JC YOUTH VOYAGE

A review of this cheerful event.

Message From National President

National President
Senator Spencer Suen

Greetings to all JC members!

I wish to start off this message with some good news. During the JCI Macau Conference, we have won a total of 11 awards for NOM and LOMs. Hong Kong Junior Chamber has been very successful and fruitful at the JCI awards ceremony during the recent years. These awards confirm and recognise the commitment of all members of HKJC in the pursuit of JC spirit. I am thankful to all members for their dedicated efforts. I look forward to your continued commitment in order to maintain a sustainable development for HKJC.

Also during the Macau Conference, HKJC had signed the Memorandum of Mutual Friendship with The Lions Club International District 303. We hope to develop a closer linkage between the two voluntary organisations. We will arrange some opportunities in the future for experience sharing between the members of HKJC and LIONS.

Summer is the busiest season for JC activities. The bright sunshine brings most of our members on the move. Community projects keep coming one after another, being launched by different chapters. We are pleased to see the hard work of our members making contribution to the betterment of our community.

In the Presidents' Academy held in July, once again we see the firm commitment of another group of young leaders making preparation to serve our organisation in the coming year. All of them are in their high spirit, with their vision for the further development of their own chapters and for national. We have full confidence in this group of dedicated members, but I would urge your full support to them. We would need the support of every JC member to make our plans happen. Therefore please render your full support to the NOM and LOM officers. One of the most important annual event for Hong Kong Junior Chamber will be the National Convention. This is the time for us to review and evaluate our accomplishments in this year. We shall be electing our next National President and NOM Executive Committee members. Therefore, all of us should attend the National Convention in September.

Looking forward to seeing you at the National Convention. ■

INTERVIEW WITH TEN OUTSTANDING YOUNG PERSONS ASSOCIATION (TOYPA) CHAIRMAN

Introduction of TOYPA

There has been Ten Outstanding Young Persons Selection since 1970. The selected ten outstanding young persons established the Ten Outstanding Young Persons Association (TOYPA). Up to now, there are about 180 members come from various professions. Some of them are now Legislative Council members.

A yearly selected executive committee constitutes of one chairman, two vice chairman, one honorary secretary, one honorary treasurer, 5 executive members and one ex-official member who is the National President of Hong Kong Junior Chamber (HKJC).

The relationship and its development between Hong Kong Junior Chamber and Ten Outstanding Young Persons Selection Association

Every year the HKJC organizes Ten Outstanding Young Persons (TOYP) Selection which continuously provides prospective members for TOYPA. On the other hand, National President of HKJC is the ex-official member in the executive committee of TOYPA. It forms an inter-related relationship between HKJC and TOYPA.

The ten outstanding young persons serve the society in various aspects. Despite their outstanding performance in their professions, they are also dedicated themselves to work for the community. They serve as the excellent role models for the youths.

HKJC is a leadership development training organization. It organizes a wide range of activities for developing one's personality to become a responsible, mature and serving person. The objectives of TOYPA and HKJC are complimentary in essence. Their co-operation in organization projects will make the project wonderful. We can see, TOYPA members support and participate the activities of HKJC enthusiastically. HKJC also join TOYPA's activities. During the co-operation process, HKJC members can learn from TOYPA members who act as role models.

Ten Outstanding Young Persons Selection

If there were no more projects for the selected TOYP to contribute, it would be a waste of elites. Hence, selection of TOYP from various professions contributie them to serve the community, making the selection more meaningful, and creating a powerful and positive force to serve the community.

There were less than 10 TOYP selected in recent years. It may not be related to the number of TOYP candidates. TOYPA chairman Dr. Thomas Ip urged those people with adequate qualification should participate the TOYP selection. The TOYPA committee will nominate the prospective candidates for TOYP selection. It will help to encourage those candidates who contribute hardly and silently to the community but not well-known to people, to participate in the selection so their contribution can be recognized by the society. On the other hand, TOYPA members work continuously to upgrade the TOYPA image, and make it more popular with people for attracting more qualified people to join in.

