District Govenor

Dear members of JCIHK,

Many congratulations to you all for the 48th National Convention. Wish you all a very successful Convention and some wonderful discussion on your chosen theme of "Needs over Wants".

Your chosen theme indeed is a very timely reminder to all your fellow citizens in Hong Kong as we are finding the route for Hong Kong's next phase of development in the midst of constant clashes of ideologies. Many people, young or old, have become discontented with the traditional ways of building up wealth and development in Hong Kong, primarily over asset price appreciation, and have started questioning whether the traditional ways can lead to a happy and purposeful life. Only through examining and reflecting upon one's needs against one's wants, one can understand the priorities in life and can see the direction in which happiness and purpose can truly be found. I wish you all a fruitful journey of soul searching during this National Convention.

JCI and Rotary have a lot of things in common as we both find strengths in our core values and the cohesiveness of our members. Sincerely I look forward to seeing more cooperation between JCI Chapters and the Rotary Clubs in the near future for the opportunities of such cooperation are unlimited.

Yours ever in Service,

It is a great pleasure for me to extend a very warm welcome to all participants in the 2013 Junior Chamber International Hong Kong National Convention. And special congratulations to the JCI Hong Kong Jayceettes – the oldest all-female chapter in Asia-Pacific and the second oldest in the world, who are hosting this year's event.

This year's theme – 'Needs over Wants' – raises one of the most important issues of our time. How do we achieve a sustainable society? What can we do as a community and as individuals to ensure that we focus on the essential things in our lives and in others', and avoid waste, environmental harm and other behaviors that are ultimately socially damaging?

It is a fascinating theme, and I wish all Junior Chamber members every success in finding answers to such important questions, and throughout the 2013 National Convention.

Message from National President of JCIHK

Senator Paul Wu
National President of JCIHK

Dear fellow JC members,

I sincerely invite you to exercise your rights and enjoy the privileges to participate in the 48th National Convention of Junior Chamber International Hong Kong.

National Convention has always been one of the most highlighted and important events throughout the JC calendar year. With two days of compact and yet splendid national events, the National Board of Directors will report and evaluate progress and achievements of the past year. Being a sizable and well organized youth organization in Hong Kong, we have democratic procedures to constitute future leaders to carry on with the JC movement. Candidates of 2014 National President and Board of Directors will therefore meet all members and be elected after formal caucus and election sessions. There are many other interesting programs organized for members to explore and enjoy the Convention. They include formal and imposing Opening Ceremony, exciting Theme Seminar, and gainful Training Programs.

The Convention will reach its climax and conclude at the award banquet, where gentlemen in smart black tie and ladies in elegant evening gowns pay their tributes to award-winning outstanding local chapter presidents, outstanding individual members, best local chapters and best projects. All of these great achievements marked outstanding contributions to the JC movement.

We are most honored to have the President of the Legislative Council, the Hon. Jasper Tsang Yok-sing, GBS, JP, Under Secretary for Home Affairs, Ms Florence Hui, SBS, JP and Deputy Director-general, Department of Youth Affairs of the Liaison Office of the Central People's Government in the HKSAR as the Guests of Honor for the Opening Ceremony of the National Convention. Their presence will definitely be the most valuable encouragement and motivation for us to carry on with our belief in "service to humanity is the best work of life"!

"We are ONE Jaycee" is the presidential slogan of JCI Hong Kong in 2013. We believe that our members are all creating impacts to the communities and we all believe in the same creed, same mission and vision. As JCI, we strive to raise public concern on the United Nation Millennium Development Goals (UNMDGs). I hope you can find inspirations at the 48th National Convention and continue your contribution and participation in building a better world together with JC members around the world.

Our enthusiastic fellow members, I am looking forward to meeting you at the 48th National Convention on 20th and 21st September 2013. Together we shall experience the true spirit of JCI and demonstrate the belief of "Be Better"!

