offered more training opportunities for their members. In 1965, two local chapters were affiliated to the national organization. Upto the time, we now have 13 local chapters and two provisional chapters with about 1,000 members.

Victoria Jaycees
Formed in 1965 and being the most senior chapter in Hong Kong, Victoria JCs continue to assume the responsibility of maintaining a high standard in the members recruited and the projects planned. Their projects have always been directed to cater for contemporary interests of the community. Some outstanding community projects organized by Victoria JCs include: "Youth Labour — A problem or an asset? "Young Entrepreneurs' Seminar", "Consumers' Current Problems", "Energy Conservation Poster Design Contest", "Rent Control Symposium" "Hong Kong — An International Financial Centre".

Kowloon Jaycees
Formed in 1965. The Kowloon Jaycees is the pioneer in environment protection work because it established the first plant in Hong Kong which converted pig waste into fertilisers. It is also widely recognized by the community as a group of very outstanding young men through its annual "Selection of Ten Outstanding Young Persons" in the past several years. Other significant projects include: "Home Safety Campaign, Carnival Day For Vietnamese Refugee Children", "Health & Youth", "Clung, Click & Co", "Young Scientist Award".

Island Jaycees
Formed in 1966. The Island Jaycees are a group of young dynamic leaders in various commercial fields. It brought pride to the whole HKJC family in 1974 by winning the JCI award for its "Solar Heating System for the Campers at Wu Kai Sa" — which is also the first solar heating system installed in Hong Kong. Other outstanding work of the Islanders include the "Lantau Comprehensive Health Care Project" for residents of outlying islands of Hong Kong. "Seminar for Health Education" "Youth Convention" "Pop Folk Contest" "Toys — To Children with Love".

Peninsula Jaycees
Formed in 1969, an all-male chapter. In 1977, it marked HKJC history by admitting female members — a step envied and followed by several other chapters. Their work is highly respected by the community and include "Invent & Play your own musical instrument", "Design Contest for Utilisation of space underflyover", "Road Safety Campaign", "Neighbourhood Festival", "Kidney Donation Campaign", "Eye Care Campaign", "Hong Kong Japan Carnival", "Roller-Skating For Youths".
