MESSAGE FROM GUEST OF HONOUR

This is the second occasion that I have been privileged to be the Guest of Honour at the annual ceremony organized by the Hong Kong Junior Chamber of Commerce to mark the selection of Hong Kong's Ten Outstanding Young Persons.

The selection is made on the basis of personal achievement in the candidates' area of work or interest and contribution to the community. This is a proud tradition which deserves every encouragement and support.

I extend to this year's 7 Outstanding Young Persons my congratulations and best wishes towards fulfilment of their goals and service to the community.

MESSAGE FROM NATIONAL PRESIDENT

The Ten Outstanding Young Persons Selection was first introduced to Hong Kong 21 years ago. Hong Kong Junior Chamber of Commerce launched this scheme because we believe that those young men and women who were excelled in their career and service to the community deserve public recognition, and the award would constitute an incentive for them to make further contributions to the community while climbing higher the career ladder.

Over the years, hundreds of outstanding young persons have received the award and we are proud to note that many have emerged as community leaders and some have become key politicians. They have all, in one way or another, contributed to the social, economic and political developments of Hong Kong. Indeed, Hong Kong has undergone a lot of changes in the last ten years or so particularly after the signing of the Sino-British Agreement on the sovereignty right of Hong Kong. More changes are in the pipeline as we come closer to 1997 and competent young leaders are in demand to ensure smooth transition and economic prosperity in Hong Kong. I understand that many past awardees have already pledge their loyalty to Hong Kong and its people even beyond 1997 and I trust that the recipients of this year's award will pledge the same.

I would like to thank all guests for joining us in honouring this year's successful candidates. They are to be praised for having survived all kinds of hardships to attain outstanding achievements in their careers and make significant contributions to the well-being of the local community. I am sure that they will live up to their titles and continue to work for the betterment of Hong Kong.

I would also like to take this opportunity to register a special note of thanks to the Chief Secretary, the Honourable Sir David Ford, K.B.E., L.V.O., J.P. for acting as the Patron of this year's selection; the Honourable J.J. Swaine, C.B.E., LL.D., Q.C., J.P. as the Guest of Honour of the award presentation ceremony; and the Emperor Group as the sole sponsor. Of course, the selection process will not be as smooth without the help of the Panel of Judges and the Selection Consultant, Arthur Andersen & Co. I am indeed grateful for all the support rendered by these parties in this year's selection.

Once again, I thank you all for joining us at this award presentation ceremony.

GEORGE LUNG
NATIONAL PRESIDENT

VOTE OF THANKS FROM PROJECT CHAIRMAN

A great deal of Hong Kong's success can be attributed to the enthusiasm and dedication of young individuals. Therefore it gives me great honour and pleasure to organize the Ten Outstanding Young Persons Selection 1993 recognising the contributions of outstanding individuals. As Hong Kong is undergoing rapid social, economic and political changes and as every walk of life is either shaping, or in turn, adapting to these changes, the devotion of young people to the community could take on a significance far beyond the confines of their scopes.

To the awardees, congratulations and thanks for all the endeavours in serving the community. To the organizations and individuals who helped make this Selection possible, my heartfelt gratitude and appreciation.

Taking the opportunity, I would like to extend my sincerest thanks to the Emperor Group for sponsoring the entire project. Mr. SHI Kai Bui

Mr. Shi Kai Bui is himself a self-made industrialist. He started off his factory with three employees in 1983 and turned it into the biggest toy motor manufacturer in the world in ten years. Since then, he has diversified business in Hong Kong ranging from manufacturing toy motors, cement production, trading to injection moulding machinery. Mr. Shi runs operations in China employing a few thousand people in a multitude of business. Though his work, he fully demonstrates his business sense and innovative management skills.

Mr. Shi has contributed to the development of local industries in a number of ways. The price of his product (widely used in toy industry) are relatively low and this helps maintain the competitiveness of Hong Kong toy industry. He also actively promotes various trade associations such as the Federation of Hong Kong Industries and he sponsors machinery design competitions within the industries. Moreover, Mr.Shi supports the industries by giving scholarships for engineering students in tertiary institutions. In recognition of his achievements, Mr. Shi has also won the Young Industrialist Award of Hong Kong this year.

Mr. Shi is planning a project which aims at enabling the visually impaired to do Chinese word processing with speech or Brailly devices, jointly developed by the Hong Kong Society for the Blind and the Industrial Centre of the Hong Kong Polytechnic. For the long term benefit of industrial development in both Hong Kong and China, he is planning to donate money to the Hong Kong Polytechnic and technical training institutes in China.

Looking ahead, Mr. Shi hopes to increase turnover of his business at a compound rate of 20% per annum and list his company in Hong Kong Stock Exchange in the near future.

