ATTITUDE DETERMINES ALTITUDE

積極進取 - 追求成功

JCI CREED

We believe:

That faith in god gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life.

我們深信

篤信眞理，可使人類生命具有意義和目的，

人類的親愛精神，沒有疆域的限制

經濟上的公平，應由自由的人，透過自由企業的途徑獲得之；

健全的組織，應建立在法治的精神上；

人格是世界上最大的寶藏；

服務人群，是人生最崇高的工作。

我々はかく信じる

信仰は人生に意義と目的を与える

人類の同胞愛は国家の主権を超越し

正しい経済の発展は 自由経済社会を通じて最もよく達成され

政治は人によって左右されず 法によって運営さるべきものである

人間の個性はこの世の至宝であり

人類への奉仕が人生最高の仕事である

MESSAGE FROM

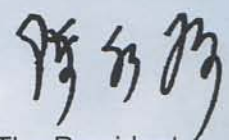

THE PRESIDENT OF REPUBLIC OF CHINA

In order to create an ideal society under a democratic system not only requires a good political scheme and enforcement abilities but also cooperation and support from the general public. With multifarious and reliable community social services, we can supplement the existing governmental provisions. Therefore, a government should have a vision that encourages the development of public and community organizations, and provides appropriate guidance and assistance.

For members of the Junior Chamber in Taiwan, this year's " 2000 Asia-Pacific Conference in Kaohsiung " is a spectacular international event. It is also proof of our country's positive efforts in international affairs, and it is especially gratifying to be able to hold this meeting in Kaohsiung, the largest city in the southern part of Taiwan. Hence this provides a window of opportunity for the new government to balance the disparities between the north and south. This is an opportunity to hopefully demonstrate Taiwan's achievements in politics, economics, culture and various other aspects to all the foreign representatives. Here, I would like to express my hospitality towards all the honored guests from the different countries.

As a member of the Junior Chamber, the year 2000 is memorable for me. It has been 22 years since I became a member of Junior Chamber. It is a community that has taught me visionary leadership skills and commitment to my responsibilities as well as contributing to society, and being responsive towards the people. It is such training in self discipline and caring for others that has furthered my efforts in democracy, and ultimately earned the people's approval as the new President. Due to the Junior Chamber's support, I was consequently able to have an outstanding performance in the 2000 presidential election. I take immeasurable pride as a member and I would like to express my deepest gratitude to the Junior Chamber.

Members of the Junior Chamber have always been the mainistay of many professions in Taiwan. They have contributed an enormous amount of mental and physical effort towards the growth and balance of Taiwan's economy. I believe that the fixed and steady growth of society is the key to Taiwan's economic security. The Taiwan government in the next century will have to be a "New Government" that eliminates corruption and fraudulence, while emphasizing efficiency and results. This government will establish an ideal environment of equity and justice to empower the Taiwanese people to be persistently progressive and to pursue prosperity. I wish you all the best for this conference.

The President
of The Republic of China

中華民國總統 2000年亞太大會賀詞

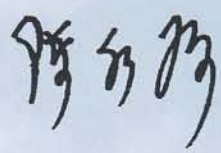

民主政治下美好社會的形成，絕對不只需要政府良好的政策規劃與執行能力，更重要的，是民間力量的配合與支持。民間多面而確實的社會服務工作，可彌補政府施政的遲緩和不足。因此，一個眼光宏大的政府就必須鼓勵民間社團、社區組織的發展並適時提供必要的輔導與協助。

今年的「2000年高雄亞太年會」對台灣青商人來說，是件引人注目的國際性大事；也是國人積極參與國際事務努力成果的具體展現，尤其能在南台灣的高雄舉行更令人欣慰，為新政府「南北平衡」的目標，奠定正面而良好的開始，希望藉此機會將台灣在政治、經濟、文化等各方面進步的成果介紹給眾多的外國代表認識，在此對所有參與這次大會的各國貴賓表示歡迎之意。

公元兩千年對身為青商人一份子的個人來說也是一個值得紀念的日子，水扁成為青商人已經22個年頭了，在青商的團體中，水扁學到的是眼光前瞻、認眞負責的領袖風範；以及貢獻社會、關懷人群的奉獻精神。這種「訓練自己，關懷人群」的訓練，讓水扁在民主政治路上所做的努力，一直有令人民滿意的成績，也藉由青商人的支持，讓水扁在2000年的總統大選得以脫穎而出，感謝青商，水扁深深以身為青商人為榮。

