MR. A.K. CHUI, JP
SECRETARY FOR MUNICIPAL SERVICES

Message from Guest of Honour

The Hong Kong Junior Chamber of Commerce is well known in the local community for its leadership development programmes and community services. As in previous years 1987 was a year of many achievements by the Jaycees. On this special occasion of the Inauguration Ceremony for the 1988 office bearers, I heartily wish them every success in the years ahead and would also like to congratulate the outgoing committee for their achievements in 1987.

It gives me very great pleasure to officiate at the Inauguration Ceremony for the 1988 office bearers.

A.K. Chui
Secretary for Municipal Services

Message from President Jaycees International

As you take your Oath of Office at the Installation Ceremony, you make a commitment to lead in your respective positions. A commitment to sacrifice the comfort of your daily routines for the burden of leadership. A commitment to service the interest of your membership, to propell them forward for attainment of the goals of the Hong Kong Jaycees and the mission of leadership development for young people.

The concept of leadership and service is pivotal to our organization. The true leader serves the greater interests of their members. The true leader transforms the desire of their members into goals and serves to guide them towards those goals. The true leader provides leadership as a service to allow members to attain their personal objectives as well as the goals of the organization.

Our Creed reads . . . .

"Service to Humanity is the Best Work of Life"

What pleasure we can derive from servicing our members and our communities through the avenues of Jaycees in 1988!

Congratulations and with best wishes for a wonderful year ahead!

Jennifer Yu

Message from Executive Vice President Jaycees International

First of all I like to express my gratitude for the support Hong Kong Junior Chamber of Commerce gave me during the Amsterdam World Congress.

I was extremely honoured when World President Jennifer Yu assigned me to Area B, which I consider the most outstanding within JCI.

I promise you I will do my utmost to fulfil the varied requirements of this office and to live up to the justified expectations of Area B in general and Hong Kong Jaycees in particular.

At the occasion of your Inaugural Ball I would like to congratulate you for the continuous efforts you have made in and outside your NOM to improve our beautiful organization.

Although my knowledge of yours is still limited I know that it is the most professional in our JCI family, and within this area Hong Kong Jaycees can be considered as one of the examples in working actively on the four areas of opportunities. The high amount of awards you received the recent years is one proof of your high standard.

By providing JCI with fine individuals, who have served our organization as officers, you have honoured your country.

You made at World Congress history by offering the first lady World President. I personally look forward to work under the guidance of a strong and charming leader, Jennifer Yu.

As JCI EVP 1988 I strongly believe in good communication and cooperation between the different NOMS. Therefore as an outstanding NOM I see it as your responsibility and duty to export your know how and quality to your weaker brothers within the area.

Hong Kong Jaycees, this is at the same time a request and a challenge.

Your important support to the Macau Jaycees and conference is much appreciated and a guaranty for a successful 1988 Area B conference. In the meantime I wish you all the best for 1988 and the near future on both Jaycee and private level.

I look forward seeing many of you at the Macau Conference.

Marc Beyers

Message from Vice President Jaycees International

On the occasion of the Hong Kong Junior Chamber of Commerce 1988 Inaugural Ball, it is my pleasure to congratulate you and all your officers on your commitment to Jaycees, and to wish you all the best for the coming year.

This year should be a special year for the Hong Kong Junior Chamber of Commerce. You have been especially honored by having one of your own, Jennifer Yu, elected as President of JCI. Be sure to make her theme, "Action in Motion for 1988," a game plan for your year.

The Hong Kong Junior Chamber of Commerce is one of the strongest national organizations in Jaycees International. As part of JCI you have accepted a tremendous challenge. The Major Emphasis Theme "Jaycees, Young People for World Peace" has special meaning in today's world. At the beginning of this new year, you must each rededicate yourselves to the Jaycee ideal. By beginning at home, improving our communities and training the future leaders, we can change the world.

I am truly excited about working this year with the Hong Kong Junior Chamber of Commerce. As your vice president, I look forward to having the opportunity to visit your country and meet you.

Message from Hon. Life President Hong Kong Jaycees

There is a traditional change of leadership each year in the Hong Kong Junior Chamber of Commerce. The new administration takes up the challenge of doing more for community betterment and the self-development of its members according to the Jaycee practice throughout the world.

It is a year of worthwhile lessons and useful contacts, enduring memories and lasting friendships. It is also a year of enterprise and hard-work. In the end, achievement brings gratification and fulfilment.

In sending my greetings and best wishes to the new President and his administration, I congratulate also the 1987 President and all those who helped her to make it a year of achievement.

A. de O. Sales

Message from National President Hong Kong Jaycees

1988 marks a new era in the history of the Hong Kong Jaycees. We celebrate 38 years of existence and achievement. On the strength of 18 chapters and over 1300 individual members, we have steadily developed up until today, where we are highly valued for our contribution.

The future prosperity and stability of Hong Kong lie immensely on the shoulders of our young generation. Jaycees is a leadership development organisation, we are young people's organization and we believe in action. We must translate our leadership skills and knowledge into action through the Jaycees activities to make a contribution towards the betterment of our community.

Our aim is to consolidate the gains of the past made by our predecessors and to build on them to achieve the improvements in our organization. The best way to achieve this goal is constantly to look forward and face up the needs and challenges of the future and to make sensible plans to deal with them.

I am confident that with the dedication efforts of the National Board and the co-operation of all local chapters, the Hong Kong Jaycees will accomplish more in 1988 perhaps not only to match but to better the outstanding performance of 1987.

Gary Lee.

Gary Lee

Message from Senate Chairman Hong Kong Jaycees

Jaycees in Hong Kong are rested with the responsibility in community development and at the same time acquiring leadership skill for themselves, so that we can progress with the organisation as well as the community.

