JCI MISSION

To provide development opportunities that empower young people to create positive change.

JCI VISION

To be the leading global network of young active citizens.

JCI CREED

We believe :

That faith in God gives meaning and purpose to human life
That the brotherhood of man transcends the sovereignty of nations
That economic justice can best be won by free men through free enterprise
That government should be of laws rather than of men
That earth's great treasure lies in human personality
And that service to humanity is the best work of life.

HISTORY OF THE CREED

The year was 1946; the place, Milwaukee, Wisconsin, USA; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Island. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber, William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.
Economic justice can best be won by free men though free enterprise.
Goverment should be of laws rather than of men.
Earth's great treasure lies in human personality.
Service to humanity is the best work of life.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Senator Natalie Viselli

Dear 2015 National President Anthony Leung and the Members of JCIHK

It is a great honor for me to congratulate you on this momentous achievement – your 65th Anniversary.

And what an achievement that is. For 65 years you – the active young citizens of Hong Kong – have been changing lives, changing communities and changing the world so that all can be better.

The work you have done over this time has been wide and varied. From flagship programs such as TOYP to your many award winning local and national programs, you have empowered Hong Kong's young people to become great leaders.

In 2015 members from all around the world, past and present, are coming together in celebration. We are all celebrating the 100th Anniversary of the JCI Movement. We are taking this opportunity to recognize the many ways that the world has become a better place due to our efforts.

We are also using this anniversary as an occasion to look forward at the work that still needs to be done. That job is very big. But with hard working, passionate and inspiring members like those I see in Hong Kong I have no doubt that will not let this big challenge deter us. We will create a better world.

I want to take this opportunity to thank you for your outstanding work. I thank you on behalf of members all around the world and I thank you personally from the bottom of my heart.

This celebration of 100 years of the JCI Movement would not be possible without the contribution of members like you. You should be very proud of the impact you have made over the last 65 years. You are a shining example to all around the world of the positive change that young people can make in their community.

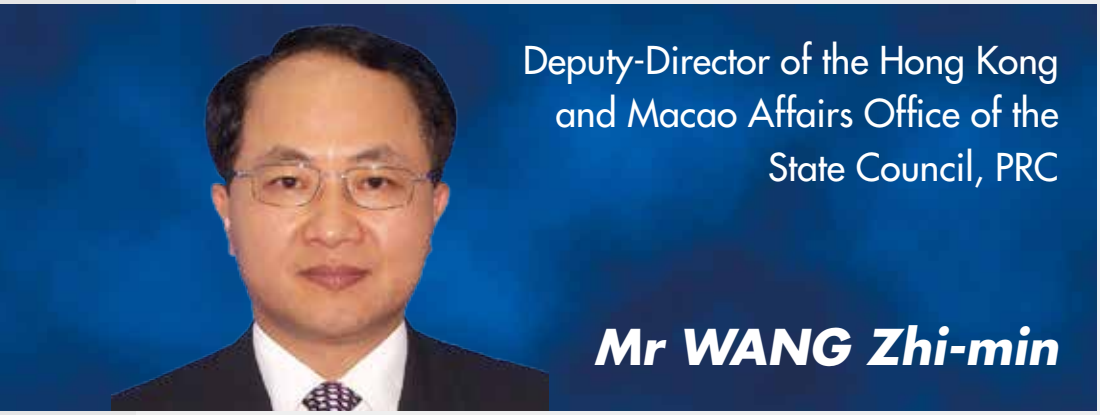

Never stop creating that impact.

Yours sincerely

Natalie Viselli

Message from Honorary Advisor

Former Chairman of
The Commission on Youth

Dr. Bunny CHAN Chung-bun, GBS, JP

I would like to extend my warmest congratulations to Junior Chamber International Hong Kong on the occasion of their 65th Anniversary. In addition, Year 2015 also marks the 100th year of JC movement. As such, this is real exciting time for not only for members of JCIHK but also for our community. Indeed, since inauguration 65 years ago JCIHK has steadfastly been providing vast opportunities for young leaders to manifest their potentials through a wide variety of specially and superbly designed projects and activities. JCIHK has established distinctive reputation as well as tradition for themselves. This has been achieved by their sheer hard work, selflessness, enormous sense of duty and total devotion to the community. The mission of JCI is to provide development opportunities that empower young people to create positive change. In the light of recent events in Hong Kong and the emergence of the new young generation the emphasis on creation of positive change has become all the more pertinent and fundamentally important for our society. We need change and both globally and in Hong Kong changes are already taking place at a meteoric pace. Changes have in general been good for human development and we are reaping benefits in every tiny aspect of our daily lives. However, we also need to be wary of ideas and deeds of change which are "non-positive" and which may eventually bring only harm and undesirable consequences. By pushing on more positive ideas and deeds for change we shall be able to overwhelm the "non-positive" ones as they will have no takers. In this, I look upon JCIHK to play a pivotal and leading role. I am confident that JCIHK will be a powerful and convincing force and will continue to pursue and accomplish its mission with unabated vigour and fervor. Last but not least, I wish JCIHK the very best in all the wonderful work that they will do and also a most successful and memorable 65th Anniversary Celebration.