青商會的成員一直是台灣各行各業的中流砥柱，長期以來為台灣的經濟成長與穩定貢獻了極大心力。阿扁相信，社會的均衡健全發展，是維繫台灣經濟安全的基本環節；水扁更相信，下一世紀的台灣政府，一定要是一個杜絕貪污舞弊、發揮效率效能、建立公平正義的「新政府」，讓台灣人民在公平正義的良好環境下，「積極進取，追求成功」。

謹祝 大會成功

中華民國總統 陳 水 扁

MESSAGE FROM

JCI WORLD PRESIDENT

As Junior Chamber International President for the year 2000, I wish to congratulate the members of ASPAC Jaycee Senate who will be gathering for a conference during the Area B Conference to be held in Kaohsiung, Taiwan from May 27- 30.

2000 sees the dawn of a new era, a new age, a new century. What do we want to achieve that will set the foundations for this new and third millennium. Junior Chamber members we must seize every opportunity to articulate the vision of our founder. But we must dream with our eyes open, and ensure that our message inspires action ! We can talk about many things, but what is truly important is what we do.

The past offers background, history, and experience; Junior Chamber International Senators are entrusted with the responsibility of sharing their knowledge and wisdom to the current membership. Together with our passion, our commitment, our experience, and our energy, we can help make the fundamental differences required to continue the proud history of JCI.

It is the responsibility of each and every one of us. Every important development in the world began with a dream in a heart. The future should not belong in the hands of others our future belongs in our hands and we must determine it starting today. Today's actions are tomorrow's history !

It takes Attitude and a great deal of it for Attitude Determine Altitude we are what we think and we will reach what we aim for. It is up to us as individuals and an organization to have the attitude to push the perimeters in 2000 aim higher than ever before and move up to the next challenge, the next level. We are good, but we can be better success is never final. I am proud to be your president and look forward to working with you throughout this new year to ensure our-----

Attitude Determines Altitude!!

THE PREMIER OF REPUBLIC OF CHINA

It's a great pleasure for me to welcome all of you to our country the Republic of China on Taiwan for the 2000 JIC ASPAC KAOHSIUNG. You might have known that Taiwan used to be Called Formosa, which means beautiful island. I hope that by attending this conference you will see for yourself the real beauty of this island. I also hope that, during your stay in Taiwan , you will find time to taste its fine Chinese food, to know its colorful cultures, to get acquainted with its friendly people, to experience its lively business activities, and to leave yourself an unforgettable memory.

In the past fifty years Taiwan has made an economic miracle, and for that it is called, together with HongKong , Singapore, and Korea , a mini dragon in Asia. It has been and is still an ideal place for business investment. As most of you do business , you will find that this conference offers good opportunities for you to meet local and foreign businessmen, to know their products and services , and to create possible future business relationships.

You would be glad to know that our government is now using the country 's great economic power to Work on the same subjects as you Jaycees have claimed : Economic Development, Environmental Protection , and Care for Children , and to seek the same goal Final and ever lasting Peace for the World. We fully agree to your conference theme Attitude Determines Altitude, and are now trying to play a more active role in the international stage to cooperate more closely with other countries, and to do more for the needed people and countries in the world. In order to successfully carry out our plans, we are very willing to work together with the Jaycee members all over the world.

We greatly appreciate what you Jaycee members, have done for our country and our people in the past fifty years, and hope that you all will have a successful, joyful, and memorable 2000 ASPAC Conference.

MESSAGE FROM

THE MINISTER OF ECONOMIC AFFAIRS

Knowing that Junior Chamber International Asia-Pacific Conference 2000 is to be held in Kaohsiung gave me the opportunity to express my congratulations to the 50th anniversary for JCI-ASPAC and my appreciation for the team spirit formed and the activities carried out by Junior Chamber.

What JIC did has already made a profound influence on the way of thinking and the pattern of behaving for our young generation, and this upgrading shift in values and principles has also successfully led them towards the construction of their futures.

The Sitzyywan Junior Chamber, which is hosting this important event in Kaohsiung, has together with Taiwan Junior Chamber devoted its efforts in developing both the leadership and fellowship of Taiwanese young people, making them aware what they should contribute in every aspect of the tremendous environment. Especially for Taiwan's economy and foreign affairs.

The members of the Taiwan Junior Chamber also helped Taiwan's recovery from the astonished unfortunate 921 earthquake. Thanks to their ability and their enthusiasm, young generations demonstrate their great capability in assisting people and dedicate themselves to other social welfare which comes out as part of Taiwan's economy.