Last but not the least, I would like to extend my most sincere appreciation to Convention Director Jennifer for her great leadership and her fine team of devoted organizing committee members for their tremendous efforts in making the 48th National Convention one of the most outstanding JCIHK Conventions!

Message from JCI Taiwan

Mr Harry Kuo
JCI Taiwan

Dear JCI Hong Kong National President Paul Wu and members of JCI Hong Kong:

On behalf of JCI Taiwan, I would like to express the sincerest congratulatory words to JCI Hong Kong National Convention.

JCI Hong Kong has been concerned about civil issues in local communities and holds related forums to seek for potential solutions.

Take the "Housing Forum" in May for example, it provides the youths a platform to voice their opinions on land and housing problems and build the bridges with the authority. To find out and assess the existing challenges and come up with solutions and positive changes is truly the role we active citizens should play in our society.

I hope JCI Taiwan and JCI Hong Kong could have more opportunities to hand in hand holding social issue related forums to get more people involved in changing the world and bringing more positive impact to the global village.

Lastly, may you health, prosperity and JCI Hong Kong National Convention a successful one!

Message from Honorary Life President of JCIHK

The Hon. A. de O. Sales
Honorary Life President of JCIHK

The National Convention takes place each year here and elsewhere. It does so with assured osuccess, because it becomes the most important occasion in the year as it comes together perhaps for all their 19 LOMs, with their own officers and members, to join others of the same generation in a full and fair discussion of whatever excites them or attracts their interest.

For experience, each Convention keeps its door wide open for all young people to put forward their thoughts, to even broach new subjects. Then, they choose the ones that appear to get the most interest across the membership, perhaps as part of the new platform for the coming year.

I offer them the best wishes with hope that the Convention will be attended by large numbers of friends and relatives to offer their own views afterwards for all to examine together as perhaps a first step.

A. de O. Sales

To make JC movement stronger and more impactful, joint effort from both current and experienced member is needed. 2013 is a year of success for JCI Hong Kong in both national and local levels that hundreds of impactful initiatives are launched which address the root cause of social issues in both local and regional scope.

Senatorship is the highest honour in Junior Chamber International for paying tribute to an individual for his or her dedication and outstanding service on local, national and international level. In the 63 years of history of JCI Hong Kong, there are only 422 members who have been granted this honour. And we are honored that we have 16 more outstanding members earning Senatorship this year so far.

It is my honor to serve you as the 2013 Chairman of the Hong Kong JCI Senate. Dinner seminars with social topics in housing issues, economic development, intellectual property trading, democratic development are being organized.

I would like to sincerely thank all JCI Senators for the continuous contribution to the organization., especially the strong senate committee from various local chapters. The efforts you made are crucial to our movement towards becoming the leading global network of young active citizens in Hong Kong.

I have great pleasure in congratulating the JCI Hong Kong on its 48th National Convention.

We have witnessed the concerted effort of the National organization and the nineteen Local organizations in advancing the purposes of Junior Chamber in making positive changes to Hong Kong whilst promoting individual development through meaningful projects and activities during 2013.

The Hong Kong Junior Chamber Foundation takes care of the pool of funds originated from the surpluses of JCI's international conferences hosted by Hong Kong over the past decades. We manage and grow the assets in a prudent manner, and subsidize meaningful projects of the National and Local Chapter levels with our incomes. In this regard, we have approved grants to over fifty projects in the year, among the highest since the establishment of the Foundation.

On behalf of the Foundation, I like to make commendations to National President Paul Wu and our Chapter Presidents and the respective leadership teams for their efforts and achievements. I look forward to seeing the further growth and development of the JCI Hong Kong family under the leadership of the 2014 National Board of Directors. Chairman of JCI Hong Kong
Alumni Club

Congratulations to the 48th National Convention of JCI Hong Kong!

