It is with immense pride and excitement that I welcome you to the first issue of Harbour Lights for 2026. As JCI Hong Kong, China embarks on its 76th anniversary, we are inspired by the enduring spirit of "ONE FOR ALL", a theme that beautifully encapsulates our collective commitment to fostering positive change and empowering young leaders within our community and beyond.

This year, Harbour Lights embraces the theme of " 創 • 造 " (Creation. Innovation). This theme reflects our belief in the boundless potential of human ingenuity and the transformative power of new ideas. For this first issue, we delve into the essence of " 創 " (Creation), exploring how individuals and initiatives are shaping a better future through their pioneering efforts.

In this spirit, we are honored to feature an exclusive interview with Dr. Liao Shu Hang (廖書衡), one of the distinguished recipients of the 2025 Ten Outstanding Young Persons (TOYP) Award. Dr. Liao, a visionary young entrepreneur and the founder of the "Work For All" platform, exemplifies the very core of "Creation" through his dedication to public and social services. His journey and insights offer a compelling narrative of how innovative thinking and unwavering commitment can lead to significant societal impact.

As you turn the pages of this issue, we hope you will be inspired by the stories of creation, leadership, and service. May they ignite your own passion to contribute to a world where every individual can thrive and make a meaningful difference.

NATIONAL PRESIDENT'S MESSAGE

SENATOR DARYL LIN

Looking back on an inspiring journey we have embarked on together over the past few months — a journey defined by solidarity, proactive action and remarkable breakthroughs.

From January to May 2026, JCI Hong Kong, China, alongside all LOMs, has stood united in pursuit of our common goals. We have curated a diverse array of impactful initiatives, delivering tangible value to our members and bringing positive transformation to our local communities. This term, our operations have centered firmly around the core theme of CONNECT: strengthening internal cohesion to unite our community and expanding external outreach to elevate our global influence.

On the external front, we have actively forged partnerships with government bodies, professional institutions and corporate sponsors to deepen strategic cooperation and amplify JCI Hong Kong's voice and visibility. We have continuously encouraged our members to participate in flagship international platforms, including the JCI Asia-Pacific Conference and JCI World Congress, as well as various regional global events. Furthermore, we have successfully facilitated strategic linkage between the Hong Kong Talent Engage (HKTE) and JCI (NOMs) worldwide, creating cross-border exchange opportunities for young talents.

Embracing Hong Kong's unique role as a Super Connector, we have hosted more than 200 overseas delegates from 15 countries and regions, building solid cross-border friendship bridges and extending JCI's global network footprint.

Internally, we prioritise member growth and leadership cultivation. We have launched a series of systematic training programmes to empower every member, unlock individual potential, and nurture competent, forward-thinking young leaders. We firmly believe that investing in our members' growth is investing in the sustainable future of JCI Hong Kong, China.

Looking ahead, we will continue to uphold the timeless JCI spirit and adhere to our youth empowerment mission. We strive to further elevate the JCI brand influence, attract more aspiring young people to join our community, and work hand in hand to serve the public and pursue collective progress.

As I have always emphasised, the spirit of ONE for ALL resides in every JCI member. Let us continue to transcend individual "ME" into a powerful collective "WE", create greater social impact, and uphold our core mission: to empower young leaders and co-build a better world.

I sincerely appreciate every member's dedication, passion and unwavering support. United, we are unstoppable.

CREATE VISIBLE VALUE

創造被看見的價值

Dr. Ed LIAO: Illuminating Hong Kong's Other Possibilities Amidst Differences

廖舒衡：在差異之中，點亮香港的另一種可能

Dr. Ed LIAO and Work For All: Integrating Vulnerable Groups into Society

廖舒衡與 Work For All：推動弱勢群體與社會接軌

In Hong Kong, a city of rapid pace and intense competition, "creation" is often understood as entrepreneurship, technology, capital, or market breakthroughs. However, creation that truly transforms the city's character sometimes doesn't begin with a grand business plan, but rather with a more nuanced question: Can those who have long been underestimated, misunderstood, and marginalized also be seen, understood, and create their own value in the workplace and society?

在香港這座節奏急速、競爭密集的城市裡，「創造」往往被理解為創業、科技、資本或市場突破。然而，真正能改變城市氣質的創造，有時並不始於一個龐大的商業計劃，而是始於一個更細緻的提問：那些長久被低估、被誤解、被放在邊緣位置的人，是否也可以被看見、被理解，並在職場與社會中創造自己的價值？

Ed LIAOs answer is affirmative and practical. She founded Work For All, an initiative that helps young people with Special Educational Needs (SEN) and individuals from diverse backgrounds integrate into society. What she has created is not just job opportunities, but a new way for people to understand "ability" and "value." In her, we see the resilience of Hongkongers when facing limitations, and how a city, even in imperfect circumstances, can still radiate a different kind of light through the actions of each individual.

廖舒衡的答案，是肯定而實際的。她創辦 Work For All，推動 SEN 青年及不同背景人士與社會接軌。她所創造的，不只是工作機會，更是一套讓人重新理解「能力」與「價值」的方式。在她身上，我們看見香港人面對限制時的韌性，也看見一座城市即使在不完美的環境中，仍能透過每一個人的行動，散發不一樣的光。

From Being Misunderstood to Understanding Others' Difficulties
從被誤解，到理解別人的困難

When interviewing Ed, what was most striking was not how she, as a founder, described her achievements, but how candidly she spoke about her own upbringing. She mentioned having traits related to ADHD and ASD, and how as a child, she often struggled to understand others' intentions, needing to observe and imitate to learn how to interact with the outside world. Those moments of misunderstanding were once stressful and lonely; but as she grew older, these experiences became her gateway to understanding others.
訪問廖舒衡時，最令人印象深刻的，不是她如何以創辦人身份描述成果，而是她如何坦然談及自己的成長經歷。她提到自己有 ADHD 及 ASD 相關特質，小時候曾經不容易理解別人的意思，也需要透過觀察和模仿，學習如何與外界相處。那些不被理解的時刻，曾經是壓力，也是孤獨；但當她長大後，這些經歷反而成為她理解別人的入口。

She knows that someone appearing "different" in a group doesn't necessarily mean they are not trying or lack of ability. Often, they simply haven't encountered a suitable environment or a mentor willing to understand before judging. For this reason, the inclusion Liao Shu-hing speaks of is not mere sympathy, nor is it about keeping beneficiaries in a protected position long-term. She is more concerned with whether society can stop premature stereotyping and instead see the unique qualities, limitations, and strengths behind each individual.
她知道，一個人在群體中顯得「不同」，未必代表他不努力或者沒有能力。很多時候，他只是沒有遇上一個合適的環境，沒有遇上願意先了解、再判斷的伯樂。正因如此，廖舒衡所談的共融，並不是簡單的同情，也不是把服務對象長期放在受保護的位置。她更關心的是，社會能否停止過早定型，改為看見每個人背後的特質、限制與強項。

