# JCI MISSION , VISION AND CREED

## The JCI Mission

*To provide development opportunities that empower young people to create positive change.*

## The JCI Vision

*To be the leading global network of young active citizens.*

## The JCI Creed

*We believe :*

*That faith in God gives meaning and purpose to human life*
*That the brotherhood of man transcends the sovereignty of nations*
*That economic justice can best be won by free men through free enterprise*
*That government should be of laws rather than of men*
*That earth's great treasure lies in human personality*
*And that service to humanity is the best work of life.*

## History of the Creed:

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Island. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving man kind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's home-town of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that the following words came to mind and were put on paper:

*The brotherbood of man transcends the sovereignty of nations.*
*Economic justice can best be won by free men though free enterprise.*
*Goverment should be of laws rather than of men.*
*Earth's great treasure lies in human personality.*
*Service to humanity is the best work of life.*

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

# MESSAGE FROM GUEST OF HONOUR

Mr. Shine Bhaskaran
Junior Chamber International
President

Dear JCI Members,

Greetings and best wishes…

At the very beginning let me express my happiness in sharing few words to you through your souvenir. I deem it as a great honor and privilege.

I am sure that now you are ready for a colorful inaugural ball. My prayers and best wishes for the same and hope that it will turn out to the best of its kind and serve as an opportunity to strengthen our bonding. My special congratulations to all members, who put in their untiring efforts to make it an ever-memorable one.

Our world suffers a lot, not because of the violent and wrong deeds of people, but because of the silence of good people… Everything about life gets changed not just by knowing, but by doing something with what we know. We the young active citizens of this organization have to do something with what we learnt, to create a sustainable impact in the community that alone can make all the difference.

Let our thoughts, words and actions stimulate and inspire many in this world to join us and together we can bring boundless glory and happiness to the community where we live in. Let us 'UNITE TO IMPACT'.

Sincerely yours,

Shine Bhaskaran

## Congratulatory message for 2014 Inaugural Ball of Junior Chamber International Hong Kong

I extend my warmest congratulations once again to Junior Chamber International Hong Kong on the occasion of their 2014 Inaugural Ball. I would like to take the opportunity to say that I am particularly grateful for the fact that Hong Kong has for a long time been well served by a large cohort of youth organizations similar to JCI Hong Kong. The work they have done was concrete and truly meaningful and JCI Hong Kong has of course been one of the outstanding achievers. This is a wonderful tradition and I believe we should strive to keep it up and encourage the continuous emergence of many more such organizations. The slogan of JCI Hong Kong in 2014 is "Let's Shine". This is a bold statement but I think it is a very creative and special one. I also strongly applaud them for aiming to promote active citizenship, find solutions to community problems, reach out for potential partners and create sustainable impact to the community. I have every confidence that they will fully achieve these targets and objectives and I convey my best wishes.

On behalf of Junior Chamber International Kowloon, I would like to extend my heartfelt congratulations to the Board of Management of Junior Chamber International Hong Kong and all local Chapters on the occasion of 2014 JCI Hong Kong Inauguration.

In 2014, JCI Kowloon is stepping into the 49th year since our inception. With a history of almost half a century, members of Kowloon as always will keep developing our individual capacity and passion while serving and producing more positive impacts to the community.

With faith and confidence, our goal is to "Drive for Excellence" this year. We are dedicated to motivate our members in creating positive change through our projects and activities, to invest our resources in achievement of sustainable goals and to collaborate with local partners to provide solutions to problems in the community.

## Junior Chamber International Island

*Be Proud , Be Prepared, Be an Islander*

Shakespeare once said, "We can't all be masters." Perhaps this is true, because in every society and in every era, while there have emerged brilliant and charismatic leaders, the majority have remained followers.

In JCI Island, we believe leaders are not always born, sometimes they are made as leadership training and community development are two important objectives of JCI. JCI Island is an excellent platform for young people to train themselves up. Besides, we believe that leadership skills and contributions to society are certainly indispensable ingredients of any leaders.

In 2014, Islanders set an ambitious course for themselves; to be active citizens and future leaders which they all will be proud of. Islanders will unleash their leadership potential and unlock their hidden power through participating in JCI island well-designed activities which help them to develop their leadership skills and enhancing their understanding in our community.