Year Plan

This year is the 20th anniversary for TOYPA. The theme is「逆境自強創新峰」. It responses to the present economic turmoil. Through the seminar, it recalled the past 20-30 years of Hong Kong the downturn events and analysed how Hong Kong people kept on striving themselves to create a vigorous economic situation.

TOYPA attended the ASPAC in May this year in Macau. It aimed to connect the Asia Pacific regions TOYPs to exchange ideas and hoped to develop the Asia Pacific Conference for TOYPA.

Fund Raising for Schools in China

TOYPA members visited the Kwangtung province the poor schools. The buildings were old and broken, locating far away. The children had to walk about 1 hour to school. Some of them even walked with bare foot. TOYPA members therefore decide to raise fund for improving their school environment, planning to set up the library fund, and to raise school fee for the poor students. On the other hand, secondary students from Hong Kong will organize the fun fair and family visit for China students. It also induces insights to the Hong Kong students who will learn from the live situation of the China students. It therefore inspires the Hong Kong students to give support to them either by money or by letters.

Education

TOYPA plans in this summer to organize a course of 10 lessons related to leadership. The past TOYP awardees will be invited as the speakers for the course. It will be on a first-come-first-serve basis.

Conclusion

Most of the youths in Hong Kong are raised up in an affluent environment. They do not need to earn their lives during their studying. It leads to their low threshold of tolerance of frustration. They may not easily stand in adversity. They have to prepare and train themselves in perseverance for overcoming adversity.
In conclusion, the TOYPA chairman encourages the youths nowadays should focus on preparing themselves for future, enjoying friendship and family support rather than materialized life. ■

I.A. Training Seminar

You benefit a lot from the experienced speakers. Are you also prepared for the World Congress in Manila?

The I.A. Training Seminar, organized by the I.A. Commission, was held on 31st March, 1998 at the Chamber office, with an attendance of 27 members from LOM and NOM. Past National President Senator Eddy Wong and Past President of City Junior Chamber Senator Stephen Chan were invited to be the speakers of the seminar.

During the Seminar, Senator Stephen shared his experiences with the members on "I.A. opportunities and the role as an I.A. officer". Since JCI is a worldwide organization, the international area among five areas of opportunity, is the most exciting and interesting area with lots of fun where:-

* a member can meet different people from different parts of the world at the international conferences such as Area Conference and World Congress;
* a member can make friends with members across the world through chapter twinning program;
* it provides opportunities for cultural exchange, and business networking, and international co-operation.

As an I.A. officer, the key role is to promote international opportunities to his/her chapter members; to encourage members to participate in the international activities and conferences; and to maintain a good contact and communication with sister chapters.

On the topic of "What is twinning?", Senator Eddy Wong has described "twinning" as a relationship instituted between two Junior Chamber chapters in different territories or countries to develop mutual understanding and co-operation.

Before participating in a twinning program, a chapter has to take into account the financial and membership resources, identify the objectives for twinning. When choosing a potential sister chapter, following criteria should be considered:
* similar background, common interests and objectives
* similar in size of membership
* proximity, in terms of cost and ease of travel
* language, being able to communicate
* genuine willingness to become sister chapter

The seminar was concluded with an experience sharing session led by Vice Chairman Patrick Ng who has given many inputs on "how to organize the members for ASPAC Conference". ■

The Reception of the 25th JC Youth Voyage

"On June 10, HKJC received 600 delegates including 150 JC members from Japan joining the JC Youth Voyage. For those who joined this IA function it was really a memorable and wonderful moment, even though it was just a one-day programme. Together with HKJC members, around 100 non-JC participants of Hong Kong, mainly the undergraduates, had an enjoyable time and experienced a chance to extend their friendship overseas. It was really an impressive scene that after the on-board friendship exchange party the youth from Hong Kong saw off their new friends on board at Ocean Terminal waving their hands until the cruise ship "Tokai-go" had gone out of sight. Why not organising such meaningful project and having good experiences in JC every year."

Friendship develops

Everybody Devotes to participate in.....