佘繼標先生

佘繼標先生可說是一位白手興家的企業人材，由當初(1983)一家只有三名僱員的小工廠發展成今日擁有全球最大的玩具摩打生產事業。此外，他更將其業務邁向多元化發展。目前，他旗下的業務包括玩具摩打生產、混凝土生產、對華貿易、及機械生產等。他在中國的各種業務，僱有員工達數千人之多。這些都表現到佘先生的管理才能。

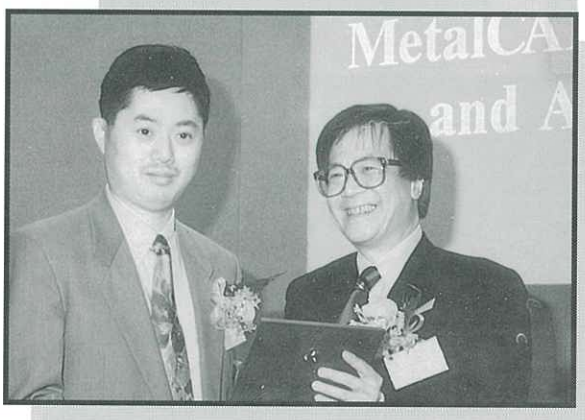

佘先生對本地工業發展貢獻良多，他公司所生產的玩具零件，由於價格低廉，普遍受玩具廠商採用，亦間接促進本港玩具業在國際市場的競爭力。他亦活躍於多個工商團體，包括香港工業總會，又贊助業內機械設計比賽及設立獎學金。今年，佘先生更榮獲香港青年工業家獎。

佘先生目前正在籌劃一個使失明人士受惠的項目，聯合香港理工學院工業中心及香港盲人輔道會，利用語言及盲人浮凸點的設計進行電腦中文文書處理。他又準備捐款予香港理工學院及國內大專學府以促進兩地工業的長遠發展。

在事業方面，佘先生希望見到公司的營業額達每年百份之二十的增長率，並在不久將來，在香港聯交所上市。

袁漢榮先生

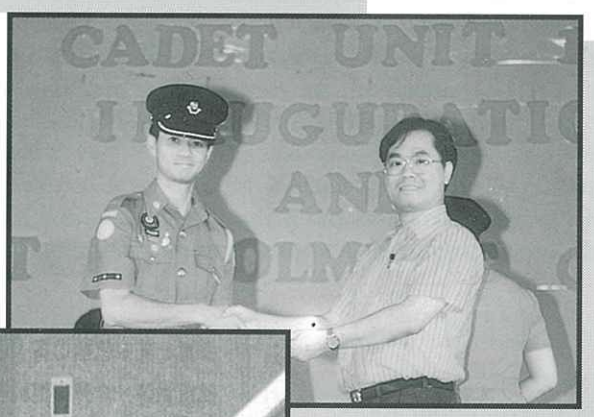

袁漢榮先生服務於香港皇家警察隊，更是香港首位華人被挑選參加警隊的專業炸彈處理訓練。

除了擁有一份極具挑戰性的工作之外，袁先生更利用工餘時間，參加紅十字會的志願工作，是會中年紀最輕而又被委任爲分區領導的幹事。爲了培育青少年的社會意識及互愛精神，袁先生於多間學校成立紅十字會小組，吸納青少年會員，並致力改進會中的活動形式，引用獎勵計劃，吸引年青人積極參予會中活動。袁先生曾被選出參加亞太區救災及災後重建服務研討會議，並於1991年成爲援助隊的行政官員。袁先生於會中的出色表現，得到英紅十字會頒發的熱心服務榮譽獎章，以示加許。

明年對於袁先生可說非常重要的一年，因爲他將於明年結婚，並同時讀畢其四年制的軍事訓練課程，介時袁先生將會是香港首位華人炸彈處理主任。另外，關於紅十字會的服務發展，袁先生正計劃實行香港紅十字會青年發展計劃，讓更多志願工作者有發揮的機會。

ANNUAL GENERAL MEETING 1990

FACTS ABOUT JUNIOR CHAMBER INTERNATIONAL

TOYP

CURRENT FACTS

NAME : Junior Chamber International (JCI), the name of which was changed from the previous Jaycees International to the aforesaid name in the Sydney Congress in 1988, is a worldwide association. The Junior Chamber International welcomes young people between the ages of 21 and 40, from all nationalities, races and religions.

MEMBERSHIP : Over 400,000 in nearly 13,000 communities throughout more than 80 member nations.

PURPOSE : The purpose of the Jaycees, as outlined in the JCI Constitution, are "to contribute to the advancement of the global community by providing opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change".

HISTORY : The organization was founded in St. Louis, Missouri, U.S.A. by Henry Giessenbier on October 13, 1915. From then on, the Jaycee movement travelled across national borders, and on December 11, 1944, representatives from eight nations met in Mexico City to inaugurate the Jaycees International (JCI) as a worldwide organization.

HEADQUARTERS : The Junior Chamber International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. With a staff of 35, JCI provides its Local and National Organization Members development services in different languages. The chief administrative officer is the Secretary General.

PRESIDENT 1993 : Robby Dawkins

THEME : Each year, Junior Chamber International adopts a major emphasis theme program which is implemented on worldwide basis. The theme that is selected relates to major problems with universal significance. In this theme program, members can select a number of specific projects that are most relevant to the needs of their respective communities.
The theme adopted for 1992-1996 is "The Age of Global Citizenship" with the subthemes of Economic Development, the Future of Children, and the Environment. Without a favourable economic environment, companies and governments cannot guarantee education and health for our children. When economic growth means more pollution, the very future of our children becomes bleak. Children are both the reason for, and the key to, the protection of earth's environment. A new, and better global environment depends on global thinking, action throughout all levels of society today, if we are to secure the fate of our environment.

AREA OF OPPORTUNITY : JCI promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership with individual, management, community and international opportunities.

RIGHTS OF THE CHILD : JCI recognizes and supports the United Nation Declaration of the Rights of the Child. In 1979 Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. In 1982 and subsequent years, national and local organizations have and will conduct permanent and continuing programs to cater for the basic needs of children as set out in the Declaration.

ANNUAL MEETING : The 48th World Congress will be held in Hong Kong.