As Hong Kong is constantly undergoing a process of continuous change, so is the case with the Jaycees, however, our members are resourceful and dynamic, with lots of potential for future growth.

With the beginning of a new administration, may I urge you to start the year with an analytical mind, with the determination to work well under difficult situation; identify your goals and work towards them, and not to give up, as by the end of the year, you will realise that IT CAN BE DONE!

All the best for a challenging year in 1988.

Nora Cheng

Hong Kong Jaycees History

The Jaycee Movement reached Hong Kong in 1949,when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

PURPOSES:	The purposes of the Jaycees, as outlined in the JCI Constitution, are to "contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change."
HISTORY:	The organization was founded in St. Louis, Missouri, U.S.A., by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944, representatives from eight nations met in Mexico City and the world organization — Jaycees International (JCI) — was founded.
1988 PRESIDENT:	Senator Jennifer Yu of Hong Kong

THEME:	Each year, Jaycees International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program members can select from a number of specific projects that are most relevant to the needs of their respective communities. The theme program adopted for 1988 is JAYCEES . . . . . YOUNG PEOPLE FOR WORLD PEACE . It is somewhat unique for an organization like Jaycees International to become so involved in such an enormous issue, but, as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world balance and, ultimately, world peace.
AREAS OF OPPORTUNITY:	This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership: individual, management, community and international opportunities.
RIGHTS OF THE CHILD:	JCI recognizes and supports the United Nations Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. Since then, national and local Jaycee organizations conduct permanent and continuing programs to assist with providing for the basic needs of children as set out in the Declaration.

MESSAGE FROM CHAPTER PRESIDENTS

Victoria Jaycees President

On this meaningful occasion, I would like to thank the 1987 Board of Directors for their hard work and achievements for Victoria.

Together with National and other Chapters, Victoria will continue to serve the community and nurture the future leaders of our society.

Ronald Ho

Kowloon Jaycees President

The Inaugural Ball of the Hong Kong Junior Chamber of Commerce marks the cyclic beginning of a new Jaycee administration working for the betterment of our community.

On behalf of the Kowloon Jaycees, I take this opportunity to congratulate all the officers and wish them a most rewarding year.

Dr. David K. W. Leung

Island Jaycees President

May I first extend my warmest greetings to all Jaycees in this auspicious inauguration.

Certainly, there bounds to be numeruous rituals and speeches in this grand ceremony but more important, it starts the ball rolling in the year ahead. Projects are forthcoming; plans are executed and goals are going to be reached. There is never a formula to guarantee success but the experience we are going to get is much more significant. The inauguration is therefore not just a routine cliche but rather an occasion for us to commit our devotion in the forthcoming year and to promote our Jaycee movement to a new height.

With the capable leadership of National President Gary, may I pledge the full support of Island Jaycees to the 1988 National Board and our Fellow Chapters.

Simon Ip

Peninsula Jaycees President

1988 marks a very important year to the Hong Kong Jaycees. Not only have we to project a good image to all the international delegates from other Asian countries coming for the Macau Conference, we also need to build up a united tie to further advance the Jaycee Movements in Hong Kong.

On behalf of the Peninsula Jaycees, I would like to take this opportunity to congratulate all the incoming NOM and LOM officers for such a solemn commitment to the organization. In addition, I would also pledge their whole-hearted support to make 1988 another prosperous and successful year to all the Hong Kong Jaycees and to the community.

Eddy Wong

Hong Kong Jayceettes President

To swear an oath before the Jaycee Creed and the Jaycee Crest is a solemnity moment that oneself had promised to serve the organization faithfully and truly, to uphold and promote the objectives and philosophy of the Jaycees.

The Hong Kong Jayceettes, indubitably, will render their full support to the National Chamber through active participation in various NOM affairs. We have confidence that National President Gary will lead the Hong Kong Jaycees into a new era in the year of the Dragon.

Have a very successful Inaugural Ball!

Margaret Tang

Lion Rock Jaycees President

踏進一個好意頭的“發發”年，恭祝本會及各分會……會務亨昌。

88年的青年商會將是熱鬧的一年：新分會的成立，亞洲大會於澳門舉行，余葉展華參議員被選爲世界會長等等，另外本會及各分會的董事局成員大家都朝氣勃勃，幹勁十足的，我們就藉著今次的就職典禮，共濟一堂，開始新的一年。

88年對本會而言，亦是極富挑戰的一年，希望大家會友戮力同心之下，可將本會會務及聲譽提高，最後恭祝香港青年商會今年進入更成功的一年，並祝賀今次就職典禮得到成功。

Ocean Jaycees President

交棒的日子到了。首次以浩洋分會會長身份參與這年復年的就職典禮，實感異常興奮。

香港青年商會擁有不易之基乃有目共睹，建樹之宏大及深切均全賴諸青商少長歷年來之廣揚青商精神、深信其宗旨信條乃人生一大指標之故。

青年商會確爲不少年青人提供無限機會去發揮潛能，拼發人生火花，人盡其才地對社會有所貢獻。尤以每年的就職盛典，正象徵授予平等機會予會衆循序漸進地把握時機訓練自己參與青商要務。

際此賀典，本人謹懷以熱誠代表浩洋全體會員期望總會與各分會繼續團結一心，共揚青商崇高精神，使會務百尺竿頭，更進一步！

劉德佳

Being the youngest brother in the Jaycee Family, the Shatin Jaycees are very honoured to be able to participate in this worldwide Training Organisation and share the memorable moments on the occasion of the 1988's Inauguration.