Before Creating Opportunities, Create Confidence First
創造機會之前，先創造自信

In her work at Work For All, Ed has encountered many young people with SEN. She found that many of them are not lacking in ability, but have endured too much negativity during their upbringing. They may have been constantly told they weren't good enough, and over time, they stopped believing in their own competence. For Liao Shu-hing, the first step in supporting them is not to immediately place them in the workplace, but to help them rebuild their self-worth.
在 Work For All 的工作中，廖舒衡接觸過不少 SEN 青年。她發現，很多青年並非沒有能力，而是在成長過程中承受太多否定。他們可能經常被指出做得不夠好，久而久之便不再相信自己能夠勝任工作。對廖舒衡而言，支援他們的第一步，不是立即把他們送進職場，而是協助他們重新建立自我價值。

Therefore, Ed's team assists employers in understanding each trainee's characteristics, scope of competence, and areas requiring attention. She once used the analogy of an "instruction manual," pointing out that if employers first understand an individual's working style, it becomes easier to arrange suitable positions, preventing both parties from being frustrated by misunderstandings. This matching work may seem minor, but it is crucial for creating value. Because when a person

is placed in the right position, their abilities could be truly recognized by the market, businesses, and society.
因此，廖舒衡的團隊會協助僱主理解每位學員的特質、可勝任範圍及需要注意的地方。她曾以「說明書」作比喻，指出如果僱主能先了解一個人的工作方式，便更容易安排合適崗位，避免雙方因誤解而受挫。這種配對工作看似細微，卻是創造價值的關鍵。因為當一個人被放在合適的位置，他的能力才有機會被市場、企業與社會真正看見。

Social Innovation, Not Just Relies on Good Intentions
社會創新，不只靠善意

Ed's understanding of social innovation also carries a distinct business mindset. She does not believe that social enterprises can operate long-term solely on good intentions or short-term funding. If a project lacks market value, a clear service model, and sustainable operational capabilities, it will ultimately struggle to truly fulfill its social mission.
廖舒衡對社會創新的理解，亦帶有鮮明的商業思維。她並不認為社企可以只靠善意或短期資助長久運作。若一個項目沒有市場價值，沒有清晰的服務模式，也沒有可持續的營運能力，它最終難以真正承載社會使命。

This perspective is precisely what makes her unique as a new-generation social entrepreneur. She doesn't simply view vulnerable groups as "recipients of aid," but rather aims to transform their abilities into value that is understandable, usable, and sustainably supported by the market. This represents a more mature view of inclusion: inclusion is not about lowering standards, but about redesigning the conditions for participation; it's not about keeping people on the margins, but about enabling more individuals to find their place in mainstream economic and social life.
這種想法，正是她作為新一代社會創業者的獨特之處。她不是把弱勢群體單純視為「受助者」，而是希望把他們的能力轉化為市場可理解、可使用、可持續支持的價值。這是一種更成熟的共融觀：共融不是降低標準，而是重新設計參與條件；不是把人留在邊緣，而是讓更多人可以在主流經濟與社會生活中找到位置。

In Hong Kong, many people are accustomed to finding solutions within limited spaces. Liao Shu-hing's story perfectly echoes the spirit of this city. Hongkongers are adept at adapting within constraints, finding methods under pressure, and creating possibilities in environments that are not initially promising. What she promotes is not just employment support for SEN youth, but also a reminder to the city's perspective on talent: value should not be defined by a single standard, nor should ability be measured by only one speed or form.
在香港，許多人都習慣在有限空間中尋找出口。廖舒衡的故事，正好呼應這座城市的精神。香港人擅長在限制中轉身，在壓力中尋找方法，在不被看好的環境中創造可能。她所推動的，不只是 SEN 青年的就業支援，也是對城市人才觀的一次提醒：價值不應只由單一標準定義，能力也不應只用一種速度或形式衡量。

Difference Can Also Be a Form of Creativity
差異，也可以是一種創造力

When discussing her neurodivergent traits, Ed does not fully label them. She admits that these traits can sometimes present challenges in focus, social interaction, or decision-making; however, they also enable her to quickly switch between different tasks, possess strong initiative for new ideas, and even transform concepts into practical plans in a very short time. Her creativity does not stem from flawless personal conditions, but from an honest understanding of her own limitations and strengths.
談到自己的神經多樣性特質，廖舒衡沒有把它完全標籤化 。她承認，這些特質有時會帶來專注、社交或決策上的挑戰；但同時，它也讓她能快速切換不同任務，對新想法有強烈行動力，甚至能在很短時間內把概念變成實際計劃。她的創造力，並不是來自

完美無瑕的個人條件，而是來自對自身限制與優勢的誠實理解。

This understanding also makes her more direct and authentic when interacting with trainees. She comprehends the difficulties they typically face but does not rationalize all their behaviors. She points out inappropriate expressions, reminds trainees that the real world has its rules, and encourages them to learn how to interact with others. This educational approach ensures that inclusion is not just a gentle slogan, but a training that truly enables people to integrate into society.
這份理解，也使她面對學員時更直接、更真實。她明白他們平時遇到的困難，但不會把所有行為都合理化。她會指出不合適的表達，提醒學員現實世界有其規則，亦鼓勵他們學習如何與別人相處。這種教育方式，讓共融不只是溫柔的口號，而是一種能夠讓人真正走進社會的訓練。

In Ed's story, "creation" is not an abstract word. It is a job matching, a workplace training, a process of rebuilding self-confidence, and a life transformation from being misunderstood to understanding others. What she creates is not applause, but opportunities; not fleeting moment, but bridges that can operate sustainably.
「創造」在廖舒衡的故事裡，不是一個抽象的詞。它是一份工作配對、一場職場訓練、一段重新建立自信的過程，也是一個人由被誤解走向理解他人的生命轉化。她創造的不是掌聲，而是機會；不是短暫的感動，而是可以持續運作的橋樑。

When she was selected as one of 'Ten Outstanding Young Persons (Hong Kong Selection) in 2025, this recognition belongs not only to her personally but also to all those who have been underestimated yet continue to strive for their place. She shows us that Hong Kong's light comes not only from its skyscrapers and harbor but also from those willing to create possibilities in the cracks. Even if the environment is imperfect, as long as there are people willing to see and empower others, the city will continue to shine brightly because of these faint lights.
當她獲選香港十大傑出青年，這份肯定並不只屬於她個人，也屬於所有曾被低估卻仍努力尋找位置的人。她讓我們看見，香港的光不只來自高樓與海港，也來自那些願意在裂縫中創造可能的人。即使環境不完美，只要有人願意看見他人、成就他人，城市便會因這些微光而繼續明亮。

2025 Asia-Pacific Youth Micro Movie Festival Focuses on Youth Dream Pursuit and Family Harmony

The Closing Ceremony of the 3rd Asia-Pacific Youth Micro Movie Festival was successfully held on 30 January 2026. Organised by JCI Hong Kong, China, fully supported by the Home and Youth Affairs Bureau, and sponsored by The Charities Trust of the Hong Kong Jockey Club, the event gathered over 200 participants from JCI Hong Kong, China, government bodies and non-governmental organisations, the general public, and students. The event attracted wide participation and received favourable feedback.