National Convention is an annual event of JCI Hong Kong in which current members get together to conclude and review the works achieved in our organization in the past year, devise plans and direction for the development of JCI Hong Kong as well as elect our future leaders. Through engaging and involving in meetings, forums and trainings, members learn to become better and stronger leaders. While all our senior members were nurtured in JCI and experienced all these in their old days, participation of senior members and current members in National Convention enhances the fellowship and idea of exchange in the JC family.

In the past nine months, the JCI Hong Kong Alumni Club has participated in many events and activities held by various LOM senior member clubs. I witnessed many senior members sharing their valuable JC experiences with new members, and enjoying the fellowship with old and new friends. I believe that fellowship among the two groups plays a prominent role in the development of JC. JCI and JCI Hong Kong realize active citizenship through organizing projects, and senior members can play a role to supply resources, ideas that generate synergy to create impactful projects that benefit our society.

I sincerely wish that Alumni Club and LOM senior member club can continue to contribute to our beloved organization. Let us all uphold the spirit of "We Are One Jaycee" to continue to serve our beloved organization.

Message from Convention Director

Ms Jennifer Lam
Convention Director

Welcome to the 48th National Convention!

I am much obliged and honored to take up the role as Convention Director for Junior Chamber International Hong Kong (JCIHK) this year. National Convention means a lot to me as I was really impressed by its scale and importance when I attended my first National Convention a decade ago. It is an annual assembly which offers a great platform to all JC members to meet, learn, network and share their belief and experience.

It has been 15 years since Junior Chamber International (JCI) Hong Kong Jayceettes hosted a marvelous and memorable National Convention. My team is committed to delivering a happy, meaningful and impactful project for participants within and beyond the JC circle.

"NEEDs over Wants" is the convention theme of this year. Over the past 365 days, we did not only devise programs that suit members' needs, but also reminded ourselves to strive for a sustainable and quality living. Through National Convention and its theme programs, we simply want you to think what you really need versus what you want to attain a balance in life, thus creating more positive changes for society.

Taking this opportunity, I would like to thank our Guests of Honor, all sponsors and delegates for supporting the 48th National Convention. I would also like to express my wholehearted thanks to National President Senator Paul Wu, National General Legal Counsel Senator Franco Ma and National Secretary General Karen Yeung for their invaluable advices. My sincere gratitude goes to all NOM Officers and LOM Presidents for their full support.

Furthermore, I would like to make a heartiest gratitude to my mother chapter, JCI Hong Kong Jayceettes and President Pauline Lau for their encouragement and motivation. Last but not the least, I must send my deepest appreciation to the Jayceette members, especially the Core NC Team and Advisors, who paid huge efforts to prepare for the programs and logistics. Running a project spanning over 12 months is not an easy task. A big salute to my team – YOU are the best!

On behalf of the Organizing Committee, I hope you enjoy every moment during the National Convention. Wish you all a fruitful JC life ahead!

The Program of JCI Asia Conference in 1951

In late 1940's Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It also opened its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel projects was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

