JCI MISSION , VISION AND CREED

The JCI Mission

To provide development opportunities that empower young people to create positive change.

The JCI Vision

To be the leading global network of young active citizens.

The JCI Creed

We believe :

That faith in God gives meaning and purpose to human life
That the brotherhood of man transcends the sovereignty of nations
That economic justice can best be won by free men through free enterprise
That government should be of laws rather than of men
That earth's great treasure lies in human personality
And that service to humanity is the best work of life.

History of the Creed:

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Island. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mamkind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that the following words came to mind and were put on paper:

The brotherbood of man transcends the sovereignty of nations.
Economic justice can best be won by free men though free enterprise.
Goverment should be of laws rather than of men.
Earth's great treasure lies in human personality.
Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

MESSAGE FROM GUEST OF HONOUR

Ms. Chiara Milani
2013 JCI President

Dear Members of JCI Hong Kong

As we begin a new year, I would like to encourage all JCI members to continue working towards creating positive change. I genuinely believe the momentum we have achieved in 2012 will carry us to an even greater impact in 2013. I encourage you all to take the 2013 JCI Plan of Action to heart, and continue to work as a team of young active citizens across the world.

There can be no denying the magnitude of the world's problems. However, JCI members bring motivation, ideas and resources to tackle these challenges. It is our responsibility to steer the future of our communities and focus attention on the UN Millennium Development Goals (MDGs). These targeted and achievable goals are the perfect way for us to focus our efforts toward creating impact.

I know members of JCI Hong Kong will address these challenges head-on, engaging partners from all sectors to create targeted solutions that create sustainable change. It is the responsibility of our members to engage young people to take the future of their communities, their countries and the world into their own hands. I know JCI Hong Kong will be at the forefront to be a leading example, using the JCI Active Citizen Framework as a powerful tool.

Throughout 2013, I encourage all members to participate in the Conferences, Global Partnership in New York, and the World Congress in Rio de Janeiro, Brazil. We will unite at these events to further the JCI Mission and share best practices.

Congratulations to the newly inducted JCI Hong Kong Board of Directors. I encourage each and every one of you to Dare to Act!

Sincere regards,

Chiara Milani

MESSAGE FROM HONOURARY ADVISOR

The Hon Bernard CHAN, GBS, JP
Chairman of the Council for
Sustainable Development

I am delighted to congratulate all members of Junior Chamber International Hong Kong on the occasion of the installation of the incoming national and chapter-level boards of directors. My best wishes go out to all new office holders.

JCI has a long and proud tradition of encouraging and helping young business people and entrepreneurs to develop themselves as individuals and leaders, to help to enhance their shared capacities, and perhaps especially to serve the community of which they are a part.

JCIHK's success can be seen from its development over the years, both in terms of growth and in reaching out to particular groups through new chapters catering to groups such as women and Putonghua speakers. Most important of all, however, is surely JCKHK's commitment to serve the less advantaged members of society.

I look forward to JCIHK continuing to go from strength to strength, and I wish you all an enjoyable ball and a highly successful 2013.

Bernard Chan

MESSAGE FROM HONOURARY ADVISOR

Mr. Bunny CHAN Chung-bun, SBS, JP
Chairman of
the Commission On Youth

Although the Junior Chamber International Hong Kong has been established for more than 60 years since 1950, it has only gone from strength to strength and is becoming more and more firmly rooted in Hong Kong gathering respect and support from a wide spectrum of the community. One main reason for its success and achievements must of course have been all the high quality and high calibre people who have enthusiastically participated in the work of JCIHK through these years, and the fact that it has been able to continue to draw new blood to perpetuate its vibrancy and strengths. Another main reason is the clear and sustainable goal it has set for itself of contributing to the advancement of the global community by providing opportunity for young people to develop their leadership skills, social responsibility, entrepreneurship, and fellowship necessary to create positive changes. The slogan of the 2013 Board of Directors is a very uplifting one of "We Are One Jaycee". I am confident that under the leadership of the new Board, JCIHK will go onto further new heights in its activities, including the flagship project "Ten Outstanding Young Persons Selection" and promotion of the UN Millenium Development Goals and UN Global Compact through innovative projects. May I also wish everything well for the greatly anticipated event of the 2013 Inaugural Ball!

