Recital of JCI Creed, Mission and Vision

Senator Peggy Yip
National Secretary General

JCI Creed

We believe . . .

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

JCI Mission

To provide leadership development opportunities that empower young people to create positive change.

JCI Vision

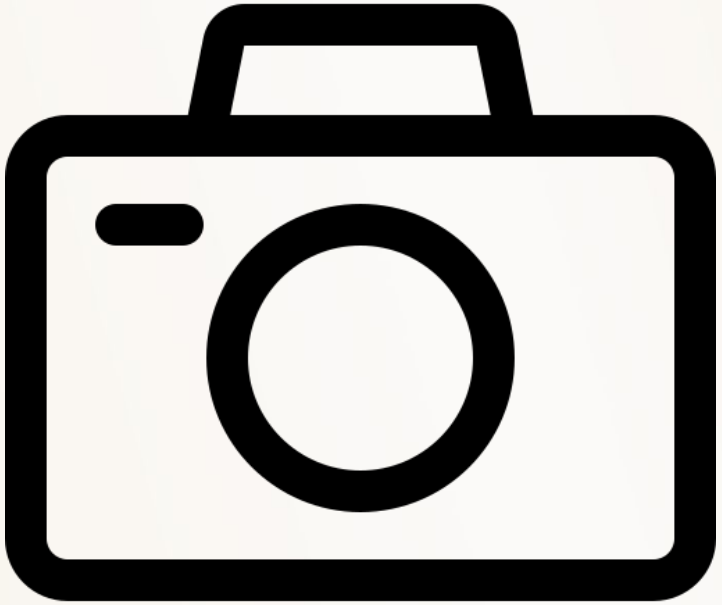

To be the foremost global network of young leaders.