Established in 2023 by JCI Hong Kong, China, the Asia-Pacific Youth Micro Movie Festival is one of its flagship projects. Up to the conclusion of this year's edition, a total of 90 outstanding youth movie productions have been selected. The festival aims to recognise the outstanding talent and boundless creativity of young filmmakers across the Asia-Pacific region. Serving as a bridge through cinematic language, it promotes film and cultural exchanges among countries and territories in the region, conveys positive values to society, fully showcases the creativity and positive energy of young people, and provides a premium platform for young creators to showcase their works and engage in exchanges.

The 2025 Asia-Pacific Youth Micro Movie Festival, with the theme "Young Minds Ignite, Family Ties Unite", encourages young people to actively participate in film creation and demonstrate innovative thinking. At the same time, it upholds the value of family harmony, inspiring youth to reflect deeply on family and social issues in their works and integrate positive ideals into their creative process. All selected productions follow unified guidelines, with a runtime of around 20 minutes each. Featuring a wide range of themes and diverse styles, the works explore cultural phenomena across the Asia-Pacific and the personal journeys of young individuals, offering the audience a rich cinematic experience.

The festival was honoured to invite renowned Malaysian artist Ms Lin Min-Chen as Event Ambassador to elevate the

event's profile and international visibility. During the ceremony, Ms Lin Min-Chen shared her aspirations and perseverance in the entertainment industry, inspiring young participants with her personal journey. She remarked: "Film is a powerful medium for diverse cultures sharing stories and emotions. It inspires all young people with filmmaking dreams to stay determined and create bravely."

Asia-Pacific Youth Micro Movie Festival Community Screenings

To further extend the event's influence and foster cross-cultural exchange and

connection, four community screening sessions were successfully organised. A total of 14 films by young directors from Mainland China, Thailand, Malaysia, Cambodia, the Philippines, Singapore, India and Hong Kong were featured. Covering cultural heritage, youth growth, family affection and other diverse themes, the works fully demonstrate the creative vitality and multicultural vision of Asia-Pacific youth.

Apart from JCI members, the screenings

also drew enthusiastic participation from the general public and students. Through the medium of film, community audiences were able to enjoy international short films, while face-to-face dialogue between local communities and young international filmmakers was facilitated to enhance mutual understanding.

The 3rd Asia-Pacific Youth Micro Movie Festival has concluded successfully. It not

only offered a stage for young directors across the Asia-Pacific to showcase their talents, but also promoted regional cultural exchanges and conveyed the passion and positive values of young creators, allowing these cinematic stories to leave a lasting social impact.

It is anticipated that similar events will continue to be held in the future, gathering more young Asia-Pacific creators to connect people through imagery, support youth in pursuing their dreams, and drive the integration and development of diverse cultures.

NATIONAL PARNERSHIP AND PUBLIC RELATIONSHIP

On March 19, 2026, a landmark moment in international cooperation took place during the Global Talent Summit Week at the Hong Kong Convention and Exhibition Centre. JCI Hong Kong, China (JCIHK) officially entered into a Cooperation Agreement with Hong Kong Talent Engage (HKTE), marking a high-level strategic alliance designed to reshape the city's professional landscape.

The signing ceremony was a high-profile affair, conducted under the watchful eyes of Mr. Chris Sun, Secretary for Labour and Welfare of the HKSAR Government, and Ms. Phan Ngoc Diem, JCI Vice President. The document was formally signed by Mr. Felix Chan, Director of Hong Kong Talent Engage, and Senator Daryl Lin, President of JCI Hong Kong, China. This high-level presence underscored the importance the government and international civic organizations place on securing Hong Kong's future as a global talent magnet.

The scale of the event reflected its international significance. JCIHK invited a prestigious cohort of over 110 guests, including Consuls General and diplomatic representatives from more than 10 countries. Notably, the gathering included over 50 JCI international leaders who traveled from across the globe to witness the signing, signifying a collective commitment to cross-border professional mobility.

At the heart of this partnership is the utilization of JCI's sprawling global network. With a presence in 114 countries and territories and a membership of over 150,000 young leaders, JCI provides an unparalleled pipeline for talent recruitment. By collaborating with HKTE, the partnership aims to promote global talent development and create a seamless interface between international professionals and the Greater Bay Area (GBA).

This collaboration is set to foster a thriving international youth talent ecosystem within Hong Kong. By empowering young

professionals to seize cross-border opportunities and engage directly with established industry titans, the initiative helps bridge the gap between local ambition and global expertise. As Hong Kong continues to evolve as a "super-connector," this agreement serves as a vital engine for economic and professional growth. Ultimately, the partnership reinforces Hong Kong's position as a premier international talent hub, ensuring the city remains a competitive, vibrant, and welcoming destination for the world's brightest minds. Through these joint efforts, JCIHK and HKTE are not just signing a contract; they are building a gateway for the next generation of global leadership.

NATIONAL LEADERSHIP DEVELOPMENT

The workshop concluded with an engaging Q&A session, where Senator Zenith Lin generously shared his valuable insights and practical advice. The interactive format has better prepared future NOM and LOM Project Chairmen for their leadership roles in 2026.

The Trainer Mentorship Program 2026 (TMP), proudly presented by JCIHK's National Training and Development Commission (NTDC), aims to empower members by encouraging them to become impactful trainers. Becoming a trainer is not just about teaching others; it is a powerful way to develop essential leadership skills. Our initiative provides opportunities to enhance communication and confidence, develop emotional intelligence and coaching skills, improve problem-solving, and encourage continuous learning. Through this program, participants will master crucial learning outcomes, including presentation, facilitation, managing activities, and effective evaluation.

The TMP 2026 Kick-off Ceremony achieved significant success, bringing together passionate members dedicated to self-improvement and training excellence. Supported by the NTDC and an enthusiastic community, the gathering created a lively and vibrant atmosphere. Attendees were eager to learn training skills and tools, ready to design their own impactful sessions under the expert guidance of our Star Mentors.