President
Jeff Ng

## Junior Chamber International Peninsula

"Let Shine" marks a prosperous year for the JC community in Hong Kong for 2014. JCI Peninsula (HK) is stepping into 45th year, and we have planned pursuing the theme of connecting the society and developing future talents for 2014. I believe that by adopting Active Citizen Framework, our members can better understand society's need and foster stronger connection with various sectors of society. I believe that by sticking to the culture of learning-by-doing, our members will be better prepared for greater challenge in family, work and lives. JC community is 'Home of our Youth' at my heart, building up positive energy within ourselves to navigate in the uncertain future and endure difficult times. I believe that we will all shine by learning from each other and most importantly making friends and leaving unforgettable memories. Let Shine!

# VOTE OF THANKS FROM INAUGURAL BALL CHAIRMAN

Mr. Roy Tang
Inaugural Ball Chairman

This is my great honor to be the Chairman of the JCI Hong Kong 2014 Inaugural Ball.

"Let's Shine" is the slogan and theme of JCIHK 2014. Echo to that, "Light Up Yourselves. Light up Others." the slogan of the 2014 Inaugural Ball. JCI is a fantastic platform to "Light Up Yourselves", that our members can train up themselves to be future leaders through our training and projects. Tonight, our dress code is "Let's Shine", and we encourage our members to dress shiny, elegant and be classic, like the movie "The Great Gatsby"!

We also encourage our members to "Light Up Others", by helping people in need and empowering young people to make sustainable positive changes. Tonight we have invited a group of visually impaired students to be our performers, and we wish that through the platform of JCI Hong Kong and the 2014 Inaugural Ball, we can make them shine! I sincerely invite your full attention to their fantastic performance, and viral videos and photos of the performance to your favorite social media. Your little effort will make them shine, not only in front of tonight's 480 guests, but also to your circles of friends in your social media!

Taking this opportunity, I would like to thank my great Organizing Committee. They have devoted a lot of time to make this event fantastic, and made my chairmanship so much easier. I would also like to thank Supervising Officer National Honorary Treasurer Jade Chan and Adviser Past National President Senator Nora Cheng for their guidance. Last but not least, thank National General Legal Counsel Teresa Poon and National President Senator Johnny Kwan for their support.

Most importantly, I would like to thank every members and guests attending tonight. Without you, the 2014 Inaugural Ball will never be successful.

May I wish all JCI Hong Kong and members a fantastic year of 2014.