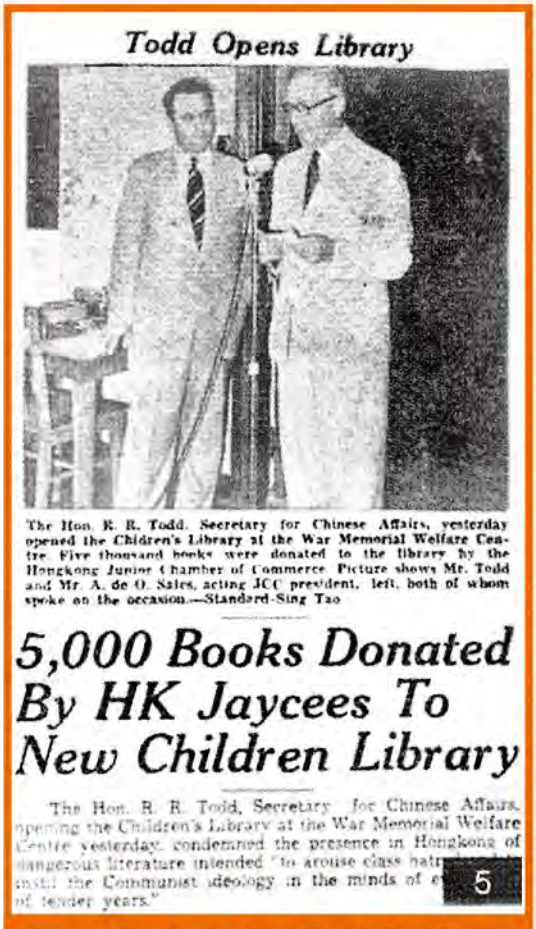

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the projects led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure or Hong Kong. Hong Kong Jaycees quickly attained high international office from 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

5,000 Books Donated By HK Jaycees To New Children Library

The Hon. R. R. Todd, Secretary for Chinese Affairs, opening the Children's Library at the War Memorial Welfare Centre yesterday, condemned the presence in Hongkong of dangerous literature intended "to arouse class hatr... instil the Communist ideology in the minds of c... of tender years."

5

Extracted from Standard-Sing Tao The Hon. R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on 12 Jun 1951.Over 5,000 books were donated!

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. Hong Kong Junior Chamber had a reputation in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. In particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

A dream became a reality when President Colin Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representstives of Peng Chau Rural Committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and a dequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was a sound organization with total membership involvement.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office. With the continual injection

of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

"A Better World Tomorrow Through Jaycees Training Today" - Theme of 1966 JCI Conference in Hong Kong

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

March in a Chief Delegates at Seoul Conference, 1976.

For the first time in Hong Kong, two toy libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

Many well-known projects were initiated and received wide publicity. To name a few :

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1974 was the first Youth Voyage which deepenedt he cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill. Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The 'Pop Folk' Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and "Kidney Donation Campaign' etc. projected the importance of health.

Flashback 1980's Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters – Macau Jaycees and and affiliated with JCI as an independent National Organization Member at the end of 1988.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientist Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread he lights', 'Good Children Awards', 'Courtesy Campaign', 'N.T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at 1:30 a.m. due to typhoon.

1983 Theme Project, "A Diversified Economy. Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

There were also honourable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honoured as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

Hong Kong Junior Chamber had the honour to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Opening Ceremony of the New Chamber Office on September 13, 1990

Flashback 1990's – Scaling New Heights

Entering the nineties – a decade of change and transition – the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991. the 'One Plus One – Support Direct Election' campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world.

30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress.

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nations" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

The 'National Business network' (NBN) and the 'Training and Development Committee' (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the 'Right Decisions Program'. The projects, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The 'Right Decisions Program' has been implemented in primary and secondary schools since 1998.

Flashback 2000's – Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program'. 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong back', etc.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

Hosting the JCI Asia-Pacific Conference Hong Kong for over 4,800 delegates from over 40 nations provided unique opportunity to our members in organizing such a large scale project. Hands-on training also provided to the 200 volunteers recruited from the Chinese University of Hong Kong.

The campaign of "We Unite for a Better World", which echoes the UN Millennium Development Goals, has accomplished significant progress through Art Exhibition, Inter-Secondary Schools Debate Competition and Charity Concert. Over 350,000 Hong Kong dollars raised for JCI Nothing But Nets program since 2010 that support UN Foundations to fight Malaria in Africa. We have joined the UN Global Compact this year and pledged to promote its ten principles in Hong Kong.

With the biggest delegation of 233 JCI Hong Kong members attending the Singapore ASPAC, we had successfully bid the hosting right of 2012 JCI Asia Pacific Conference in Hong Kong.