NATIONAL GLOBAL AFFAIRS

The global conversation has long been dominated by a single question: What are we entitled to? This quarter, the JCI Global Affairs Team shifted the dialogue. While continuing to champion the Sustainable Development Goals (SDGs) and strengthen our connection with the United Nations, we have doubled down on a complementary framework: Human Duties.

JCI presents the Universal Declaration of Human Duties for Leaders, empowering young people to act based on individual and collective responsibilities. These seven principles apply to individuals and institutions across government, business, and civil society. At JCI, we support those who assume the duty to lead their lives and work with respect and responsibility—for the prosperity of humanity, today and tomorrow.

This year, that vision became action. In January 2026, JCI Hong Kong, China officially launched the Human Duties Rally, a seven-month campaign running through July. The rally invites members to learn and practice one Human Duty principle each month through simple daily actions, photo submissions, and short quizzes. It is grassroots accountability made practical. And we encourage everyone to take part.

Across the globe, events are bringing these principles to life. One particularly memorable gathering took place on January 21, 2026: "Thriving as JCI Moms: Mastering Balance and Success!" The event brought together dedicated JCI parents and their children for an evening of sharing, connection, and inspiration. Participants exchanged real-life experiences on balancing motherhood, career, and active JCI involvement. The warmth was palpable. The highlight came when the children presented a handmade necklace to JCI President Alejandra Castillo—a small, heartfelt token that spoke volumes about gratitude, service, and mutual respect. Attendees left feeling seen, supported, and empowered.

That single evening, full of laughter and honest conversation, was more than a networking event. It was a living example of what Human Duties look like in practice: respect across generations, care for the vulnerable, and a commitment to building community from the ground up.

But the JCI Moms gathering is just one of many. From January through July, rallies, workshops, and community

actions across Hong Kong and beyond will continue to turn the seven duties into daily habits.

Leadership is not just a title. It is a daily choice to act responsibly. Join the Human Duties Rally. Take the quiz. Submit your photo. And help us build a world where rights and responsibilities rise together.

Leadership is not given. It is carried.

This March, JCI carried it into the halls of the United Nations.

The newly established JCI Women in Leadership Commission has one urgent mission: to strengthen inclusive leadership by creating spaces where women leaders grow, share, and inspire the next generation. Because true leadership reflects the full diversity of the communities it serves.

During the 70th Session of the Commission on the Status of Women (CSW70) at UN Headquarters in New York, a high-level JCI delegation made its mark. Led by JCI President Alejandra Castillo, Secretary General Elvin Teo, and National Vice President Rycho Cheuk—who also serves as Deputy Chairperson of the Women in Leadership Commission—the team proved that young leaders bridge global policy and local action.

The delegation solidified alliances with UN Youth, UN Women, other UN agencies, and public organizations. They also engaged in strategic dialogues with

the Permanent Missions of Turkey and Japan, and held productive consular meetings with the Consulate General of Bolivia and the Philippines in New York. These bilateral meetings showcased JCI's unique ability to mobilize young people toward the 2030 Agenda.

CSW70 Side Event: From Advocacy to Action

JCI hosted a side event at CSW70: the Female Leadership Forum. The forum brought together close to a thousand registered participants, with speakers from the Ban Ki-moon Centre, UN Women, SDG Academy, AIESEC, and more. Together, they dismantled systemic barriers preventing women from advancing into leadership, offering practical models for driving inclusive economies.

Next Milestone: Global Youth Summit

Join 260 changemakers in New York from July 29–31, 2026, for the Global Youth Summit. Held at UN Headquarters and the Japan Society in NYC, the Summit will feature three days of diplomacy simulations, interactive workshops, and direct engagement with the world's most pressing challenges.

The world is watching. JCI is ready. The question is: will you be in the room where it happens?

NATIONAL YOUTH AND COMMUNITITY AFFAIRS

"ONE FOR ALL" Spirit: Protecting Life, Serving Humanity

The "Blood Donation Day 2026," co-hosted by Junior Chamber International Hong Kong, China (JCIHK), and the World Charity Society, was successfully held on 14th March, 2026, at the Head Office of the Hong Kong Red Cross Blood Transfusion Service. With the shared mission of "Protecting Life, Serving Humanity," we led our members to take concrete action, fulfilling our social responsibilities through blood donation and bringing warmth and strength to the community.

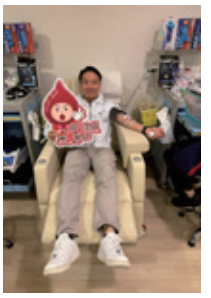

We actively encouraged members from all local chapters to participate and donate blood voluntarily. Each unit of blood is a gift of life; it can save more precious lives, ease the shortage of medical blood supply in Hong Kong, and bring hope to those in need.

This blood donation event was more than a charitable activity — it fully embodied the spirit of "ONE FOR ALL" Every small contribution from our members combined to create a powerful social force for saving lives, spreading care and warmth across the community through mutual support, solidarity, and compassion. Meanwhile, the event also reflected the core values of the Universal Declaration of Human Duties for Leaders, upholding life, promoting social inclusion, and giving back to society with love and responsibility through real action.

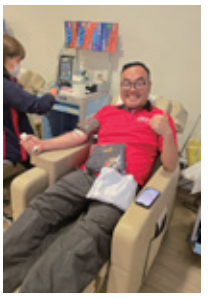

We will lead by example, encourage our members to participate in charitable activities, and organize a more diverse range of community service events. We will continue to leverage the power of "ONE FOR ALL" to contribute to the Hong Kong community.

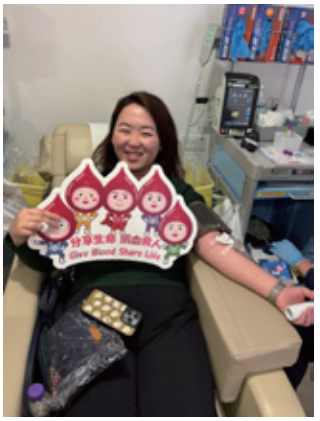

Unite Youth Strength and Build a Cross-Sector Exchange Platform

- Senator Dr. James Tsui, MH (2006 JCI Hong Kong, China National President)
- Senator Calvin Chan (National Executive Vice President)
- Mr. Arthur Cheung (JCI Yuen Long)
- Mr. Boris Cheung (JCI Lion Rock)

A total of 49 participants, including members of the National Board of Directors, Chapter Presidents, and members, attended the event. The atmosphere at the event was warm and harmonious, and the participants engaged in in-depth exchanges and discussions.