I would like to offer my sincere congratulations to the Hong Kong Junior Chamber on the occasion of its 65th anniversary.

Throughout its 65 year history, Junior Chamber in Hong Kong has made an important contribution to the development of Hong Kong through broadening the minds, horizons and leadership skills of its thousands of young adults each year, as well as through the direct community service projects organised by each of its chapters.

I wish the Hong Kong Junior Chamber continued success in the years ahead.

Message from United Nations Affairs Advisor

On behalf of UNESCO Hong Kong Association, I wish to congratulate the Junior Chamber International Hong Kong (JCIHK) on the occasion of the 65th Anniversary Celebration.

JCIHK aims to contribute to the advancement of the global community by providing opportunities for young people to develop leadership skills, a sense of social responsibility and entrepreneurial spirits that are conducive to creating positive changes locally and internationally. These are very much in line with the mandate and objectives of UNESCO Hong Kong's Fostering Global Citizenship Youth Programme.

Faced with serious developmental challenges such as poverty, conflicts, natural disasters, environmental degradation and inequality, it is imperative that we cultivate a sense of shared responsibility for each other and for our planet.

UNESCO Hong Kong is delighted to join hands with JCIHK to support efforts made by and work with youth in building a better future for Hong Kong and the global community.

To further strengthen the partnership with JCIHK, we are pleased to celebrate various International Days of the United Nations with concerted efforts with and support from JCIHK chapters.

I wish President Anthony and your board members every success and look forward to our continued collaboration.

National President of JCIHK

Senator Anthony LEUNG

On behalf of JCIHK, I would like to express my sincere gratitude to the Guests of Honor, distinguished guests, our community partners and friends, Past National Presidents, Senators, Chapter Presidents, Alumni Club members, Jaycees and Jayceettes for joining our 65th Anniversary celebration tonight.

2015 marks also the 100th anniversary of the JCI Movement which began in the St Louis community in the United States. The JCI theme "Be Better" aspiring us to be a leading global network of young active citizens; to provide development opportunities that empower young people to create positive change; and to motivate our members to achieve higher and become better leaders in our community.

Since 1950, JCIHK is serving the Hong Kong community from grass root level. Our members are young active citizens that create over 400 projects a year for the betterment of the society. Inspired by the JCI value, JCI members are not concerning political parties' views but more important are focusing on training up our young generation to take ownership of their communities that unites all sectors of society to create positive and sustainable impact.

Like many young people in elsewhere in the globe, JCI members are facing many challenges. However, our members are readily to turn these challenges into opportunities and generate solutions for the government, business, and civil as we are also stakeholders of Hong Kong.

"Action with Appreciation" is not just a gimmick to promote our 65th Anniversary. It is the attribute of our members and is what we think all young people in Hong Kong should have. Our flagship project this year, besides the Ten Outstanding Young Persons Selection, is called Hong Kong 18 Districts Roadshow which comprises with Exhibition, Theme Seminar and Active Citizen Frame (ACF) Workshop. The ACF workshops aimed to introduce our secondary school and university students in every district a concrete skill sets for developing, executing and tracking our initiatives to ensure successful projects and sustainable solutions to problems. Those solutions are the REAL voices of the youth and REAL engagement of positive change to Hong Kong. Ultimately, we hope to empower and activate young people to take ownership of their communities.

In the past 65 years, many of our past presidents, senators and active members are unsung heroes believe that earth's great treasure lies in human personality as laid down in the JCI Creed. Today, we still believe and more obviously show our strength of leadership training to young people who are looking for a better future and creating solutions for a better tomorrow.

I would take this opportunity to thank our 65th Anniversary organization committee chairman and team, advisors and all fellow Jaycees and Jayceettes' great support.

Tonight, let's celebrate with our appreciation to our past and act for a better future. I wish you all having a wonderful and memorable night and keep serving our community in our JC spirit to the next 65 years!

Dear JCIHK,

Please accept warm greetings on this significant occasion!

It is my great honor to be able to congratulate you on this very momentous occasion as you celebrate the 65th Anniversary of JCIHK. It is incredible to be able to reflect back on JCIHK's numerous accomplishments during your many years of service and work as part of JCI.

As one of the earliest National Organizations affiliated in JCI, you have a long and significant history of contributions within the organization. Thank you for your exemplary leadership and strong position in working on the local, national and international level for bringing positive change. I am encouraged to hear of your diligence and good work in finding creative solutions for the most difficult challenges. It is this kind of leadership that gives me hope for the future in a world that is often overwhelmed by injustices. I believe that it will be JCI members such as yourselves who will lead the world in establishing an everlasting world peace.

