JCI MISSION, VISION AND CREED

★ The JCI Mission

To provide development opportunities that empower young people to create positive change.

★ The JCI Vision

To be the leading global network of young active citizens.

★ The JCI Creed

We believe :

That faith in God gives meaning and purpose to human life
That the brotherhood of man transcends the sovereignty of nations
That economic justice can best be won by free men through free enterprise
That government should be of laws rather than of men
That earth's great treasure lies in human personality
And that service to humanity is the best work of life.

★ History of the Creed:

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Island. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mamkind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that the following words came to mind and were put on paper:

The brotherbood of man transcends the sovereignty of nations.
Economic justice can best be won by free men though free enterprise.
Goverment should be of laws rather than of men.
Earth's great treasure lies in human personality.
Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

VICE PRESIDENT OF JUNIOR CHAMBER INTERNATIONAL

Warm greetings to you all!

It is my great pleasure to serve JCI Hong Kong with 65 years of history as JCI Vice President in 2015 and wish you very successful Inauguration Ceremony.

We all know that our organisation since its establishment 100 years ago continues to provide sustainable impact to the challenges of not only one country, but to problems at regional level and moreover to global issues with the initiatives of young active citizens. I would like to note here that JCI Hong Kong members have been actively participated with leading role during these past years. These can be seen from many Awards received by JCI Hong Kong in the past JCI Asia and the Pacific Conferences and World congresses.

Next year we will celebrate 100th anniversary of the JCI movement and we will all look back on the astounding history of what JCI has accomplished in 100 years and define how we can lead to the positive impact through young active citizens.

I am sure that JCI Hong Kong can collaborate in the motto of "Action with Appreciation" in 2015 and provide material impact to bring solution to social challenges by successfully implementing your projects such as "Ten Outstanding Young Person's Selection", CSR Forum, Change Maker forum and others. Additionally, I would like to wish to 2015 JCI Hong Kong National President Anthony Leung and the National Board and all JCI Hong Kong members a very successful year of 2015 by being the best leaders in your community to bring positive change.

Most of all, I am delighted to support your activities by all means and hope to see many of your members during next year's JCI ASPAC in Malaysia and World Congress in Japan.

JUNIOR CHAMBER INTERNATIONAL VICTORIA

President
Brian WOO

On behalf of JCI Victoria, I would like to take this opportunity to extend my felicitations to National President Anthony Leung, National Board of Directors and all 20 local chapters of JCI Hong Kong on this special occasion.

This year JCI Hong Kong celebrate its 65th Anniversary and it is also the 100th year of Jaycee movement. It is the JCI Mission "To provide development opportunities that empower young people to create positive change. And JCI Vision "To be the leading global network of young active citizens."

In 2015, JCI Victoria also celebrates our 65th Anniversary. We are the most senior one of the 20 chapters affiliated to JCIHK. Since our establishment in 1950, JCI Victoria has proactively responded to challenges in the community, helping to generate awareness on important social and economic issues which impact our daily lives. The organization's objectives are carried out through the "four areas of opportunities", namely individual; community; international and business.

JUNIOR CHAMBER INTERNATIONAL KOWLOON

The 2015 Inauguration Ceremony marks the start of a new administration for Junior Chamber International Hong Kong; when a dynamic group of young active citizens with common ideals reconfirm their JC spirit and their pledge to serve the organisation as well as their community to the best of their abilities.

This year shall surely be a memorable year, 2015 marks the start the 100th Anniversary of the Jaycee Movement and the 65th Anniversary of our National Organisation as well as and the Golden Anniversary of our chapter.

It will also be a year full of fruitful challenges for Junior Chamber International Kowloon; not only will we continue to organise our flagship projects such as the Children's Chinese Calligraphy Competition which is in its 8th year, and Shelter Dreams which is in its 4th year, our chapter shall host the National Convention for the first time since 1980.

This year, our commitment towards our organisation and the society is based on service and leadership, to equip ourselves towards the next 50 years.