Drawing on their experience in public service, education, business operations, and social practice, they shared valuable insights with members. They provided professional guidance and practical suggestions for youth development, pointing the way for their growth, helping them improve their overall quality, and enhancing their sense of social responsibility.

This exchange evening further strengthened the connections and cooperation between chapters and guests and profoundly promoted the core spirit of "One for All". Upholding their original aspirations, young people will continue to enrich the forms of activities, expand communication channels, and build a more diverse and valuable exchange platform for young people, helping them achieve self-growth and improvement, build a caring and inclusive community, and contribute youthful energy to Hong Kong's development.

37th Grandparents' Day Initiative by JCI Victoria

The 37th Grandparents' Day initiative, organised by Junior Chamber International Victoria since 1989, every 2nd sunday of October. We are marking another milestone in our long-standing commitment to fostering intergenerational harmony and community wellbeing in Hong Kong. More than a symbolic annual event, this year's programme was designed as a data-driven, year-long community engagement strategy–combining research, public advocacy, and ongoing service initiatives.

Press Results

At the core of this year's campaign was the "Elderly Mental & Emotional Wellbeing Survey," conducted between December 2025 and January 2026. A total of 428 respondents aged 60 or above participated, providing valuable insights into the current emotional landscape of Hong Kong's ageing population. The findings revealed a critical social issue: a growing sense of emotional isolation and lack of perceived social value among the elderly, even among those living with family members.

These insights formed the foundation for our public engagement efforts. A press conference was successfully held at the Legislative Council Complex, where survey findings were officially released. The event brought together key stakeholders across sectors, including policymakers, medical professionals, and community leaders, to respond to the findings and advocate for a broader societal conversation on elderly mental wellbeing.

The initiative achieved strong public visibility and media reach. A total of 16 media coverages were secured across both Hong Kong and Mainland China, including well-recognised platforms such as Ming Pao, AM730, HK01, Phoenix News, and Sina. This level of exposure significantly amplified the message beyond our immediate network, positioning JCI Victoria as an active voice in addressing emerging social challenges.

Building on this momentum, the 37th Grandparents' Day adopts the theme "See. Touch. Love – Building Love", reflecting a shift from awareness to action. The programme is structured as a continuous, year-long service rather than a one-off event.

From April to July, a series of aromatherapy hand massage workshops will be conducted to train approximately 250 volunteers, including both young people and "young-old" participants. These workshops aim not only to equip volunteers with practical skills, but also to foster empathy, communication, and intergenerational understanding.

The flagship service will take place on 8 August, where trained volunteers will provide aromatherapy hand massage and companionship to over 500 elderly participants. This initiative is designed to create meaningful human connection through simple yet powerful acts of care–addressing the emotional needs highlighted in the survey.
Through this initiative, JCI Victoria continues to evolve its role–not only as a service provider, but as a connector between generations and a catalyst for social awareness. By aligning community needs with structured programmes and measurable outcomes, we aim to contribute meaningfully to a more inclusive and compassionate society.

Looking ahead, we will continue to build on this foundation, ensuring that Grandparents' Day remains not just a date on the calendar, but an ongoing commitment to "seeing," "connecting," and "valuing" our elderly community.

JCI Island Updates: First Quarter Highlights and Engagement

JCI Island commenced 2026 with strong momentum under the theme "Unite to Ignite," delivering a series of impactful initiatives that fostered leadership development, fellowship, international engagement, and community service.

The year began with the JCI Island 2026 Inaugural Ceremony, marking the official installation of the Board of Directors and setting a clear direction for the year ahead. This was followed by the January Fellowship Gathering, providing members with a valuable opportunity to reconnect, strengthen bonds, and build a united foundation for the chapter.

Alongside internal engagement, JCI Island remained committed to creating positive community impact. From January to March, the chapter organized monthly social outreach initiatives in collaboration with Fu Hong Society, St. James' Settlement, and Rotary Club of Island Green. These efforts enabled members to actively serve the community while strengthening external partnerships and reinforcing the organisation's social responsibility.

In February, the chapter further strengthened internal cohesion through a series of fellowship activities. The SMC Chinese New Year Gathering, held as the official monthly meeting in collaboration with the Senior Member Club, provided a meaningful platform for interaction between current and senior members,

fostering intergenerational bonding while celebrating the festive spirit of the Chinese New Year. Complementing this, the Wine Thursday gathering offered a relaxed and engaging setting for members to connect, unwind, and deepen relationships, further enhancing the sense of belonging within the chapter.

In addition, JCI Island actively participated in cross-chapter initiatives during the month, including the JCIV x KJC x IJC x PJC Niigata Night and the IJC x LRJC x YLJC x BJC x CLJC Chinese New Year Hiking. These engagements expanded members' networks across Local Organizations and strengthened inter-chapter friendships, further embodying the spirit of unity within JCI.

March marked another highlight in both fellowship and collaboration. The March Fellowship Gathering: Whiskey Tasting & Investment, co-hosted with JCI Dragon, provided a unique platform that combined lifestyle experience with professional development. Members not only enjoyed an interactive whiskey tasting session but also gained valuable insights into investment strategies, enriching both their personal and professional growth.

On the international front, JCI Island strengthened its global presence

through official visits and attendances at key events of its sister chapters. The chapter was honored to attend the Inaugural Ceremonies of JCI Taipei and JCI Manileña, as well as the 72nd Anniversary Celebration of JCI Seoul. These engagements deepened international friendships, reinforced strategic partnerships, and broadened members' global perspectives, truly reflecting the spirit of One JCI.

半島青年商會 2026 年旗艦項目 - 第四屆「與未來對話之明日保育領袖」保育倡議比賽

半島青年商會一直以「以瞭未來、關懷社會」為目標，以務實態度承擔迎接挑戰，推動社會進步。本年度旗艦工作計劃以培養青年保育意識及領袖才能為核心，推出第四屆「與未來對話之明日保育領袖」保育倡議比賽，邀請全港中三至中四學生組隊，現已有 13 間學校參與，共同探索北部都會區發展與保育的平衡之道。

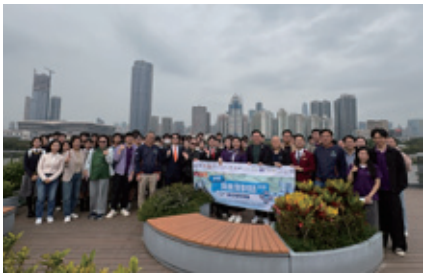

提升青年視野　培育明日領袖

是次比賽旨在提升中學生對北部都會區規劃的認識，幫助他們理解保育與發展並重的城市規劃重要性，並激發他們對香港未來的興趣，培養具視野、有抱負的積極公民。

每隊由 4 至 6 名學生組成，每所學校最多提名一隊。研究範圍聚焦牛潭尾新發展區，參賽隊伍需同時完成規劃層面及方案層面的研究。第一層需分析區位優勢、土地用途相互關係，以及與大學城、醫教研醫院、生態空間等周邊設施的連結；第二層則須抽籤選定特定空間區域及保育類型（生態、文化、建築、旅遊、教育、歷史），以公共設施為設計核心，提出具創意及可行的保育活化方案。