It is especially exciting that your 65th Anniversary coincides with the 100th Anniversary of the JCI Movement. The Junior Chamber International Hong Kong is celebrating its 65th Anniversary in a way that suits its long history of community service as an opportunity for young people in our society to give a hand to others looking for support by helping them to set up worthwhile projects for their benefit.

Such action is part of a learning process for the Jaycees here as everywhere in the world, perhaps to prepare them for the opportunities that will arise in civic and public affairs in the years to come.

I offer my best wishes for every success to the National Chamber and its LOMs and their own Members in all they do.

65 years ago, Hong Kong was small city hub in south China, toiling hard to recover from the torments of the wars, and catching up lost times. Our city strived through many difficult times…… There were courageous moments……. and glorious success stories….., all achieved through resolute hard work and a firm conviction in a better future for all Hong Kong people.

65 years ago, JCIHK began from a nucleus group of young men as active citizens bent on doing good needy things for the Hong Kong community. JCIHK took up many challenges, and turned these into Jaycee projects and trail-blazers pointing the way to address community development needs, and to nurture young minds and young leaders.

We took pride to have played our parts amongst the tens of thousands of young men and women JCI members, not only just in Hong Kong, but in 110 plus countries around the JCI world doing what were needed at different times, and in different parts of our world.

Junior Chamber International also marks the 100th Anniversary of JCI Movement around the world celebrating the joint efforts and successes of JCI Members over one century!

Congratulations!!!

I would like to offer my heartfelt best wishes to each and every one of you on successfully holding the 65th Anniversary Ceremony of the founding of JCIHK.

Over the last 65 years, your National Organization has played a dynamic role in contributing to the development of Hong Kong as one of its representative youth organizations. This was a result of the efforts of many excellent and capable Past Presidents and leaders, as well as the outstanding leadership of 2015 JCI National President Anthony Leung and the members who now work with him to further grow and develop Hong Kong. I would like to offer my deep respect for the history and traditions of JCIHK.

The Asia Pacific region now leads the global economy and it goes without saying that our responsibility as Junior Chambers of the Asia-Pacific region is growing even larger. I hope JCIHK and JCI Japan will continue to deepen the friendship we enjoy with one another through various interactions to become even closer partners, and from the Asia Pacific region, together contribute to achieve lasting peace and prosperity throughout the world.

National President of
JCI Malaysia

Senator TEOH Boon Kiat (Cat)

Greetings from JCI Malaysia.

Our heartiest congratulations to JCIHK for celebrating its 65th Anniversary.

JCI Malaysia and JCIHK have a long standing relationship over the years as we too celebrate our 40th Anniversary this year. This relation is not only at national level but also at the local level. Many of the Local Organizations in Malaysia have sisterhood pact with Local Organizations in Hong Kong. Our members have learnt a lot from each other through years of friendship. We are pleased to see that they also embody the JCI creed "That brotherhood of man transcends the sovereignty of nations".

This year, JCI Malaysia is proud to have the honor to host JCI Asia Pacific Conference in Kota Kinabalu, Sabah from 11-14 June 2015. The program is packed with training, seminars, national parties, meetings and other interesting programs. We will also showcase the variety of culture that we have in Malaysia. In addition, Sabah state offers you a variety of excitement, be it hiking the Mount Kinabalu; diving and snorkeling at the beautiful tropical islands; shopping for traditional handicrafts and many more activities to keep you entertained.

We look forward to strong presence of JCIHK members at the event and seek support from National President Anthony and National Board of Directors to bring large numbers of delegation of your members to Malaysia, as we celebrate JCI 100 Years Anniversary together in this momentous occasion. Our team is ready to provide a memorable and warm hospitality to all of you JCIHK members.

See you soon in Kota Kinabalu, Sabah.

Thank you.

In this very special year of the 65th Anniversary of JCIHK and the 100th Anniversary of the JCI movement, it is worth our while to reflect on the core values of JCI:

faith in God ;
brotherhood of man;
free man free enterprise;
government of laws;
human personality;
service to humanity

While none of these values is much talked about in the organization, it is the expression of these values in daily lives that has kept the various generations of members together, and the organization going from strength to strength.

Hong Kong is moving into a new era, in which civic-government cooperation is much needed. It is no surprise that members of JCIHK continue to surface as leaders valued by society. Very well done indeed, fellow members and carry on the excellent work, NP Anthony!

It is like yesterday when we celebrated our 60th anniversary 5 years ago. And this evening, we celebrate the 65th Anniversary of JCIHK.

In the past many years, JCIHK have providing personal development training to thousands of young men and women through community service projects. Some of them are now community or business leaders in their various fields and serving Hong Kong and the country in their various roles.

In spite of their relatively young age, our members are trained to handle matters business-like and in observing high corporate governance values. From personal development to serving the community, we make good friends while our members are being prepared to being global citizens. I am proud to be associated with this largest youth development Organization of the world - Junior Chamber International.

Allow me here to congratulate the officers and members of JCIHK and its 20 local chapters on the occasion of this 65th Anniversary. I wish you and all guests a memorable evening.