MESSAGE FROM SENATE CHAIRMAN JUNIOR CHAMBER INTERNATIONAL HONG KONG

Mr. Stanley Ng
Senate Chairman

It is with strong confidence that I offer my best wishes to the incoming officers in both national and local levels for the success in all the initiatives they drive in the year 2013.

A Senatorship is the highest honour in Junior Chamber International to pay tribute to an individual for his or her dedication and outstanding service on local, national and international levels. With 63 years history of JCI Hong Kong, we have only 422 members granted this honour.

It is my honour to serve you as the 2013 Chairman of the JCI Senate Hong Kong. The opportunity I had to serve you as the 2012 JCI Hong Kong National President in organizing the JCI Asia- Pacific Conference, driving impacts to the community on the objectives of the UN MDGs, expanding our membership size and much more was an exciting and life-changing experience.

I would like to sincerely thank all JCI Senators for your continuous contribution to the organization. All JCI Senators have fruitful experience and knowledge that younger generation can learn from. The efforts you make are crucial to our movement toward becoming a leading global network of young active citizens in Hong Kong. I encourage all Senators to further excel your spirit of active citizenship to support the current projects of our members and engage more young people to join.

With the leadership of National President Senator Paul Wu and his national team, outstanding Chapter Presidents and local officers, 2013 will be another great year.

MESSAGE FROM CHAIRMAN
HONG KONG JUNIOR CHAMBER FOUNDATION

Mr. Justin Lui
Hong Kong Junior Chamber
Foundation Chairman

I have great pleasure in congratulating the JCI Hong Kong on its Inauguration Ceremony.

The Ceremony marks the official assumption of responsibilities of the new leadership teams at the National and the Local Chapter levels. I believe our leaders are fully committed to act along the oath taken, practicing leadership to advance the purposes of the JC organization in making positive changes to the Hong Kong community whilst promoting individual development.

It is also an occasion for engaging with stakeholders who have been rendering their unfailing support to the development of Jayceeism in Hong Kong. We are grateful to them for their valuable advice, close collaboration or tremendous support over the years.

The Hong Kong Junior Chamber Foundation takes cares of the pool of funds originated from the surpluses of JCI's international conferences held in Hong Kong. We manage and grow the assets prudently, and subsidize meaningful projects of the National and Local Chapter levels with our incomes. In particular, we rendered our support to the 2012 JCI Asia Pacific Conference Hong Kong which was successfully held last year. We believe that the projects we support over the years have contributed to the social and economic development of Hong Kong whilst benefitting our members in terms of opportunities in sharpening their leadership and project skills.

On behalf of HKJC Foundation, I wish you an enjoyable evening. I look forward to having another fruitful year for the JC organization in 2013.

Justin Lui

Long Range Planning Committee Chairman

Inauguration marks the solemn moment of commitment on serving our beloved organization throughout this year.

In 2013, the organization embarks on an role of committed and united identity to position JCI as a global organization with the great ability to the world. "We Are One Jaycee" is the 2013 slogan, very efficient and intimate way, to promote JC as a strong united youth organization.

As a forward-thinking organization, JCI members must face with challenges in the era of change of "Active Citizen from government to NGOs". Just like our new Chief Executive and government principal officials, we need to plan the future actions, consult our LOMs and bundle our NOM year plan effectively and efficiently.

"One" means unique and peculiar body whereas other organizations cannot offer similar opportunities to their members like JCI. JCI is an opportunity organization for young members to grow. I hope that all members can enjoy a real and practical experience of being a true Jaycee like Disneyland bringing your fantasy come true!

I have great confidence that National President Senator Paul Wu and all Chapter Presidents will lead our beloved organization to a new horizon.

Taking this opportunity, I would like to thank our new LRPC members for their continued support!

Last but not least, it is my great honour to send my heartiest congratulations to all 2013 National Board of Directors of JCI Hong Kong and its 19 local Chapters.

