The JCI Creed

We believe

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.

Economic justice can best be won by free men through free enterprise.

Government should be of laws rather than of men.

Earth's great treasure lies in human personality.

Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Mr. Tam Yiu Chung, GBS, JP

I would like to offer my warmest congratulation to JCIHK for stepping into a new age and Mr. James Tsui for being the 2006 National President.

In the year of 2005, Hong Kong people enjoyed the fruits of economic boom and restored their confidence in employment and running business. However, Hong Kong is still facing some challenges such as the problems arose from the aging population, how to help the low-income families and vulnerable groups, the strong competition for talented manpower with other countries and the argument for the political reform. To meet these challenges, the great intelligence and capabilities of Hong Kong people need to work together under a harmony society. I strongly believe that JCI could be a good platform for equipping and encouraging those young people to serve the society well.

I wish JCIHK continued successes for many years to come.

Message from Honorary Advisor

Mr. Daniel Heung Cheuk Kei, BBS, JP

I would like to thank the outgoing National Board of Directors for a job well done and extend my warmest congratulations to the incoming Board for taking up the challenge of leading JCIHK to go forward. It is also my pleasure for being invited to be your Honorary Advisor again for 2006.

A new year always signifies excitement and challenges. It will be the challenges for members of the JCIHK to come together under your common mission: "to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, entrepreneurship and fellowship necessary to create positive change". It will equally be the challenges for the Committee on the Promotion of Civic Education (CPCE) to have decided to focus its efforts in the coming year towards the promotion of "corporate social responsibility" – the positive contributions that a company should make to the wider community through its core business activities, its social investment and philanthropy programmes, as well as its engagement with the public at large.

Both the promotion of entrepreneurial spirit and "corporate social responsibility" will be conducive to enhancing social participation and active contribution by young people and the working population. JCIHK and CPCE not only share this common objective, but also the objective to foster mutual aid and reciprocity in the community, thereby enhancing social integration and harmony. I hope that CPCE and JCIHK would have the opportunity to work in partnership towards our common objectives in the coming future.

I wish the National Board of Directors every success in your coming endeavours. I also look forward to a more harmonious and integrated civil society through our joint efforts.

Daniel Heung Cheuk Kei

Message from National President

Junior Chamber International Hong Kong

First of all, I would like to welcome all of you to attend the Inauguration Ceremony of Junior Chamber International Hong Kong in 2006. I trusted our entire office bearer members are prepared to take the oath of office wholeheartedly for the determination to strive for the better achievement of our beloved organization.

For the past 56 years, our organization have trained up million of young members and entrepreneurs for the economic development and stability of the local society. Its achievement has laid down a good ladder for the JC development in the new century. With all these reputation image and strong foundation from the past, I strongly believe that we should further enhance our corporate brand as a "Worldwide Federation of Young Leaders and Entrepreneurs" as well as echoed by Junior Chamber International. Hence, we chose "We are the Brand, You are the Brand" to excel the presidential theme - Entrepreneurs in Action.

"Branding" is the one of the most important successful sales and marketing strategies around the world for business entities and non-voluntary organizations. There have 100 clues of successful business stories in the world. You will find 99% clues are most of them having a good marketing, good branding even though they do not have a prominent product. Hence, creating corporate and personal brands are most important in today management. Its helps the business sectors in increasing sales. It also helps our organization in increasing membership and status in the society.

With this aims, we will have few major focus of development to enhance the corporate brand: Entrepreneurship, Leadership, Management and Membership. We plan to organize a joint program with HK Productivity Council, namely "Entrepreneurs in Action Program for the New Era Leaders". It aims to provide an entrepreneurship and leadership training for both JC and outsiders. The newly formed Training Institute will formulate a series of JC specialized training program for the public so as to marketing out our label as a "Worldwide Federation of Young Leaders and Entrepreneurs". Keeping close relationship with the All China Youth Federation, government officials, non-governmental bodies and commercial sectors is also one of our major focuses in 2006. For our chapters, we strive to improve our chapter management effectiveness through various means.

I trusted our overall membership would be increased with all the above marketing strategy, clear corporate image, prominent projects and well management of our organization.

Lastly, I truely swear that I will faithfully execute the office of National President and present a prominent brand of JCIHK to the society.

James Tsui

Message from President

Junior Chamber International

It is a privilege to serve you as your 2006 JCI President and a pleasure for me to send my very best wishes as you gather on January 4, 2006 for the 2006 JCI Hong Kong Inaugural Ball.