比賽鼓勵學生參考中國內地及全球案例，融入藍綠資源、15 分鐘生活圈、碳中和、城鄉融合等概念，展現對牛潭尾的深入理解與創新思維。

系列工作坊　裝備學生實戰能力

為幫助學生更好地準備比賽，半島青年商會已於 2026 年 3 月至 5 月期間舉辦一系列工作坊，包括：

3 月 21 日開幕禮暨河套科創築城館導賞團，讓學生親身感受北部都會區發展脈絡；

4 月 11 日 AI 專業技巧工作坊；

5 月 2 日公開演說匯報工作坊；

5 月 23 日辯論技巧工作坊。

這些活動不僅傳授規劃知識，更強化學生的研究、表達及倡議能力。初賽作品（A2 展版及 3-5 分鐘介紹影片）將於 5 月 31 日截止提交，入選隊伍將於 7 月 5 日進行最終匯報及閉幕禮。

攜手共建可持續未來

透過這項旗艦項目，半島青年商會希望為中學生提供一個走出課堂、走進社區的實踐平台，讓他們成為真正關心香港未來的「明日保育領袖」。至今，多場工作坊已順利舉行，學生參與熱烈，反應正面，充分展現新一代青年對城市發展的熱誠與創意。

「香港特別行政區傑出學生選舉」是元朗青年商會的旗艦活動，始於一九八八年起，是全港學界每年一度的盛事。從最初十屆（即一九八八年至九八年）只讓新界區中學及職業先修學院參與；到第十一屆 (一九九九年) 起，選舉開始接受全港所有中學及職業先修學院提名其傑出學生競逐殊榮。從每屆選舉均收到數以百計來自全港不同學校的報名表格可見，經過三十載的發展，「傑生選舉」的活動規模及在學界的認受性是無庸置疑的。

「傑生選舉」的主要目的是裝備和培養年輕一代的領導者。通過選拔和各項活動，我們希望喚醒學生對社會的關注，啟發他們積極參與改善社區的工作。除了學業成績外，「傑生選舉」的評選準則還包括品格、才能、公民意識和社會服務等，務求鼓勵學生在學術以外的領域追求卓越。每年的選舉主題不但引起學生對社會的關注和討論，也提高了他們的公民意識。以往主題包括社會流動性、創新和承傳、積極公民、年青人抗逆力等。本年度選舉主題為「『醫』缽相傳、『智』療香港」，期望透過本屆選舉引導學生關注香港醫療與健康領域的發展與挑戰，並思考如何結合醫學傳承與科技創新，以智慧推動醫療進步，造福社會。醫學知識與仁心仁術需要代代相傳，而現代科技亦為醫療帶來前所未有的可能性。

我們鼓勵學生憑藉洞察力與創造力，突破現有框架，以科學為基礎、科技為助力，共同構建更健康、更智慧的香港。我們希望藉本屆選舉了解學生對香港經濟的想法及期盼，鼓勵學生以客觀及創新的思維看待事物，珍視香港經濟發展。第 38 屆「香港特別行政區傑出學生選舉」將以本年度主題為切入點，並秉承過往宗旨，評選出十大傑出學生，嘉許和肯定他們在學術、領袖才能、社會服務等方面的成就。

隨著香港人口老化，認知障礙症帶來的挑戰日益嚴峻。國際權威醫學期刊《刺針》研究指出，大腦病變在出現明顯症狀前 20 年已經開始，但全球高達 45% 的個案其實可透過改善運動、控制血壓等 14 項生活風險因素來預防或延緩，因此 30 至 65 歲成為了預防腦退化的黃金期。為此，太平山青年商會推出全港首創的《挑戰腦朋友 2026》大腦健康風險全民普查計劃，聯同中大醫學院權威專家，針對這 14 項可逆轉的風險因素，致力提高大眾的預防意識。計劃積極響應聯合國可持續發展目標 3 - 良好健康與福祉 及 4 - 優質教育，期望透過早期篩查與介入降低發病率，長遠減輕香港的醫療與照顧負擔。

在具體行動方面，計劃於今年 3 至 7 月推行全民普查，市民只需 3 分鐘完成問卷，即可即時評估未來 20 年的大腦健康風險並獲取針對性的預防建議；隨後於 6 至 8 月會引入嶄新的無創技術，透過分析「眼底相」配合 AI，以逾 80% 的準確率及早偵測阿茲海默症風險。此外，計劃在 4 至 7 月期間會舉辦多場專家教育講座傳授護腦知識，並於 7 月 19 日為響應「世界腦健康日」而推出全新「社區服務日」暨成果發佈會，透過設立互動攤位及記者招待會等

形式推廣日常護腦實踐。整個計劃不僅填補了香港在大腦健康本地數據上的空白，更成功將醫學知識轉化為具體行動，透過與權威專家、社會名人、區議員、關愛隊及企業的跨界協作，將影響力深入社區，目標覆蓋逾 2,500 人，攜手共建一個健康的「護腦」香港。

2026 同心圓系列：智創引力場

同心圓系列每年就女性面對的不同議題進行討論。今年已踏入第十一屆，主題為「智創引力場」，專注為香港青年提供科技驅動的職涯引導。

繼三月份「品牌創業分享會」圓滿舉行，成功啟發青年探索品牌創業後，我們將持續推出 AI 應用工作坊及灣區科技研學團。

本計劃旨在傳授前沿實戰技能，打破資訊差，全方位提升青年的職場競爭力與創新思維。我們期望協助青年裝備自己，成為具備優勢的人才，成就理想職涯。

「守護同行」關顧照顧者工作計劃

隨著人口老化持續加劇，許多長者在步入暮年之際，同時要兼負照顧者的角色，成為支撐同輩甚至更年長家人的支柱。

「以老護老」是日益普遍的社會現實。在銀髮歲月中繼續扛起照護責任，他們的身心壓力與真實需要，卻往往隱沒於忙碌的日常之下，未被看見及傾聽。

本計劃將以「認識照顧者」為起點，透過不同活動「照顧者養生· 護航關懷分享會」、照顧者多多關「照」服務日讓他們享受被關顧的日子。從而推動一場溫柔而深刻的社會對話，旨在喚起公眾對護老議題的關注，提升倫理及家庭互助精神，建立共融的社區環境。