Again I would like to take this opportunity to thank JCI-ASPAC, and particularly the Junior Chamber International for what has been done before and what will be done in the future. Let me wish the greatest success for the 2000 JCI-ASPAC Kaohsiung.

THE MAYOR OF KAOHSIUNG CITY

Welcome to Kaohsiung ! As a mayor of Kaohsiung, on behalf of 1.47 million citizens, I would like to express our hearty welcome to all participants who take part in 2000 JCI Asia Pacific Area Conference in Kaohsiung from May 27th through May 30th.

Kaohsiung, located in southern Taiwan, is an international port city with year-round sunshine and friendly citizens. The city has been a hub for petrochemical, steel milling, ship building and manufacturing industries, playing a very important role in Taiwan's economic achievement. It also offers places of interest such as museums, historic sites scenic spots and a wide variety of other choices. I hope you will find the city both comfortable and pleasant for you.

The Junior Chamber International (JCI) is a worldwide federation of young entrepreneurs dedicated to the advancement of the global community. JCI is also an important nongovernmental organization playing an active role in support of some other international charitable societies and exchange programs as well in field of economic and cultural activities. It is my firm belief that all participants will benefit a lot from the conference. In addition, entrepreneurs coming from around the world and the citizens of Kaohsiung will highly appreciate the trade shows and international cultural nights organized by JCI during the conference.

Again, please enjoy your stay in Kaohsiung and accept my best wishes to all of you.

MESSAGE FROM

THE MAYOR OF KAOHSIUNG COUNTY

We are glad to see the Junior Chamber International Asia-Pacific Conference 2000 can be held in Kaohsiung. First, we want to welcome you from more than twenty countries, and also, we want to say thank you to the Sitzyywan Junior Chamber for holding a such magnificent conference here. Not only for Kaohsiung, but also helping Taiwan to be on the stage of the world.

As we all know, liberalize economy and international trading is the tendency of the world. As a result, Taiwan must share her economical experiences to be the member of the global village.

Each guest of the JCI is proficient in the business world. We are honored to have you here. We believe, by holding this conference, we will be able to have you as our friends and share our experiences, to improve ourselves serving our society better.

In the mean time, United States is the leader of business world. They are doing reconstruction of their business structure, especially in communication, information, biotechnology, and pollution prevention. These new trends need huge fund and high technology. Their major markets are overseas and we, the eastern countries, have the ability to help the rest of the world. The key to win or lose depends on our ability of competition.

We believe the 21st century will be the century of Asia. And we will play the most important role in the business world ever. But what can we do? The subject of this conference is to discuss how we can improve ourselves on the basis of sharing and cooperating. We believe, by coming to this conference, each member of the JCI will realize the importance of these four newly economical trends.

Again, we thank you all for attending this conference, and we sincerely wish the JCI Asia-Pacific Conference 2000 will be a successful meeting in the end.

THE NATIONAL PERSIDENT OF TAIWAN

On behalf of the Taiwan Junior Chamber, first of all, I would like to welcome all the chief delegates, NOM delegations, distinguish guests and those friends who support the ASPAC 2000 to this tiny but with enormous energy island in the world. You may not easy to find Taiwan on the world map but you could easy to hear the name of us. Taiwan especially Kaohsiung is famous of her warmest heart to the guests which as hot as the sunshine here. And what a wonderful thing is that under the name of Jaycee, we come together from different countries and nations. It is a proven of JCI creed, "The brotherhood of men transcends the sovereignty of nations."

Year 2000 is the golden anniversary of JCI ASPAC; it is an important date for us to celebrate. Not only the date itself but also the meaning of the Jaycee movement successfully passed fifty years in the Asia Pacific Area. Now, we, the dynamic and outstanding youth leaders join together in Kaohsiung. During the next four days, we are going to sit and work together to seek for all the possibilities to make another fifty brilliant years for the Jaycee movement. Especially in the occasion of the new millenium, the 50th anniversary of JCI ASPAC is a date deserves us to remember. And I promise that you will have a wonderful and unforgettable memory during these four days in Kaohsiung.

At the end of the century, on Sep. 21, 1999, we, the people in Taiwan faced record earthquake disaster. Especially at the central region of Taiwan, we could say it just like a hell on the earth. It destroyed thousands of families and lives. At that time, people volunteered to go to that area to rescue the helpless and hopeless people. Now I would like to take this opportunity to thank all the foreign Jaycee members' help during those days. We got warmest friendship and careness from Japan, Korea, Singapore, Hongkong, Canada and many friends from the world. This was an unforgettable memory in my life to experience the brotherhood of Jaycees. I do appreciate your endeavor assistance from my deepest mind. And thank to God, today we stay together, you are the witness to see how we Taiwanese grow up from the disaster. And we will never forget the kindness assistance from all of you.