In 2011, JCI Hong Kong continued its purpose of contributing to the advancement of the global community by providing young people with the opportunity to develop the leadership skill, social responsibility, entrepreneurship, and fellowship, necessary to create positive changes. In the past year, JCI Hong Kong has broadened its horizons further in the community by involving itself in two mega projects; firstly, it is partnering Tung Wah College in supporting graduates of the Bachelor Degree of Business Administration program, and, secondly, participating in the "2011 Give A Day, Get A Disneyland Day" program organized by The Agency for Volunteer Service, in order to obtain Disneyland admission tickets for donation to the Evangel Children's Home children.

Under the President's theme "LEAD THE NEXT", a total of more than 400 projects of different scale was carried out by local chapters and the national organization.

Senza A Cappella

大學成軍：

於2009年成立，由香港浸會大學不同學系的同學組成之無伴奏合唱組合。「Senza」一字本為意大利文，解作「沒有」，與組合「沒有伴奏」的風格相符。

商業表演：

曾獲邀到不同場合作商業表演，包括「澳門善明會十二周年會慶」、「香港電燈公司安全健康環保日」、「蘋果日報創意廣告獎頒獎典禮2012」等。除此之外，他們亦有為公司或私人宴會演出。

歌手合作：

在2011年「亞洲無伴奏合唱音樂節」中與C AllStar同台合唱；2012年於「謝安琪你們的幸福演唱會2012」中演出。今年繼接受G.E.M.鄧紫棋及深圳衛視的訪問後，於「善明會陽光少年閉幕禮」再度與G.E.M.合唱《A.I.N.Y.》的無伴奏合唱版本。

社會推廣：

曾到多間學校簡介無伴奏合唱並進行示範表演；當中亦有成員擔任課程導師，定期教授無伴奏合唱技巧。曾接受香港電台及多份報章雜誌訪問，如《FACE》、《呼吸》、《澳門日報》、《知識》等，向大眾介紹無伴奏合唱音樂。

金曲翻唱：

擅長以無伴奏合唱方式重新改編及演釋樂曲，當中包括《歲月如歌》、《那些年》、《A.I.N.Y.》、《我的歌聲裡》等，並獲得一致好評。組合的演唱片段在其YouTube頻道「SenzaACappella」上亦被熱門點擊。

大師指導：

積極向各地專業無伴奏合唱大師學習，如美國電視節目《The Sing-Off》音樂總監Deke Sharon、新加坡無伴奏合唱組織創辦人Angelina Choo和著名組合Key Elements成員Vaughan Tan等，希望能不斷提升其演出水平，在以後的日子為大家帶來更多好聽的音樂！

JCI Hong Kong

NEEDS over wants

The 48th National Convention (2013)

hosted by JCI Hong Kong Jayceettes

National Convention

Junior Chamber International Hong Kong (JCI Hong Kong) is organizing National Convention annually. It is a two to three day event to be held in September each year. Major programs include general meetings to adopt financial statements and important motions, election of incoming National Board of Directors, training workshop, theme events, awards presentation, etc.

The 48th National Convention is hosted by JCI Hong Kong Jayceettes and the Convention Theme is "NEEDs over Wants". Seminar and related programs will be conducted to illustrate the message of the theme.

The 48th National Convention Theme – NEEDs over Wants

The theme of the 48th National Convention is "NEEDs over Wants".

We wish to arouse concern on the issue, in the midst of a busy life, that matters everyone's basic living. As active citizens, it is important for us to create a better and sustainable community together with our peers. If a sustainable society involves meeting human needs, we should strive for simple living, which is encompassing different voluntary practices to simplify our lifestyles. Ultimately, we are asking: What do we need and what do we want to create quality living?

Theme Programs are devised to fulfill needs of your five senses:

- **Photo Exhibition (sight):** View good images
- **Seminar (hearing):** Listen to positive messages and nice music
- **Health Corner (taste):** Eat healthy
- **Leisure Walk (smell):** Breathe fresh air
- **Spa & Massage discounts (touch):** Relax your body

Needs / Wants

People always **want** to find ways to get involved in charity work. Yet, we simply need to take action to care about our society. Sometimes, people are committed to many community services. Yet, we also **need** to increase quality time for our families and friends.