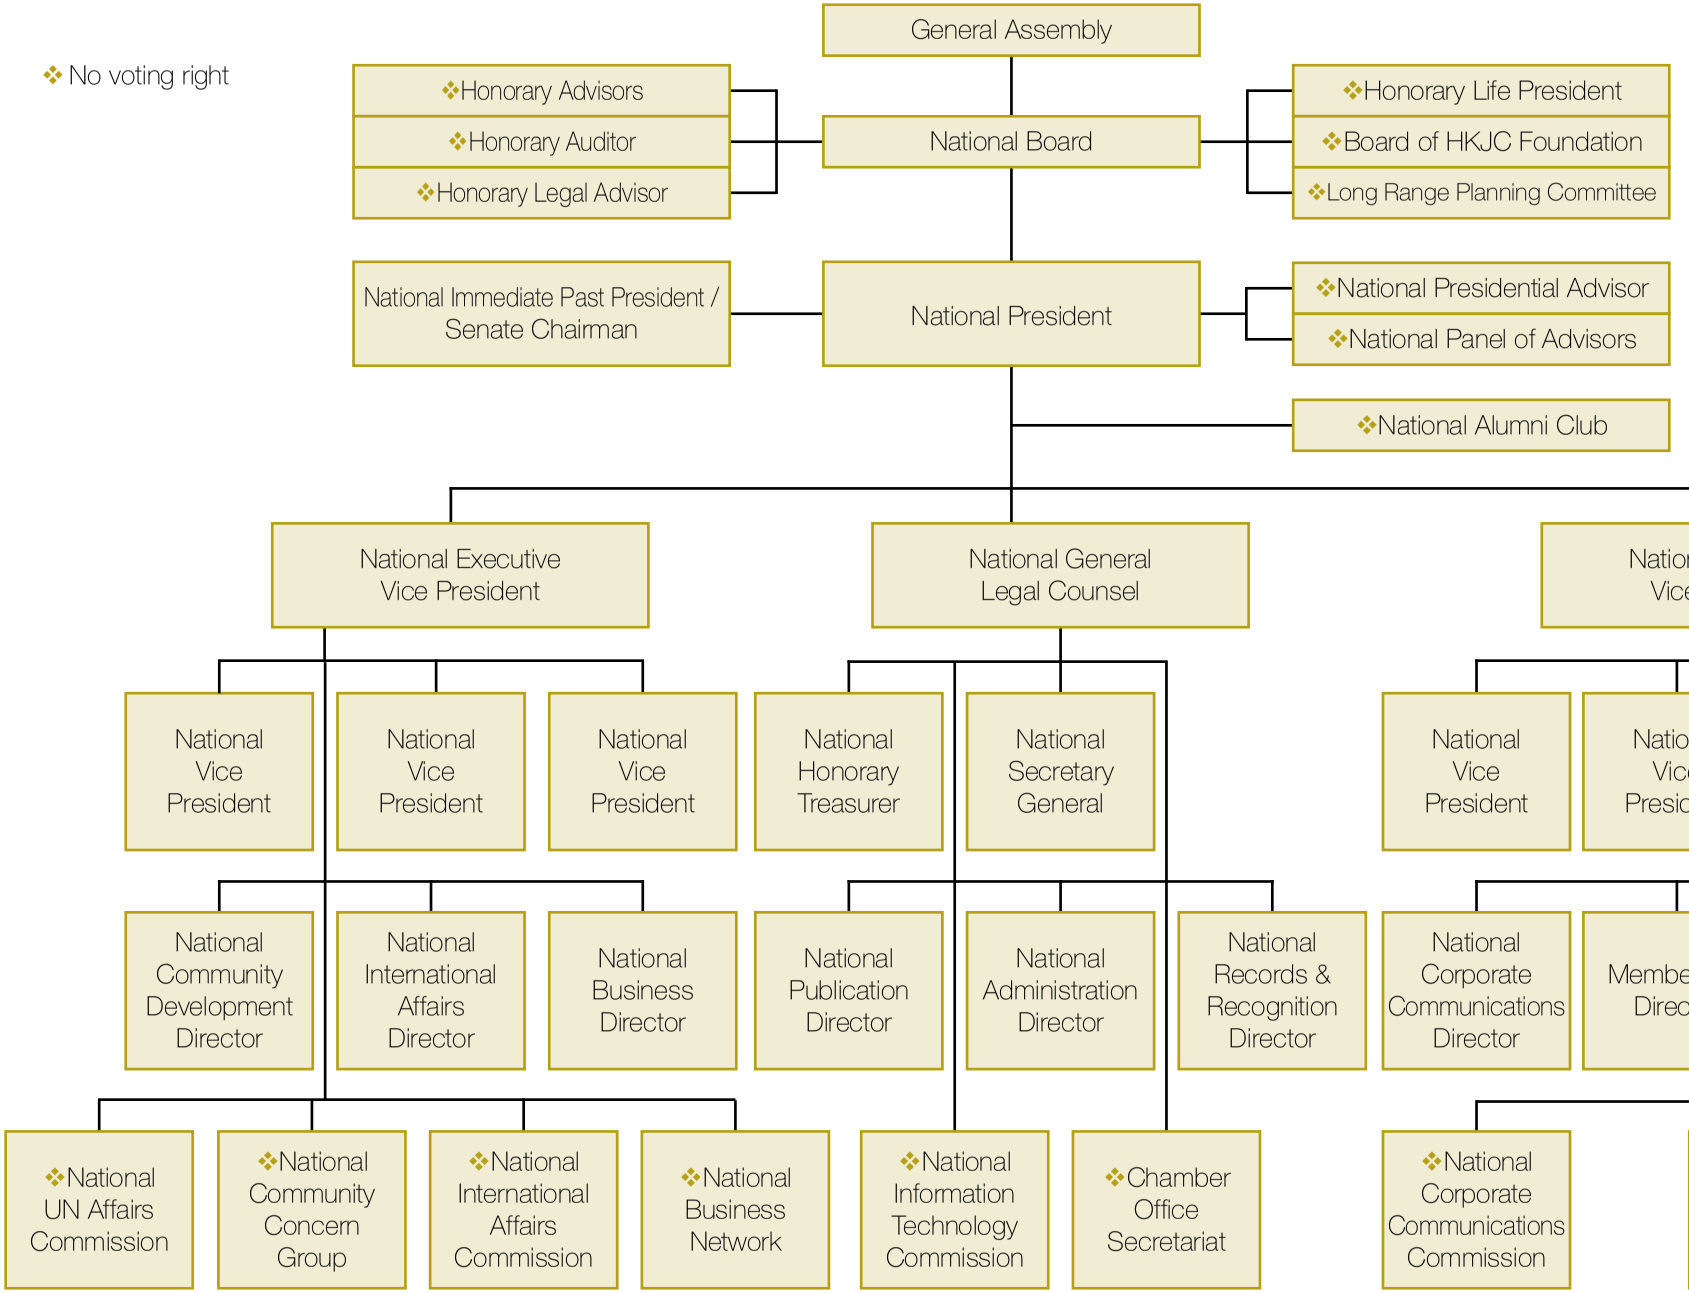

Light Up Yourselves. Light Up Others. Let's Shine!

