The JCI Creed

We believe:
That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That Government should be of laws rather than of men;
That earth's great treasure lies in human personality; and
That service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U. S. A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippines Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were on paper:

The brotherhood of man transcends the sovereignty of nations.
Economic justice can best be won by free man through free enterprise.
Earth's great treasure lies in human personality.
Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since the Creed was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every member is free to interpret the Creed in the light of his own conscience."

Message from National President

Senator Frank Pak

We have got a new home! Many of you should have visited the new Chamber office, and hope you all enjoy it. Its grand opening cum JCI-HK's 54th birthday was held on May 6, which was officiated by Mrs. Rita Fan, Chairman of Legislative Council; Mr. Isaac Chow, Deputy Director of Home Affairs Department; and JCI Vice President Waqar Choudhury. We also held a party to say fond goodbye to our old club house on April 29.

More enchanting moments came when more than 150 delegates of Hong Kong attended the Asia Pacific Conference in Penang, Malaysia, on May 21-25. JCIHK took pride in winning eight awards, amongst which five went to City Junior Chamber, two to Peninsula Junior Chamber and another one to East Kowloon Junior Chamber. Well done and congratulations!

Our brand name project TOYP Selection has just kicked off with a press conference held on June 12. It is now open for nomination. If you could be a nominator or know about any potential nominee, don't miss that and take the chance.

The National Convention this year will be hosted by Victoria Junior Chamber on September 24-26, with the theme "Live IT, IT Life". The famous venue, Cyperport, will surely be refreshing as new and exciting, yet its capacity can offer limited seats. Don't hesitate to register now, or you can't secure yours!

Our cooperation with the government district bodies is climbing to a higher platform. We had attended two meetings hosted by Dr. Patrick Ho, Secretary for Home Affairs Bureau on April 15 and 16, which was fruitful in fostering us closer relations and better understanding with the Bureau. We will proceed further with our plan to establish pact or link between our 18 Chapters and the 18 District Boards.

Half year has gone, and work is going in full force. Hope to see you in different JC functions and your support, as always, is highly treasured.

New Chamber Office and 54th Anniversary

"Happy Birthday to JCI Hong Kong...."

It was really an exciting event for all our JC members on 6th May. It is a big day for us to celebrate the Grand Opening of our new office cum 54th birthday.

On this special occasion, many of our National Past Presidents, guests and members of our 18 Chapters supported to that ceremony and there we found a full house in our new office. Besides, it was a great pleasure to have our Guests of Honours, Hon Mrs. Rita Fan Hsu Lai Tai, GBS, JP and Mr. Isaac Chow Yiu Nam, JP to officiate the Grand Opening Ceremony. Moreover, a limited edition's First Day Covers had been produced to make the event even more memorable.

With the leadership of our Project Chairman, Past National President, Senator Louise Chan, and the assistance from her organization committees, the Grand Opening turned out to be a successful and memorable event Positive feedbacks were not only received from our members but also from our guests. We believed that all members could benefit from the more spacious chamber office and it was an ideal venue to organize different project meetings, gathering and trainings. Please make good use of our new office and make it to be a strong PR tool to promote our Four Areas of Opportunities.

Many guests joined the Opening of our Chamber Office.

Penang ASPAC

"Charming Penang, Truly Asia" is the theme for the JCI 54th Asia-Pacific Conference (ASPAC). This year, JCI Hong Kong has sent a big delegation of over 150 members to attend. Those members who are fortunate to attend this Conference will appreciate the charms of Penang and experience what we JC always call "Internationalism"

NP Frank was crowded with JCI Hong Kong members happily in PISA, the venue of opening ceremony.

The opening of Hong Kong Night.

The four days program began with a fantastic opening ceremony at the Main Arena of Penang International Sports Arena (PISA). Delegates enjoyed not only the carefully choreographed entertainment, but witnessed the parade of JCI officers and chief delegates from Asia-Pacific countries and from other areas of the world.

ASPAC will not be such a wonderful experience without the International Nights. Malaysian Night and Japan Night are two of the most spectacular this year. The Malaysia Night held right after the Opening Ceremony filled our mind with joy and our mouth with Malay delicacy. Japan Night is as wonderful as usual and Hong Kong delegates all returned with fun and handful of souvenirs.

Members overjoyed with 8 awards received in the Award Ceremony in Penang ASPAC.

This year, we also had the chance of hosting the Hong Kong Night and it was highly praised by many overseas delegates that it was one of the most wonderful Hong Kong night they had ever had. This can be told from the laughter and cheers on the faces of the delegates. Special thanks should go to the Chairman of the Hong Kong Night JC Cecilia and her hardworking Organizing Committee for unfailing hard work in the past two months.

Besides fun and laughter, delegates also had the opportunity to attend JCI Lead and JCI PRIME, training seminar on "Principle Centered Leadership," presented by renowned instructor from Franklin Covey and other remarkable and resourceful seminars.