Once again, my best wishes to you all for a fruitful 2013 and to enjoy wonderful banquet tonight.

MESSAGE FROM CHAIRMAN SENIOR MEMBER CLUB

Mr. Patrick Au Yeung
Senior Member Club Chairman

It is my great pleasure to send warm congratulations to JCI Hong Kong on the occasion of the Inauguration Ceremony of the 2013 Board of Directors of JCI Hong Kong and her 19 affiliated Chapters.

2013 marks the 16th year of the establishment of our Senior Member Club, where graduates of JCIHK gathered to enjoy our fellowship. The contributions of all our 15 Past Chairmen and many other senior members have laid a solid foundation for attracting more and more graduates to join Senior Member Club and treasure the opportunities to get-together, enhance the bonding both among our members and with our beloved organization.

With over 500 senior members, our main focus for 2013 will be "Togetherness". We will organize leisure trip to Sabah Malaysia in April. Facebook Fan Page will be setup for senior members to share their past memorable JC snapshots. To encourage new graduates to join us, souvenirs will be presented to new graduates who participate in our Chinese New Year Bonanza in February and National Convention in September. Please do join our fun, attractive and special activities to meet up with old and new friends!

With all your support and participation, and under the leadership of SMC of all LOMs, I hope that more new graduates and senior members will join the Senior Member Club activities and continue our support to the JC movements.

Last but not least, may I wish JCI Hong Kong another fruitful year under the capable leadership of National President Senator Paul Wu and his committed National Officers and all outstanding Chapter Presidents.

Yours in JC Spirit,

Patrick Au Yeung
Senior Member Club Chairman

Junior Chamber International Victoria

On behalf of Junior Chamber International Victoria, it is my great honour to extend our heartiest congratulations to National Officers of Junior Chamber International Hong Kong, and also the Officers of all the Local Chapters on the occasion of the 2013 JCIHK Inaugural Ball.

2013 is a very fruitful year; we will continue to serve our community by having our flagship project "Grandparents' Day" to enhance closer relationship between 3 family generations from grandparents to grandchildren. We will also have our business affairs flagship project "innoBrand" to raise the awareness of innovative branding. Slogan of JCI Victoria 2013 is "We as one", I hope our members could built up good relationship with each other members as well as members from other LOMs and whole Hong Kong society.

Once again, I would like to express my warmest wishes to all Local Chapters and JC Members a prosperous and fruitful year of 2013.

President
Jade Chan

Junior Chamber International Kowloon

My vision this year is Empowering Positive Changes in our chapter, mainly in 3 ways.

First of all, it is the mature timing for JCI Kowloon to have a clear positioning of branding. Through our 3 flagship projects, Children's Chinese Calligraphy Competition, Shelter Dreams and 50 Dollars Dream, we deliver the information that we are an organization that cares about improving education and awakening the social awareness of young active citizens. This year we are launching a Business Speed Up Project to unite our 7 sister chapters and provide a business network for our members, and enhance our platform of International Affairs and Business Affairs.

Secondly, I would proactively share my external connection with sponsors and supporting organizations, to provide more exposure and better recognition of JCI Kowloon in the society. Since our flagship projects targets schools, we would connect with school networks to allow our members' volunteer work to more easily and effectively reach the right target audience.

Last but not the least, we would implement the 5 management cycles in chapter management and project management, which includes planning-delegation-monitoring-motivating-fixing.

One year is short, and if only I could successfully fulfill the positive changes in the above 3 ways, I would be proud to face to all of my members!