Over the past 65 years, JCIHK members' commitment to excellence and active participation in community activities as well as JCI programmes have established ourselves as an organization with a good reputation for providing leadership training opportunities to young people. By staying close to the community and the JCI world, we delivered projects that carried impact and practical values and have thus developed generations of young people with leadership potential to take up important responsibilities in respective fields of endeavours in the community.

As we share with fellow JCI members in Hong Kong and all over the world the honorable and righteous value of life contained in the JCI Creed, and have gone through the training process at different levels like every devoted JCI member does, we fully realise the immense challenges that such commitment involves, the positive changes created in individual development, and the satisfaction that can be attained. All those projects and activities undertaken by JCIHK in the last 65 years as listed out in the Souvenir Program are but a vivid demonstration of the invaluable experience that have helped prepare ourselves as better persons who could face up to challenges at different times. I was fortunate enough to be given plenty of opportunities to learn to lead and to contribute over the years and I am sure all our young members who are devoted to the JCI movement will be given similar opportunities in their JCI career.

Congratulations to JCIHK on reaching this significant milestone of the organization, and I am confident that we will continue to make our mark on the JCI stage and in Hong Kong with greater breakthroughs in the years to come.

1983 National President

Senator

It gives me great pleasure to send my best wishes to JCIHK on occasion of the 65th Anniversary.

Whilst JCI International is celebrating its 100 Anniversary, JCIHK has played an extremely important role in its overall development. Over the past 65 years, we have witnessed huge changes of the Jaycee movement in Hong Kong. From one National organization, you have now grown into one Natonal Organization with 20 Local Chapters and over thousands of members. Besides growing in quantity, we have also grown in quality which is essential for our organization and Hong Kong. Over these years, members has been trained through physically implementing various projects and upholding our JCI Creed "Service to Humanity Is Best Work of Life".

May I take this opportunity to wish JCIHK continued success in the coming years and wish all members and guests an enjoyable evening.

1984 National President

Senator
John W.H. CHAN

I am extremely gratifying to witness the 65th Anniversary Celebration of Junior Chamber International Hong Kong this year. It is even more remarkable when all the JCI organizations in the world are also celebrating the 100th founding of the JAYCEE movement.

I was indeed very fortunate to join this organization in 1968 and was honored to serve as your national president in 1984. Throughout my 47 years' JC life as an active member, I have witnessed the strong growth of our organization from only 3 chapters (LOMs) in 1968 to 20 LOMs in 2015. The trainings I have received to build up myself, the friendship I have made in the Jaycees locally & worldwide and the services we have carried out to benefit the community are most valuable and unforgettable.

It is encouraging to see that the membership continues to grow, the fellowship amongst the members fosters and most important of all, our members join hand in serving the community.

I wish to extend my best wishes to Junior Chamber International Hong Kong for a most successful celebration and many more years of worthwhile services to our community.

Over the past years, this body of young men and women - JCIHK, as a part of the international body Junior Chamber International, has been contributing to Hong Kong through its community service projects. At the same time, these young people of between 18 and 40 are trained to acquire the necessary skills of leadership, to be more efficient in their future endeavors. In addition these young men and women help to bring the people of the world closer through the bigger umbrella of the world body, which celebrates its 100th year of service in 2015.

I wish JCIHK many happy returns and continue to up-hold the ideals of the JCI Creed in the service of mankind.

JCIHK being a leadership training organization did its best to achieve the objective over the past years inproducing quite a great number of good, hardworking and outstanding members in helping to serve, to contribute and act as leaders in the community. The MISSION of Junior Chamber is to train up individual members to create positive changes to himself/herself and to the society they live, with the ultimate goal of bringing out peace to this world.

Over the past 65 years, Junior Chamber International Hong Kong has groomed thousands of young men and women to become leaders in their professions, in different volunteer organizations, as well as in the government and the society.

In recent years, Hong Kong is facing much dissatisfaction and confrontations. Be it at home, in work, on the street, in press, in Legco Chamber and over the internet. Hong Kong is loomed with argument over employment conditions, housing, education, medical coverage, tourism, business diversification and political development. Every Sunday and public holidays, you see protests and strikes in the streets. Hong Kong seems having no future.

JCIHK, with its wide connections, should carefully consider what we may be done within the LOM and NOM level, activities and programmes to alleviate the situation. We may not be able to achieve a lot in a short time, but certainly we can bring out some positive changes within our members and senior members, so as to assert positive influence to their families, their friends and their circles. I like to see some actions in the not too distant future.

I look forward to meeting old friends in the 65th anniversary. All the best to Junior Chamber International Hong Kong and to the beautiful city we are living.

1991 National President

Senator Daniel CHAM

From the after war era of the colonial government to the H K Special Administrative Region Government, 65 years in grooming leaders and serving the community is a remarkable and memorable record in the history of Hong Kong, JCIHK has been making laudable efforts in nurturing quality leaders to serve our community, and it is well recognized by the society.