On behalf of all Junior Chamber International Kowloon, I take this opportunity to wish our National Organisation and all the Local Chapter success and satisfaction in their endeavours.

JUNIOR CHAMBER INTERNATIONAL HONG KONG JAYCEETTES

President

Congratulations to JCIHK for the inauguration. This year marks the 65th anniversary and a year of Action with Appreciation.

Care to Aspire, Dare to Inspire is the main theme for JCI Hong Kong Jayceettes this year to echo with 100 years of JCI movement. As our 46th year unfolds, we will continue our caring initiatives, aspiring to empower young people with an array of opportunities through Jayceettes Academy and collaboration with external parties. We will also empower the underprivileged through our flagship community development project Care & Dare, and go the extra mile with our sister chapters in International Affairs and as a whole, steer a sustainable path along the Jayceettes Miles, a scheme that focuses on both membership recruitment and extension.

Some say your success depends on your talent and your strengths. I would say your attitude, not your aptitude, will determine your altitude. Simply put, we inevitably face many opportunities, challenges and choices in life. How we face those challenges and choices, goes all the way back to our attitude, and with that attitude, you may find a totally new perspective, the journey throughout can be life changing and breathtaking, just see how we make it worthwhile.

I wish JCIHK every success and a caring and daring year ahead of us.

VOTE OF THANKS FROM CHAIRMAN

INAUGURAL CEREMONY

It is my honor to be the Chairman of the JCI Hong Kong 2015 Inaugural Ceremony. "Action with Appreciation" is the slogan and theme of JCIHK 2015 and we believe it is a great way to lead.

Would you take your soul to do what you are asked to do? Would you lead your teammates with it? As leaders, it is important for each of us to help create a soulful—instead of soulless—environment for our teammates. So how do we engage the soul at work, and even at voluntary work, something that apparently a great majority of people have left outside the door?

The answer is simple: paying attention to how we treat people—partners, subordinates, participants—as much as we pay attention to structures, planning, and numbers. It's about treating people as people, not just titles. It means caring about the people you work with.

True appreciation doesn't cost a penny but it's priceless. It does require care: Care enough to notice people's efforts as well as their accomplishments; care enough to take the time out to let them know what you appreciate, and care enough to do this on a regular basis. Expressing appreciation is one small change that each one of us can make. It is the one small change that can make a big difference in our working environment.

In the Inaugural Ceremony this year, we have injected innovation in many ways to make things special and unforgettable for all the participants: venue selection, program planning, promotion and sponsorship, etc. Without some people, these lovely changes would not have come to reality.

Taking this opportunity, I would like to express my most sincere gratitude and appreciation to my amazing Organizing Committee. They have certainly devoted 200% of their effort and time to make this event memorable enough to kick-start the 100th Anniversary of JCI as well as the 65th Anniversary of JCIHK. In addition, I would like to thank our Supervising Officer National Honorary Treasurer Senator Matthew Li and National General Legal Counsel Senator Brian Kwan for their valuable advice and guidance. Last but not least, many thanks to National President Senator Anthony Leung for his unfailing support.