獅子山青年商會

會長
陳俙昊

國際青年商會之宗旨是為年青人提供發展領導才能，培育社會責任感，提供商務發展及增進友誼之機會，為全球社會發展作出貢獻。在新一屆總會會長胡惠基參議員及董事局的帶領下，本人相信國際青年商會香港總會亦再創另一高峰！

總會今年的口號「We Are One Jaycee」，我們一班青年人正好表達青商的一股力量，我們不但訓練自己服務社會，亦為這個地球作出貢獻，從實踐中學習，繼而提昇管理能力及經驗，訓練自己成為青年領袖。

「創變 • 動力！」是獅子山青年商會二零一三年的口號，鼓勵現今年青人多利用自己創意，發揮自我潛能，同時需時刻提醒自己每一改變需有決定性及行動性。最後亦激勵董事局成員改變自己同時，我們更要手牽手一起為本會及社會服務。

本人謹代表獅子山青年商會祝願總會及各分會在總會會長及各位會長的領導下，實踐願景，再創高峰。

元朗青年商會自一九七七年創立至今三十六年，一直在地區上培育青年領袖。本會今年的口號是「培育元朗新青年，積極公民齊向前」，正正凸顯我們這一群年輕人矢志秉承青商「服務社會，訓練自己」的精神，並且願意身體力行、宣揚開去，達至團結凝聚區內年輕力量、成為明日領袖這一遠大理想。本會雖然是香港總會十九個分會之一，各分會有不同文化，但其實都是演繹著同一種青商精神，所以每個分會都代表著香港青商；去年亞太大會能夠辦得完滿成功，就是全賴每一位香港青商的團結精神。今年香港總會的口號是“We Are One Jaycee”，我們不是十九個分會、我們是一個青年商會，寄望元朗青商的團結、各分會之間的團結能夠使香港青年商會更加壯大、在社會上更加有感染力！

最後，本人謹代表元朗青年商會祝願總會及各分會；會務興隆，百尺竿頭，更進一步。

二零一三年是充滿挑戰和機會的一年，前路既有荊棘，亦有許多機遇，太平山青年商將會繼往開來舉辦「愛與望飛翔」-殘疾人士就業推廣計劃，本計劃的目標是協助弱能人仕尋找有心僱主， 給他們實習的工作機會， 裝備及發揮他們的潛能。更希望僱主能夠持續僱用他們， 融入社會，令香港保持和諧的持續發展。本會亦會努力不懈，藉著各項工作計劃，給每位會友實踐的機會，激發各人的潛能，續其成就，透過投入付出，建立歸屬感，以達致本年度『團結齊心無界限，群策群力顯不凡』的理念。

Junior Chamber International Dragon is marching towards its 33rd year in 2013. Our unique Dragon culture, built by a group of passionate and energetic young professionals and entrepreneurs in the past history, will continue to influence our new generation, to improve ourselves and also to serve the society in which we take from and in turn we want to give back to those in need. In the process we train up ourselves to be better leaders, and we believe, joining Dragon, we have infinite possibility here. All of us are not only leaders in our area, but also will become a better one.

This year, our mission is "Believe Dragon, Create your Legend". JCI Dragon is a platform full of believes, creations and legends, a chapter for members to make their dreams come true. Dragons believe no problem of human destiny is beyond human ability and when Dragons believe in something, it happens! Together with all Dragon brothers, we will build on our unique culture by setting various project goals both locally and internationally and developing new ways to keep members engaged. We will strive to achieve our goal for this year, to make our community at large a more peaceful place to be. Through our projects, we have seen this chapter grow in size, seen individuals grow into leaders and all along the way built strong friendships and lasting connections.

This is the time we look forward to our new JC year and envision opportunities under the leadership of National President Senator Paul Wu. I strongly believe that 2013 will be a splendid legend of Junior Chamber International Hong Kong.

浩洋青年商會2013年的口號為「理想在浩洋」，希望每一位會友可以在浩洋找到他/她們的理想，令「你」想在浩洋! 在我心目中，理想的浩洋應該具備3大方向，分別是IBM：

晉峰青年商會

會長
梁嘉恩

常聽言香港今年是極具挑戰的一年，社會繼續充斥動輒挑剔的境況。我正認為，香港更需要一群積極關心社會的公民領袖，為社會帶來正能量，團結各界，締造更美好的明天。

晉峰今年主題是“以心為心”，喻意“用心”籌備各項工作計劃、“由心”照顧會員、“從心”培育明日領袖；“齊心”排除萬難、勇往直前，以求達到更理想的目標！我們藉著青商夢想平台，透過旗艦工作計劃如“第十屆尋找企業家的故事—企業杏林”及“第九屆中華兒女活動系列”；加上“烽火長傳”會員計劃，深信凝聚各方的力量，定能尋回社會既有的向心力和同理心！