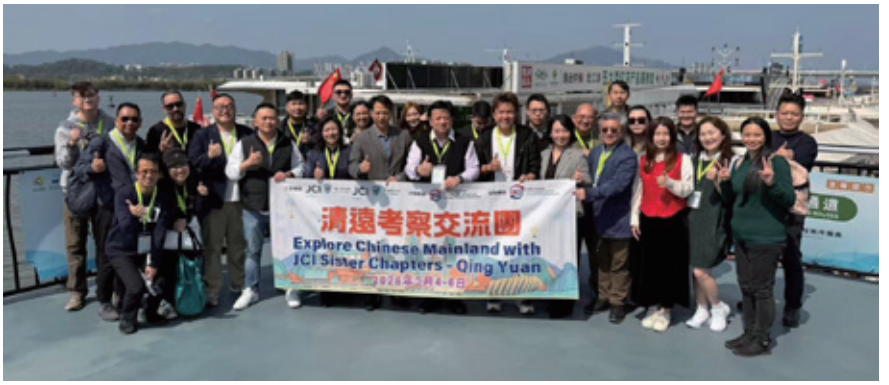

2026 亞洲青少年交流計劃

隨著本計劃踏入第十二屆，我們透過帶領 13-15 歲的青少年衝出香港到馬來西亞檳城與超過十個亞洲國家或地區的青少年進行交流及考察，持續培訓青少年跨文化理解及全球視野，從交流經歷中學會感恩，鍛鍊自主學習及解難能力，說好「香港故事」，成為明日領袖

JCI QUEENSWAY

As 2026 commenced, JCI Queensway , a proud local chapter of Junior Chamber International (JCI) Hong Kong—embarked on a transformative journey under the annual theme "Choose to Lead." The first quarter of the year served as a powerful testament to the organization's commitment to leadership development, community engagement, and fellowship.

The year began with a decisive statement of intent. On January 1, JCI Queensway published the first 2026 issue of its official publication, Progress, sharing the chapter's strategic roadmap with various stakeholders. This was followed by a massive outreach effort on January 10 during Lion Service Day, where members introduced the mission of JCI to over 2,000 elderly citizens and numerous community organizations.

Growth remained a core focus, evidenced by the Prospective Member Orientation (PMO) on January 16, which successfully welcomed six new members. The month's momentum peaked on January 17 at the Inaugural Ceremony, where a distinguished audience of 112 guests witnessed the official installation of the 2026 Board of Directors.

In February, the chapter pivoted toward internal capacity building. The "Leadership in Action" LD Training Workshop kicked off on February 7,

featuring Past President Heidi Chong, who shared her expertise in Project Design with 12 dedicated members.

Fellowship remained the heartbeat of the organization. From a Lunar New Year hiking gathering with JCI Harbour and JCI Sha Tin to the SMC gathering at the Happy Valley Football Club, members found ample opportunities to connect. The month concluded with a vibrant Monthly Fellowship Gathering on February 27, where 25 members celebrated a "Chinese New Year Reunion," reinforcing the ties of the Queensway brotherhood.

The momentum accelerated in March with a focus on sophisticated leadership skills. On March 7, Past President Senator Terry Chan conducted a workshop on JCI Protocol, ensuring members maintain the highest professional standards. This was followed by the Monthly Fellowship Gathering on March 27, titled "The Art of Persuasion." Attended by 22 members and prospective members, this session provided a platform to master the nuances of influential communication—a vital tool for any emerging leader.

The quarter's activities took a meaningful turn on March 28 with a visit to "Mindspace" This experiential visit allowed members to explore the history and progress of mental health treatment, fostering the empathy and social awareness required for modern, compassionate leadership.

By consistently opting for action over observation, the chapter has truly embodied the "Choose to Lead" spirit, laying a formidable foundation for a year of impactful growth. This is only the beginning.

JCI Sha Tin

Key to Success

JCI Sha Tin has adopted "Key to Success" as its theme and slogan for the year, emphasizing that essential skills and traits are the keys that unlock personal and professional goals. True success begins with competence—empowering individuals to move forward with confidence.

In line with this vision, a major focus of this year's efforts is providing "Sha Tin Buddies" with opportunities to acquire these keys, enhance their abilities, and develop their strengths.

Sha Tin Classroom

At the heart of this initiative is the Sha Tin Classroom. Believing that every member is not only a future leader but also a teacher with unique talents, the chapter has integrated brief learning sessions into monthly board meetings. During breaks, board members share their knowledge and skills with fellow members. In March, Immediate Past President Randy Lee demonstrated how to use Gemini AI to streamline daily chapter work and personal tasks—handing the "key of capability" to every listener. The session went a step further by connecting digitally with sister chapter JCI South Key in Malaysia, sharing the key across borders.

To make learning more accessible, select Monthly Fellowship Gatherings (MFG) have also adopted the classroom model. At the March MFG—a magic workshop—Faye led an engaging session combining magic performances with communication skills training. The event drew an enthusiastic crowd, with one participant noting, "I now understand that what makes magic brilliant is not just the tricks themselves, but the power of speech and presentation skills during the performance."

BA Flagship Project 2026

As the digital landscape evolves at breakneck speed, the old rules of marketing no longer apply. JCI Sha Tin's flagship seminar, "Now Is The Time: Universal Digital Sprint," offers a timely and practical roadmap for those ready to take charge of their online destiny.

By bringing together two distinct yet complementary voices—Kevin Shee's expertise in brand-building and personal IP, and the hands-on Reels mastery from the founder of "Zui Sou Gau"—the event on 21st May bridges the gap between vision and execution. Attendees will leave not just inspired, but equipped with actionable tools: from shaping a memorable personal brand to creating scroll-stopping short videos that convert views into revenue.

This seminar is more than a one-day event—it is another key in JCI Sha Tin's "Key to Success" initiative, unlocking digital competencies for young entrepreneurs, SME owners, and professionals.

JCI TSUEN WAN

JCI Tsuen Wan (JCITW) is a dynamic non-profit leadership development organization and the 20th affiliated chapter of Junior Chamber International Hong Kong, China. Established in 2013, our chapter comprises over 30 young active citizens aged 18 to 40, including entrepreneurs, civil servants, and professionals. We are dedicated to providing leadership opportunities that empower young people to create positive community change in the community.

2026 Theme: "Masteries Unleash"

In 2026, JCI Tsuen Wan operates under the theme "Masteries Unleash" This vision calls on our members to move beyond basic participation and instead unleash their professional and leadership potential to serve future generations.