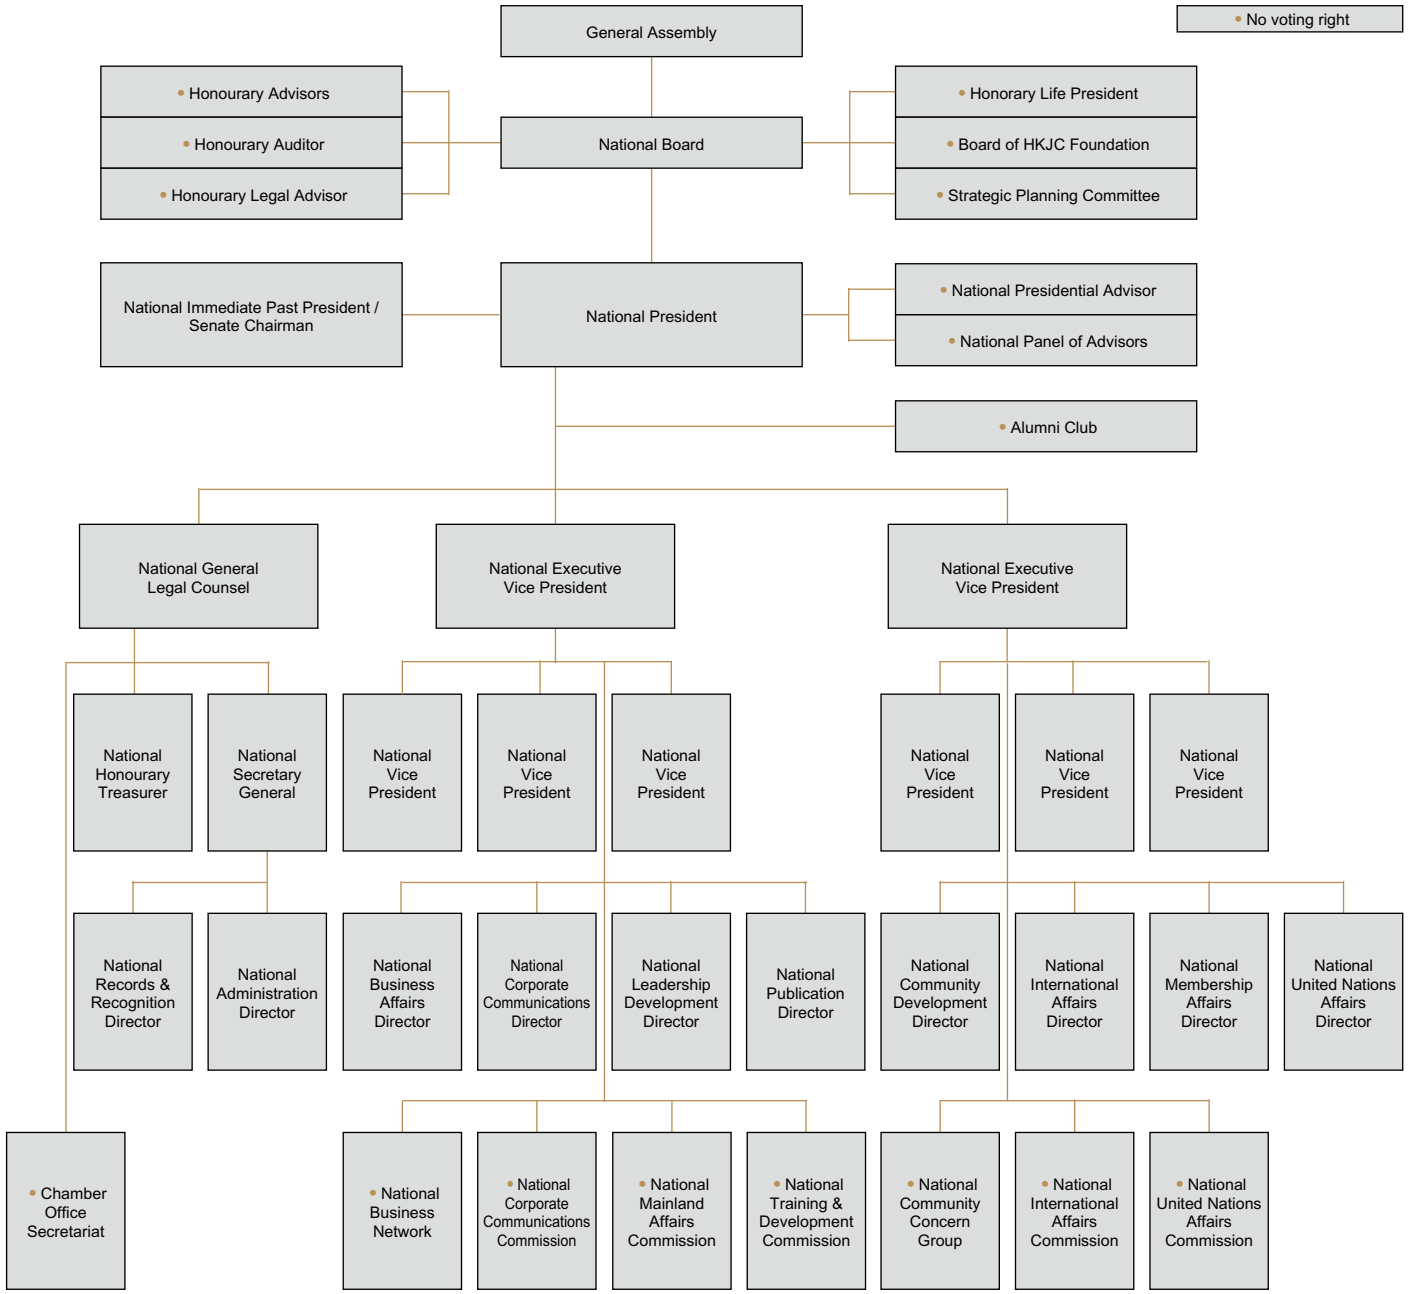

Most of all, I would like to thank each and every single one of YOU who accepted our invitation to celebrate with us this afternoon. Without YOU, this Inaugural Ceremony would not have been so successful.

With all my heart, I wish JCI Hong Kong and all of her members an early Happy Birthday and all the best in the year to come.

★ 海港青年商會二零一五年度行政體系 ★

JCI Harbour

海港青年商會是一個國際性非牟利領導才能培訓組織，自1977年創立至今，會務穩步發展，透過個人、社會、國際及商務發展的機會，籌辦各項工作計劃，提供青年人發展潛能的機會，使會員能體驗青年商會的宗旨『服務社會·訓練自己』。

『青年領袖選舉』是本會另一旗艦工作計劃，選舉得到政府官員、大學團體、社會知名人士及專業團體支持，過去8年亦選出了社會傑出的青年領袖。