Needless to say, the highlight of the Conference should be the award ceremony and Conference Ball. JCI Hong Kong got a great result in ASPAC this year with eight awards namely:-

City Junior Chamber:

1. Best Community Development Program
2. Best Individual Development Program
3. Best Membership Recruitment Program
4. Best Youth Activities Award

Peninsula Junior Chamber

2. Best of the Best (Area B)

National Business Network

Business Mission Study to Penang, Malaysia

May 24, 2004 marked a big step forward for NBN. This is our first mega project - Business Mission Study to Penang, Malaysia held during ASPAC. With City JC's kind coordination, we were able to invite delegates from Young Entrepreneurs Association of Shunde, China to join us. We had visited local specialties companies including jewellery factory, Batik (traditional Malaysia hand drawn fabric) factory, and souvenirs shop. Most important of all, through Penang JC's great assistance, we were able to visit Kwong Wah Yit Poh, the largest in Northern Malaysia and oldest Chinese newspaper in Asia Pacific, to learn about their organization structure and production line. Later, we were honoured to meet with the Chairman of Chinese Town Hall of Penang, the most prominent Chinese business organization in Penang. We wrapped up the full day fruitful events with a Happy Hour and Dinner at a funky restaurant in which we were warmly greeted by some local Malaysian JC members. During this event, we were able to generate a truly internationalism for business networking amongst Malaysia, China and Hong Kong. Our team was also able to draw the attention of more than 20 LOMs in the Asia Pacific area including Taiwan, India and Japan to the possibility of furthering business interest during international conference..

Taking this opportunity, I would like to thank NP Frank, the whole JCIHK business team mates including NGLC Clement, NVP Sammy, NBN Chairman Albert, NBN VC (IA) Florence and VC (CA) Anthony, and also my five beautiful angels, Janet, Marissa, Rose, Linda and Roseline. Thanks should also go to their respective LOM President's generous support for launching this successful project.

With all your positive feedback, our team decided to organize another business trip during World Congress - Business Mission Study to Fukuoka. Stay tuned for further details to explore more business opportunities and to save up money for your next trip.

Joint Luncheon with Lions Clubs International District 303 HK & Macau

With the concerted effort of Peninsula JC Past President Tony Kam and NVP Ada Koo, a joint luncheon co-organized by Lions Clubs International District 303 HK and Macau and Junior Chamber International Hong Kong was held on 5th June in the Ballroom of Hotel Nikko. It is our great honor to invite Mr. Ronnie Chan, Chairman of Hang Lung Group as our anchor speaker who gave us an informative and entertaining talk on 'Venture Wisdom at the Dawn of Economic Recovery'. His speech so humorous and comprehensive that he drew our attention troughout the one hour session.

There were over 100 participants from both organizations attending that luncheon. Through this luncheon, the individual members of Lions Club International District 303 and JCIHK got along well with each together and the understanding and relationship was deepened. Besides, it is also a good start for us to extend our networks beyond the JC circle. In summary, it was a meaningful and relaxing afternoon and we expected there would be another joint gathering soon.

East Kowloon Junior Chamber Success Dynamic 6

Training in action...

Everyone is very focus.

It's the dawn of a Good Friday (9-11, April 2004). Twenty-six young men and women gathered at the foot of the Sunset Peak, anxious to start a unique journey of self-rediscovery. They were about to experience a 3-days-2-nights proprietary off-site training program, Success Dynamics, developed by the East Kowloon Junior Chamber.

The camp site, up on the peak of Lantau Island, is carefully chosen to pull our partakers from their comfort zone. The journey began with a two and a half hours "uphill battle", testing the mental strength of participants and also served as an ice-breaker to set the scene for participants, strangers to the journey and to each other, to help and support each other to make it up the hill.

A group of dynamic people in Success Dynamic 6.

Our journey designer Senator Paul Chan, a trainer by profession, induced new elements, and latest training methodologies in the activities for this sixth consecutive program. Through the action-packed, thought-provoking delivery by our coaching team led by head coach Senator Petrus Yung and Guest trainer Past National President Senator Tony Chan, our participants were not only drawn to come face to face with their strengths and weaknesses but also identifying the runway for flying high in life; and this time with their buddies.

We were also blessed with a team of dedicated organizing committee led by Ken Chow who prepared meals with limited resources available up in the camp site, and once in a while surprised our participants with a treat, bringing warmth and sweetness to the journey. Thanks to PROFILE International, a renowned research company in human resources, we were able to link the character traits of our participants to their job characteristics, stretching the effect of our journey from the Sunset Peak to the real world.

This year, Success Dynamic won the APDC Training Award at Penang ASPAC. The Award signified recognition of our dedication in search of excellence in providing training for both community and our members. This journey will go on!!

Our three prominent speakers.

The Art of Living and Building Personal Resilience Programme
The Art of Personal Financial Planning Seminar

Sha Tin Junior Chamber successfully brought this core life skill to the attention of the JC community and the public for their benefit. Amidst the topical macroeconomic adjustment and rising interest rate, 3 renowned gurus in the field were invited to share their professional views on the issue at Marriott Hotel on June 5, 2004. Mr. Bankee Kwan, Chairman and CEO of the CASH Group, covered the global investment opportunities for small investors, which set a macro framework for the audience. Mr. Cho Yen Chui, famous newspaper columnist crystallized stories from his popular column "Investor's Diary", which was very educational and inspiring. Last but not least, Ms Scarlett Pong, Managing Director of RealChamp Asset Management Limited, demonstrated a practical approach of structuring a good personal financial portfolio. The seminar was then concluded, with the assistance of our experienced SJC facilitator, in an interactive and constructive Q&A session.

It is again delighted to report that the seminar was well received with over 100 attendants in full house. Not only had the participants learnt a lot on the topic for their life benefit, but also they had a very good time enjoying the ambience and refreshment at Marriott Hotel in a nice Saturday afternoon.

Full house again!