Following to an exciting energizing game, Executive Development Program II was called to start in the morning on 28 June 1998. With the theme of "Cheering Up!! Teaming Up!!, two training topics were set. "How to Improve Team EQ" and "Building High Performance Team". The former was conducted by Mr. Ronnie Ng, the Director of Best Practice Management.

Cheering up! Teaming up! How wonderful a team you have!

His stimulating trade game led the participants' arousal level to climax. On completion of the game, participants learnt that the critical winning elements of the game were understanding on constant change; openness and trust in information exchange; as well as willingness of collaboration. Although it was only a game, the winning tips could be applied to reality. The later was conducted by five, JCI Certified National Trainers: NPA Senator Justin Lui, JCI Asia Pacific Senate VP Senator Connie Chiu, TDC Chairman Senator Tony Chan, NVP Joseph Ho and Wesley Chau. During this training session, five coaches focused their training inputs in role of leadership. Also, they shared their valuable experience with five individual groups and led the groups to discuss the issues on how to motivate and inspire team members in various aspects. With those first hand experience from participants and advice from coaches, some insights on building high performance team were generated.

As the records of attendance rate compare with EDP I were relatively low, the organizing committee designed numerous incentive awards to encourage registration. As a result, the total number of 172 registrations was achieved - 6% higher than last EDP I. For this creditable result, the honor must go to the chapters which contributed much support to Organizing Committee to break the records, thus VJC, KJC, IJC, PJC, JTT, LRJC, BJC, QJC, NDJC and SJC were awarded the "Most Progressive Attendance Award". And the remaining awards: "Highest Attendance Award", "full Board Attendance Award" and "Outstanding Team Spirit Award" were all gone to LRJC.

As the chairperson of EDP II, I really want to take this opportunity to express my gratitude to all participants, my supervising officers and my fellow OC members again. Without their devotion and involvement, the goal of "Everybody Devotes to Participate in EDP II" could never be achieved! ■

Legal issues of a minor traffic accident

At 3:30 p.m., on 2nd July 1998, Mr. Chan was driving along Gloucester Road heading towards Central. All out of a sudden, the van in front of his vehicle suddenly stopped, Mr. Chan applied his brake immediately. Although he managed to pull up his car, there was still a slight collision between the two vehicles causing some minor damage to both vehicles. What should Mr. Chan do?

First of all, Mr. Chan stopped his car to check whether anyone was injured in the accident. Failing to stop after an accident which has resulted is either personal injury or property damage in an offence under the Road Traffic Ordinance. On conviction, it would further lead to a deduction of 5 points under the Road Traffic (Driving-offence Points) Ordinance.
Mr. Chan then found out that no one was injured in the accident and the damage to both vehicles was minor. What should he do next? It depends. If Mr. Chan had not given his name and address and the registration mark of his vehicle to the police or the other driver, he was required to report the accident to the police as soon as reasonable practicable and in any event within 24 hours. If the vehicle was not owned by him, Mr. Chan was furthermore required to give the name and address of the vehicle owner to the police or the other driver. Unless the aforesaid information is provided to the police or the other driver, failing to report an accident to the police as soon as reasonably practicable is an offence. On conviction, it would further lead to a deduction of 3 points under the Road Traffic (Driving-offence) Points Ordinance.

There was however no legal obligation for Mr. Chan to stop and report an accident to the police if the accident did not cause personal injury to anyone other than himself and the only damage was on Mr. Chan's own vehicle.

Should Mr. Chan notify his insurer? If Mr. Chan has any doubt that Mr. Lee may put the blame on him and claim against him, it is advisable for Mr. Chan to notify the accident to his insurer as soon as possible. The insurance policy invariably requires that the insured should report an accident to the insurance company as soon as possible and in any event not more than a few days after the accident. Failure to report within time will release the insurance company from its obligation to indemnity. Such consequence could be very serious. The recent court decisions have substantially increased the amount of compensation payable to a victim injured in a traffic accident. A driver may not have the means to pay the compensation to a victim if his insurance company is not liable to pay the same by reason of the driver's failure to notify about the accident.