Too much of anything is not a good thing. Today, we easily overwhelm our lives with technology, appointments, choices, decisions and responsibilities or All at once.

It's time to simplify our life and concentrate on what we really **NEED** rather than what we **WANT**.

We all **want** to look young and good, as well as wanting admirations and envies from others. Products and services claimed to maintain beauty and youth are mostly sought after. Eternal beauty actually comes from within. All one **needs** to capture this glowing eternal beauty is understanding, sharing and appreciation.

We **need** to have food. We **want** good and delicious food. But we can also satisfy our needs of taste by having locally grown food which is both delicious and good, and at the same time friendly to the environment.

Thankful for the choice to think about **wants**. When we are fighting for the unlimited **wants** to make our life fulfill, in another part of the world, lots of victims and those on poverty are simply striving for a chance to live. What they are struggling is the basic necessity to survive. Maybe what we **need** is a heart to appreciate and feel grateful on what we can enjoy in this abundant city.

For me **NEEDS** are fundamental and essential things in life – air, water, food, a place to live, family, friends, career…

WANTS are things that would be nice to have but I can actually live without, or would not be less happy without – more money than I can spend, fine jewelry, the latest model of electronic gadgets.

N - necessary for us to survive;
E - essential for living a quality life;
E - enable us to create a better world;
D - differentiate us from other living things;
S - somehow, something can tell us whether we are on the **RIGHT TRACK**.

I **need** to feel good, and I **want** to look good.

We **need** or **want** love? It is simple. You do not need to find it elsewhere. Love comes from yourself, family, circle of friends, colleagues, society..... Love is just around you. Find it in your heart.

NEED is like a camera. Focus on what is important to us and capture the good times. We are satisfied when nice shots are taken.

It is easy to mix up what you **need** with what you **want**. Sometimes you want something so badly that you feel like you need it and have to have it. If you think about the lives of the under-privileged in less fortunate countries, you realize that much of what we have is unnecessary in these basic terms, e.g. a new handbag or a luxurious tour!

Human **wants** and **needs** are unlimited, but resources are limited. We should contain our **wants** and **needs** to save the limited resources. We should preserve the environment and create a sustainable society for the next generation.

We do not **need** and **want** love. Love will surround you when you give love to others. It is a basic element of us.

Wants always speak louder than **needs**. So, when was the last time you listened to your soul? When was the last time you tidied up your thoughts? A peace of mind is what I **need**, and I believe that it will lead me to wherever I **want** to be.

Need - something you have to have
Want - something you would like to have

The difference between a **need** and a **want** is pretty simple - until you set yourself loose in a store. A scope of ice cream? It's food, so mark it as a need. That designer t-shirt that fits you perfectly? Well, you need more shirts, so why shouldn't it count too?
Does that mean that you should only buy the things that you need? Not at all. Life is meant to be lived, not survived. Treat yourself to some wants along the way, but do so when you can afford to, and enjoy those wants as the extras that they are.

「想 • 要」攝影展

2013年9月20及21日（星期五及六） 富豪機場酒店一樓

現代人生活節奏急速，每天營營役役的過活，如同忙碌尋找食物的蜜蜂和螞蟻。雖然滿足了物質生活所需，但是沒多時平靜心神，細意欣賞四周的美人美事、享受良辰美景和珍惜自己已擁有的事物！

是次攝影展展出來自2012年度十大傑出青年、國際青年商會（香港總會）會長與董事局成員、總會周年大會總監，以及屬下19個分會會長的相片作品。大會希望藉著是次展覽，展示參展者心中的「想 • 要」，亦希望藉此活動喚醒大家關注日常生活細節中，被忽略了的真正需要，從而建立優質而快樂的生活。