It is my pleasure to serve this beloved organization. In the past 65 years, JCIHK and its members have set many milestones in the community and leadership development history of Hong Kong.

May I wish JCIHK and its members a memorable and joyful 65th Anniversary Celebration!

1992 National President

Senator Eddy WONG

When a person reaches 65 years old, we usually think of his or her retirement life. For JCIHK, even though it reaches this age, it is still full of energy and enthusiasm to provide various opportunities to our youth in Hong Kong. I believe that with our energetic and active members in this organization, JCIHK will continue to grow and contribute to the benefit of our local community. Throughout all these years, our organization has reached different heights of success in training young leaders, in serving the needy in this community and of course providing fellowship among our members. The key to run this organization is to "match both ends of our members and the community". Only through involving our members to service the community and creating opportunities to groom leaders, our organization will become stronger and stronger. May I take this opportunity to congratulate all members of JCIHK to have a very happy 65th Anniversary celebration on May 9, 2015.

It is such strong vision by our founding members that established the Hong Kong Junior Chamber 65 years ago, that we can join such a great organization that has weathered the numerous changes in Hong Kong and nurtured the development of outstanding business and community leaders who excelled in various sectors.

As the economy turns global and our mother country growing, Hong Kong youth are now faced both with opportunities and threats. And we, JCIHK, are in a unique position to help them grasp the opportunities and turn threats into even more opportunities, by being a leadership training organization with a global network and close ties in mainland China.

Great opportunities are lying ahead of us. Making "Action with Appreciation", we are looking towards a much stronger presence and impact in our community. Taking this 65th Anniversary celebration opportunity, I would like to congratulate National President Anthony Leung and all our members and wish you all a fruitful experience with JCIHK.

1994 National President

Senator Ronald HO

It is with great pleasure that I present this congratulatory message for the 65th Anniversary of JCIHK.

During my time as National President in 1994, our name was Hong Kong Junior Chamber of Commerce and we usually called ourselves Jaycees/JC members. There were 18 chapters and the latest addition was Apex. Different chapters liked to play around with their logos trying to stand out from the others.

Today in 2015, after slightly over 2 decades, there are 20 chapters and newest baby is Lantau. We have basically all changed to call ourselves JCIHK followed by the individual chapter's name. The logos are also more standardized.

However, it does not mean that things are moving from "Variety" to "Standardized". On the contrary, the whole JC movement in Hong Kong has made significant strides.

I am pleased to witness JCIHK's relationship with the HK Government, corporate entities, NGOs as well as Mainland organizations have made continuous progress.

I would like to challenge all the current JC members to keep working very hard to maintain the momentum taking the JC movement to even greater heights.

Congratulation and all the best!

1996 National President

Senator Justin LUI

The 65th anniversary of the Junior Chamber International Hong Kong marks the significant advancement of JC movement in Hong Kong. It is my great pleasure to be part of these joyous celebrations.

Over the past decades, JCIHK and its local chapters, have taken on the challenges around us and pioneered numerous meaningful and creative projects that contribute to the betterment of Hong Kong. We, Junior Chamber members, have also excelled through learning by doing when assuming various roles and responsibilities along the career ladder in the organization, thereby attaining all rounded development in our leadership skills, social responsibility, entrepreneurship and fellowship.

I take great pride in being part of the JC movement. I sincerely hope that JCIHK will continue to enjoy strong support from various sectors of the community. Going forward, I am confident that we will make bigger contribution to the development of Hong Kong as well as to the aim of Junior Chamber International in creating global impact through our local initiatives.

2005 National President

I would like to extend my heartfelt congratulations to JCIHK on his 65th anniversary.

Looking back, I have spent almost twenty of my best years with this amazing organization that attracts business and community elites as ever with his natural charisma of bringing the best out of his members via strategic mentoring, worldwide exposure, international cooperation and charitable initiatives. A twenty-year bond, in the language of wedding celebration, means growing from "paper" to "china". Every friend and foe I met on my way have written something valuable on me. As Confucius said, "In a group of three persons, there is always someone I can learn from." They have helped shape me into a more considerate, confident and better person.

Today, this piece of paper has turned into decent and elegant china. Others may become rubies, sapphires, diamonds or other precious gems. We all share one common vision inherited from JCIHK, i.e. contributing whenever we can and wherever we are in order to make our city and the world a better place for the future generations.

Let's raise our glass to toast to JCIHK for successful and fruitful years ahead!

Undoubtedly, our footprints were found everywhere in the past 64 years.

Messages from Past National Presidents

2012 National President

Senator Stanley NG

Congratulations to JCIHK for serving Hong Kong young people with success in the past 65 years. JCIHK has witnessed thousands of members devoting their passion to make their dreams come true and become better persons through their JC journey.

I believe JC movement will take an even more important role for Hong Kong's social development 18years after the handover since 1997. Despite many newly established youth organizations in this decade, JCIHK, as one of the most reputed international youth organizations in this city, upholds universal value of JCI Creed, takes a unique responsibility in internationalism and promoting active citizenship.