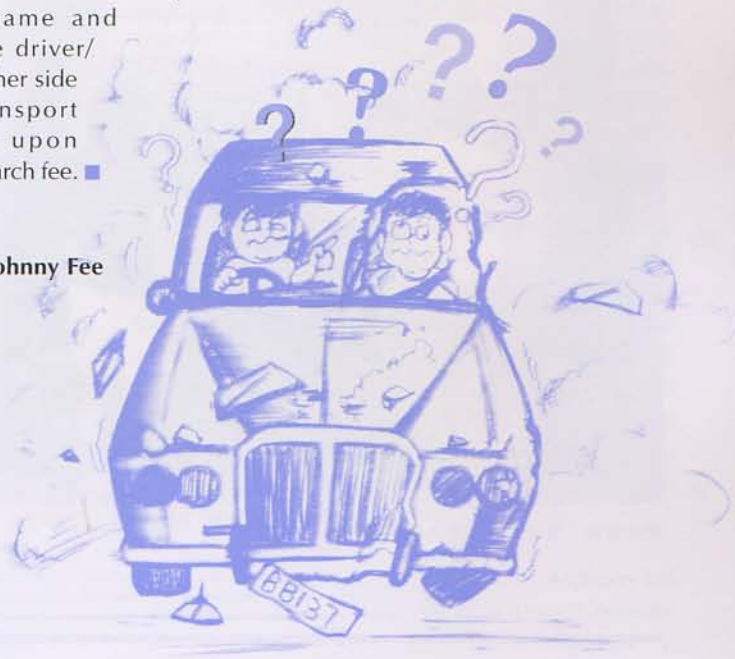

If Mr. Chan was sure that the damage was very minor and nobody was injured, he might choose not to notify the accident to the insurance company if such notification would deprive from of the no claim bonus ("NCB") offered by his insurance company. He might make some telephone enquiry with his insurance company on his NCB before making his decision whether to make the notification.

Assuming Mr. Chan incurred $18,000 repair costs as a result of the accident and he was protected by comprehensive insurance, should he claim his own insurance company for reimbursement of the repair costs or should he claim against the other driver, say Mr. Lee? If Mr. Chan claimed his insurance company, provided that the claim was made within time, the insurance company would reimburse him the repair costs, subject to some adjustment on the amount. However, Mr. Chan would then lose his NCB. On the other hand, if the accident was caused by the negligence of Mr. Lee, Mr. Chan was also entitled to claim both Mr. Lee and the owner of the van. If he chose to do so, he should ask his garage to arrange a loss adjuster to adjust the repair costs. Assuming the adjusted repair costs was $15,800, Mr. Chan was required to make the claim in the District Court. He was entitled to add the fee paid to the loss adjuster in his claim.

However, court proceedings are very complicated. Moreover, it was obviously not practical to hire a lawyer to pursue his claim in the present case in view of the small amount involved. What other option did Mr. Chan have?

The Small Claims Tribunal only has power to award compensation of up to $15,000. However, if Mr. Chan was prepared to reduce his claim to $15,000, he might still file his claim in the Small Claims Tribunal. It is however advisable to wait after Mr. Lee has been convicted of careless driving before making the claim since such conviction will provide a very good piece of evidence that Mr. Lee was negligent. On request, the traffic accident investigation section of the police is prepared to provide written confirmation of conviction as well as the name and address of the driver, owner and insurance company of the other side. Mr. Chan may also obtain the name and address of the driver/ owner of the other side from the Transport Department upon payment of a search fee. ■

「突破平凡、挑戰自我」全女性訓練營

女子足球、室內攀石、野外定向、模型堆砌、障礙比賽、格蘭披治賽車

你能在廿四小時內完成以上的項目嗎？

四十位年青的時代女性抱著自我改進的目標毅然接受由紫荊青年商會為她們安排的體能大考驗。訓練營的課程是由本會前會長丁蕭嘉勵參議員和前會長盧婉儀參議員悉心策劃和擔任導師。目的是透過好玩、好奇、刺激的活動讓參加者自我探索及釋放體力、智力、耐力的潛能，協助參加者突破平凡，挑戰自我無限境界。