In late 1940's Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It also opened its first office in the then Hong Kong Bank building.

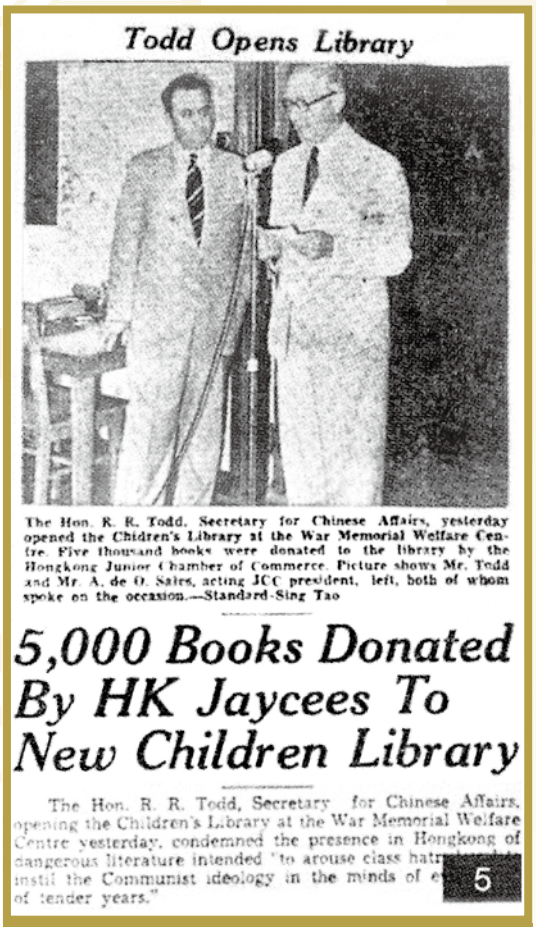

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel projects was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn.The success of the projects led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

# HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office from 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. Hong Kong Junior Chamber had a reputation in the community here.

A dream became a reality when President Colin Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representstives of Peng Chau Rural Committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. In particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was a sound organization with total membership involvement.

## Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

"A Better World Tomorrow Through Jaycees Training Today" - Theme of 1966 JCI Conference in Hong Kong

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office. With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public.The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

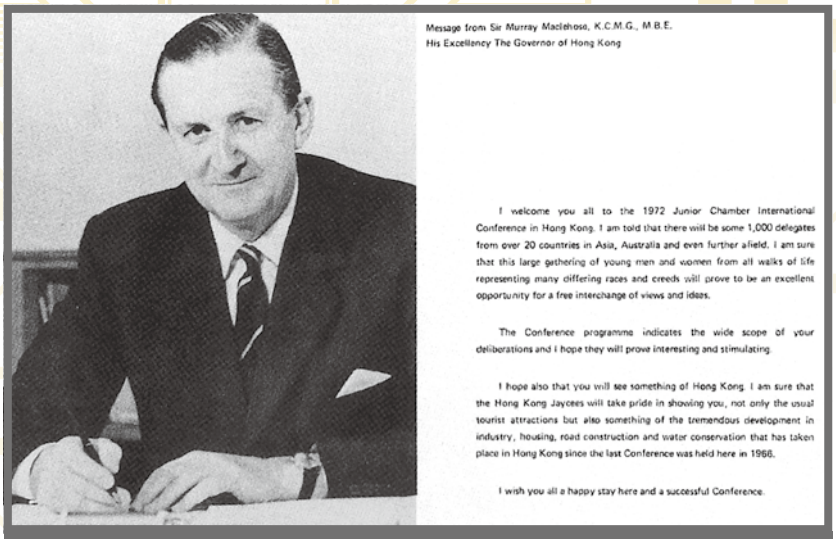

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

## Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

Message from Sir Murray Maclehose, K.C.M.G., M.B.E.
His Excellency The Governor of Hong Kong

I welcome you all to the 1972 Junior Chamber International Conference in Hong Kong. I am told that there will be some 1,000 delegates from over 20 countries in Asia, Australia and even further afield. I am sure that this large gathering of young men and women from all walks of life representing many differing races and creeds will prove to be an excellent opportunity for a free interchange of views and ideas.