1. We Are Masters

"We Are Masters" is a transformative program designed to empower individuals to unlock their personal potential through practical skill mastery. Through hands-on courses such as mobile photography, social media growth, and AI content creation, participants evolve from passive consumers into confident creators. Aligned with the spirit of "Masteries Unleash," the project inspires members to step out of their comfort zones, discover their strengths, and turn knowledge into real-world impact. This Leadership Development program includes three courses:

- **Master with Shot**
- **Master with Flow**
- **Master in AI**

2. Children's Play Rights
(遊戲權利您有 SAY)

Celebrating its 10th anniversary in 2026, this flagship project remains committed to advocating for Article 31 of the UN Convention on the Rights of the Child. With research indicating that nearly 70% of children experience high levels of stress, our 2026 campaign,"10 Years of Play, Moving Forward Together (童戲十載 • 躍動前行)," reinforces the belief that every child deserves at least one hour of free play each day.. Key activities include an innovative 3D Printing Workshop - where children move from "participants" to "creators"—and a large-scale community carnival.

3. Walking Together, Restarting Lives
(同行，再出發)

Aligned with the belief that "Service to Humanity is the Best Work of Life," this project focuses on social inclusiveness. It supports 130 individuals living in transitional environments "Second Homes" (halfway houses, community living rooms, and elder care homes) who are separated from their primary support systems. The project aims to rebuild participants' confidence and social connections. A key highlight is the Reflection Seminar on 5 July, which emphasizes our shared responsibility to care for vulnerable groups and foster community harmony.

Through these initiatives, JCI Tsuen Wan continues to unleash the mastery of its members, to bridge social gaps, and build a more inclusive and resilient Hong Kong.

JCI LANTAU

JCI Lantau 2026 First Quarter Journey

We held our Inauguration Ceremony on 12 January 2026 at the start of a brand new chapter year. The Director of Immigration, Mr. Kwok Joon-fung Benson, IDSM, attended as our guest of honor to witness the new Board of Directors take office. Our board members performed a special musical piece to highlight the evening and showcase our team spirit. Our theme for the year is "In Faith We Carry On", which guides our efforts to build a prosperous year for the chapter while encouraging every member to stay resilient and motivated in their personal growth.

Strengthening Member Bonds

We organized active programs to keep our members engaged throughout the first three months.

Muay Thai Session: In February, members participated in a high intensity Muay Thai workout. This session challenged us physically and mentally, and it

strengthened our bond as we actively engaged with each other. We showed great discipline by attending this training right after a long day of work. This energy proves that our members value physical health as much as leadership development.

Lunar New Year Gathering: We celebrated the festive season with a relaxing greeting gathering. This allowed members to have a moment to recharge after project plans and catch up with friends. Such gatherings are vital for maintaining a supportive network within the chapter. They give you the chance

to share ideas in a casual setting before the busy project season begins.

Taiko Blast: Our March MFG was a traditional Japanese drumming session in March. Everyone joined this rhythmic activity and experienced Japanese

traditional culture before ASPAC. The event built strong camaraderie through music and laughter. The powerful rhythm of the drums required perfect timing and cooperation. It was a unique way for the leadership team to practice working in harmony while learning about different cultural traditions.

Serving the Lantau Community

Our flagship project, Sustainable Lantau, reached the local community through the Mui Wo Photography Trail, which

included both a workshop and the trail itself.

Photography workshop: Participants learned portrait skills and were equipped with basic photography skills for the trail. By learning these technical skills, you are better prepared to tell the story of our community through visual media.

Photography Trail: Participants captured the natural landscapes of Mui Wo and their enthusiasm showed a deep appreciation for the environment.

We also met with local residents in Mui Wo and they expressed interest in the projects and mission of JCI Lantau.

While taking photos, we met an NGO from Sham Shui Po and gained valuable insight into home based elderly care during the meeting by chance. This unexpected encounter reminded us of the diverse needs in our society. It inspired us to think about how JCI can bridge gaps between different districts and social services.

These activities in the first quarter set a positive tone for the rest of the year. We will continue to serve our members and the Lantau community with energy and faith. We look forward to achieving even greater milestones with you in the coming months.

JCI 2026 CURRENT FACTS

ABOUT JCI

We are a membership-based international youth leadership organization of 200,000 young people aged 18 to 40 in 5,000 communities and more than 100 countries around the world. Each JCI Member shares the belief that in order to create lasting positive changes, we must improve ourselves and the world around us. We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

2026 PRESIDENT

Alejandra Castillo

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 100 years ago from a constructive approach to civic problems. Founded in 1915 in St. Louis., Missouri, USA by Henry Giessenbier Jr. , the movement was spread out, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

JCI CORPORATE SLOGAN

LEAD
CONNECT
EVOLVE

To lead means to step up and take responsibility, not for recognition, but out of conviction making bold choices, amplifying unheard voices and channeling our passion into action.

In a world that demands ethical action, JCI leaders are change-makers who think globally and act locally.

We connect by understanding with emotion, and forming relationships that transcend backgrounds, borders, and beliefs. When we truly connect we unlock the power of collective action rooted in shared values. In an age where technology brings us closer but society can still feel divided, emotional inteligence and empathy are our most powerful tools.

To evolve is more than to adapt, to challenge old patterns, it is about embracing innovation, and preparing to lead in the world we are shaping.Every experience shapes us. Every mistake teaches us. Every connection expands us. Through this ongoing journey of evolution, we develop the mindset we need to face today's challenges and create tomorrow's solutions.

HEADQUARTERS

The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, U.S.A. since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield, St. Louis, Missouri, U.S.A., where the first local organization was founded in 1918. A professional staff of 20 full-time employees currently provide services to JCI members. The Secretary General is Elvin Teo.

JCI OPPORTUNITIES

JCI can be called an organization of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each area. As the members work on these projects, they encounter opportunities for total development.

ONE LEGACY, ONE COMMITMENT, ONE FUTURE

ONE for ALL is the theme and mission of 2026. It embodies the essence of being a Global Active Citizen: every individual's dedication fuels collective progress.

For 75 years, this selfless spirit has inspired generations of members to create impact to the society, from leadership training to global sustainability initiatives, living the JCI Creed "Service to humanity is the best work of life".

As young leaders in a new era, we must champion this legacy by replacing fragmentation with unity. By leveraging our strong global network, mainland connections, and government support, young leaders in JCI Hong Kong, China are uniquely positioned to pioneer social changes; we transform "ME" into "WE".

In 2026, this theme calls us to bridge generations and borders, proving that true leadership lies in empowering others. As JCI's mission states: when we develop leaders who create positive change, we build not just a better Hong Kong, but a more resilient world.