在此祝願國際青年商會香港總會會務更上一層樓，造就更多明日領袖。

「聚．優．悅」是城市女青年商會今年的口號：凝聚會員動力，姊妹團結一致、保持會員優越質素，延續優雅氣質、心存喜悅，樂在其中。可見到跟總會方向一致，我們必定全力以赴，締造精彩的二零一三。

在此，本人謹代表城市女青年商會全體會員，祝賀國際青年商會香港總會就職典禮圓滿成功。

The Program of JCI Asia Conference in 1951

In late 1940's Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It also opened its first office in the then Hong Kong Bank building.

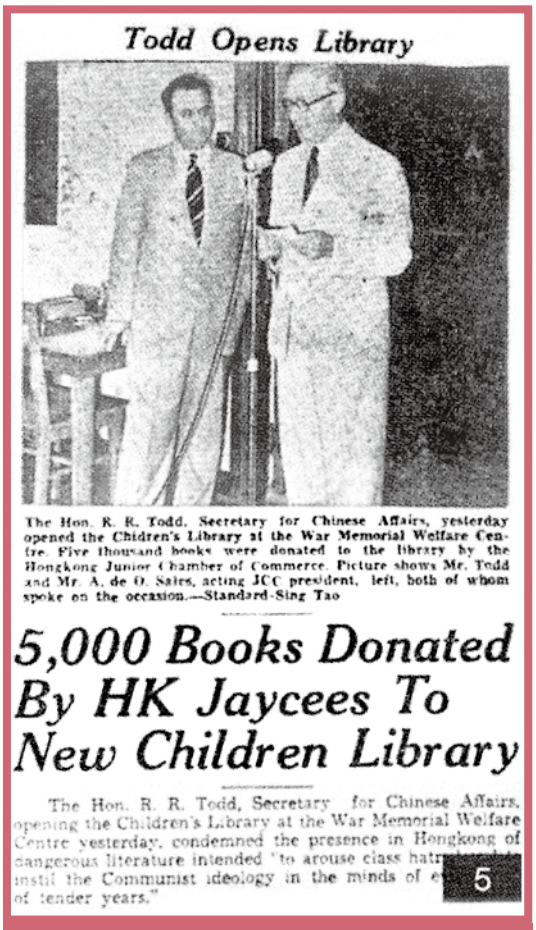

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel projects was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the projects led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

Todd Opens Library

The Hon. R. R. Todd, Secretary for Chinese Affairs, yesterday opened the Chidren's Library at the War Memorial Welfare Centre. Five thousand books were donated to the library by the Hongkong Junior Chamber of Commerce. Picture shows Mr. Todd and Mr. A. de O. 5,000 Books Donated By HK Jaycees To New Children Library

The Hon. R. R. Todd, Secretary for Chinese Affairs, opening the Children's Library at the War Memorial Welfare Centre yesterday, condemned the presence in Hongkong of dangerous literature intended "to arouse class hatr... instil the Communist ideology in the minds of e... of tender years."

Extracted from Standard-Sing Tao The Hon. R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on 12 Jun 1951.Over 5,000 books were donated!

HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office from 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. Hong Kong Junior Chamber had a reputation in the community here.

A dream became a reality when President Colin Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representstives of Peng Chau Rural Committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. In particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was a sound organization with total membership involvement.

HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

"A Better World Tomorrow Through Jaycees Training Today" - Theme of 1966 JCI Conference in Hong Kong

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office. With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

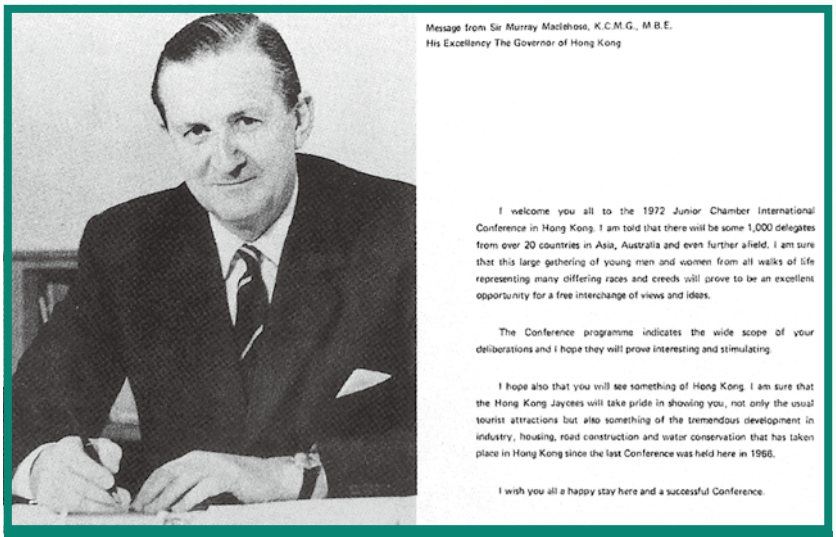

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

Message from Sir Murray Maclehose, K.C.M.G., M.B.E.
His Excellency The Governor of Hong Kong

I welcome you all to the 1972 Junior Chamber International Conference in Hong Kong. I am told that there will be some 1,000 delegates from over 20 countries in Asia, Australia and even further afield. I am sure that this large gathering of young men and women from all walks of life representing many differing races and creeds will prove to be an excellent opportunity for a free interchange of views and ideas.

The Conference programme indicates the wide scope of your deliberations and I hope they will prove interesting and stimulating.

I hope also that you will see something of Hong Kong. I am sure that the Hong Kong Jaycees will take pride in showing you, not only the usual tourist attractions but also something of the tremendous development in industry, housing, road construction and water conservation that has taken place in Hong Kong since the last Conference was held here in 1966.

I wish you all a happy stay here and a successful Conference.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

March in a Chief Delegates at Seoul Conference, 1976.

Many well-known projects were initiated and received wide publicity. To name a few :

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.

HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

For the first time in Hong Kong, two toy libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill. Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The 'Pop Folk' Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

Flashback 1980's Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters – Macau Jaycees and Hou Kong Jaycees in Macau – formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientist Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread he lights', 'Good Children Awards', 'Courtesy Campaign', 'N.T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

The 1981 JC Youth Voyage（青年之船）arrived Hong Kong late at 1:30 a.m. due to typhoon.

1983 Theme Project, "A Diversified Economy. Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

There were also honourable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honoured as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

Hong Kong Junior Chamber had the honour to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Opening Ceremony of the New Chamber Office on September 13, 1990

Flashback 1990's – Scaling New Heights

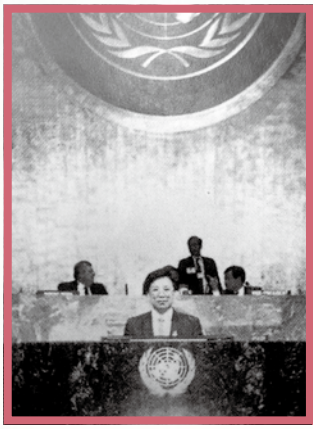

Entering the nineties – a decade of change and transition – the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991. the 'One Plus One – Support Direct Election' campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress.

HISTORY OF JUNIOR CHAMBER INTERNATIONAL HONG KONG

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nations" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The 'National Business network' (NBN) and the 'Training and Development Committee' (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the 'Right Decisions Program'. The projects, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The 'Right Decisions Program' has been implemented in primary and secondary schools since 1998.

Flashback 2000's – Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program'. 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong back', etc.