We have each been entrusted with an enormous responsibility this year. The world cries out for leaders who have eyes to see and hearts to understand and who have the courage to change the status quo. We need leaders who can and will be the change needed and I am confident that the incoming officers of JCI Hong Kong will step up to this challenge.

In our efforts to create better leaders to create better communities we need to be authentic - we need to be real. We need to deliver on our promise, question some of our practices and really make sure that they are aligned to what we are and what we want to be.

I ask each of you to take a look at the way you operate your chapter to ensure that you will also be the best organization for young leaders and entrepreneurs in the years to come. I challenge you as young leaders to show the way and take responsibility. You need to put yourselves forward to the present leadership and demand to be heard. The solutions for the future lies in the hands of the young leaders – so make yourselves heard and be present!

With best wishes for your Inaugural Ball and success in the year ahead.

Message from Chairman

Hong Kong Junior Chamber Foundation

After awarding the "Most Outstanding NOM of the World" in last Vienna World Congress, it would be a very high standard for the 2006 administration to follow. However, there is no limit beyond the sky and we can always achieve more if we determine to do so. The objective of JCI Hong Kong is to train up the leadership skills of the youth in Hong Kong. Apart from the outstanding results we may achieve, our ultimate aim is to train up future leaders for the community in Hong Kong. That is why all NOM and LOM officers should also put key emphasis on human resources planning and development. It is important for us to breed more leaders to train up our successors. Only by doing so, the organization will have continuity in the near future.

For all the incoming NOM and LOM officers, it is also necessary for all of you to realize your commitment in your election during 2006. Vision with appropriate actions can make your dream come true. It would be hopeless if we can only talk, but not put all your dreams in action. I hope all the officers inaugurated today would be persons of their words and persons with absolute responsibility. The success of our JC movement will count on all the NOM and LOM officers. I hope you will dedicate your time and talent in helping JCIHK to grow and become better and better.

I sincerely hope National President James and his board of directors together with other JC leaders from LOMs to create a better JCI Hong Kong for all of us in 2006. HKJC Foundation is always by your side and will fully support all the meaningful projects and plans for the betterment of the organization and the community.

Vote of Thanks from Inaugural Ball Chairman

Every year, Inaugural Ball symbolizes the start of the year in Junior Chamber International Hong Kong with a line-up of all National & Chapter Officers, in which the Officers take the oath for their one-year commitment in executing the new position to the best of their ability. The majority of the program in this evening is the solemn inauguration for our group of young leaders & entrepreneurs. This is also a special occasion for fellow JC members to enjoy the performance and to share the friendship.

We have the greatest honor to have Mrs. Rita Fan, GBS, JP, President of the Legislative Council, Mr. Li Gang, Deputy Director of Liaison Office of the Central People's Government in the HKSAR and Junior Chamber International Vice President Leon Chuang as our Guests of Honor together with other distinguished guests to witness the installation of 2006 Officers.

It is my great pleasure to be the Project Chairman of Inaugural Ball 2006, so that I am able to work with a team of talented, enthusiastic, and dedicated organizing committee members from different Chapters. We have altogether create an accomplishment in the early of 2006. Besides our teamwork which is a key success factor in this project, another success factor is the substantial support & contribution from National Officers, all the 18 Chapters & Chapter Presidents, Senior Member Club, sponsors & advertisers and I would like to express my gratitude for all their generous contribution.