本會旗艦大型工作計劃之一『國際兒童繪畫比賽』，今年已踏入三十六載，是全港最大型的戶外繪畫比賽暨公開攝影比賽，每年超過二萬人出席參與活動，得獎者亦有機會參與關愛活動及作國際交流，開拓視野，關愛世界。

而本會更榮獲國際青年商會香港總會頒發多個獎項。

今日青商 明日領袖

浩洋青年商會成立於一九八六年四月，屬國際青年商會香港總會成員之第十六個分會，以中文為法定語文的男文混合分會。本會自成立以來，以「服務社會，訓練自己」為目標，以發展青商四大機會：個人發展、國際機會、社會發展及商務拓展為本，透過參與策劃各項不同類型的活動，讓青年人能從中學習及體驗，建立人際網絡，充實自我的同時能發揮個人潛能，並汲取經驗，使之培養成為「今日青商，明白領袖」。

浩洋青年商會多年來，不斷針對前瞻性的社會議題及提倡不同的文化價值，並與不同的團體及組織協作，策劃籌辦各式各樣的工作計劃，其中包括：於沙士期間與香港理工大學護理學院合辦「健康共和國工作計劃」向青年人推廣健康意識，與詩網絡合辦推動香港新詩創作風氣之「2004 年度詩網絡詩獎暨傑出學生詩人獎」、與紅十字會輸血服務中心舉辦之「血緣、血源、生命根源-全港公開設計比賽及展覽」、以推動社區保育文化為主題的「都市。文化　我們都是這樣長大的」攝影比賽、2011年與香港社會創業論壇首辦的「青年社企創業者大賞」，以及本會多年的旗艦工作計劃「小企業大長征」等，均獲得廣大迴響，並且在國際青年商會(香港總會)的周年大會、亞太大會及世界大會屢獲殊榮及肯定。