The Conference programme indicates the wide scope of your deliberations and I hope they will prove interesting and stimulating.

I hope also that you will see something of Hong Kong. I am sure that the Hong Kong Jaycees will take pride in showing you, not only the usual tourist attractions but also something of the tremendous development in industry, housing, road construction and water conservation that has taken place in Hong Kong since the last Conference was held here in 1966.

I wish you all a happy stay here and a successful Conference.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill. Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.

- The 'Pop Folk' Concert in those days was the only outdoor concert attracted the youths in Hong Kong.

- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

## Flashback 1980's Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters – Macau Jaycees and Hou Kong Jaycees in Macau – formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

The 1981 JC Youth Voyage（青年之船）arrived Hong Kong late at 1:30 a.m. due to typhoon.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientist Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread he lights', 'Good Children Awards', 'Courtesy Campaign', 'N.T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

1983 Theme Project, "A Diversified Economy. Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

# HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

There were also honourable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honoured as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

Hong Kong Junior Chamber had the honour to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

## Flashback 1990's – Scaling New Heights

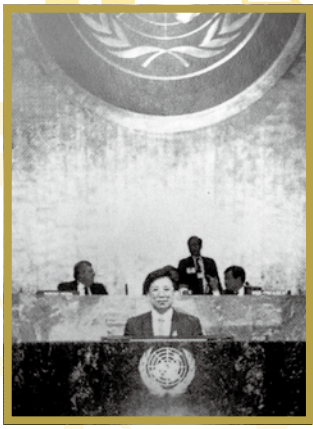

Entering the nineties – a decade of change and transition – the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991. the 'One Plus One – Support Direct Election' campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress.

# HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nations" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

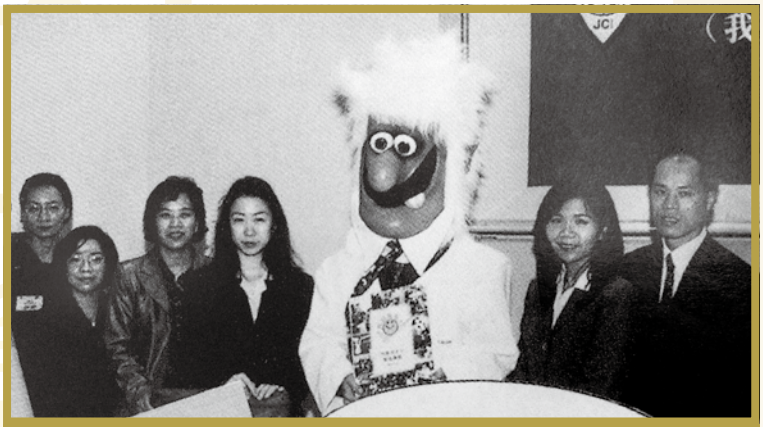

30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The 'National Business network' (NBN) and the 'Training and Development Committee' (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the 'Right Decisions Program'. The projects, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The 'Right Decisions Program' has been implemented in primary and secondary schools since 1998.

## Flashback 2000's – Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program'. 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong back', etc.

"Right Decisions Program" targets for secondary students in enhancing their judgement.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

"Nothing But Ramen" responded to JCI Nothing-But-Nets Campaign, and was first launched this year to raise fund to send nets against Malaria. It was a very successful campaign donating over USD 20,000 to save children lives in Africa. In order to analyze the housing problem, "Housing Forum" was hosted in May with the Chief Executive of HKSAR discussing this problem and shareing his point of view with 500 young people from over 20 youth groups in Hong Kong. We have also created "Better World" projects series, in which the projects hosted by local chapters could benefit the community directly.

## The JCI Active Citizen Framework

Sustainable impact is achieved through collective action of active citizens across local communities. Guided by the JCI Active Citizen Framework, JCI Hong Kong and the nineteen local organizations conduct impactful projects on various community issues through the process of assessing community needs, formulating sustainable solutions and evaluating results to ensure sustainability so as to benefit our communities and the world.To become the leading global network of young active citizens, we must lead in thoughts, words, actions and results. We must turn our focus outward toward actions that are relevant to our communities. JCI members look to the future and act as a solution-provider bringing sustainable results to every community. JCI has a unique opportunity to make great progress toward global development and the achievement of the UN Millennium Development Goals.The JCI Active Citizen Framework provides the structure to create this global impact.