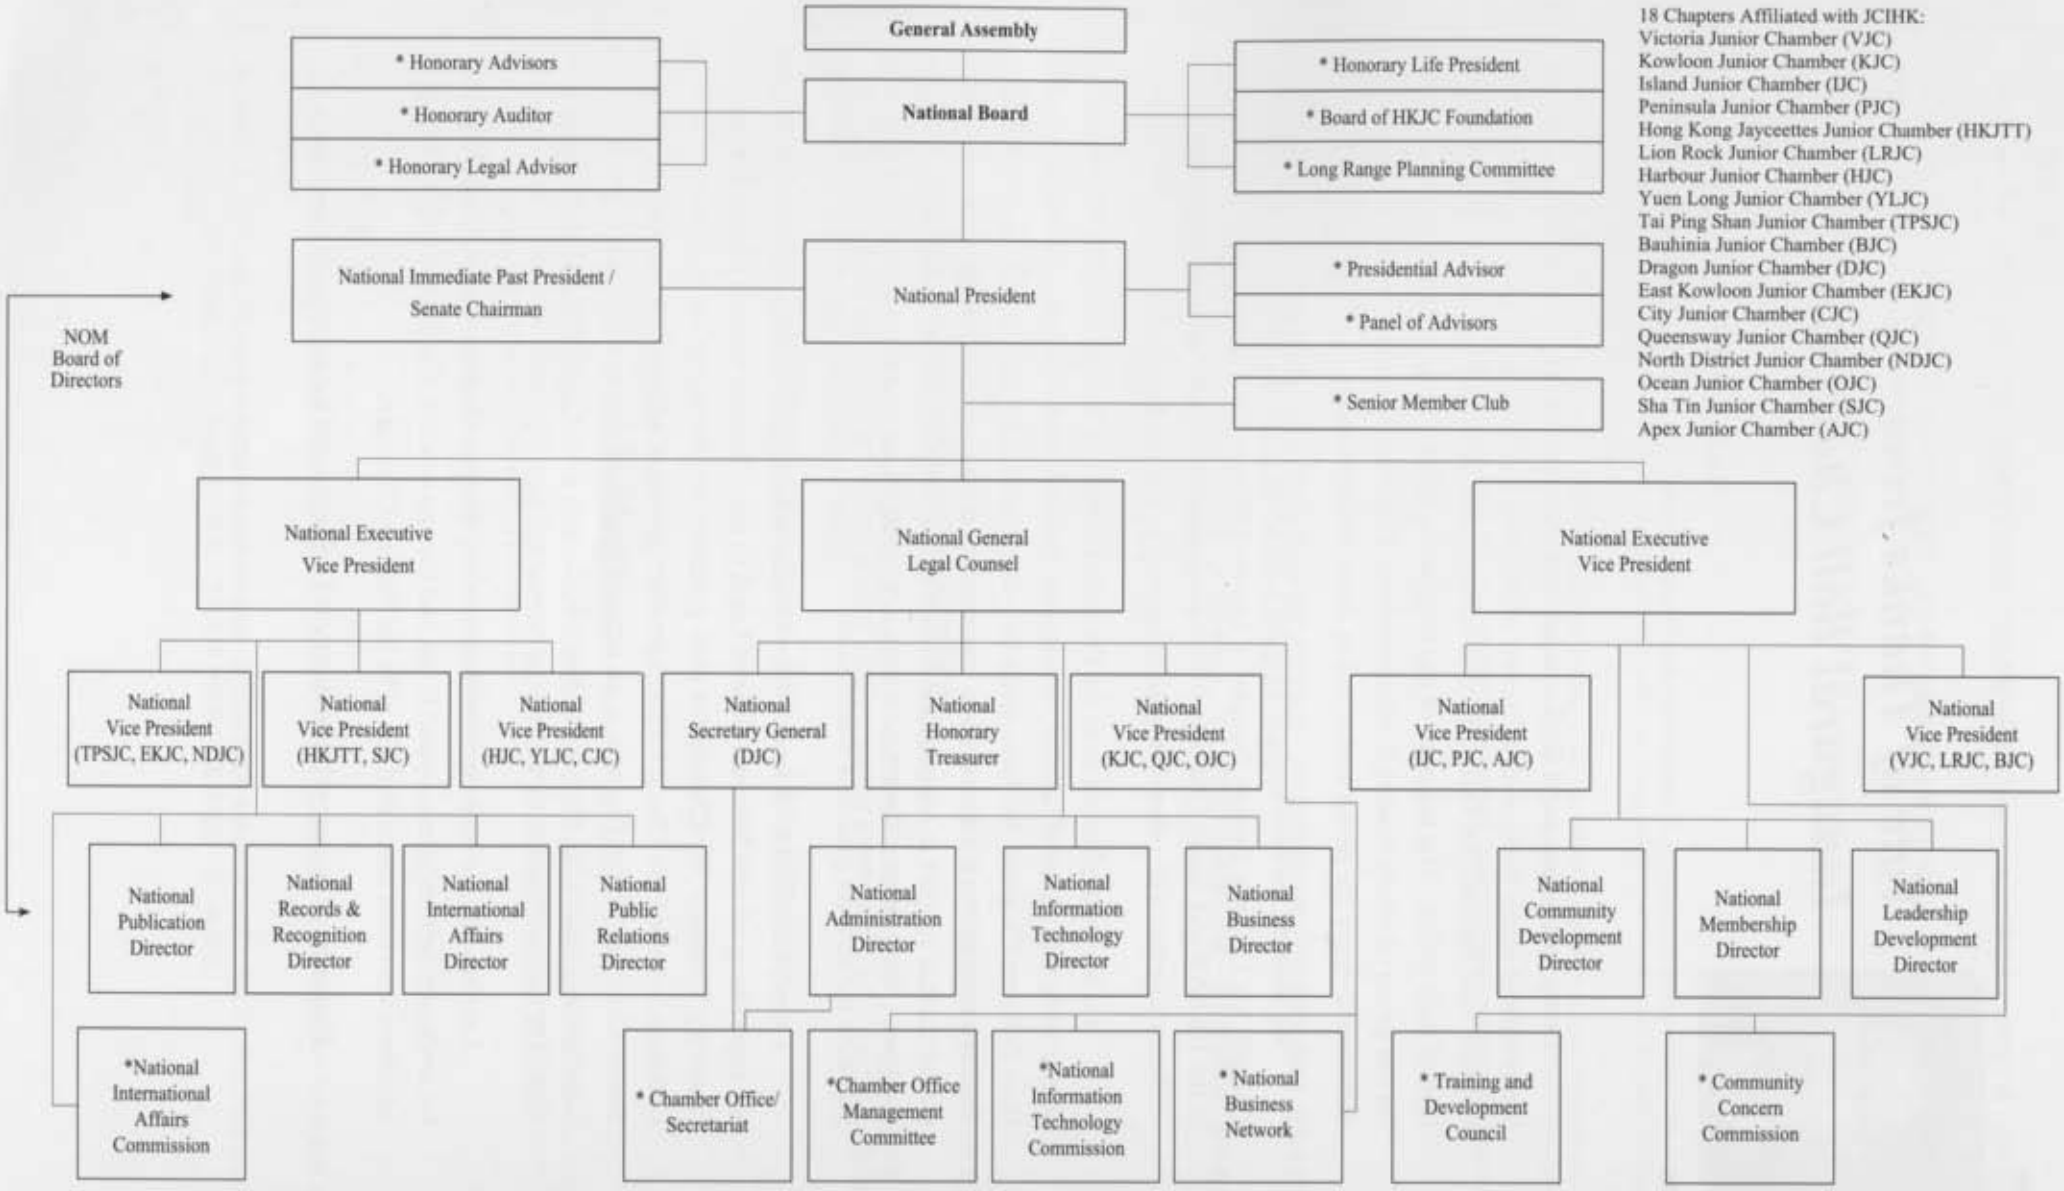

I would also like to extend sincere thanks to National President Senator James Tsui, my supervising officers National General Legal Counsel Senator Vincent Chung and National Honorary Treasurer Ivy Cheung for their guidance and unfailing support, Immediate Past Chairman Senator Felix Cheng for his experience sharing & advice, Past President of Kowloon Junior Chamber Philip Tso who is an actuary for his advice in raffle sales, the Master of Ceremonies Claudia Ng from Hong Kong Jayceettes Junior Chamber and Billy Wong from Kowloon Junior Chamber as well as our Music Advisor Alex To.

Last but not the least, special thanks to my mother Chapter, Ocean Junior Chamber, for rendering their relentless support to me, and also my heartfelt thanks goes to those Jayceettes members who have motivated me to be the Project Chairman.

Wish you all an enjoyable evening, and a fruitful and memorable life in 2006.

The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, U.S.A., since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield St. Louis, Missouri, U.S.A., where the first local organization was founded in 1918. A professional staff of 20 full-time employees provides services to JCI members. Its chief executive officer is Secretary General Edson Kodama.

JCI OPPORTUNITIES

Junior Chamber can be called an organization of opportunities. The opportunities available within Junior Chamber are so numerous it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four Areas of Opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

JCI CORPORATE SLOGAN: ENTREPRENEURS IN ACTION

The word "Entrepreneur" has a vast range of positive meanings. Primarily denoting "a person who organizes a business undertaking," it can also describe someone who takes bold actions for the community--a social entrepreneur. Innovative, cutting edge, creative, and energetic, an entrepreneur has fresh, original ideas and is ready to risk implementing them. The words "In Action" were selected to indicate that our members are active and proactive, always working toward change. Regardless of the area of enterprise development, training, environment, children, peace, internationalism, our members help improve their communities, their countries and their world.

JC MEMBERS CREATE OPPORTUNITIES

The slogan "Entrepreneurs in Action" depicts our members' determination and courage to create and use opportunities to generate change, to break barriers and to explore new fields. Pioneers in business and in life, they are trailblazers; they radically redefine limits, and how they can be reached and surpassed. Junior Chamber's ranks include leaders who are investors, venture capitalists, entrepreneurs, and professionals in diverse fields. Their entrepreneurial action empowers them to forge change to make the world a better place. They are visionaries, risk-takers and mavericks; they transform great dreams into reality. With strength and determination, they are reaching new limits, continually striving to do more and be more in their businesses, their communities, and in the lives they help change.