On May 20, on the occasion of our presidential inauguration ceremony, we celebrated the new elected president. We proudly to show Taiwan's democratic achievement to the world. And it is also a proud of all Jaycee members, because the new president was a member of Taipei Junior Chamber. It gives us, the outstanding youth leaders a brilliant hint to work our dream out through non stop hard working for our dreams. I do believe that many of us will be the important leaders in different fields in the near future.

The brilliant sunshine, the clear sky and the warm heart people in Kaohsiung. Those uneasy combinations will hook your eyesight and memory during these days. I sincerely hope you enjoy these days here. And hope you receive a bound of harvests in this trip.

THE JCI ASPAC SENATE PERSIDENT

On this special occasion of 2000 ASPAC of the millennium in Kaohsiung , It is so exicting to have a reunion with JC members from all over the world.

Though I have left this organization for 10 years, The inspiration and the opportunity of experience from JC have helped me a lot. This has enabled me to deal with ,The ways of getting along with people and operating the company.

For this reason, I believed that the organization of JC would expand continuously and successfully in the world.

As we know, Taiwan encountered earthquake last year. Since then, Many reconstruction works have been under operation confidently contri buted by most of the people of my country. Expecially many JC members in Taiwan have also attended this work voluntarily.

As a result, I believe members of JC will hold a satisfying ASPA conference. Please allow me to congratulate the successful holding of the meeting and I wish the entire participants could have a good time. In addition, I would like to express my thanks to hardworking JCI members have paid.

THE PRESIDENT OF HOSTING CHAPTER

First of all, I would like to welcome all of our honorable guests with my sincerest enthusiasm for the attendance of the 50th JCI Asia Pacific Conference in Kaohsiung.

Kaohsiung has experienced much great metamorphosis and now becomes a city with the popularity near one and half million. It is the second big city in Taiwan and it enjoy the fame of the third container center in the world. It has international airport and excellent harbors, the industry and business activities are very busy here. The headquarter ~ the Grand Formosa, locates with the height of 85 floors building is listed as the third highest hotel in the world. So , you can see clearly that Kaohsiung has become an international city already.

Sitzyywan Junior Chamber has been established for 19 years, and in the procedures of strive after this conference as well as the arrangement , we enlarged the intercommunion with other countries and cities. We have shared many precious experiences and learned much about the bounding and the integration of community resources.

The conference theme "Attitude Determines Altitude" is our conviction. We believe that the positive attitude brings remarkable altitude. Let us build up the new century of Jaycees with this theme together!

I would also like to show our appreciation for the big support from our Republic of China government and Kaohsiung City government. Other than this, we want to say thank you for the support and assistance of thousands of world wide Jaycees delegates and our arduous C.O.C. partners as well. At this very moment, Sitzyywan Junior Chamber is focused with the spotlights from the world. Please help us complete this Year 2000 Kaohsiung Asia Pacific Conference.

THE CONFERENCE DIRECTOR

It is indeed my great honor and privilege to extend my warmest greetings to welcome all delegates to the 50th JCI Asia Pacific Conference 2000 in Kaohsiung. Taiwan was once called "Formosa"the beautiful island. During the time of preparation for ASPAC 2000, Taiwan encountered several difficulties and changes.

The people of this beautiful island survived the 921earthquake and walk through the stability of political power transfer. These major events influenced the process and the belief of COC. Nevertheless, as members of Junior Chamber in Kaohsiung, the young people in southern Taiwan, we insist on accomplishing this special mission. As our conference theme put it: Attitude Determines Altitude. This is the corner stone for all of us, certainly is also the spirit we have kept in mind.

Year 2000 is a year of changing and landmark in history. Not only it is the beginning of a new century but also it is the 50th anniversary of ASPAC as well as a brand new start for the Taiwan government. "Young men should be ambitious" Young people with ambitious characteristic and motivation create better society. Let me sincerely welcome all distinguished guests, and delegates with passion. I hope this conference will enhance our friendship and the mutual understanding to construct our vision for now and the coming years. Again, please enjoy your stay in Kaohsiung. Hope you will find Taiwan an unforgettable island, and have a splendid experience.