After the Umbrella Movement in 2014, youth development is under the spot light in public policies. There are over 2 millions youngsters in Hong Kong aged 18-21, taking up more than 30% of population. It is time for JC movement to provide even better development opportunities to empower young Hong Kong active citizens fulfills both their rights and responsibilities in a balanced way.

Best wishes to JCIHK and all youngsters who are engaged in JC movement. We Decide Our Future.

2013 National President

Senator Paul WU

May I congratulate Junior Chamber International Hong Kong on its 65th Anniversary!

The essence of the Jaycee movement is to lead, to serve and to learn. I am honored to have served the organization as National President in 2013 under this momentum.

65 years is a milestone. As an international organization, we are constantly striving to make impact in the local community backed by leaders with global vision. Together with 20 Chapters, we organize hundreds of projects every year impacting our society. Guided by the experience of our predecessors, we sharpen project management skills, grasp opportunities to practice leadership and then strive to become leaders ourselves. I am privileged to have joined JCI through which I have grown into a better person as I am now.

In this memorable occasion, we are happy to gather our partners, Senators and members together in Asia World EXPO, celebrating the accomplishment of our mission by providing development opportunities to empower young people to create positive change. Cheers to the 100th anniversary of the Jaycee movement!

2014 National President

Senator Johnny KWAN

It is a unique way to pay tribute to an individual for his or her dedication and outstanding service on an either a local, national or international level. It confers lifetime membership of Junior Chamber International (JCI) upon the recipient. It is a highly respected and prestigious honour.

During my presidency we have carry on with to promote global active citizen for positive changes in our community. Activity Citizens concerns everyone. We all have the rights and responsibilities to the society and environment and we have shared interest among local, national and global level. We are the current generation to create a sustainable impact to our society together with our solution to solve local community problem. Message from

Chairman of
JCIHK Alumni Club

Senator Sam SIO

It is my great honour to be able to extend my warmest greetings on the 65th anniversary Cerebration of JCIHK. 2015 is an important year for JCI as well as JCIHK as while JCI is celebrating its 100 years of the Movement, JCIHK is meeting further achievement after 65 years development.

Unlike other youth organization, JCI is unique and distinctive. It combines personal development, management training, community service and international network and business opportunity. All these enable the youth to get a comprehensive training for those age from 18 to 40 through active participation. These special characteristics together with many signatures projects in the past years attract thousands of young people in Hong Kong to join in the family of JCI.

Being a Jaycee, I witness JCIHK has made many outstanding progress, by both NOM and LOMs, in the last 65 years. The job is not over. I am confident that JCIHK will step in a new milestone in the next 65 years.

In this great occasion, I wish, on behalf Alumni Club to Congratulate JCIHK, the Board of 2015, all members as well as senior members, for their great achievement in the past and in the future.

2015 President of JCI Victoria

This year JCIHK celebrate its 65th Anniversary and it is also the 100th year of Jaycee movement. It is the JCI Mission "To provide development opportunities that empower young people to create positive change."And JCI Vision "To be the leading global network of young active citizens."

In 2015, JCI Victoria also celebrates our 65th Anniversary. We are the most senior one of the 20 chapters affiliated to JCIHK. Since our establishment in 1950, JCI Victoria has proactively responded to challenges in the community, helping to generate awareness on important social and economic issues which impact our daily lives. The organization's objectives are carried out through the "four areas of opportunities", namely individual; community; international and business.

On behalf of JCI Victoria, I would like to take this opportunity to wish JCIHK a wonderful celebration of 65th Anniversary and many more to come.

2015 President JCI Island

Parco WU

Congratulations to JCIHK! This is the 65th Anniversary of JCIHK which marks its great and inspiring contributions to society over the past 65 years.

JCIHK did a successful job for its flagship project "Ten Outstanding Young Persons Selection" which was launched in 1970. As of today, more than 329 Outstanding Young Persons had been selected. It does not only give a formal recognition to those young people who excel themselves in their professional endeavor and commitments to the community; but also it promotes prominent roles played by aspiring young people in shaping a better future for society. This project is meaningful and unique in Hong Kong.

I do appreciate the work of JCIHK and we will continue to support JCIHK with our greatest effort.

Once again, I hereby express my warmest congratulations to JCIHK for its 65th Anniversary. I believe it will be another successful year for JCIHK in 2015 with its National Board of Directors led by our National President, Senator Anthony Leung.

2015 is a special year as it heralds the 100th Year of JCI Movement. As JCIHK's slogan "Action with Appreciation" suggests, we, as the active citizens, should embrace a gratitude towards the past achievements of JC members, and most importantly, embrace the same attitude when moving forward. The roadshows of JCIHK at 18 districts and various visionary initiatives within and beyond JCI are solid testimonies of the extra mile that JCIHK has taken, with the value she holds dear for the past 65 years.