# TEN OUTSTANDING YOUNG PERSONS SELECTION

The Ten Outstanding Young Persons Selection (TOYP) was found in 1970, aims to give formal recognition to those young people who excel themselves in their professional endeavor and commitment to the community. Including year 2013, a total of 329 outstanding young persons were awarded. We hope by recognizing these Hong Kong youngsters, a perfect role model of young leaders is being established which can inspire more young people working hard for our better tomorrow.

In 2013, eight awardees were selected by Selection Consultant, Deloitte Touche Tohmatsu and Judging Panel led by the Chief Judge Professor Frederick Ma Si-hang, GBS, JP, The Hon. Cheung Kwok-che, Prof. Joseph J Y Sung, SBS, JP, Ms. Paddy Tang Lui Wai-yu, BBS, JP, and Ms. Anita Fung Yuen-mei, BBS. It was our great honor to have The Hon. Mr. Lam Woon-kwong, GBS, JP being our Guest of Honor and presented the recognition award to the recipients during the award ceremony, which attracted over 80% of media to report the event including local Chinese Newspaper, SCMP as well as radio & television channels. A lot of touching stories of awardees have been praised.

"Dare to Act", the eight awardees participated Community Service Day, which was held after Result Announcement. They visited four families from three different ethnic minorities including Nepal, India and Pakistan.Through the home visit, the awardees have been inspired and considered to help the ethnic minorities in Hong Kong to go beyond barriers. They also shared a wonderful day with Children from ethnic minority to practice Chinese Calligraphy so as to build up the racial harmony.

Salute to the past awardees who continue the Spirit of TOYP to make this project more meaningful. There are several breakthroughs this year, which, we invited Dr. Kan Tai-Keung SBS, (1979) to inscribe the project name to the publicity; Mr. Poon Kwingwing, Water (1985) to create a large-scale calligraphic artwork to promote "Love" on Community Day; Ms. Barbara Wong (2002) to a produce a micro movie to inspire and deliver the "Can-do" Spirit to the new generation; Ms. Cheong Leen

Elizabeth Flora (1990), Mr. Chan Siu Cheuk (2000), Dr. Chan Ying-yang, Emily (2004) and Ms. Liu Tung-mui (2004) to design the lovely TOYP post card. With their contribution, our TOYP selection 2013 has been a remarkable event which received a lot of compliments from the society. We believe that the awardees will contribute their time and effort continuously to the community and make positive change for a better world.

# UNITED NATIONS MILLENNIUM DEVELOPMENT GOALS

The eight United Nations Millennium Development Goals (UN MDG) form a blueprint agreed to by all world's countries and all the world's leading development institutions to free humanity from extreme poverty, hunger, illiteracy and disease by the deadline of 2015.

JCIHK is honored to organize two large-scale global concern projects which has as one of its major goals the responsibility to contribute to the UN MDGs. This year, we did a breakthrough in the history of JCI Hong Kong. Two projects have been organized including:

**JCI Nothing But Ramen 2013**

**UNMDG X Global Citizen Debate Competition 2013**

**JCI Nothing But Ramen 2013**

Malaria Kills. Send a net. Save a life. "Nothing But Ramen", hosted by JCI Peninsula, had been held successfully on 26 May 2013 in Butao Ramen Restaurant in Central. Event Ambassador Dr. Chan Yee-Shing and 2009 TOYP awardee Mr. Cheng Ka-Ho promoted the important message of concerning the victims of malaria in Africa. More than 200 bowls of delicious ramen were sold. US$21,000 had been raised and donated to the JCI Nothing But Nets Campaign during Asia-Pacific Conference 2013 in June.

**UNMDG X Global Citizen Debate Competition 2013**

Partnered with HK Association of Debaters Limited and Kwun Tong District Office, Home Affairs Department, we doubled the project scale to recruit 16 debate teams in secondary school level to conduct a kick-off ceremony, education seminar, and an award ceremony from May to September this year so as to raise students' awareness of the MDGs The champion of the debate competition is Belilios Public School. It is our great honor to invite Mr. Eddie Ng Hak-kim, SBS, JP, Secretary for Education to officiate the award presentation ceremony on 1 September 2013.t