訓練營最特別之處是全女性參加者，這可消除因有異性參與而引起的心理障礙，提供機會給各參加者作出個人突破性的嘗試。

一般人都認為足球是男性的運動，消耗大量體力。營友在知道要進行女子足球賽時，一片嘩然，各人都懷疑自己的體能，因為是第一次踢足球。在足球場上奔馳雖然辛苦，但能協助營友建立自信和發掘她們的潛能。而最主要是啟發她們的思維，突破平常人的思想規限，不受傳統和一般性局限。

釋放潛能，突破平凡，進入挑戰自我境界

室內攀石除基本體能要求外，更重要是考驗個人意志力和自信心。有些營友可以在指定時限內一次過便到達終點，而有些卻要嘗試好幾次才能成功。跌倒了！再來吧！跌倒了！再來吧！其他營友亦被她們「永不放棄」的精神所感動，不斷從旁鼓勵。「堅持」是這項訓練的重點，亦是挑戰自我的基石。

在導師的引領下，營友就日間所接受的訓練提出很多應用在日常工作上的啟示，並作深入探討，例如：何謂恐懼及怎樣面對和衝破恐懼等。

野外定向、模型錐砌、障礙比賽和格蘭披治大賽是一個連貫性的活動，各項目是互相牽連和影響的。野外定向中搜索到的物資影響砌出的模型，模型的穩固影響它抵受障礙測試的能力，障礙測試則影響最終比賽的結果。各隊需要在指定時間內尋找所需物資，運用想像力將僅有的物資堆砌出一個能經得起風吹、水打及避震三個測試的模型，最後這個飽受風霜、破爛不全的模型還要角逐格蘭披治大賽。結果竟由最殘破不全的一個勝出。現實生活中常會遇到不如計劃中完美的事情，但仍得積極面對。為了能貫徹執行工作，我們需懂得有效運用僅有資源（包括時間、人手、智慧等等）來完成任務。

廿四小時的相處時間，便能建立出一個新的社交圈子，主要在於簡化環境的因素。在單性學習環境下，營友顯得份外輕鬆、投入和融洽。整個訓練過程中，營友互相支持和勉勵，釋放自我。除了個人改進外，相信最大的得著便是那份無比珍貴的友誼了！■

Let the Dolphin Lead

Entitled as the "Dolphin Declaration", the final phase of YA project 'Let the Dolphin Lead'; which was co-organised by Victoria Junior Chamber and Against Child Abuse (ACA), was successfully held on 4th July, 1998 at the New Town City Plaza. The project provided children with opportunities for active participation and expression of feelings towards our environment which is being filled with violence and lack of care.

"Dolphin" was used to symbolize children who resemble the pure and dynamic nature of dolphins. In the Second stage the Children Workshop", which was held on April 11, at the Baptist University, over 200 students were guided to channel their feelings and expectations on the four parties: 1. Hong Kong SAR Government, 2. Parents, 3. School teachers and 4. Mass media. Their voices were then summarised in the form of declaration.

Project - Let the Dolphin Lead - Declaration Day

YA Project - exhibition boards of 3 stages of the project echoes the MET 'Care for Youth, develop our future leaders'.

On the declaration day, we had Angel Leung as MC and film star Mr. Wong Hop Hei as the "Dolphin Star". Wong, together with dolphins role-played the declaration in the form of rap talks, song and drama. It followed by the presentation the "Dolphin Declaration", and "Ideal Leader" to the Secretary of Justice Elsie Leung and the Commission of Youth Eric Li.

Throughout the function from March to July, there were over 50 teenager volunteers who worked together towards a common goal and sharing with joys and frustrations. All exhibition boards, display boards and the "Big dolphin" with the complete context of the Dolphin Declaration are their fruitful efforts.