65TH Anniversary of JCI Hong Kong
Celebration with Appreciation

Message from Affiliated Chapter Presidents

2015 President of JCI Dragon

Eric HO

On behalf of JCI Dragon, I extend our heartiest congratulations to JCIHK on the auspicious occasion of the 65th Anniversary.

Since 1950, JCIHK has craved itself a highly respected youth organization in Hong Kong. JCIHK has been successful in a wide range of community projects and leadership programs and has cultivated a tremendous number of leaders who have devoted themselves to serve our beloved city – Hong Kong.

This year's theme is "Action with Appreciation". Since JCIHK has been founded, we have been contributing Hong Kong by creating a series of projects that build our youths' leadership skills and their sense of belonging in Hong Kong. We should be proud of our contribution, our achievements and what's more, appreciate for what we have now.

Growth is painful. Change is painful. But nothing is as painful as staying stuck somewhere you don't belong. Action is the foundation key to all success. I believe that all Jaycees and Jayceettes have been empowered with the mission to create positive change for our community, for their family and for a better Hong Kong.

I hope the great spirit of JCIHK will carry on to next year and JCIHK will go from strength to strength in the year 2015.

2015 President of JCI East Kowloon

Jessica LEE

On behalf of JCI East Kowloon: HAPPY 65th ANNIVERSARY to JCIHK! 65 may be the age for retirement but JCIHK continues to move from strength to strength and will continue to produce legions of active citizens for many more years to come.

This year our National President Senator Anthony Leung has emphasized the importance of APPRECIATION. Often in our lives we are so focused on ourselves that we don't notice those who have helped us along the way. It is definitely of infinite importance to appreciate what life gives to us, and appreciate those who support us. "Appreciation is an act from the heart. No matter what we have, if we fail to appreciate it, it can eventually depreciate." As a local chapter, EK will continue to support JCIHK to the best of our ability for the betterment of the society and its young people through our flagship projects Family Harmony, Keys to Success, and Build-a-Backpack.

Congratulations to JCIHK for a successful 65 years!

2015 城市青年商會會長

楊振強

好高興今年青商運動已經踏入一百週年，而國際青年商會香港總會亦同時慶祝成立六十五週年。作為2015年城市青年商會會長，能遇上這兩大盛事，實感榮幸。六十五年歷史確實係難能可貴。國際青年商會香港總會扎根於香港六十五年，孕育不少年青領袖，為青商提供無限培訓機會。國際青年商會香港總會旗下星級工作計劃“十大傑出青年選舉”每年亦為香港表揚各範疇的傑出人士，為香港帶來正能量。

今年口號“Action with Appreciation”意思是要教我們感恩。這非常附合現時社會的情況。亦希望身為青年領袖的我們，可以為社會帶來正面的影響。這亦是我們作為青商的目的。

「團結城市，和諧齊踏青雲路」將會係今年城市青年商會的會務方針。今年，城市多個旗艦工作計劃亦因應總會口號“Action with Appreciation”感恩而作工作計劃方向。從而希望與香港總會同步。當然，城市將全力支持國際青年商會香港總會，實踐口號“Action with Appreciation”

預祝今年由總會會長梁國柱參議員帶領下令這香港總會繼續強大，再創輝煌成就！在此，再次祝賀國際青年商會香港總會六十五歲生日快樂！

CURRENT FACTS OF JCI 2015

ABOUT JCI

JCI is a non-profit organisation of young active citizens age 18 to 40 who are engaged and committed to creating impact in their communities. Active citizens are individuals invested in the future of our world. JCI gathers active citizens from all sectors of society.

We develop the skills, knowledge and understanding to make informed decisions and take action. As globally minded young people, we all have rights, responsibilities and share goals. We find targeted solutions to local issues benefitting our communities, our world and our future. Embracing new ideas, collaboration and diversity, we have the passion and courage to address the critical challenges of our time.

CREED

We believe that "faith in God gives meaning and purpose to human life; the brotherhood of man transcends the sovereignty of nations; economic justice can best be won by free men through free enterprise; Government should be of laws rather than of men, earth's great treasure lies in human personality; and service to humanity is the best work of Life".

VISION

To be the leading global network of young active citizens.

MISSION

To provide development opportunities that empower the young people to create positive change.

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St Louisan 100 years ago as a constructive approach to civic problems. Founded in 1915 in St Louis, Missouri, USA by Henry Giessenbier, the movement spread, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

2015 PRESIDENT

Ismail Haznedar from JCI Turkey

HEADQUARTERS

The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, USA, since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield St Louis, Missouri, USA, where the first local organization was founded in 1918. A professional staff of 20 full-time employees provide services to JCI members.

INTERNATIONAL EVENTS

The 70th JCI World Congress will be held in Kanazawa, Japan in November 2015. The winners of the Outstanding Young Persons of the World (TOYP) program are announced each year at the JCI World Congress. The program honours up to ten young individuals who best exemplify the finest attributes of the world's young people. JCI also hosts four regional conferences each year to conduct its business and training as well as address items of concern and global issues. During 2015, these conferences will be held in Accra, Chana (Africa & Middle East Conference; May); Cochabamba, Bolivia (Americas Conference; May), Istanbul, Turkey (European Conference; June) & Kota Kinabalu, Malaysia (Asia-Pacific Conference; June).