History of Junior Chamber International Hong Kong

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

FIRST REGIONAL CONFERENCE OF ASIA

JCI

JUNIOR CHAMBER INTERNATIONAL
OPENING PLENARY SESSION
February 11th, 1951
HONG KONG

The Program of JCI Asia Conference in 1951

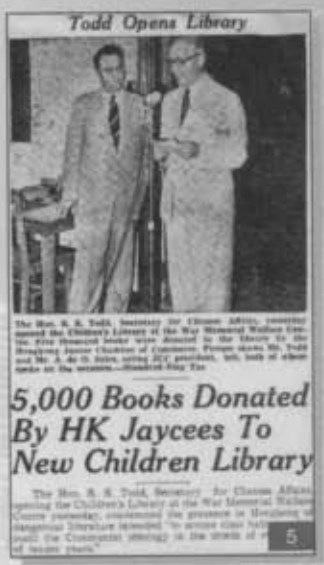

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It opened also its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Todd Opens Library

5,000 Books Donated By HK Jaycees To New Children Library

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

History of Junior Chamber International Hong Kong

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

History of Junior Chamber International Hong Kong

"A Better World Tomorrow Through Jaycee Training Today"- Theme of 1966 JCI Conference in Hong Kong.

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

History of Junior Chamber International Hong Kong

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

History of Junior Chamber International Hong Kong

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at 1:30 a.m. due to typhoon.

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

History of Junior Chamber International Hong Kong

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Opening Ceremony of the New Chambaer Office on Sep 13, 1990.

Flashback 1990's - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

History of Junior Chamber International Hong Kong

Hong Kong Junior Chamber participated in "上環繽紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

Flashback 2000's - Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program', 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong Back', etc.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

In 2005, JCIHK celebrated her 55th Anniversary and was awarded the "Most Outstanding National Organization Award" in Vienna Congress.

To mark the 55th anniversary, we held a celebration banquet party on May 6, 2005 to celebrate the Emerald Anniversary.

At the evening, our two prestigeous Guests of Honors Mr. Li Gang, Deputy Director of the Liaison Office of the Central People's Government in Hong Kong and JCI Hong Kong Honorary President A De O Sales, GBM, JP began the kick-off ceremony of Lion Dance performance. Instantaneously, the ceremony aroused the ambience to attract all the people's attention. Following with the cocktail session, Guests and fellow members were having a fruitful conversation and enjoying the live band.

The party's highlight was to introduce each of the present Past National Presidents in cake-cutting ceremony by recognizing each of their important contributions in their years. Various entertainments were laid on throughout the projected video images, crossing with the life performances of Chinese Orchestra & Chinese Opera.

The centre of attention was the performance of Jaycee song. Our "special guest" "Jaycee Chan" , son of Jacky Chan drew every member's attention in performing our JC song together with National President and all the LOM Presidents on stage to conclude the event. The song impressed all who sang it.

UNMDG (United Nations Millennium Development Goals) Project

This project aimed at promoting the message that "WE CARE" for the community we are living in. As one of the important pillars of society, our JC members would like to show our love and concern towards the less privileged people. The joint effort of our 18 chapters was demonstrated in creating an inclusive society with better equality to the public. Furthermore, the UN Millennium Goals were introduced to the participants so that we may have some reflections to our lives.

Placed at the heart of the global agenda, they are now called the "UNMDGs" and include eight main goals:

Goal 1: Eradicate extreme poverty and hunger
Goal 2: Achieve universal primary education
Goal 3: Promote gender equality and empower women
Goal 4: Reduce child mortality
Goal 5: Improve maternal health
Goal 6: Combat HIV/AIDS, malaria and other diseases
Goal 7: Ensure environmental sustainability
Goal 8: Develop a global partnership for development

A large majority of nations will reach the MDGs only if they get substantial support, advocacy, expertise and resources - from outside sources, such as Non-Governmental Organizations (NGOs) like JCI. As a metropolitan city, Hong Kong young people should have the worldview we are one of the global villagers. We have to share our responsibility to develop an inclusive and equal society with sustainable development.

Thus, a series of events were held to promote the 8 UNMDGs starting from a Forum that explained the 8 goals to our members. On 12 June 2005, we had an opening ceremony at Tsuen Wan Plaza with Guest of Honour of The Hon. Mrs. Rita Fan, President of the Legislative Council. Then, we had a "Better Hong Kong, Together We Care Forum" on 19 September 2005. It was our honour to invite Ms Elsie Leung, GBM JP, former Secretary for Justice, the Hon. Chan Yuen Han Legislative Council and so on as our forum speakers. Through their experience sharing, we understood how Hong Kong people faced the tough times positively.