We expressed our heart-felt thanks to the support by Mr. Spencer Li, NEVP, Ms. Alice Liu, NGLC and eight chapter presidents in attending Stage II workshop and Stage III Declaration. With the collaboration of the joint organisations and active participations of VJC members and the volunteers, this pilot project echoed the Major Emphasis Theme "Care for youth, develop our future leaders" of NOM. It also awakened the awareness of HKSAR Government officials in the care of our next generation. ■

Visit to Homeland

Jiangmen (and Wuyi) is the homeland of quite a number of Hong Kong residents (roughly one million). Sha Tin JC made her first visit to the Jiangmen Youth Federation on July 4th and 5th. They also visited the Wuyi University and the Jiangmen ISN Float Glass Co. Ltd. Besides the Antique and Jade market was another point of attraction to the members. This visit enabled both Sha Tin JC and Jiangmen Youth Federation to get to know each other further.

潛能壹號

由本會領導才能組與ARC雅爾康國際有限公司合辦的「潛能壹號」領袖才能訓練於七月二十五日至二十六日順利起行，同行者除本會30名會員外，其他分會共有11名一起隨行。

領隊孔偉良先生－ARC訓練導師豐富的經驗帶領我們不斷從體驗練習中更深入了解自己個人的優點及缺點，從而從自己出發，發揮個人潛能而至推動整個團隊。從個人體會中感受到出色領袖要具備有清晰目標及積極的態度，誠實，敢於表達個人意見，肯冒險，做事百分百投入，負責任，懂得與別人互相配合，守誠諾等條件。但這一切過去可能我們已從書本理論中知道，但未有通過人與人的溝通的體驗中深切領會。

是次訓練能舉辦得有聲有色，除眾籌委會成員的努力，功不可沒之外，特別多謝領導才能董事陳雲漢及義務秘書吳潔兒給予不少寶貴的意見。

作為擔任工作計劃的小組主席，我認識很多朋友之外，又一次的機會從體驗中了解到如何發揮個人的領袖才能及團隊精神。

1998 International Children Drawing Exhibition - Macau ASPAC

Harbour Junior Chamber joined with Kanazawa Junior Chamber, Japan and Kaohsiung Ladies Junior Chamber, Taiwan to organize the 1998 International Children Drawing Exhibition at Macau ASPAC during the period from 28 May to 1 June 1998. In the exhibition, over hundred drawings of children from the participating countries, whose age are between 4 to 13, were showed. This exhibition has posed an unprecedented breakthrough to the co-organizing chapters. Although the exhibition has been held at the convention venue of ASPAC for more than ten years, it is the first time that the exhibition was held in public place so that it could benefit the general public in Macau. Moreover, the exhibition has extended it exhibition period beyond ASPAC to 1 June, which was the Children Day in Macau. On that day, over thousands of Macau children have paid visit to the pictures and the exhibition has achieved the aim of enhancing the cultural exchange between the children of different countries. Finally, an itinerant exhibition will be held in Kaohsiung, Taiwan in July, Kanazawa, Japan in early August and Hong Kong in late August 1998.

當日三小時之講座邀請到四位本港商界及財經界知名人仕作為嘉賓講者，計有：

一）潘式銓（香港中小型企業商會會長匯聚電腦集團主席）主講「中小型企業如何在金融風暴下突破求存」；

二）石鏡泉（香港經濟日報副社長兼研究部主管）主講「計劃你一生人的投資策略」；

三）吳克儉（香港人力資源管理學會外事總監、怡富控股有限公司人力資源總監）主講「自我更新進取之道」；

四）黃遠平（美國成功國際邀勵學院香港區總監、康富企業集團總裁）主講「如何快速實現實現你的個人事業」。

是次講座乃獅子山青年商會九八年主題工作計劃一部份。工作計劃並包括以下兩個項目：

一）製作及出版《打工、創業新一代智慧錦囊》，就年青打工仔及創業人仕關心的課題，收集具參考價值的資料，輯錄成冊，於講座期間免費派發予參加者；

二）舉辦「打工、創業新一代」之『逆境創佳績』徵「橘」活動。主辦分會透過此活動收集了不少別具心思的勵志金句，成績令人滿意。

「打工、創業新一代」之「轉危為機」講座，增進你的求存策略及技巧