JCI CORPORATE SLOGAN

"Be Better" embodies the spirit that all JCI members share the purpose stated in our Mission: to create positive change. JCI members constantly seek ways to live this concept. They not only believe that improvement is possible, they also see it as their responsibility to initiate positive change both in themselves and in their local communities. They seek solutions to the problems they see around them to create better nations, better environments and better societies. They also know that true lasting change starts from within. They learn through their experiences, becoming better citizens and leaders with better skills to create a better future.

JCI OPPORTUNITIES

As JCI members, we take initiative to solve local challenges. Not just focus on charity or service, we are focused on sustainable impact locally and globally. It only takes one active citizen to change the world. JCI members take action and provide sustainable solutions in more than 100 countries every day.

INTERNATIONAL CO-OPERATION

JCI is an international Non-Governmental Organization (NGO) with active participation in the United Nations (UN) system in the context, JCI has relations with the Office of the UN Secretary General (Secretariat) and a Consultative Status with the Economic and Social Council (ECOSCO). 祛絲淨斑脫癮儀

加拿大原裝進口

為滿足顧客對完美肌膚的需求，加拿大 Dectro International 研製一款全面解決各類肌膚瑕疵的美容儀器。Angie 祛絲淨斑脫癮儀，操作簡單，功能全面，特有的程式針對紅血絲、凸起的軟疣、肉粒、色斑、癮等肌膚瑕疵進行治療，效果更顯著，過程快速且更舒適。

原理

Angie 採用熱凝固法去除皮膚瑕疵，以 13.56 兆赫 (MHz) 的超高頻電流配合獨有柔軟真絲針 （比髮絲還細），在 1/100 秒時間內擊碎血紅蛋白，使之變為小分子氣化，讓皮膚組織隨新陳代謝被人體吸收，達到一次性永久根除紅血絲的效果。

熱凝固法是應用雷射光束產生熱能效應下同時進行治療的一種技術。此技術精密之處是利用熱能使皮膚表面的瑕疵凝固着，然後即時將之完全處理，待其形成結痂隨新陳代謝被人體吸收或隨痂自行脫落，從而改善外貌美態。

毛細血管絲

凸起的軟疣

色斑

特點

1 程式顯示電子控制系統，提供 24 個高頻電流治療肌膚瑕疵程式。

2 安全，穩定及療效顯著。

3 三種有效的肌膚瑕疵治療模式：治療面部紅血絲，消除皮膚突起肉粒和色斑。

4 平面板裝置，操作簡單，觸感輕柔。

5 信心保証：加拿大 Dectro International 研發、生產及進口

Dectro International 是世界排名前 3 位的高端美容儀器的研發生產公司 (www.dectro.com)。其研發和生產的美容儀先後獲得了 FDA（美國食品藥物管理局，認證授權號碼 9680762），CSA（加拿大標準協會，認證授權號碼 150829）及 CE 歐盟安全認證。

青年伴長者遊台灣圓夢

【溫暖人間】

■參加台灣之旅的長者和學生，一同分享感受。

【記者報道】近兩成五的長者表示，他們過20年沒有與親戚朋友見面，希望出外旅遊團聚。港島青年商會與城大校友會合辦「O! Love Tour青望愛心同行」台灣之旅，邀20名獨居長者與20名城大學生出一對一的同行下，參觀總統府、中正紀念堂和國父紀念館等地，且與學生有心靈交流，讓獨居長者重拾學習與人分享心底話。

安有一老如有一寶

參加者陳伯(化名)，在移民以前已經有去台灣的念頭，但礙於當時的政治環境和經濟狀況未能如願。隻身今次可以實現願望，且有年輕人作伴，實在是「做夢也沒有想到過」！他又說自己平日不常與別人說話，認為這次多人對他的故事感興趣，很在意能發現有人願意傾聽，答應再聚。

城大學生資安羚說，感謝協會的安排能參與是次活動，深深感受「家有一老，如有一寶」的道理。

珍惜社會独立部件

協會執行副總監馬健釗表示，每名長者也是社會的瑰寶，他們經歷過的社會變遷，她認為社會應該多關注長者生活質素時，同時反映已退長者的關懷需要，又希望通過參與活動提升社會，零多餘時間與身邊的長者相聚。

港島青年商會早前進行問卷調查，訪問200名或以上的長者，發現近5成的長者過20年沒有與親戚朋友見面，希望出外旅遊；35%的長者希望可以與海外親戚，甚至是異國團聚。

Shell/Island JC Scholarship for the Disabled is a project of JCI Island to recognize the outstanding performance and contributions of the disabled students and to encourage teenagers to integrate and get along with the disabled peers.