"Right Decisions Program" targets for secondary students in enhancing their judgement.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

TEN OUTSTANDING YOUNG PERSONS SELECTION

In 2012 the 40th anniversary of The Ten Outstanding Young Persons (TOYP) Selection. We had the Nomination Press Conference at Hong Kong Convention & Exhibition Centre (HKCEC) on 20th May 2012. During the Press Conference, it was our honour to invite many guests to witness this kick-off ceremony of this meaningful event. The slogan of TOYP in 2012 is " 青年雙手・創造未來 ". Four TOYP awardees were invited to be our sharing forum speakers to share their successful stories with us in the Press Conference.

During the nomination period, different advertisements, street banners, promotion videos, promotion trucks and "i-marker" code have been published to widen the promotion channels of the event to the public.

Right after the nomination period, Results Announcement Press Conference was held on 30th September, 2012. We are glad to see all 8 outstanding awardees this year.

In addition, we have organized a Community Service Day on 11th November. Echoing the main theme of this year's TOYP Community Service Day - "Defend our Blue Ocean" (青年雙手・愛護海洋) , about one hundred teachers and students went to the beach in Taipo to physically explore the current status of fragility of marine life as well as to arouse the public awareness of the coastal defense.

Awards Presentation Banquet held on 9th December at HKCEC, it was our honour to invite The Hon C Y Leung, GBM, GBS, JP, The Chief Executive of HKSAR as the guest of VIP cocktail, The Hon Paul Chan Mo-po, MH, JP as the Guest of Honour of the Award Presentation Banquet.

Last but not the least, it is our honour to have the great support from our Sole Sponsor COFCO, Selection Consultant Deloitte Touche tohmatsu, media sponsors NOW TV & Economic Digest, Chief Judge Prof Frederick Ma Si-hang, GBS, JP, NOM & LOM, Project Advisors and the super Organising Committee team. UNITED NATIONS MILLENNIUM DEVELOPMENT GOALS

The eight United Nations Millennium Development Goals (UN MDG) forma blueprint agreed to by all the world's countries and all the world's leading development institutions to free humanity from extreme poverty, hunger, illiteracy and disease by the deadline of 2015.

JCIHK is honoured to organize a large-scale global concern project namely WE UNITE for a BETTER WORLD in 2012 which take over the responsibility to contribute supporting to the United Nations Millennium Development Goals (UN MDG). This year, We did break thought in the history of JCI Hong Kong. A series of projects have been organized including:

- **Grand Opening of WE UNITE for a BETTER WORLD 2012 cum Art Exhibition on June 2012**
- **Debate Tournament – "UN MDGs x 世界公民" on September to October 2012**
- **We Unite • We Sing Concert by Asharpsingers cum Award Presentation on October 2012**

Grand Opening of WE UNITE for A BETTER WORLD 2012 cum Art Exhibition

In the Opening with Art Exhibition, we aroused people to know the development of UN MDG in Hong Kong and it impressed the JCI Guests including JCI President Senator Bertolt. The Drawing 天地人 from Mr. Wang Guan Qing (汪觀清) represents the nature of environment which is exactly the core value of UN MDG. During the exhibition, the children drawings from Japan, Korea, Singapore, Malaysia and Taiwan promoting world peace and UN MDG projects hosted by local chapters of JCIHK are showcased.

Debate Tournament - "UN MDGs x 世界公民"

Students are the seed to develop our society. We believe JCI can bring them to vision of the World thought UN MDG. That is why we have Debate Tournament in 2012. There are 8 teams in total participating 3 days debate competitions. The finals of Debate Tournament have been successfully organized on 6th October. The champion is La Salle College and first runner-up is Queen's College. The second runner-up is HK Association of Debaters and Diocesan Girls' School.

The result of competition is important, but more important is the seed of UN MDG has placed deep inside their heart for the development as global citizen tomorrow.

We Unite • We Sing Concert cum Award Presentation

We have a dream. Not only to reward the companies, NGOs, and schools about their contribution to UN MDG. We want to present it though music without instrument, performed only by human. That is why we have music concert cum award ceremony to end the project. We Unite • We Sing Concert had been successfully organized on 12th October with nearly 200 attendants.

We believe UN MDG spirit not just started in our music concert in October 2012, but begins from 2012 WE UNITE for a BETTER WORLD.

Senator Stanley NG
