Strategy and Implementation

What were the objectives of this program?

1. To rebuild the lives of 1, 500 Filipinos (550 families) affected by Typhoon Haiyan by: a. Renovating the damaged school of 950 students (education) b. Providing school materials for the students (education) Providing potable water supply (health and well-being) c. Conducting stress debriefing activities to the recipients (health and well-being) d. Introducing the adopted community to our partners and local chapters to earn more support for the years to come (2. To increase awareness of members on JCI Active Citizen Framework by activating a JCI Active Citizen Framework National Project that will be a role model project to the 188 local chapters in JCI Philippines 3. To contribute to JCI Mission and Vision, thus involving JCI Philippines members and Local chapters from across the National Organization. 4. To increase relevance of JCI Philippines in the country by positioning JCI Philippines as the organization that unites all sectors of society to create sustainable impact through the JCI Active Citizen Framework.

How does this program align to the JCI Plan of Action?

PROJECT 101 FOR TYPHOON HAIYAN is modeled alongside the 2014 JCI Plan of Action. It contributes to promotion of active citizenship as it brings about the actions of individuals through active citizen framework. It took the commitment not only of JCI members, but also education and awareness of every young person to build a better world. JCI is positioned as to unite all sectors of society to create sustainable impact through the extensive promotion of the Project 101 Typhoon Haiyan and activation of JCI Active
